Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted by the Wildlife and Parks Commission at 7 p.m. Thursday, October 18, at the Colby Community Building, 285 E. 5th St., Colby, to consider the approval and adoption of proposed administrative regulations of the Kansas Department of Wildlife and Parks.

A workshop meeting on business of the Wildlife and Parks Commission will begin at 1:30 p.m. October 18 at the location listed above. The meeting will recess at 5:30 p.m., then resume at 7 p.m. at the same location for the regulatory hearing. There will be public comment periods at the beginning of the afternoon and evening meetings for any issues not on the agenda, and additional comment periods will be available during the meeting on agenda items. Old and new business also may be discussed at this time. If necessary to complete the hearing or other business matters, the commission will reconvene at 9 a.m. October 19 at the same location.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Sheila Kemmis, commission secretary, at (620) 672-5911. Persons with a hearing impairment may call the Kansas Commission for the Deaf and Hard of Hearing at (800) 432-0698 to request special accommodations.

This 60-day notice period prior to the hearing constitutes a public comment period for the purpose of receiving written public comments on the proposed administrative regulations. All interested parties may submit written comments prior to the hearing to the chairman of the commission, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Suite 200, Topeka, 66612, or to sheilak@wp.state.ks.us if electronically. All interested parties will be given a reasonable opportunity at the hearing to express their views orally in regard to the adoption of the proposed regulations. During the hearing, all written and oral comments submitted by interested parties will be considered by the commission as a basis for ap-

proving, amending and approving, or rejecting the proposed regulations.

The regulations that will be heard during the regulatory hearing portion of the meeting are as follows:

K.A.R. 115-2-1. This permanent regulation establishes fees for various issues. The proposed amendments set prices for youth big game and turkey permits, remove game tag provisions for big game, set a price for a non-resident mule deer stamp, set a price for a youth paddle-fish permit and reduce the daily fishing license fee.

Economic Impact Summary: The proposed changes are expected to reduce amounts generated to the wildlife fee fund by \$90,677 in FY 08 and \$19,629.50 in FY 09. Otherwise, the proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-2-3a. This permanent regulation establishes cabin camping permit fees. The proposed amendments would add new locations and offer longer term stays at locations for cabins that are in the process of being installed this coming calendar year, as well as increasing fees in two locations and reducing fees in one location.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-7-1. This permanent regulation establishes legal equipment, methods of taking and other provisions for fishing. The proposed amendments remove requirements related to barbless hooks for paddlefish and separate gigging from snagging.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-7-8. This permanent regulation establishes requirements for weigh-in black bass fishing tournaments using the tournament black bass pass. The proposed amendments would clarify that the use of the tournament bass pass is for black bass fishing tournaments.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-7-9. This new permanent regulation establishes requirements for weigh-in black bass fishing tournaments not using the tournament black bass pass. The proposed regulation would require minimum weigh-in requirements for black bass fishing tournaments that were not previously required to hold weigh-in tournaments.

Economic Impact Summary: There will be some economic impact to tournament organizers who are not currently using the tournament weigh-in procedures as they will have to acquire the necessary implements to properly conduct the weigh-in. Otherwise, the proposed regulation is not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-18-10. This permanent regulation establishes prohibitions, permit requirements and restrictions

(continued)

on the importation and possession of certain wildlife. The proposed amendments would add the diploid grass carp to the prohibited species list.

1304

Economic Impact Summary: There may be some impact to the aquaculture industry by switching from diploid to triploid grass carp but any amount is purely speculative at this time. Otherwise, the proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-18-12. This permanent regulation establishes requirements, restrictions and permit duration for the trout permit. The proposed amendments would allow youths under 15 to fish for or fish for and possess trout without a permit, subject to limitations for creel under K.A.R. 115-25-14.

Economic Impact Summary: The proposed amendment may reduce income to the wildlife fee fund, but any amount is purely speculative at this time, as well as possibly offset in the future with increased participation. Otherwise, the proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-18-20. This permanent regulation establishes requirements, restrictions and pass duration for the tournament black bass pass. The proposed amendments would clarify that the use of the tournament bass pass is for black bass.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-25-6. This exempt regulation establishes the spring season, bag limit, permits and game tags for turkey hunting. The proposed amendments would increase the number of permits available in Unit 4 and open the youth/disabled season concurrently with the archery only season beginning April 1 and running through the opening day of the firearm season.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

K.A.R. 115-25-14. This exempt regulation establishes creel limits, size limits, possession limits and open seasons for fishing. The proposed amendments would add one new trout fishing location, modify creel and length limits for paddlefish, and add new water bodies to the special creel limits, length limits and bait restrictions reference document.

Economic Impact Summary: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies or the public.

Copies of the complete text of the regulations and their respective economic impact statements may be obtained by writing the chairman of the commission at the address above, electronically on the department's Web site at www.kdwp.state.ks.us, or by calling (785) 296-2281.

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 2 p.m. Wednesday, October 17, in the first floor hearing room at 1500 S.W. Arrowhead, Topeka, to consider the adoption of proposed regulations 82-11-1, 82-11-3, 82-11-4, 82-11-7 and 82-11-8.

This 60-day notice of public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to Colleen Harrell, Assistant General Counsel, Kansas Corporation Commission, 1500 S.W. Arrowhead, Topeka, 66604. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Colleen Harrell at (785) 271-3110 or TTY (Kansas Relay Center) at (800) 766-3777. Accessible parking for individuals with disabilities may be found in the main parking lot of the commission's offices. The main entrance is easily accessible and can be found on the southwest corner of the building.

Copies of the regulations may be obtained by contacting Colleen Harrell. A summary of the proposed regulations follows:

82-1-1. Definitions. This regulation contains definitions used in K.A.R. 82-1-2 through K.A.R. 82-11-10.

82-11-3. Transportation of natural and other gas by pipeline; annual reports and incident reports. This regulation adopts by reference the federal rules and regula-

tions found at 49 C.F.R. Part 191, with the enumerated exceptions.

82-11-4. Transportation of natural and other gas by pipeline; minimum safety standards. This regulation adopts by reference the federal rules and regulations found at 49 C.F.R. Part 192, with the enumerated exceptions.

82-11-7. Reporting requirements. This regulation is being revised to require Kansas-specific annual reports to be submitted to the commission's pipeline safety section.

82-11-8. Customer installations: location and monitoring responsibility. This regulation removes "commercial" customer installations from operator requirements.

Economic Impact Statement Summary: The proposed regulations are mandated by federal law as a requirement for participating in a federally subsidized or assisted program. The commission receives approximately 45 percent of the pipeline safety operating budget as a grant from the U.S. Department of Transportation. Under 49 USC §60105(a), Kansas submits an annual certification to the USDOT that allows Kansas law to supersede the jurisdiction of the USDOT for intrastate pipeline safety standards. The adoption of these regulations is not expected to increase costs to the commission, other governmental agencies, private entities including natural gas companies, any private citizen or consumer of natural gas. The update of the Kansas additions to the federal regulations is expected to lessen the burden on the regulated community by focusing the cost of compliance on areas considered to have a higher safety risk.
