The Kansas Lottery and/or the Kansas Racing and Gaming Commission may require clarification of the items requested in the Application and may require additional documents or disclosures.
- (b) The Commission may conduct hearings, solicit testimony, consult with experts, request additional information, seek clarification, or take such other action as may be deemed appropriate by the Commission in order to determine if a contract and related documents submitted as provided by these rules meet the minimum requirements set forth in the KELA and these procedures.

This Order issued this 10th day of October, 2008, by the State Bank Commissioner.

WHEREAS, 12 C.F.R. §7.1002 authorizes a national bank to act as a "finder," bringing interested parties together to a transaction and performing various functions set out in the regulation; and

WHEREAS, the Comptroller of the Currency has deemed borrowers and lenders to be encompassed by the term "interested parties"; and

WHEREAS, state law provides no similar authority for state banks to act as a finder, bringing together interested parties to a transaction; and

60-1-104. Definitions. (a) "Affiliating agency" means an agency that cooperates with the nursing education program to provide facilities and clinical resources for selected student experiences.

(b) "Approval" means the status granted to a program that provides evidence of both of the following:

(1) The program is operating on a sound educational basis that is consistent with the board's educational requirements as set forth in the nurse practice act.

(2) The program has no deficiencies.

(c) "Articulation" means the process by which a registered professional nurse, licensed practical nurse, or mental health technician who is enrolled in a nursing education program is given credit for previous nursing or mental health technology education.

(e) "Clinical learning" means an active process in which the student participates in nursing activities while being guided by a member of the faculty.

The instructor shall not be required to be present, but the students shall be included in the faculty-student ratio.

(g) "Conditional approval" means the limited-time status that the board imposes on a program if the board finds evidence that an approved nursing education program has failed to comply with educational requirements as set forth in the nurse practice act.
