Notice to Consulting Engineers

The Kansas Department of Transportation is seeking qualified consulting engineering firms to perform construction inspection, as needed, statewide. A response may be submitted by e-mail to neil@ksdot.org or seven signed copies of the response can be mailed to Neil Rusch, P.E., Assistant to the Director, Division of Engineering and Design, KDOT, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754. Responses shall be limited to four pages and must be received by 1 p.m. August 2 for the consulting engineering firm to be considered.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short-listed will be notified by letter.

The Consultant Negotiating Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select the firms to perform the professional services required for completing the advertised project. After the selection of these firms,

the remaining firms will be notified by letter of the outcome.

Construction Inspection, As Needed Statewide

The scope of services is to provide construction inspection services on an as-needed basis statewide. Firms selected will be required to provide the following services:

1. grading inspection
2. structures inspection
3. asphalt inspection (plant and/or road)
4. concrete pavement inspection (plant and/or road)
5. materials testing
6. contract documentation
7. traffic control inspection
8. seeding
9. other similar services, etc.

The firms must be able to staff the project with KDOT-certified inspectors.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications;
2. experience of staff;
3. location of firm with respect to proposed project;
4. work load of firm; and
5. firm's performance record.

Department of Transportation**Notice to Contractors**

Sealed proposals for the construction of road and bridge work in the following Kansas county will be received at the Bureau of Construction and Maintenance, KDOT, Topeka, or at the Eisenhower State Office Building, fourth floor, west wing, 700 S.W. Harrison, Topeka, until 1 p.m. July 26 and then publicly opened.

Notice: This project was originally let on June 20. All bids were rejected and the project is being re-let.

District Four — Southeast

Cherokee—69-11 K-6799-01 — U.S. 69 north to the Burlington Northern Santa Fe railroad crossing at Columbus, 9.1 miles, pavement reconstruction. (Federal Funds)

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid.

This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of affidavit will be provided by the

state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the project may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

**Notice of Hearing on Proposed
Administrative Regulations**

A public hearing will be conducted at 9 a.m. Wednesday, September 12, at the Hayden Building, conference room, 212 S.W. 8th Ave., Topeka, to consider the proposed adoption of a permanent regulation, K.A.R. 68-7-21, of the Kansas Pharmacy Board.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed adoption of K.A.R. 68-7-21. All parties may submit written comments prior to the hearing to Debra Billingsley, Executive Secretary, Kansas Pharmacy Board, Room 560, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612-1231, or by e-mail to pharmacy@pharmacy.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting the Kansas Pharmacy Board at the address above or by calling (785) 296-4056. Handicapped parking is located on the west and north sides of the building, and the north entrance to the building is accessible to individuals with disabilities.

Copies of the regulation and the economic impact statement may be obtained by contacting the Kansas Pharmacy Board or by accessing the board's Web site at <http://www.accesskansas.org/pharmacy/leg.html>. A summary of the proposed regulation follows:

K.A.R. 68-7-21. Institutional drug rooms. This regulation identifies the policies and procedures governing the storage, control and dispensation of drugs within an institutional drug room.

Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Kansas Gas Service has applied for a Class II operating permit in accordance with the provisions of K.A.R. 28-19-540. Emissions of NOx and CO were evaluated during the permit review process. The purpose of a Class II permit is to limit the potential-to-emit for these pollutants to below major source thresholds.

Kansas Gas Service, Tulsa, Oklahoma, owns and operates Calista Compressor Station located at Sec. 6, T28S, R8W in Kingman County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review for a period of 30 days from the date of publication during normal business hours at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and a copy of the proposed permit can be reviewed at the KDHE South Central District Office, 130 S. Market, Suite 6050, Wichita. To obtain or review the proposed permit and supporting documentation, contact Michael Parhomek, (785) 296-1580, at the KDHE central office; and to review the proposed permit only, contact Dave Butler, (316) 337-6020, at the KDHE South Central District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the proposed permit to Michael Parhomek, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received before the close of business August 6.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Sherry Walker, Bureau of Air and Radiation, not later than the close of business August 6 in order for the Secretary of Health and Environment to consider the request.

 Legal: N¹/₂, S33, T20S, R10E, and NW¹/₄, S34, T20S, R10E, Lyon County
 Facility Name: Pyramid Stone LLC

Facility Description: The proposed action is to issue a new permit for the discharge of wastewater during quarry operation. This facility strip mines slab rock. Outfalls 001 and 002 consist of stormwater runoff. The proposed permit contains generic water-quality language to protect waters of the state. Contained in the permit is a schedule of compliance requiring the permittee to develop and implement an industrial stormwater pollution prevention plan within one year of the effective date of the permit. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this new facility for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated uses. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Junction City, City of P.O. Box 287 Junction City, KS 66441	Republican River	Domestic Wastewater

Kansas Permit No. M-LR15-OO01 Federal Permit No. KS0034011
 Legal Description: SE¹/₄, SW¹/₄, SE¹/₄, S3, T11S, R5E, Geary County

Facility Description: The proposed action is to reissue an existing permit for an existing wastewater treatment plant treating primarily domestic wastewater. The facility is a mechanical treatment plant consisting of a primary clarification, activated sludge basins and final clarification. UV disinfection is utilized. Sludge is lime stabilized and land applied. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, ammonia, fecal coliform/E. Coli, chlorides and pH. Monitoring for total phosphorus, nitrate, nitrite, total Kjeldahl nitrogen, total nitrogen and effluent flow also will be required. The permittee will be required to perform a chronic whole effluent toxicity (WET) test annually and a priority pollutant scan once during the term of the permit. Contained in the permit is a schedule of compliance requiring the permittee to conduct a study to assess the cost and feasibility of nutrient removal by this facility. The report is to be completed within two years of the effective date of the permit. The schedule of compliance also requires the permittee to perform a study covering the reduction of chloride in the influent, including necessary changes or improvements, which will allow the facility to consistently meet chloride limits contained in the permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before August 4 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-07-185/192, KS-07-066/073) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdhe.state.ks.us/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Article 4.—BIG GAME

115-4-13. Deer permits; descriptions and restrictions. Except as otherwise specified or further restricted by law or regulation, the following deer permit descriptions, provisions, and restrictions shall be in effect.

(a) White-tailed deer permits.

(1) Archery white-tailed deer permit. This permit shall be valid for the hunting of white-tailed deer during the established archery deer season within a prescribed management unit or units, using equipment that is legal during the archery deer season.

(2) Firearm white-tailed deer permit. This permit shall be valid for the hunting of white-tailed deer during the established muzzleloader-only and firearms deer seasons within a prescribed management unit, using equipment that is legal during the established season.

(3) Antlerless white-tailed deer permit. This permit shall be valid for the hunting of antlerless white-tailed deer statewide during the established muzzleloader-only, archery, and firearms deer seasons using equipment that is legal during the established season.

(4) Antlerless white-tailed deer game tag. This permit shall be valid for the hunting of antlerless white-tailed deer during the established muzzleloader-only, archery, and firearms deer seasons within a prescribed management unit or units, using equipment that is legal during the established season. This permit shall not be valid on department lands and waters, unless otherwise specified in these regulations.

(b) Any-deer permits.

(1) Archery any-deer permit. This permit shall be valid for the hunting of any deer during the established archery deer season within a prescribed management unit or units, using equipment that is legal during the archery deer season.

(2) Firearm any-deer permit. This permit shall be valid for the hunting of any deer during the established firearms deer season within a prescribed management unit, using equipment that is legal during the firearms deer season.

(3) Muzzleloader any-deer permit. This permit shall be valid for the hunting of any deer during the established muzzleloader-only and firearms deer seasons within a prescribed management unit, using muzzleloader equipment that is legal during the muzzleloader-only or firearms deer season.

(4) Leftover any-deer permit. Leftover any-deer permits shall be those firearm and muzzleloader any-deer permits that remain unissued after the first drawing process is completed. This permit shall be valid for the hunting of any deer within a prescribed management unit during the established muzzleloader-only, archery, and firearms deer seasons using equipment that is legal during the established season.

(c) Hunt-on-your-own-land deer permits. Each hunt-on-your-own-land permit shall be valid for any deer, unless otherwise specified in these regulations.

(1) Resident hunt-on-your-own-land deer permit. This permit shall be available to individuals who qualify as resident landowners or as tenants or as family members domiciled with the landowner or with the tenant. This permit shall be valid during the muzzleloader-only, archery, and firearms deer seasons, using equipment that is legal during the established season. This permit shall be valid only on lands owned or operated by the landowner or tenant.

(2) Special hunt-on-your-own-land deer permit. This permit shall be available to individuals who qualify as resident landowners or as tenants or as family members domiciled with the landowner or with the tenant. This permit shall be valid during the muzzleloader-only, archery, and firearms deer seasons, using equipment that is legal during the established season. This permit shall be valid only on lands owned or operated by the landowner or tenant. This permit shall be transferable to family members who are lineal or collateral ascendants or descendants of the landowner or of the tenant. These family members shall include the spouses of lineal or collateral ascendants or descendants of the landowner or of the tenant.

(3) Nonresident hunt-on-your-own-land deer permit. This permit shall be available to nonresident individuals who qualify as Kansas landowners. This permit shall be valid during the muzzleloader-only, archery, and firearms deer seasons, using equipment that is legal during the established season. This permit shall be valid only on lands owned or operated by the nonresident landowner or tenant.

(d) Nonresident deer permits. If nonresident deer permits are issued, each nonresident permit shall be valid for the same season and for the same management unit as those for which the equivalent resident deer permits are valid.

(e) Each deer permit or game tag shall be valid only for the species of deer specified and only for the antler category of deer specified by regulation or on the permit or game tag.

(1) An either-sex deer permit shall be valid for deer of either sex.

(2) An antlerless deer permit or game tag shall be valid only for a deer without a visible antler plainly protruding from the skull.

(3) An any-deer permit shall be valid for a white-tailed deer of either sex or a mule deer of either sex, except that an antlerless any-deer permit shall be valid only for a deer of either species without a visible antler plainly protruding from the skull. (Authorized by K.S.A. 32-807 and K.S.A. 2006 Supp. 32-937; implementing K.S.A. 32-807, K.S.A. 2006 Supp. 937, and K.S.A. 32-1002; effective Jan. 30, 1995; amended June 6, 1997; amended July 30, 1999; amended June 1, 2001; amended April 22, 2005; amended July 20, 2007.)

FOR NURSES

60-9-106. Continuing nursing education for license renewal. (a) At the time of license renewal, each licensee shall submit proof of completion of 30 contact hours of approved continuing nursing education (CNE). This proof shall be documented as specified on the renewal notice and shall include the following:

- (1) Name of CNE offering or college course;
- (2) provider name or name of the accrediting organization;
- (3) provider number or number of the accrediting organization, if applicable;
- (4) offering date; and
- (5) number of contact hours.

(b) The required 30 contact hours of approved CNE shall have been completed during the most recent prior licensing period. Contact hours accumulated in excess of the 30-hour requirement shall not be carried over to the next renewal period.

(c) Acceptable continuing nursing education may include any of the following:

- (1) An offering presented by an approved long-term or single provider;
- (2) an offering as designated in K.S.A. 65-1119(e) and amendments thereto;

(3) an offering for which a licensee has submitted an individual offering approval (IOA). Before licensure renewal, the licensee may submit an application for an IOA to the board, accompanied by the following:

(A) An agenda with behavioral objectives describing learning outcomes; and

(B) official documentation of earned contact hours;

(4) a maximum of 15 contact hours for the first-time preparation and presentation as an instructor of an approved offering to licensed nurses or mental health technicians. Two contact hours of instructor credit shall be granted for each hour of presentation;

(5) an offering utilizing a board-approved curriculum developed by the American heart association, emergency nurses association, or Mandt, which may include the following:

- (A) Advanced cardiac life support;
 - (B) emergency nursing pediatric course;
 - (C) pediatric advanced life support;
 - (D) trauma nurse core course;
 - (E) neonatal resuscitation program; or
 - (F) Mandt program;
- (6) independent study;
 - (7) distance learning offerings;
 - (8) a board-approved refresher course;

(9) participation as a member of a nursing organization board of directors or the state board of nursing, including participation as a member of a committee reporting to the board. The maximum number of allowable continuing

education contact hours shall be six and shall not exceed three contact hours each year. A letter from an officer of the board confirming the dates of participation shall be accepted as documentation of this type of continuing nursing education; or

(10) any college courses in science, psychology, sociology, or statistics that are prerequisites for a nursing degree.

(d) Fractions of contact hours over one contact hour shall be accepted.

(e) Contact hours shall not be recognized by the board for any of the following:

- (1) Identical offerings completed within a renewal period;
- (2) offerings containing the same content as courses that are part of basic preparation at the level of current licensure or certification;
- (3) in-service education, on-the-job training, orientation, and institution-specific courses;

(4) an incomplete or failed college course or any college course in literature and composition, public speaking, basic math, algebra, humanities, or other general education requirements unless the course meets the definition of CNE; or

(5) offerings less than one contact hour in length. (Authorized by and implementing K.S.A. 65-1117; effective Sept. 2, 1991; amended April 3, 1998; amended April 20, 2001; amended July 20, 2007.)

Board of Pharmacy

Permanent Administrative
Regulations

Article 7.—MISCELLANEOUS PROVISIONS

68-7-11. Medical care facility pharmacy. The scope of pharmaceutical services within a medical care facility pharmacy shall conform to the following requirements:

(a) The pharmacist-in-charge shall be responsible for developing programs and supervising all personnel in the distribution and control of drugs and all pharmaceutical services in the medical care facility.

(b) The pharmacist-in-charge shall develop a policy and procedure manual governing the storage, control, and distribution of drugs within the medical care facility. The pharmacist-in-charge shall submit the policy and procedure manual for approval to the pharmacy and therapeutics committee or an equivalent committee governing the security, control, and distribution of drugs within the facility.

(c) The pharmacist-in-charge shall be responsible for the maintenance of all emergency medication kits.

(d) The pharmacist-in-charge shall be responsible for developing procedures for the distribution and control of drugs within the medical care facility when a pharmacist is not on the premises. These procedures shall be consistent with the following requirements:

(1) Inpatient service. Drugs may be obtained upon a prescriber's medication order for administration to the inpatient by a designated registered professional nurse or nurses with approval and supervision of the pharmacist-in-charge. Adequate records of these withdrawals shall be maintained.

(2) Emergency outpatient service.

(A) An interim supply of prepackaged drugs shall be supplied to an outpatient only by a designated registered professional nurse or nurses pursuant to a prescriber's medication order when a pharmacist is not on the premises and a prescription cannot be filled. The interim supply shall be labeled with the following information:

(i) The name, address, and telephone number of the medical care facility;

(ii) the name of the prescriber. The label shall include the name of the practitioner and, if involved, the name of either the physician's assistant (PA) or the advanced registered nurse practitioner (ARNP);

(iii) the full name of the patient;

(iv) the identification number assigned to the interim supply of the drug or device by the medical care facility pharmacy;

(v) the date the interim supply was supplied;

(vi) adequate directions for use of the drug or device;

(vii) the beyond-use date of the drug or device issued;

(viii) the brand name or corresponding generic name of the drug or device;

(ix) the name of the manufacturer or distributor of the drug or device, or an easily identified abbreviation of the manufacturer's or distributor's name;

(x) the strength of the drug;

(xi) the contents in terms of weight, measure, or numerical count; and

(xii) necessary auxiliary labels and storage instruction, if needed.

(B) The interim supply shall be limited in quantity to an amount sufficient to supply the outpatient's needs until a prescription can be filled. Adequate records of the distribution of the interim supply shall be maintained and shall include the following information:

(i) The original or a copy of the prescriber's order, or if an oral order, a written record prepared by a designated registered professional nurse or nurses that reduces the oral order to writing. The written record shall be signed by the designated registered professional nurse or nurses and the prescriber; and

(ii) the name of the patient; the date supplied; the drug or device, strength, and quantity distributed; directions for use; the prescriber's name; and, if appropriate, the DEA number.

(3) The designated registered professional nurse or nurses may enter the medical care facility pharmacy and remove properly labeled pharmacy stock containers, commercially labeled packages, or properly labeled prepackaged units of drugs. The registered professional nurse shall not transfer a drug from one container to another for future use, but may transfer a single dose from a stock container for immediate administration to the ultimate user.

(e) The pharmacist-in-charge of the medical care facility pharmacy shall maintain documentation of at least

quarterly checks of drug records and conditions of drug storage, in all locations within the facility, including nursing stations, emergency rooms, outpatient departments, and operating suites.

(f) The pharmacist-in-charge shall participate with the pharmacy and therapeutics committee or an equivalent committee in formulating broad professional policies regarding the evaluation, appraisal, selection, procurement, storage, distribution, use, and safety procedures for drugs within the medical care facility.

(g) The pharmacist-in-charge shall be responsible for establishing a drug recall procedure that can be effectively implemented.

(h)(1) The pharmacist-in-charge shall be responsible for developing written procedures for maintaining records of drug distribution, prepackaging, and bulk compounding. Prepackaged drugs shall include the following information:

(A) The brand name or corresponding generic name of the drug;

(B) the name of the manufacturer or distributor of the drug, or an easily identified abbreviation of the manufacturer's or distributor's name;

(C) the strength of the drug;

(D) the contents in terms of weight, measure, or numerical count;

(E) the lot number; and

(F) the beyond-use date.

(2) Prepackaged drugs shall be packaged in suitable containers and shall be subject to all other provisions of the Kansas state board of pharmacy regulations under the uniform controlled substances act of the state of Kansas and under the pharmacy act of the state of Kansas. Before releasing any drugs or devices from the pharmacy, the pharmacist shall verify the accuracy of all prepackaging and the compounding of topical and oral drugs.

(i) The pharmacist-in-charge shall ensure that the medical care facility maintains adequate drug information references commensurate with services offered and a current copy of the Kansas pharmacy act, the Kansas uniform controlled substances act, and current regulations under both acts.

(j) The pharmacist-in-charge shall be responsible for pharmacist supervision of all pharmacy technicians and for confining their activities to those functions permitted by the pharmacy practice act. Records shall be maintained describing the following:

(1) The training and related education for nondiscretionary tasks performed by pharmacy technicians; and

(2) written procedures designating the person or persons functioning as pharmacy technicians, describing the functions of the pharmacy technicians, and documenting the procedural steps taken by the pharmacist-in-charge to limit the functions of pharmacy technicians to nondiscretionary tasks.

(k) The pharmacist-in-charge shall be responsible for establishing policies and procedures for the mixing or preparation of parenteral admixtures. Whenever drugs are added to intravenous solutions, distinctive supplemental labels shall be affixed that indicate the name and amount of the drug added, the date and the time of ad-

(continued)

dition, the beyond-use date, storage instructions, and the name or initials of the person who prepared the admixture. The pharmacist-in-charge shall comply with all requirements of K.A.R. 68-13-1. Before the parenteral admixture is released from the pharmacy, the pharmacist shall verify the accuracy of all parenteral admixtures prepared by pharmacy technicians.

(l) The pharmacist shall interpret the prescriber's original order, or a direct copy of it, before the drug is distributed and shall verify that the medication order is filled in strict conformity with the direction of the prescriber. This requirement shall not preclude orders transmitted by the prescriber through electronic transmission. Variations in this procedure with "after-the-fact" review of the prescriber's original order shall be consistent with medical care facility procedures established by the pharmacist-in-charge. Each medication order shall be reviewed by a pharmacist within seven days of the date it was written.

(m) Pharmacy services to outpatients during pharmacy hours shall be in accordance with the board's regulations, K.S.A. 65-1625 et seq., and K.S.A. 65-4101 et seq., and amendments thereto, governing community pharmacy practice.

(n) The pharmacist-in-charge shall be responsible for the security of the pharmacy, including the drug distribution systems and personnel.

(1) When a pharmacist is on the premises but not in the pharmacy, a pharmacy technician may be in the pharmacy. A pharmacy technician shall not distribute any drug or device out of the pharmacy when a pharmacist is not physically in the pharmacy unless authorized by the pharmacist.

(2) When a pharmacist is not on the premises, no one shall be permitted in the pharmacy except the designated registered professional nurse or nurses.

(o) Each pharmacist-in-charge who will no longer be performing the functions of the pharmacist-in-charge position shall inventory all controlled substances in the pharmacy before leaving the pharmacist-in-charge position. A record of the inventory shall be maintained for at least five years.

(p) Within 72 hours after beginning to function as a pharmacist-in-charge, the pharmacist-in-charge shall inventory all controlled substances in the pharmacy. A record of the inventory shall be maintained for at least five years. (Authorized by K.S.A. 65-1630; implementing K.S.A. 65-1648, K.S.A. 2006 Supp. 65-1642, and K.S.A. 2006 Supp. 65-1626; effective, E-77-39, July 22, 1976; effective Feb. 15, 1977; amended May 1, 1978; amended May 1, 1988; amended May 1, 1989; amended Dec. 27, 1999; amended April 28, 2000; amended July 20, 2007.)

68-7-12. Responsibility of pharmacist-in-charge in other than a medical care facility pharmacy. Each pharmacist-in-charge for premises having a pharmacy registration, other than a medical care facility pharmacy, shall be responsible for the following functions.

(a) Each pharmacist-in-charge shall develop, supervise, and coordinate all pharmaceutical services carried on within the pharmacy to ensure compliance with the Kansas pharmacy act, the Kansas uniform controlled sub-

stances act, federal drug laws, and all applicable regulations.

(b) Each pharmacist-in-charge shall be personally available to the extent required to ensure comprehensive pharmaceutical services within the pharmacy and to develop a staff of additional licensed pharmacists and supportive personnel as necessary to serve the needs of the pharmacy. Each pharmacist-in-charge shall maintain records in the pharmacy describing the training and education regarding work functions performed by all pharmacy personnel. Each pharmacist-in-charge shall maintain in the pharmacy written procedures that address the following areas:

(1) Designate the person or persons functioning as pharmacy technicians and supportive personnel;

(2) describe the functions of all personnel; and

(3) document the procedural steps taken by the pharmacist-in-charge to limit the functions of all personnel to their respective pharmacy work functions.

(c) Each pharmacist-in-charge shall develop or approve written policies and procedures for the pharmacy that meet all of the following conditions:

(1) Adequate accountability and control of drugs in compliance with the Kansas pharmacy act, the Kansas uniform controlled substances act, federal drug laws, and all applicable regulations are provided for.

(2) Any incident that occurs as a result of an alleged or real error in filling or dispensing a prescription or medication order is brought to the attention of the pharmacist-in-charge and completely documented in accordance with the requirements of K.A.R. 68-7-12b.

(3) Adequate records of the pharmacy's dispensing, prepackaging, and bulk compounding actions are maintained, and all prepackaging of drugs is done in suitable containers, properly labeled in accordance with K.A.R. 68-7-16.

(d) Each pharmacist-in-charge shall develop written procedures for maintaining records of the pharmacy's dispensing, prepackaging, and bulk compounding actions and shall ensure that prepackaged medication is packaged in suitable containers and properly labeled.

(e) A pharmacist-in-charge who will no longer be performing the functions of the pharmacist-in-charge position shall inventory all controlled substances in the pharmacy before leaving the pharmacist-in-charge position. A record of the inventory shall be maintained for at least five years.

(f) Within 72 hours after beginning to function as a pharmacist-in-charge, the pharmacist-in-charge shall inventory all controlled substances in the pharmacy. A record of the inventory shall be maintained for at least five years. (Authorized by K.S.A. 65-1630 and K.S.A. 2006 Supp. 65-1643; implementing K.S.A. 2006 Supp. 65-1626 and K.S.A. 2006 Supp. 65-1637; effective, E-77-39, July 22, 1976; effective Feb. 15, 1977; amended May 1, 1978; amended May 1, 1989; amended Nov. 30, 1992; amended Feb. 27, 1998; amended Dec. 27, 1999; amended Feb. 7, 2003; amended July 20, 2007.)

Article 1.—DISEASES

28-1-5. General provisions for isolation or quarantine of persons afflicted with infectious or contagious disease; examination of persons; collection of specimens. (a) When the conditions of isolation and quarantine are not otherwise specified by regulation, the isolation and quarantine of persons afflicted with or exposed to infectious or contagious diseases shall be ordered and enforced by the local health officer or the secretary of health and environment to preserve the public health, safety, or welfare. The conditions of isolation or quarantine so ordered shall be based on current medical knowledge of the infectious agent of the disease for which isolation or quarantine is ordered and may include consideration of the following factors:

- (1) The incubation period;
- (2) the communicable period;
- (3) the mode of transmission; and
- (4) susceptibility.

(b) Isolation or quarantine, or both, shall be ordered in conjunction with investigation of infectious or contagious disease cases and outbreaks for examining persons reasonably suspected of having these diseases and for obtaining specimens from these persons for laboratory evidence suggestive of infectious or contagious disease. (Authorized by K.S.A. 65-101 and 65-128; implementing K.S.A. 65-101; effective May 1, 1982; amended July 20, 2007.)

28-1-6. Requirements for isolation and quarantine of specific infectious and contagious diseases; exception; definition. (a) Any of the requirements specified in this regulation for isolation and quarantine may be altered by the secretary of health and environment or the local health officer if the secretary or local health officer determines that an alteration is necessary for the greater protection of public health, safety, or welfare. The requirements for isolation or quarantine, or both, so altered shall be based on current medical knowledge of the infectious agent of the disease for which isolation or quarantine, or both, are ordered and may include consideration of the following factors:

- (1) The incubation period;
- (2) the communicable period;
- (3) the mode of transmission; and
- (4) susceptibility.

(b)(1) For the purposes of this regulation, the phrase "enteric precautions" shall mean thorough hand washing after attending to any infectious case or touching the feces of an infected person, disinfection of any article that has been in contact with any infectious case or feces, and sanitary disposal of feces.

(2) For the purposes of this regulation, "susceptible person" shall mean an individual who meets both of the following conditions:

(A) Has been exposed to an infected person or a contaminated environment, if the exposure is sufficient to provide the individual with an opportunity to acquire that particular disease; and

(B) regarding the disease specified in paragraph (b)(2)(A), meets at least one of the following conditions:

- (i) Has no history of the disease that has been documented by a licensed physician;
- (ii) has no laboratory evidence of immunity; or
- (iii) has no documentation acceptable to the secretary that demonstrates current immunity against the disease.

(c) The following isolation and quarantine precautions, as defined in K.A.R. 28-1-1, shall be observed:

(1) Amebiasis. Each infected food handler shall be excluded from that person's occupation until three negative stools have been obtained. Both the second and the third specimens shall be collected at least 48 hours after the prior specimen.

(2) Chickenpox (varicella). Each infected person shall remain in isolation for six days after the first crop of vesicles appears or until the lesions are crusted, whichever comes first. Each susceptible person in a school, child care facility, or family day care home shall be either vaccinated within 24 hours of notification to the secretary or excluded from the school, the child care facility, or the family day care home until 21 days after the onset of the last reported illness in the school, the child care facility, or the family day care home.

(3) Cholera. Enteric precautions shall be followed for the duration of acute symptoms.

(4) Diphtheria. Each infected person shall remain in isolation for 14 days or until two consecutive negative pairs of nose and throat cultures are obtained at least 24 hours apart and not less than 24 hours after discontinuation of antibiotic therapy. Each household contact and all other close contacts shall have nose and throat specimens tested and be monitored for symptoms for seven days from the time of last exposure to the disease. Healthy carriers with diphtheria shall be treated. Each contact who is a food handler or works with children shall be excluded from that occupation until the nose and throat cultures are negative.

(5) Hepatitis A. Each infected person shall be excluded from food handling, patient care, and any occupation involving the care of young children and the elderly until 14 days after the onset of illness.

(6) Meningitis caused by *Haemophilus influenzae*. Each infected person shall remain in respiratory isolation for 24 hours after initiation of antibiotic therapy.

(7) Meningitis, meningococcal. Each infected person shall remain in respiratory isolation for 24 hours after initiation of antibiotic therapy.

(8) Mumps. Each infected person shall remain in respiratory isolation for five days from the onset of illness. Each susceptible person in a school, child care facility, or family day care home shall be either vaccinated within 24 hours of notification to the secretary or excluded from the school, child care facility, or family day care home until 26 days after the onset of the last reported illness in the school, child care facility, or family day care home.

(continued)

(9) Pediculosis (headlice). Each student infested with lice shall be excluded from the school, child care facility, or family day care home until treatment with an antiparasitic drug is initiated.

(10) Pertussis (whooping cough). Each infected person shall remain in respiratory isolation for three weeks if untreated, or for five days following initiation of antibiotic therapy. Each susceptible person in a school, child care facility, or family day care home shall be vaccinated within 24 hours of notification to the secretary or shall complete a five-day course of antibiotic therapy. Each susceptible person who does not receive the vaccination shall be excluded from the school, child care facility, or family day care home until 21 days after the onset of the last reported illness in the school, child care facility, or family day care home.

(11) Plague (pneumonic). Each infected person shall remain in respiratory isolation until completion of 48 hours of antibiotic therapy. Each close contact who does not receive chemoprophylaxis shall remain in quarantine for seven days.

(12) Poliomyelitis. Each infected person shall remain in isolation for 10 days from the onset of illness. Enteric precautions shall be followed for six weeks.

(13) Rubella (German measles). Each infected person shall remain in respiratory isolation for seven days after the onset of rash. Each susceptible person in a school, child care facility, or family day care home shall be vaccinated within 24 hours of notification to the secretary or shall be excluded from the school, child care facility, or family day care home until 21 days after the onset of the last reported illness in the school, child care facility, or family day care home.

(14) Rubeola (measles). Each infected person shall remain in respiratory isolation for four days after the onset of rash. Each susceptible person in a school, a child care facility, or a family day care home shall be either vaccinated within 24 hours of notification to the secretary or excluded from the school, child care facility, or family day care home until 21 days after the onset of the last reported illness in the school, child care facility, or family day care home.

(15) Salmonellosis (nontyphoidal). Enteric precautions shall be followed for the duration of acute symptoms. Each infected person with diarrhea shall be excluded from food handling, patient care, and any occupation involving the care of young children and the elderly until no longer symptomatic. Any asymptomatic and convalescent infected person without diarrhea may be excluded from, and may return to, this work by the order of the local health officer or the secretary.

(16) Scabies. Each child or student infected with scabies shall be excluded from a school, child care facility, or family day care home until treated with an antiparasitic drug.

(17) Shiga toxin-producing *Escherichia coli* (STEC). Enteric precautions shall be followed for the duration of acute symptoms. Each infected person shall be excluded from food handling, patient care, and any occupation involving the care of young children and the elderly until two negative stool cultures are obtained at least 24 hours apart and no sooner than 48 hours following discontinuation of antibiotics. No infected child shall attend a child

care facility or family day care home until two negative stool cultures are obtained at least 24 hours apart and no sooner than 48 hours following discontinuation of antibiotics.

(18) Shigellosis. Enteric precautions shall be followed for the duration of acute symptoms. Each infected person shall be excluded from food handling, patient care, and any occupation involving the care of young children and the elderly until two negative stool cultures are obtained at least 24 hours apart and no sooner than 48 hours following discontinuation of antibiotics. No infected child shall attend a child care facility or family day care home until two negative stool cultures are obtained at least 24 hours apart and no sooner than 48 hours following the discontinuation of antibiotics.

(19) Staphylococcal disease. Each infected food handler shall be excluded from that person's occupation until the purulent lesions are healed or until each wound is covered with an impermeable cover, including a finger cot, and a single-use glove is worn over the impermeable cover.

(20) Streptococcal disease, hemolytic, including erysipelas, scarlet fever, and streptococcal sore throat. Each infected person shall remain in isolation for 10 days if untreated or for 24 hours following initiation of antibiotic therapy.

(21) Tinea capitis and corporis (ringworm). Each infected child or student shall be excluded from the school, the child care facility, or the family day care home until treated by a health care provider.

(22) Tuberculosis, active disease. Each infected person shall remain in respiratory isolation until all of the following conditions are met:

(A) Three sputa obtained on consecutive days are negative by microscopic examination.

(B) The person has received standard multidrug anti-tuberculosis therapy for at least two weeks.

(C) The person shows clinical improvement.

(23) Typhoid fever. Enteric precautions shall be followed for the duration of acute symptoms. Each infected person shall be restricted from food handling, patient care, and any occupation involving the care of young children and the elderly until three negative stool cultures, and three negative urine cultures in patients with schistosomiasis, have been obtained. Both the second and the third specimens shall be collected at least 24 hours after the prior specimen. The first specimen shall be collected no sooner than 48 hours following the discontinuation of antibiotics, and not earlier than one month after onset of illness. If any one of these tests is positive, cultures shall be repeated monthly until three consecutive negative cultures are obtained.

(24) Sexually transmitted diseases. Each infected person shall follow isolation or quarantine measures established by the local health officer for persons who are confirmed or suspected of being infected with a sexually transmitted disease if these persons are recalcitrant to proper treatment. (Authorized by K.S.A. 65-101 and 65-128; implementing K.S.A. 65-101; effective May 1, 1982; amended May 1, 1986; amended Sept. 5, 1997; amended July 16, 1999; amended July 20, 2007.)

Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.

\$15 each, includes shipping and handling.
 (Kansas residents must include applicable state and local sales tax.)
