Office of the Securities Commissioner

Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted at 10 a.m. Wednesday, April 22, at the Office of the Securities Commissioner, 618 S. Kansas Ave., first floor, Topeka, to consider the amendment of K.A.R. 81-3-6, 81-14-5 and 81-5-14. The regulations are proposed for adoption on a permanent basis.

K.A.R. 81-3-6 sets forth the dishonest and unethical practices that constitute grounds for discipline against a broker-dealer or agent. Similarly, **K.A.R. 81-14-5** sets forth the dishonest and unethical practices for investment advisers and investment adviser representatives. The proposed amendments would make it unethical for a broker-dealer, agent, investment adviser or investment adviser representative to use a professional designation or certification that creates a misleading implication that the user has special training in advising senior citizens. The amendments are based upon a Model Rule on the Use of Senior-Specific Certifications and Professional Designation adopted by the North American Securities Administrators Association (NASAA) March 20, 2008.

K.A.R. 81-5-14 contains the notice filing requirements and associated fees for offerings of investment company securities. The filing fee is currently \$200 for a unit investment trust, and the proposed amendment would increase the fee to \$500. Kansas Ave., Suite 202, Topeka, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the projects numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000750—Maximum Principal Amount: \$187,500. Owner/Operator: Scott Gigstad. Description: Acquisition of 150 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Scott Gigstad and is located at Section 9, Township 5, Range 18, in Brown County, Kansas, approximately 2 miles south of Everest on Raccoon Road and 1 mile east on 326th.

Project No. 000751—Maximum Principal Amount: \$117,928.93. Owner/Operator: Nathan R. Simmons. Description: Acquisition of 88 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the K DFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the K DFA.
