**Notice of Commencement of  
Negotiations for Architectural Services**

**Notice: Effective July 1, 2008, there will be a change in state law removing the requirement that architectural firms must maintain an office in Kansas staffed by licensed architects.**

Notice is hereby given of the commencement of negotiations for architectural services for Phase I improvements to Bill Snyder Family Stadium and Bramlage Coliseum at Kansas State University, Manhattan.

Stadium improvements include the following items:

- Demolition and rebuilding of the westside restroom/concession areas with improved larger facilities, shifting the footprint of the structure to the west to create a wider concourse area.
- Redesign the west face of the stadium entry and parking areas to complement and continue the "front door" design initiated by the Bramlage Coliseum expansion (see below). Extensive use of graphics and parking reconfigurations will pose the west side as the front door to the stadium.
- Bid documents are scheduled for completion in January 2009.

Bramlage Coliseum improvements include the following items:

- Expansion of the coliseum to the west with a structure running parallel to the existing facility in a north-south orientation. The structure will house a hall of fame, ticketing, retail/office space and indoor training facility for both men's and women's basketball.
- The indoor basketball training facilities will include two identical locker rooms, two identical practice gymnasiums, office/administrative areas as well as selected service areas shared by both programs, in accordance with Title IX considerations. New areas will consist of sports medicine, equipment/laundry, weight training, media interview room, and training facilities. The training facilities will be connected to the main arena by means of a tunnel under the west seating area.
- The northwest entry will become the "grand entry" for the coliseum.
- Bid documents are scheduled for completion in April 2009.

The estimated construction cost is \$28,500,000. A program is available from the Division of Facilities Management. For more information concerning the scope of services, contact Abe Fattaey, (785) 532-1725.

To be considered, five (5) bound proposals and one (1) PDF file on a CD of the following should be provided: a letter of interest, an SF330 Part I, information regarding similar projects, and an SF330 Part II for each firm and consultant. Proposals should be concise and follow the 2008 State Building Advisory Commission guidelines, available to firms at <http://da.ks.gov/fp/>. If copies of the

guidelines are needed, contact Phyllis Fast, Division of Facilities Management, Suite 102, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, (785) 296-5796, [Phyllis.Fast@da.ks.gov](mailto:Phyllis.Fast@da.ks.gov). Submittals should be received by Phyllis Fast before noon July 25.
