Description: The Kansas Department of Health and Environment issued Kansas Water Pollution Control Permit No. C-KS23-NO01 (permit) to Alan Higgins, dba Holton Bowling Center (permittee), 21650 S. Highway 75; Holton, KS 66436, effective September 1, 2007, and expiring December 31, 2011, to operate a one-cell wastewater stabilization lagoon system. The permit contained a schedule of compliance requiring the permittee to hire a Kansas-licensed engineer to provide a plan and proposed schedule to upgrade the facility, take weekly readings of the water depth in the lagoon, record the readings and provide them in a report to the KDHE by the 10th of each month, reinstall the fence around the lagoon by October 1, 2007, and obtain the services of a KDHE-certified wastewater treatment plant

operator by November 1, 2007. The requirements of the permit were not fulfilled.

The KDHE issued Public Water Supply Permit No. KS2108502-PW003941 to the Holton Bowling Center on November 2, 2007. The permit provided permission to supply water to the public for domestic purposes. Since the permit was issued, the Holton Bowling Center failed to comply with the bacteriological monitoring requirements of K.A.R. 28-15a-21, the public notice reporting requirements of K.A.R. 28-15a-31 and the drinking water disinfection requirements of K.A.R. 28-15-19.

On May 14, 2008, KDHE issued an administrative order to the permittee requiring the permittee to take corrective actions regarding the operation of the wastewater stabilization lagoon system and the public water supply system. The order assessed a civil penalty against the permittee. The permittee did not appeal this order and the order became a final order May 29, 2008. The permittee has failed to comply with the requirements of the final order and the current permits. Therefore, pursuant to K.A.R. 28-16-60 and K.A.R. 28-16-62, KDHE is hereby providing notice of intent to terminate the permits to operate the lagoon system and the public water supply system for failure to comply with the current permits and a final order of the secretary of KDHE.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before November 29 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-08-344/345, KS-Q-08-187/189, KS-NQ-034) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. The charge for copies is 50 cents per page.

A summary of the proposed regulation and its economic impact follows:

K.A.R. 40-3-30. Fire and casualty insurance; assigned risk plans; forms and procedures. This is an amendment to an existing regulation that requires insurers to inform their agents of the assigned risk plans available to Kansas policyholders.

There will be minimal economic impact on insurance companies, the Kansas Insurance Department and other governmental agencies. There may be a positive impact on consumers because they should be notified of these assigned risk plans earlier in the insurance purchasing process.

There should not be an impact on small businesses. As stated above, if a small business has to purchase its insurance from an assigned risk plan, the business should find out about their availability sooner.

Behavioral Sciences Regulatory Board

Notice of Hearing on Proposed Administrative Regulations

The Behavioral Sciences Regulatory Board will conduct a public hearing from 2 to 3 p.m. Monday, January 5, in the board conference room at 712 S. Kansas Ave., Topeka, to consider adopting proposed amendments to permanent rules and regulations for social work.

This 60-day notice of the public hearing constitutes a public comment period for purposes of receiving written public comments on the proposed amendments. All interested parties may submit written comments prior to the hearing to Phyllis Gilmore, Executive Director, Behavioral Sciences Regulatory Board, 712 S. Kansas Ave., Topeka, 66603-3817. E-mail comments may be directed to phyllis.gilmore@bsrb.state.ks.us. All interested parties will be given a reasonable opportunity to present their views orally at the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Phyllis Gilmore at (785) 296-3240 or the Kansas Relay Center at (800) 766-3777. There is designated accessible parking on Kansas Avenue, and the front entrance to the board office also is accessible.

A copy of the full text of each regulation and the economic impact statement may be reviewed or obtained at the board office and also is available on the board's Web site at www.ksbsrb.org, under "public information." The following is a summary of the proposed amendments and economic statements. The board does not have a less costly or less intrusive method for achieving the stated purpose of each regulation.

K.A.R. 102-2-8 contains the supervision requirements for clinical social work licensure. The changes are related to a change in supervisor qualifications and the mode of allowable supervision. Supervisors would now be required to have two years of clinical experience prior to commencing clinical supervision responsibilities where previously none was required. Teleconferencing would be permitted for a portion of the required hours of supervision for clinical supervision where previously none was required.

Economic impact: There would be a negative fiscal impact on a licensee who gains income from providing supervision as he/she would now have to practice for two years before being allowed to be a supervisor. There would be a positive fiscal impact on licensees being supervised as they would not need to travel as often to see their supervisor face to face as is now required. This would save the supervisee both time and money.

K.A.R. 102-2-12 contains the requirements for clinical social work licensure. The changes are clarifying the

requirements for the clinical training plan and the way in which videoconferencing hours may be obtained.

Economic impact: There would be no economic impact from the clarification of training plan requirements. There would be a positive fiscal impact on individuals being supervised as they would not need to travel as often to see their supervisor face to face as is now required. This would save the supervisee both time and money.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, November 13, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the projects numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000737—Maximum Principal Amount: \$50,000. Owner/Operator: Chelan D. and Megan M. Duerksen. Description: Acquisition of 40 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Chelan D. and Megan M. Duerksen and is located at Section 14, Menno Township, Marion County, Kansas, approximately 3 miles north of Goessel on K-15 Highway, 2 miles east on 150th, 1 mile north on Diamond, and .75 mile east on 160th.

Project No. 000739—Maximum Principal Amount: \$116,751.27. Owner/Operator: Lacie Litke and Kerry Kasten. Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Lacie Litke and Kerry Kasten and is located at Section 4, Township 15 South, Range 9 East, Morris County, Kansas, approximately 10 miles north of Council Grove on 500 Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

- (4) The holder of the non-winning ticket must complete the information form on the back of the ticket in a legible manner. Only one name shall appear on a non-winning ticket entered.
- (5) Players may deposit entries for this drawing into any receptacle the Kansas lottery has specifically designated for said purpose.
- (6) Entries other than those entered pursuant to subsection (a)(5) herein shall be mailed with proper postage to "Garmin, c/o Kansas lottery, P. O. Box 4568, Topeka, Kansas 66604-4568." - **111-4-2702. Selection of winners.** The following process shall be used for the selection of winners in the "Garmin Drawing:"
- (a) Kansas lottery personnel shall pick up all mail containing tickets for this drawing at the United States Post Office in Topeka, Kansas, with the final pick up at the Topeka post office in the morning mail pickup on Tuesday, August 26, 2008, for the first drawing, and Tuesday, November 18, 2008, for the second drawing. Following each final mail pickup, the envelopes containing mailed entries will be transported to lottery headquarters and opened by lottery personnel. All mailed entries shall then be placed in the drawing receptacle or drum with all entries deposited into any other receptacle designated by the lottery.
- (b) The drawing shall be held at the Kansas lottery headquarters and shall be open to the public with lottery security personnel present. The drawing shall be audio and video taped.
- (c) At each drawing, lottery security personnel will be present with the person designated by the executive director to perform the drawing. Prior to each drawing, if a drum is used, the drum shall be sealed and the contents mixed by rotating the drum at least 10 times. If a receptacle other than a drum is used, the contents shall be thoroughly mixed with a shovel or by other means.
- (d) At each drawing, the designated individual shall then unseal the drum, if a drum is used, and using the bare-arm technique, while looking away, remove a single

entry from the receptacle or drum. The person whose name appears on the entry shall be the winner of one of the grand prizes identified in these rules, subject to validation by the lottery as set forth in these rules. This process shall be repeated for the second drawing.

- (e) After 10 valid entries have been selected in each drawing for the grand prize, four more valid entries will be drawn, one at a time, to serve as alternate entries for the prizes. The alternate entries will be marked in order drawn, 1A, 2A, 3A, and 4A. Each winner shall have until 5:00 p.m. on the thirtieth day following the drawing to present the fully-executed claim form to lottery head-quarters. If a prize winner cannot be located or is declared ineligible, or fails to timely present a fully-executed claim form to lottery headquarters, that prize will be awarded to the first alternate entry drawn. The alternates will be used, if necessary, in the order drawn.
- (f) The Kansas lottery security official present shall review each ticket drawn to determine the validity of the entry into this drawing in accordance with these regulations. If it is a valid entry and the name is legible, the

- (h) Only non-winning "Garmin" instant tickets are eligible for the drawing.
- (i) All tickets remaining in the drum or receptacle after the winners and alternates have been selected in each drawing, and all entries not received in compliance with these rules, shall be destroyed pursuant to K.A.R. 111-3-34.
