City of Olathe, Kansas

Notice to Bidders

Sealed bids will be received at the office of the city clerk at City Hall, 100 E. Santa Fe, Olathe, KS 66051, until 10 a.m. local time Wednesday, February 27, 2008, for the construction of the Advanced Transportation Management System (ATMS) — Phase III, KDOT Project No. 46N-0455-01, Olathe Project No. 33298C. At said time and place, and promptly thereafter, all bids that have been duly received will be publicly opened and read aloud.

The work consists of the following:

Furnishing and installing equipment and materials necessary for the installation of the Olathe, Kansas Advanced Transportation Management System (ATMS) — Phase III. A bidder's qualification process will be required for this project. The criteria are established in the Project Manual. This work will include all elements needed to provide a functional ATMS. This work will require the placement of conduit, fiber optic cable, pull boxes, CCTV cameras and assemblies, and communications equipment (splice enclosure, fiber distribution units, ethernet switches, etc.).

Contract documents including drawings and specifications are on file at the office of the Olathe city engineer and are open for public inspection. Copies may be obtained at the office of Olsson Associates, 7301 W. 133rd St., Suite 200, Overland Park, KS 66213, for \$100, none of which will be refunded.

The entire name of the project must appear on the outside of the bid envelope submitted to the city clerk's office. A satisfactory bid bond executed by the bidder and an acceptable surety, in an amount equal to 5 percent of the total bid for work, shall be submitted with each proposal. The successful bidder will be required to furnish and pay satisfactory performance and payment bond or bonds. The city of Olathe reserves the right to reject any or all bids or to waive any informalities in the bidding.

Bids may be held by the city of Olathe for a period not to exceed 60 days from the date of the opening of bids for the purpose of reviewing the bids and investigating the qualifications of bidders, prior to awarding the contract.

Effective April 24, 2000, all bidders shall submit in writing to the director of Human Relations an affirmative action program. No contract will be awarded to any company that has not been issued a Certification of Compliance by the Olathe Human Relations Commission within the past 12 months. A copy of the required form is included in the contract documents. Questions concerning the forms and information required to complete the form should be directed to the Olathe Equal Opportunity Office at (913) 971-6694.

Department of Health and Environment

Notice of Hearing

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality construction permit. Goodland Energy Resources, L.L.C. (GER) has applied for a modification to its existing air quality construction permit in accordance with the provisions of K.A.R. 28-19-300 to modify the proposed emissions reduction system and expand the types of fuel burned at its facility located west of Goodland, Kansas. Emissions of particulate matter (PM), PM equal to or less than 10 microns in diameter (PM₁₀), volatile organic compounds (VOCs), oxides of nitrogen (NOx), sulfur dioxide (SO₂), carbon monoxide (CO) and hydrogen chloride (HCl) were evaluated during the permit review process.

A public comment period has been established until February 25 to allow citizens the opportunity to express any concerns or comments they may have about this permitting action. KDHE has scheduled a public hearing at 7 p.m. (Mountain Time) February 26 in the City Commission Room, 204 W. 11th, Goodland, to receive comments on the proposed issuance of the draft air quality construction permit. All comments should be submitted in writing to Dana S. Morris, KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366, or at the public hearing.

Requests to speak at the public hearing should be sent to the attention of Christy Thurman at the address listed above or by fax to (785) 291-3953 and must be received by noon February 25. For more information concerning the hearing, call the Bureau of Air and Radiation's Permitting Unit at (785) 296-1570.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review for a period of 30 days from the date of publication during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air and Radiation, 1000 S.W. Jackson, Suite 310, Topeka; and at the city manager's office, 204 W. 11th, Goodland. Also, a copy of only the proposed permit can be reviewed at the KDHE Northwest District Office, 2301 E. 13th, Hays. To obtain or review the proposed permit and supporting documentation, contact Dana Morris, (785) 296-1578, at the KDHE central office; and to review the proposed permit only, contact Rick Robinson, (785) 625-5663, at the KDHE Northwest District Office. The standard departmental cost will be assessed for any copies requested.

Kansas Permit No. M-MO25-OO05 Federal Permit No. KS0099201 Legal Description: SE¹/₄, SW¹/₄, S12, T10S, R23E, Wyandotte County

Facility Description: The proposed action consists of issuance of a new wastewater treatment discharge permit for the Wolcott Wastewater Treatment plant. This plant is a 0.288 million gallon per day (MGD) biological nutrient removal activated sludge wastewater treatment facility. This wastewater treatment facility will be a temporary treatment facility. Long-range planning for development in the area will result in this package facility being replaced with a larger capacity treatment plant. Also, installation of this temporary facility will result in abandonment of an existing package mechanical wastewater treatment plant, the Estates of Conner Creek WWTP. The proposed permit contains limits for biochemical oxygen demand, total suspended solids, ammonia, E. coli and pH. Monitoring for total phosphorus, nitrate, nitrite, total Kjeldahl nitrogen, total nitrogen and effluent flow also will be required. An anti-degradation review has been reviewed and approved by KDHE. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are waterquality based.

Legal Description: NW1/4, S14, T12S, R19E, Douglas County

Facility Name: Lawrence Energy Center

Facility Location: 1250 N. 1800 Road, Lawrence, KS 66044

Facility Description: The proposed action is to reissue an existing permit for an existing wastewater treatment facility. This facility generates up to 336 megawatts of electric power with three coal-fired highpressure steam generating units #3, #4 & #5. Two units (#4 & #5) are equipped with wet air quality control scrubbers (AQCS). Kansas River water is treated with settling, clarification and reverse osmosis, prior to use for boiler feed and settling only for cooling towers makeup water. Clear pond water is reused for air scrubbers, bottom ash sluicing, house service, fire protection and other processes. Boiler chemical cleaning waste is collected in frac tanks, analyzed, and, with KDHE approval, injected into the boiler fire. Domestic wastewater (source: city water) is treated with a package sewage treatment plant, disinfected with ozone and discharged to Manhole 001. The proposed permit contains limits for free available oxidant, oil and grease, total suspended solids, biochemical oxygen demand, E. coli and pH. Monitoring for total recoverable mercury, total recoverable selenium, chloride, sulfate, total residual oxidant, hardness and effluent flow also will be required. The permittee also is required to perform a chronic whole effluent toxicity (WET) test and a priority pollutant scan (PPS) once during the term of this permit. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Kansas Permit No. I-AR94-PO21 Federal Permit No. KS0000850

Facility Name: York UPG (Unitary Products Group)

Facility Location: 801 E. 37th St. North, Wichita, KS 67219

Facility Description: The proposed action is to reissue an existing permit for an existing wastewater discharge. This facility manufactures furnaces and air conditioners for residential and manufactured housing markets. Once-through noncontact cooling water, obtained from the city water supply, is used for cooling compressors, welders and other equipment (outfall 003). In addition, the facility has undertaken a groundwater remediation project where groundwater is treated by an air stripper prior to discharge to a drainage ditch (outfall 004). The facility also utilizes water from an on-site well for noncontact cooling of test cells in the A/C and heat labs at the AME building. Spent cooling water from the AME building and contaminated groundwater from recovery well RW-2 are treated in a second air stripper prior to discharge to the drainage ditch (outfall 005). Total daily discharge is about 1.082 million gallons. 4,000 gpd of outfall 005 air stripper effluent is used for seasonal lawn irrigation. Domestic waste is connected to the sanitary sewer system. The proposed permit contains limits for trichloroethylene and pH as well as monitoring for total recoverable copper, sulfate and effluent flow. The permittee also is required to perform a volatile organic chemical (VOC) scan annually. The permit requirements are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria, and are water-quality based.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before February 23 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-08-010/020, KS-08-004/006, KS-ND-008-007) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at http://www.kdhe.state.ks.us/feedlots. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid.

This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths.

The required form of affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

- (b) "Act" means the Kansas professional regulated sports act, K.S.A. 74-50,181 et seq., and amendments thereto.
- (c) "Announcer" means the person who is responsible for announcing the names of the officials and the contestants, the contestants' weights, and the decisions of the referee and judges for one or more bouts during a contest.
- (d) "Boxing commissioner" means the individual appointed by the commission pursuant to K.S.A. 74-50,184 and amendments thereto. This individual shall have oversight of and regulatory authority over all contests.
- (e) "Co-main event" means a bout of the same importance as that of the main bout.
- (f) "Contestant" means a person who is licensed by the commission to fight during contests.
- (g) "Inspector" means a person who is appointed by the commission to attend contests to ensure that the licensees of the commission adhere to all applicable statutes and regulations.
- (h) "Intentional foul" means any action specified in K.A.R. 128-6-1(z), K.A.R. 128-6-2(x), or K.A.R. 128-6-4(q) that occurs during a contest if the referee determines that the action is done deliberately.
- (i) "Judge" means a person who is licensed by the commission and who serves as a member of a panel, which shall consist of three judges responsible for determining a decision in each bout of a contest.
 - (j) "Low blow" means a punch below the belt line.
- (k) "Main event" means the most important bout during a contest for which the public interest is the greatest.
- (l) "Majority decision" means a decision in which two of the three judges decide in favor of one contestant, while the third judge calls the bout a draw. The decision is recorded as a win in the contestant's fight record.
- (m) "Majority draw" means a decision by the judges in which the scorecard of one of the three judges favors one

contestant, while the other two judges' scorecards have the bout scored as a tie. The decision is recorded as a draw on each contestant's fight record.

- (n) "Manager" means the person who is licensed by the commission and, for compensation, directs or controls the professional activities of one or more contestants.
- (o) "Matchmaker" means the person who is licensed by the commission, hired by a promoter, and responsible for selecting the contestants for each bout of a contest on the basis of the contestants' weights and relative levels of experience.
- (p) "No-contest decision" means a decision made by a referee, before the completion of the fourth round in a boxing or kickboxing contest and before the completion of the second round in a mixed martial arts contest, that the contest must be stopped and has no winner.
- (q) "Official" means any referee, judge, matchmaker, manager, second, announcer, timekeeper, or physician as those terms are defined in this regulation.
- (r) "Permit" means written authorization from the commission for a promoter to hold a contest or a professional wrestling performance in Kansas.
- (s) "Physician" means a person who is licensed by the commission and is licensed as a doctor of medicine or doctor of osteopathy by the state of Kansas and who provides professional medical services to contestants as required by the act and these regulations for contests.
- (t) "Promoter" means a person, association, partnership, corporation, limited liability company, or any other form of business entity that meets the following requirements:
 - (1) Is licensed by the commission;
- (2) arranges, advertises, or conducts contests or professional wrestling performances; and
- (3) is responsible for obtaining a permit for each contest and for payment of all applicable state athletic taxes and fees.
- (u) "Promotion" means a contest for which tickets or items of nominal value are sold or given for admission to the contest.
- (v) "Purse" means the contracted amount or any other remuneration that contestants receive for participating in a bout of a contest. This term shall include each contestant's share of any payment received for radio broadcasting, television, or motion picture rights.
- (w) "Referee" means the person who is licensed by the commission and is in charge of enforcing all commission regulations that apply to the conduct of each bout in a contest and to the conduct of the contestants and seconds while these individuals are in the ring.
- (x) "Round" means the period within a bout that occurs between two consecutive rest periods.
- (y) "Second" means an individual who is licensed by the commission and attends to a contestant between the rounds of a bout during a contest.
- (z) "Split decision" means a decision in which two of the three judges decide in favor of one contestant, while the third judge determines the other contestant to be the winner. A split decision is recorded as a win in the fight record of the contestant whom two of the judges deem the winner.

- (aa) "Split draw" means a decision by the judges when a bout has reached its scheduled end in which one judge scores the bout in favor of one contestant, another judge scores the bout for the opposing contestant, and the remaining judge scores the bout as a tie. The contest has no winner, and the contest is recorded as a tie, which is also known as a draw, towards each contestant's record.
- (bb) "Tapout" means a verbal or physical signal by a contestant indicating that the contestant is forfeiting the bout
- (cc) "Technical decision" means a decision that is rendered by the referee if a contest is ended, after the fourth round has been completed, because of an accidental foul.
- (dd) "Technical draw" means a decision that is rendered by the judges after a bout is completed and the contestants' scores are equal. The contest has no winner.
- (ee) "Technical knockout" means the termination of a bout by the referee, who declares a winner for a reason that may consist of any of the following:
- (1) It is the judgment of the physician, a contestant's second, or the referee that a contestant cannot continue fighting without sustaining serious or disabling injury.
- (2) A contestant fails to engage the opponent for a reason other than that specified in paragraph (ee)(1).
 - (3) A contestant is disqualified.

Article 8.—DEPARTMENT LANDS AND WATERS

- **115-8-13.** Motorized vehicles and aircraft; authorized operation. (a) Motorized vehicles shall be operated only on department roads and parking areas, except as otherwise established by posted notice or as approved by the secretary.
- (b) Motorized vehicles shall be operated at speeds not in excess of 25 miles per hour or as otherwise established by posted notice.
- (c) Motorized vehicles shall be operated in accordance with load limits as established by posted notice for roads or bridges.
- (d) Motorized aircraft landings and takeoffs shall be allowed in designated areas only or as authorized by the secretary.
- (e) (1) Except as provided in this regulation, each motorized vehicle that meets either of the following conditions shall be prohibited from being operated on all department lands and roads:
 - (A) Is not registered with one of the following:
- (i) The director of vehicles pursuant to K.S.A. 8-127 and amendments thereto; or
- (ii) the corresponding authority in another state or country; or
- (B) is unlawful to be operated on any interstate highway, federal highway, or state highway pursuant to K.S.A. 8-15,100 and L. 2007, Ch. 140, Sec. 3, and amendments thereto.
- (2) The term "motorized vehicle" shall include all-terrain vehicles, work-site utility vehicles, golf carts, gocarts, and electric or gasoline-powered two-wheeled vehicles.
- (f) Any person with a disability, as defined by K.S.A. 8-1,124 and amendments thereto, may annually request a permit from the secretary to utilize a motorized vehicle for accessing certain department lands and roads to provide access to recreational opportunities that would otherwise be unavailable to disabled persons. Each written request shall include the following:

- (1) The name, address, and telephone number of the applicant;
 - (2) the nature of the disability;
- (3) the name and location of the property to be accessed;
 - (4) the date or duration of the entry requested; and
- (5) documentation of that person's disability in the form of a disabled accessible parking placard, disabled motor vehicle license plate, or disabled identification card issued by the director of vehicles of the department of revenue pursuant to K.S.A. 8-1,125 and amendments thereto, or similar documentation issued by another state.
- (g) No person who is in possession of a motorized vehicle and has a permit to operate the motorized vehicle on department lands and roads shall perform either of the following:
- (1) Allow another person to operate the vehicle on department lands and roads unless that other person has a permit issued by the department; or
- (2) operate the vehicle on department lands and roads unless that person is in possession of a permit issued by the department.
- (h) Each permit issued by the department that authorizes the operation of a motorized vehicle on department lands and roads shall expire on the last day of the calendar year in which the permit was issued, unless otherwise specified on the permit.
- (i) A permit that authorizes the operation of a motorized vehicle on department lands and roads shall not be issued or shall be revoked by the secretary for any of the following reasons:
- (1) The disability does not meet the requirements for the permit.
- (2) The application is incomplete or contains false information.
- (3) The disability under which the permit was issued no longer exists.
- (4) The documentation of disability in the form of a disabled accessible parking placard, disabled motor vehicle license plate, or disabled identification card issued by the director of vehicles of the department of revenue pursuant to K.S.A. 8-1,125 and amendments thereto, or similar documentation issued by another state, has expired.
- (5) The permit holder fails to comply with the terms and limitations of the permit or with the requirements specified in this regulation.
- (6) The issuance or continuation of the permit would be contrary to the preservation of habitat or species located on or in department lands or waters.
- (j) This regulation shall not apply to any motorized vehicle that is owned by the department or a designated agent and is used in the operation and maintenance of department lands and roads. (Authorized by K.S.A. 32-807; implementing K.S.A. 32-807; effective Dec. 4, 1989; amended Feb. 8, 2008.)
