Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted by the Kansas Department of Labor at 9 a.m. Wednesday, July 26, in the third floor conference room at the Kansas Department of Labor, 401 S.W. Topeka Blvd., Topeka, to consider the adoption of an unemployment insurance program regulation. Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Topeka Blvd., Topeka, 66603, (785) 296-4902.

Requests for copies of the regulation and submissions of comments concerning the regulation should be sent to Darren Root at the address above or at Darren.Root@dol.ks.gov. A summary of the regulation and the economic impact follows:

K.A.R. 50-3-2—The amendments implement 2007 legislative changes to K.S.A. 2006 Supp. 44-705(d), as amended by L. 2007, Ch. 16, §2. The amended regulation codifies the Legislature's intent to waive the one-week waiting period for unemployment insurance benefits initial claims, when specified circumstances exist. In addition, the amendments clarify that unemployment benefits for the one-week waiting period will be paid in the claimant's fourth week of unemployment, provided there is not a break in claims during the period of three weeks consecutive to the waiting period and the claimant has met the eligibility requirements during that three-week period. The adoption of this amended regulation will not jeopardize the department's conformity with the requirements of the federal unemployment insurance program.

Economic Impact: The adoption of this regulation will have no appreciable economic impact on the unemployment insurance program.
