Notice to Private Activity Bond Applicants

Applications for allocation of 2009 Private Activity Bond (PAB) authority are now being accepted for qualified uses, as defined by the Internal Revenue Code of 1986, and amendments thereto.

The state of Kansas is projected to receive \$273,270,000 of federal authority for the issuance of PABs in calendar year 2009. Historically, the primary uses of this federal authority have included "qualified small issue bonds" used for construction and equipping of manufacturing facilities and beginning farmer programs; "exempt facility bonds" used by for-profit entities providing a public benefit, i.e., certain waste treatment facilities, qualified residential rental facilities, etc.; and "qualified mortgage bonds" issued to benefit first-time homebuyers. Allocations awarded by the Secretary of Commerce are subject to the provisions of K.S.A. 74-5060 et seq. and the limitations of state volume cap.

Fees associated with PAB application and issuance are as follows:

- (1) Application fee—A nonrefundable fee must accompany the application before the request can be processed. The application fee is determined as follows:
 - \$250 for allocation requests up to \$5,000,000
 - \$500 for allocation requests from \$5,000,001 to
 - \$1,000 for allocation requests from \$10,000,001 and above
- (2) Issuance fee—An issuance fee for allocation amounts utilized, other than "qualified mortgage bonds" issued, shall be due and payable to the Kansas Department of Commerce at bond closing. Issuance fees shall be determined as follows:

Allocation Used Fee

To \$2,000,000 5 basis points (.05%) \$2,000,001 and above 10 basis points (.10%)

"Qualified Mortgage Bond" programs will be assessed a fee, upon issuance of each mortgage loan assisted through the program, equal to .5 percent of the PAB allocation used.

Issuance fees shall be remitted within 30 days of bond closing. Checks for both the application and issuance fees for nonhousing issues should be made payable to the Kansas Department of Commerce Bond Fee Fund. Checks for the issuance fees for housing activities should be made payable to the State Housing Trust Fund.

Introduction.

Senate Bill 66, otherwise known as the Kansas Expanded Lottery Act (KELA), was enacted by the 2007 Kansas Legislature. The KELA became effective on April 19, 2007, and has been codified at KSA 74-8733, et seq. The KELA may be viewed on the official Website of the Kansas Lottery at www.kslottery.com. Applicants desiring to become a "Lottery Gaming Facility Manager" (Manager) within any "Gaming Zone" in the State of Kansas, as those terms are defined in the KELA, are advised to familiarize themselves with the provisions of the KELA and any amendments thereto.

The Kansas Lottery (Lottery) shall own and operate, and the Kansas Racing and Gaming Commission (KRGC) shall regulate, all gaming conducted at the Gaming Facilities authorized by the KELA. The KELA places with the Lottery full, complete and ultimate ownership and operational control of all such gaming operations. The Lottery's ownership and operational control include, but are not limited to, the following rights and authorities:

- 1. To designate what table games and electronic gaming machines will be played at each facility;
- 2. To require the manager to lease or purchase gaming machines on behalf of the Lottery;
- 3. The ability to deactivate any or all machines from play at any time;
- 4. The right to choose the central computer system operating the games;
- The power to audit all aspects of the gaming operations;
- 6. To determine qualifications of employees at the gaming facilities; and,
- 7. The ability to overrule any action of the Manager affecting the gaming operation without prior notice.

Nothing contained in the following application and review procedure is in any way intended to limit or otherwise affect the Lottery's rights of ownership and operational control.
