Public Health—Maternity Centers and Child Care Facilities—Prosecutions; Meaning of Term "Complaint." Yvonne Anderson, General Counsel, Kansas Department of Health and Environment, Topeka, September 20, 2008.

While the context and use of the term "complaint" has evolved somewhat over the years, the essential meaning of the term has not. Thus, as used first in K.S.A. 65-515, "complaint of any authorized agent of the secretary of health and environment" is a written statement by such an agent under oath setting forth the essential facts that constitute a misdemeanor violation of the Maternity Centers and Child Care Facilities Act. As further used in that statute, "complaint" refers to the document a county attorney would use to initiate a prosecution of that Act, which is also a written statement under oath of the essential facts constituting a crime. Finally, in the event that a county prosecutor receives a complaint from the Secretary of the Kansas Department of Health and Environment, the county prosecutor retains discretion whether to initiate prosecution. Crimes and Punishments—Sentencing; Deduction of Time Spent in Confinement; Consecutive Sentences. Stephen R. Tatum, Administrative Judge, Tenth Judicial District, Olathe, September 18, 2008.

When a defendant has been incarcerated on multiple cases or counts pending disposition and receives consec-

utive sentences on the same day, jail credit earned while awaiting disposition is subtracted from the aggregate sentence. Jail credit is not applied to each sentence separately.

Calculation of a defendant's sentence for misdemeanor charges is the responsibility of both the district court and the sheriff. The responsibility of recording and calculating a defendant's time in jail lies with the sheriff. Based upon the sheriff's information, the court must make the appropriate jail credit calculations in order to determine a "sentence-begins" date. ## Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable

casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.
