Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Wednesday, February 4, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of a proposed rule and regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to John Wine, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678, via facsimile at (785) 291-3673, or via e-mail at jwine@ksinsurance.org. All interested parties will be given a rea-

sonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting John Wine at (785) 296-7847 or via e-mail at jwine@ksinsurance.org.

Any individual desiring a copy of this regulation and/or the policy and procedure that is being adopted by reference, if applicable, may obtain a copy from the department's Web site, www.ksinsurance.org, under the Legal Issues link, or by contacting John Wine. The charge for copies is 50 cents per page.

A summary of the proposed regulation and its economic impact follows:

K.A.R. 40-4-36. Accident and sickness insurance; ~~continuation and conversion policies~~; reasonable notice of right to ~~continuation and~~ right to convert. This regulation is being amended to comply with changes made by 2008 Senate Bill 81 (L. 2008, Ch. 164), which amended K.S.A. 40-19c06 and 40-2209. The existing regulation provided the requirements for reasonable written notice by an insurer to employees and an employee's covered dependents of their right to continuation of group accident and sickness insurance coverage as provided in K.S.A. 40-19c06 and 40-2209. Senate Bill 81 specifically amended K.S.A. 40-2209(j)(3) to now require employers, not insurers, to provide reasonable notice of the right to continuation of coverage and requires employees and their covered dependents to pay premiums to the employer, rather than the insurer.

The proposed amendment to K.A.R. 40-4-36 is not mandated by federal law.

There will be a positive economic impact on insurers, who are no longer required to provide the notice of right to continue coverage to group employees. The cost of providing notice to former employees and their covered dependents, as well as the collection of premiums, will now be the responsibility of employers, including small business owners, who are now required to assume these statutory duties. Small business owners, in particular, may not have sufficient staff or administrative capacity to prepare and issue appropriate notices or follow up on the collection and payment of premiums from former employees and their covered dependents. Since SB 81 imposes no penalty on employers who fail to provide the required notice, employees and their covered dependents may experience an economic impact if they fail to receive notice of their continuation rights and are unaware of their rights to continuation of their health insurance coverage. Since the Kansas Insurance Department has no regulatory authority over employers, there will be no economic impact on the department.

The language of SB 81 requires the proposed amendment to the regulation and provided no other method for achieving the stated purpose.

Public Notice

The state of Kansas will submit by December 31, 2008, an updated Kansas state plan and annual report for administration of the block grant to states for Temporary Assistance for Needy Families (TANF). TANF provides assistance to needy families with children and provides parents with job preparation, work, and support services to enable them to leave the program and become self-sufficient. Only minor revisions are being made to the TANF state plan.

Federal law requires that a specified percentage of recipients of Temporary Assistance for Needy Families (TANF) be engaged in work or work activities. In determining if a state meets its minimum participation requirement, a state is allowed a credit for reducing the size of its TANF caseload.

The Department of Social and Rehabilitation Services has prepared a report on its caseload reduction estimates and the methodology used to arrive at the estimates. Copies of this report, the state plan and annual report are available by contacting the Department of Social and Rehabilitation Services at (785) 296-2968.
