Request for Comments

The following ICFsMR cost center limits are being set forth for public comment. Comments should be sent to Pam Keller, Program Administrator, Community Supports and Services, 9th Floor, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612. The comment period will expire 30 days from the publication of this notice.

K.A.R. 30-10-214 provides for the annual review and adjustment of Class II ICFsMR cost center limits, approved by the secretary of SRS or designee, based on current cost information supplied by the enrolled, licensed providers of ICF-MR services, and formula set forth in the Kansas State Medicaid Plan (Attachment 4.19-D, Part II, Subpart O, page 1). The formula is as follows: Total allowable costs, including an inflation factor, are compared to the amount to be reimbursed under the current limits. The formula threshold requires that 60 percent of all ICFsMR are reimbursed 90 percent of their allowable costs. If less than 60 percent of the facilities are reimbursed 90 percent of their allowable costs, then the cost center limits are adjusted until the threshold is met. The inflation factor is based on the Global Insight Health-Care Cost Review, Second-Quarter 2009, CMS Nursing Home without Capital Market Basket.

To determine where to make the adjustments, two major cost centers are analyzed according to the following prescription:

- Administrative costs are based on facility size.
- Habilitation costs are based on facility size and level of care (LOC).

The cost analysis for 2009 showed that 62 percent of the Class II ICFsMR were being reimbursed 90 percent or more of their allowable costs. Per the state plan the analysis indicates that adjustments are not required.

Recommendations

Based on cost report analysis and available funding, cost center limits for Class II ICFsMR are as follows:

Facility

Size	Level I	Level II	Level III	Level IV	Level V
A. +16 beds	\$149.41	\$141.94	\$134.84	\$128.11	\$ 121.70
B. 9-16 beds	\$187.72	\$178.35	\$169.43	\$160.97	\$ 152.91
C. 4-8 beds	\$219.62	\$208.64	\$198.20	\$188.29	\$ 178.88

Administrative per diem limits are based on the size of the facility, using the same classes as referred to above.

Administrative Per Diem Limits

- A. \$11.85
- B. \$28.15
- C. \$33.19

Fiscal Impact

Due to re-basing costs per FYE 2008 cost reports and the inflation factor, the estimated annual cost increase is \$318,849.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, November 5, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000771—Maximum Principal Amount: \$225,000. Owner/Operator: Donald J. Becker; Description: Acquisition of 139 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Donald J. Becker and is located at Section 34, Township 4, Range 18, Brown County, Kansas, approximately 2.5 miles east of Everest on State Highway 73.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or

indebtedness of the state of Kansas or any political subdivision thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the K DFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.
