### **Notice to Consulting Engineers**

The Kansas Department of Transportation is seeking qualified consulting engineering firms or "teams" prequalified in all the following categories for the project listed below: Categories 321, 322 and 325. Seven signed copies of the interest response can be mailed to David Nagy, P.E., Assistant to the Bureau Chief of Design/Contracts Engineer, KDOT, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754. Interest responses shall be limited to four pages (only one submittal for teams) and must be received by noon August 19 for the consulting engineering firm to be considered.

From the firms expressing interest, the Consultant Selection Committee will select a list of the most highly qualified (not less than three and not more than five) and invite them to attend an individual interview conference. At this time, the consulting firms can more thoroughly discuss their experience related to the type of project at hand and will be expected to discuss, in some detail, their approach to this project and the personnel to be assigned to the project. Firms not selected to be short-listed will be notified by letter.

The Consultant Negotiating Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select the firm to perform the professional services required for completing the advertised project. After the selection of this firm, the remaining firms will be notified by letter of the outcome.

#### 106 C-4505-01 Statewide

This is a two-phase project to complete inspections of fracture-critical bridges and scour assessments for bridges owned by Local Public Authorities statewide. The state will be divided into three regions, with approximately 7,000 bridges in each region, for the purpose of this project. Region 1 includes those cities and counties within KDOT Districts 1 and 4, Region 2 includes those cities and counties within KDOT Districts 2 and 3, and Region 3 includes those cities and counties within KDOT Districts 5 and 6. Phase 1 is a study phase in which all

fracture-critical bridges will be identified and categorized into two groups: bridges that require special equipment (snooper or man lift) or special skills (climbing) to inspect, and bridges that can be inspected with the use of small ladders (15 ft. or less). Recommendations on priority of inspections also are required. Also, as part of the Phase 1 study, all bridges crossing water features will be evaluated for scour potential with recommendations on scour assessments and plans of action. Phase 2 will begin the implementation of the recommendations from Phase 1.

Firms should indicate in their proposals which region(s) they are interested in. Proposals may include any combinations of regions. Multiple firms may be selected. In the case of multiple firms, coordination between firms to ensure uniform format of deliverables will be required.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

- 1. Size and professional qualifications;
- 2. experience of staff;
- 3. location of firm with respect to proposed project;
- 4. work load of firm; and
- 5. firm's performance record.

The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

Adjustments, if required, will be made to each maturity as permitted by the authorized denominations of such series of bonds. Generally, any premium offered or discount taken will be increased or reduced by a percentage equal to the percentage by which the principal amount of the bonds is increased or reduced; provided that the city's financial advisor will make every effort to ensure that the net compensation to the successful proposer(s) as a percentage of the adjusted par amount does not increase or decrease from what it would have been if no adjustment had been made to the principal amounts shown in the maturity schedules included herein. #### **Governmental Ethics Commission**

#### **Opinion No. 2009-07**

Written July 22, 2009, to Michael R. Santos, Deputy City Attorney, City of Overland Park, Kansas.

This opinion is in response to your letter dated June 19, 2009, requesting an opinion from the Kansas Governmental Ethics Commission concerning the local level conflict of interest laws, K.S.A. 75-4301 *et seq.* We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

#### **Factual Statement:**

You request this opinion in your capacity as Deputy City Attorney for Overland Park on behalf of Overland Park City Councilmember David White. On May 14, 2009, Councilmember White attended an Overland Park Convention and Visitor's Bureau National Tourism Week luncheon. A thirty-five dollar registration fee for his attendance was paid for by the City of Overland Park, Kansas. As in past years, the Overland Park Convention and Visitor's Bureau conducted a random drawing for a door prize donated by Midwest Airlines and Agenda: Kansas City. The prize consists of two round-trip tickets anywhere in the United States that Midwest Airlines flies and transportation to and from the airport provided by Agenda: Kansas City. Midwest Airlines estimated that the "trade" value of the airline tickets is \$350 per ticket; however, the actual value of the tickets is tied to the destination and the dates that the travel would actually occur. The value of the transportation to and from the airport is estimated at \$160. The luncheon attendees were not asked whether they wanted to participate in the door prize drawing. Through the process of randomly selecting attendee names from a container, it was determined that Councilmember White had won the door prize.

The Overland Park Convention and Visitor's Bureau is a not-for-profit organization that contracts with the City of Overland Park to provide convention and tourism services to the City. Pursuant to its contractual relationship with the Bureau, the City approves the Bureau's annual budget and funds the Bureau's budget from collected transient guest tax funds in accordance with and as authorized by applicable City ordinances, resolutions and other documents. Two members of the Overland Park City Council serve as members of the Overland Park Convention and Visitors Bureau. Councilmember White is not currently a member of the Overland Park Convention and Visitor's Bureau.

#### **Questions:**

- (1) Pursuant to the conflict of interest laws applicable to local government or any other law, is Councilmember White prohibited from accepting the door prize he won at the Overland Park Convention and Visitor's Bureau luncheon?
- (2) Pursuant to the conflict of interest laws applicable to local governments, would acceptance of the door prize result in Councilmember White having a "substantial interest" in the Overland Park Convention and Visitor's Bureau, Midwest Airlines and/or Agenda: Kansas City?
- (3) The Governing Body of the City of Overland Park approves the budget for the Overland Park Convention and Visitor's Bureau. As a governing body member, if Councilmember White has a substantial interest in the Overland Park Convention and Visitor's Bureau, would he be in violation of K.S.A. 75-4301 *et seq.* by voting on the annual budget for the Overland Park Convention and Visitor's Bureau?
- (4) If Councilmember White has a substantial interest in Midwest Airlines or Agenda: Kansas City, would he be in violation of the legal requirements of K.S.A. 75-4301 *et seq.* by making or participating in a contract between the City of Overland Park and Midwest Airlines or between the City of Overland Park and Agenda: Kansas City?
- (5) If Councilmember White has a substantial interest in Midwest Airlines or Agenda: Kansas City, would he be in violation of K.S.A. 75-4301 *et seq.* by participating as a member of the Overland Park Governing Body in discussions and/or voting on matters relating to either Midwest Airlines or Agenda: Kansas City?
- (6) Are there other legal concerns that Councilmember White should consider regarding his winning and/or accepting the aforementioned door prize?

#### **Opinion:**

The Commission first notes conflict of interest laws applicable to local government do not prohibit Councilmember White from accepting the door prize. The Commission cannot opine on whether acceptance of the door prize is prohibited by any other laws as the Commission does not opine on matters outside its jurisdiction.

\_\_\_\_ Kansas Register \_

In answer to your second question, the Overland Park Convention and Visitor's Bureau was merely the host of the luncheon and a conduit for the prize; therefore, Councilmember White would have no "substantial interest" in the Bureau.

K.S.A. 75-4301a (a) (3) provides in part, "If an individual or an individual's spouse, either individually or collectively, has received in the preceding 12 months, without reasonable and valuable consideration, goods and services having an aggregate value of \$500 or more from a business or combination of businesses, the individual has a substantial interest in that business or combination of businesses."

You state that the value of the transportation provided by Agenda: Kansas City is \$160 and thus would not reach the threshold for a substantial interest as its value is less than \$500. However, it is likely that the value of the prize from Midwest Airlines will be \$500 or more, thereby creating a substantial interest under K.S.A. 75-4301a (a) (3). If that is the case, Councilmember White would be required to file a Statement of Substantial Interests under K.S.A. 75-4301a *et seq*.

Since Councilmember White does not have a substantial interest in the Overland Park Convention and Visitor's Bureau or Agenda: Kansas City, the Commission will only consider Midwest Airlines in responding to questions 4 and 5.

You ask whether Councilmember White can make or participate in the making of a contract with Midwest Airlines if a substantial interest exists. K.S.A. 75-4304 prohibits a local official from participating in his capacity as a local official in the making of contracts in which that official has a substantial interest. It states in pertinent part:

(a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.

. . .

(c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.

Thus, Councilmember White could not participate in the making of a contract between the City of Overland Park and Midwest Airlines if he has a substantial interest in Midwest Airlines.

As to discussion and/or voting on other matters relating to Midwest Airlines, pursuant to K.S.A. 75-4305, if Councilmember White files a Statement of Substantial Interests disclosing his substantial interest in Midwest Airlines, he may then participate and vote on ordinances or other matters related to Midwest Airlines. *See* Advisory Opinions 2008-11, 2003-24, 1999-05 and 1999-51.

As to your final question, the Kansas Governmental Ethics Commission can only opine on legal matters that fall under its jurisdiction.
