Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Wednesday, October 21, in the fourth floor training room of the Kansas Department of Agriculture, 109 S.W. 9th, Topeka, to consider the adoption of proposed regulations for certificate of free sale.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Agriculture, 109 S.W. 9th, 4th Floor, Topeka, 66612, or by e-mail at leslie.garner@kda.ks.gov. Comments also may be made through the department's Web site at http://www.ksda.gov, under the proposed regulation. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

These regulations are proposed for adoption on a permanent basis. A summary of the proposed regulations and their economic impact follows:

K.A.R 4-6-1 amends the definition for "certificate of free sale" to clarify the term "U.S. regulations."

K.A.R. 4-6-2 clarifies the information that needs to be provided by a person requesting a certificate of free sale by allowing an exact photocopy of the label to accompany certificate of free sale request instead of an original label.

Economic Impact Statement: The proposed changes to the regulations do not impose a fee or increase a fee. The proposed changes should benefit both the agency and industry by allowing photocopies of labels to be submitted. These photocopies could be submitted electronically; therefore, the agency determined that these proposed changes were the least costly and intrusive methods.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and impact statements in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Leslie Garner at (785) 296-4623 or fax (785) 368-6668. Handicapped parking is located at the southwest corner of 9th and Kansas Ave., and the north entrance to the building is accessible to individuals with disabilities.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, September 3, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000766—Maximum Principal Amount: \$177,500. Owner/Operator: Louis P. and Melissa M. Ade. Description: Acquisition of 316 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Louis P. and Melissa M. Ade and is located at the South Half of Section 20, Township 16S, Range 1E, Dickinson County, Kansas, approximately 3 miles north and 2 miles west of Carlton.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.
