106 AV-0010-01
Statewide

The Kansas Department of Transportation is seeking proposals from qualified firms to create a Navigational Hazards Overlay.

The Kansas Department of Transportation is interested in creating an overlay that is compatible with a GIS system currently in use to facilitated responses to proposed obstruction cases in the FAA OEAAA process, provide general information to the proponents of obstructions to minimize the number of cases of presumed hazard, and provide a workable tool for strategic planning of the location of energy and communication towers in Kansas.

The consultant will be responsible for determining the data necessary to create the overlay, collecting the data, analyzing civil aviation airport surfaces, analyzing civil aviation terminal area surfaces, analyzing military aviation routes and surfaces, determining potential communication equipment interference and other aspects of obstruction placement that may have an effect on the aviation system. The consultant will be required to produce an overlay that can be used with an existing GIS system in use by the state that is easily updatable.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications;
2. Experience of staff;
3. Location of firm with respect to proposed project;
4. Work load of firm; and
5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support cost and pricing data;
- Capability to provide a means of measuring the reasonableness of incurred costs;
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger; and
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, June 17, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000787—Maximum Principal Amount: \$188,000. Owner/Operator: Bradley J. Klaassen; Description: Acquisition of 94.5 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Bradley J. Klaassen and is located at the South Half of the Northwest Quarter and the South Half of the Northeast Quarter of the Northwest Quarter of Section 1, Township 20, Range 1 West, McPherson County, Kansas, approximately 2 miles east of Canton on Highway 56 and 2.5 miles south on 29th Avenue.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

SENATE Substitute for HOUSE BILL No. 2219

AN ACT concerning retirement and pensions; relating to the Kansas public employees retirement system; death and disability benefits, employer contributions; amending K.S.A. 2009 Supp. 74-4927 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2009 Supp. 74-4927 is hereby amended to read as follows: 74-4927. (1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as established by the board, except that for any member who is disabled prior to the effective date of this act, the annual disability benefit amount shall be an amount equal to 66⅔% of the member’s annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) For deaths occurring prior to January 1, 1987, the right to receive such death benefit shall cease upon the member’s attainment of age 70 or date of retirement whichever first occurs. The right to receive such long-term disability benefit shall cease (i) for a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member’s retirement, whichever first occurs, and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member’s retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under subsection (3) of K.S.A. 74-4916 and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration which include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount which a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member’s employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member’s monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, “maximum monthly compensation” means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the

(continued)

social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, "workers compensation benefits" means the total award of disability benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of eligibility for benefits by reason of leaves of absence, military service or other interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary of social and rehabilitation services and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.

(2) (A) In the event that a member becomes eligible for a long-term disability benefit under the plan authorized by this section such member shall be given participating service credit for the entire period of such disability. Such member's final average salary shall be computed in accordance with subsection (17) of K.S.A. 74-4902 and amendments thereto except that the years of participating service used in such computation shall be the years of salaried participating service.

(B) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding retirement, such member's final average salary shall be adjusted upon retirement by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's final average salary shall be adjusted upon retirement by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's final average salary shall be adjusted upon retirement by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of retirement, for each year of disability after July 1, 1998.

(C) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding death, such member's current annual rate shall be adjusted by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's current annual rate shall be adjusted upon death by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's current annual rate shall be adjusted upon death by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member's last day on the payroll to the month that is two months prior to the month of death, for each year of disability after July 1, 1998.

(3) (A) To carry out the legislative intent to provide, within the funds made available therefor, the broadest possible coverage for members who are in active employment or involuntarily absent from such active employment, the plan of death and long-term disability benefits shall be subject to adjustment from time to time by the board within the limitations of this section. The plan may include terms and provisions which are consistent with the terms and provisions of group life and long-term disability policies usu-

ally issued to those employers who employ a large number of employees. The board shall have the authority to establish and adjust from time to time the procedures for financing and administering the plan of death and long-term disability benefits authorized by this section. Either the insured death benefit or the insured disability benefit or both such benefits may be financed directly by the system or by one or more insurance companies authorized and licensed to transact group life and group accident and health insurance in this state.

Sec. 3. This act shall take effect and be in force from and after its publication in the Kansas register.

AN ACT providing for assessments on certain nursing facilities; prescribing powers, duties and functions for the Kansas health policy authority; creating the quality care assessment fund; providing for implementation and administration.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) As used in this section, and amendments thereto, unless the context requires otherwise:

(1) Words and phrases have the meanings respectively ascribed thereto by K.S.A. 39-923 and amendments thereto.

(2) "Skilled nursing care facility" means a licensed nursing facility, nursing facility for mental health as defined in K.S.A. 39-923, and amendments thereto, or a hospital long-term care unit licensed by the Kansas department of health and environment, providing skilled nursing care, but shall not include the Kansas soldiers' home or the Kansas veterans' home.

(3) "Licensed bed" means those beds within a skilled nursing care facility which the facility is licensed to operate.

(4) "Authority" means the Kansas health policy authority.

(5) "Agent" means the Kansas department on aging.

(6) "Continuing care retirement facility" means a facility holding a certificate of registration issued by the commissioner of insurance pursuant to K.S.A. 40-2235, and amendments thereto.

(b) (1) Except as otherwise provided in this section and in subsection (f), there is hereby imposed and the authority shall assess an annual assessment per licensed bed, hereinafter called a quality care assessment, on each skilled nursing care facility. The assessment on all facilities in the aggregate shall be an amount fixed by rules and regulations of the authority, shall not exceed \$1,950 annually per licensed bed, shall be imposed as an amount per licensed bed and shall be imposed uniformly on all skilled nursing care facilities except that the assessment rate for skilled nursing care facilities that are part of a continuing care retirement facility, small skilled nursing care facilities and high medicaid volume skilled nursing care facilities shall not exceed 1/3 of the actual amount assessed all other skilled nursing care facilities. No rules and regulations of the authority shall grant any exception to or exemption from the quality care assessment. The assessment shall be paid quarterly, with one fourth of the annual amount due by the 30th day after the end of the month of each calendar quarter. The authority is authorized to establish delayed payment schedules for skilled nursing care facilities which are unable to make quarterly payments when due under this section due to financial difficulties, as determined by the authority. The assessment made for years subsequent to the third year from the date the provisions of this section are implemented shall not exceed 60% of the first assessment made under this section. As used in this subsection (b)(1), the terms "small skilled nursing care facilities" and "high medicaid volume skilled nursing care facilities" shall have the meanings ascribed thereto by the authority by rules and regulations, except that the definition of small skilled nursing care facility shall not be lower than 40 beds.

(2) Beds licensed after July 1 each year shall pay a prorated amount of the applicable annual assessment so that the assessment applies only for the days such new beds are licensed. The proration shall be calculated by multiplying the applicable assessment by the percentage of days the beds are licensed during the year. Any change which reduces the number of licensed beds in a facility shall not result in a refund being issued to the skilled nursing care facility.

(3) If an entity conducts, operates or maintains more than one licensed skilled nursing care facility, the entity shall pay the nursing facility assessment for each facility separately. No skilled nursing care facility shall create a separate line-item charge for the purpose of passing through the quality care assessment to residents. No skilled nursing care facility shall be guaranteed, expressly or otherwise, that any additional moneys paid to the facility under this section will equal or exceed the amount of its quality care assessment.

(continued)

(4) The payment of the quality care assessment to the authority shall be an allowable cost for medicaid reimbursement purposes. A rate adjustment pursuant to paragraph (5) of subsection (d) shall be made effective on the date of imposition of the assessment, to reimburse the portion of this cost imposed on medicaid days.

(5) The authority shall seek a waiver from the United States department of health and human services to allow the state to impose varying levels of assessments on skilled nursing care facilities based on specified criteria. It is the intent of the legislature that the waiver sought by the authority be structured to minimize the negative fiscal impact on certain classes of skilled nursing care facilities.

(c) Each skilled nursing care facility shall prepare and submit to the authority any additional information required and requested by the authority to implement or administer the provisions of this section. Each skilled nursing care facility shall prepare and submit quarterly to the secretary of aging the rate the facility charges to private pay residents, and the secretary shall cause this information to be posted on the web site of the department on aging.

(d) (1) There is hereby created in the state treasury the quality care fund, which shall be administered by the authority. All moneys received for the assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), shall be remitted to the state treasurer in accordance with K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the quality care fund. All expenditures from the quality care fund shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the authority or the authority's agent.

(2) All moneys in the quality care fund shall be used to finance initiatives to maintain or improve the quantity and quality of skilled nursing care in skilled nursing care facilities in Kansas. No moneys credited to the quality care fund shall be transferred to or otherwise revert to the state general fund at any time. Notwithstanding the provisions of any other law to the contrary, if any moneys credited to the quality care fund are transferred or otherwise revert to the state general fund, 30 days following the transfer or reversion the quality care assessment shall terminate and the authority shall discontinue the imposition, assessment and collection of the assessment. Upon termination of the assessment, all collected assessment revenues, including the moneys inappropriately transferred or reverting to the state general fund, less any amounts expended by the authority, shall be returned on a pro rata basis to skilled nursing care facilities that paid the assessment.

(3) Any moneys received by the state of Kansas from the federal government as a result of federal financial participation in the state medicaid program that are derived from the quality care assessment shall be deposited in the quality care fund and used to finance actions to maintain or increase healthcare in skilled nursing care facilities.

(4) Moneys in the fund shall be used exclusively for the following purposes:

(A) To pay administrative expenses incurred by the authority or the agent in performing the activities authorized by this section, except that such expenses shall not exceed a total of 1% of the aggregate assessment funds collected pursuant to subsection (b) for the prior fiscal year;

(B) to increase nursing facility payments to fund covered services to medicaid beneficiaries within medicare upper payment limits, as may be negotiated;

(C) to reimburse the medicaid share of the quality care assessment as a pass-through medicaid allowable cost;

(D) to restore the medicaid rate reductions implemented January 1, 2010;

(E) to restore funding for fiscal year 2010, including rebasing and inflation to be applied to rates in fiscal year 2011;

(F) The remaining amount, if any, shall be expended first to increase the direct health care costs center limitation up to 150% of the case mix adjusted median, and then, if there are remaining amounts, for other quality care enhancement of skilled nursing care facilities as approved by the quality care improvement panel but shall not be used directly or indirectly to replace existing state ex-

penditures for payments to skilled nursing care facilities for providing services pursuant to the state medicaid program.

(5) Any moneys received by a skilled nursing care facility from the quality care fund shall not be expended by any skilled nursing care facility to provide for bonuses or profit-sharing for any officer, employee or parent corporation but may be used to pay to employees who are providing direct care to a resident of such facility.

(6) Adjustment payments may be paid quarterly or within the daily medicaid rate to reimburse covered medicaid expenditures in the aggregate within the upper payment limits.

(7) On or before the 10th day of each month, the director of accounts and reports shall transfer from the state general fund to the quality care fund interest earnings based on:

(A) The average daily balance of moneys in the quality care fund for the preceding month; and

(B) the net earnings rate of the pooled money investment portfolio for the preceding month.

(e) If a skilled nursing care facility fails to pay the full amount of the quality care assessment imposed pursuant to subsection (b), when due and payable, including any extensions of time granted under that subsection, the authority shall assess a penalty in the amount of the lesser of \$500 per day or 2% of the quality care assessment owed for each day the assessment is delinquent. The authority is authorized to establish delayed payment schedules for skilled nursing care facilities that are unable to make installment payments when due under this section because of financial difficulties, as determined by the authority.

(f) (1) The authority shall assess and collect quality care assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), from skilled nursing care facilities on and after July 1, 2010, except that no assessments or penalties shall be assessed under subsections (a) through (h) until:

(A) An amendment to the state plan for medicaid, which increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and which is proposed for approval for purposes of subsections (a) through (h) is approved by the federal government in which case the initial assessment is due no earlier than 60 days after state plan approval; and

(B) the skilled nursing care facilities have been compensated retroactively within 60 days after state plan approval at the increased rate for services provided pursuant to the federal medicaid program for the period commencing on and after July 1, 2010.

(2) The authority shall implement and administer the provisions of subsections (a) through (h) in a manner consistent with applicable federal medicaid laws and regulations. The authority shall seek any necessary approvals by the federal government that are required for the implementation of subsections (a) through (h).

(3) The provisions of subsections (a) through (h) shall be null and void and shall have no force and effect if one of the following occur:

(A) The medicaid plan amendment, which increases the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program and which is proposed for approval for purposes of subsections (a) through (h) is not approved by the federal centers for medicare and medicaid services;

(B) the rates of payments made to skilled nursing care facilities for providing services pursuant to the federal medicaid program are reduced below the rates calculated on December 31, 2009, increased by revenues in the quality care fund and matched by federal financial participation and rebasing as provided for in K.S.A. 2009 Supp. 75-5958, and amendments thereto;

(C) any funds are utilized to supplant funding for skilled nursing care facilities as required by subsection (g);

(D) any funds are diverted from those purposes set forth in subsection (d)(4); or

(E) upon the governor signing, or allowing to become law without signature, legislation which by proviso or otherwise directs any funds from those purposes set forth in subsection (d)(4) or which would propose to suspend the operation of this section.

(g) On and after July 1, 2010, reimbursement rates for skilled nursing care facilities shall be restored to those in effect during December 2009. No funds generated by the assessments or federal

funds generated therefrom shall be utilized for such restoration, but such funds may be used to restore the rate reduction in effect from January 1, 2010, to June 30, 2010.

(h) Rates of reimbursement shall not be limited by private pay charges.

(i) If the provisions of subsections (a) through (h) are repealed, expire or become null and void and have no further force and effect, all moneys in the quality care fund which were paid under the provisions of subsections (a) through (h) shall be returned to the skilled nursing care facilities which paid such moneys on the basis on which such payments were assessed and paid pursuant to subsections (a) through (h).

(j) The authority may adopt rules and regulations necessary to implement the provisions of this section.

(k) For purposes of administering and selecting the reimbursements of moneys in the quality care assessment fund, the quality care improvement panel is hereby established. The panel shall consist of the following members: Two persons appointed by Kansas homes and services for the aging; two persons appointed by the Kansas health care association; one person appointed by Kansas advocates for better care; one person appointed by the Kansas hospital association; one person appointed by the governor who is a member of the Kansas adult care executives association; one person appointed by the governor who is a skilled nursing care facility resident or the family member of such a resident; one person appointed by the Kansas foundation for medical care; one person appointed by the governor from the department on aging; and one person appointed by the governor from the Kansas health policy authority. The person appointed by the governor from the department on aging and the person appointed by the governor from the Kansas health policy authority shall be nonvoting members of the panel. The panel shall meet as soon as possible subsequent to the effective date of this act and shall elect a chairperson from among the members appointed by the trade organizations specified in this subsection. The members of the quality care improvement panel shall serve without compensation or expenses. The quality care improvement panel shall report annually on or before January 10 to the joint committee on health policy oversight and the legislature concerning the activities of the panel during the preceding calendar year and any recommendations which the panel may have concerning the administration of and expenditures from the quality care assessment fund.

(l) The authority shall certify to the director of the budget of the department of administration the date upon which the provisions of this section are implemented. The provisions of this section shall expire four years subsequent to the implementation of this section.

Sec. 2. This act shall take effect and be in force from and after its publication in the Kansas register.

Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (B) the person fails to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall be responsible for all transportation expenses to and from the state correctional facility.

At the time of the filing of the judgment form or journal entry as required by K.S.A. 21-4620 or 22-3426, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(i) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(j) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(k) (1) Except as provided in paragraph (5), in addition to any other penalty which may be imposed upon a first conviction of a violation of this section, the court may order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(2) The court shall not order the impoundment or immobilization of a motor vehicle driven by a person convicted of a violation of this section if the motor vehicle had been stolen or converted at the time it was driven in violation of this section.

(3) Prior to ordering the impoundment or immobilization of a motor vehicle or vehicles owned by a person convicted of a violation of this section, the court shall consider, but not be limited to, the following:

(A) Whether the impoundment or immobilization of the motor vehicle would result in the loss of employment by the convicted person or a member of such person's family; and

(B) whether the ability of the convicted person or a member of such person's family to attend school or obtain medical care would be impaired.

(4) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.

(5) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. If the lease on the convicted person's motor vehicle subject to impoundment or immobilization expires in less than one year from the date of the impoundment or immobilization, the time of impoundment or immobilization of such vehicle shall be the amount of time remaining on the lease.

(l) (1) Except as provided in paragraph (3), in addition to any other penalty which may be imposed upon a second or subsequent conviction of a violation of this section, the court shall order that each motor vehicle owned or leased by the convicted person shall either be equipped with an ignition interlock device or be impounded or immobilized for a period of two years. The convicted person shall pay all costs associated with the installation, maintenance and removal of the ignition interlock device and all towing, impoundment and storage fees or other immobilization costs.

(2) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.

(3) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. (m) (1) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(2) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the Kansas bureau of investigation central repository all criminal history record information concerning such person.

(n) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings or a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained

against such person for any violations of any of the motor vehicle laws of this state.

(o) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

(1) "Conviction" includes being convicted of a violation of this section or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of this section;

(2) "conviction" includes being convicted of a violation of a law of another state or an ordinance of any city, or resolution of any county, which prohibits the acts that this section prohibits or entering into a diversion agreement in lieu of further criminal proceedings in a case alleging a violation of such law, ordinance or resolution;

(3) any convictions occurring during a person's lifetime shall be taken into account when determining the sentence to be imposed for a first, second, third, fourth or subsequent offender;

(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(5) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person's lifetime.

(p) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(q) (1) (A) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof. Except as specifically provided by this subsection, the minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this act for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(B) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(C) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted. Except as provided in paragraph (5), any such ordinance or resolution may require or authorize the court to order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(2) The court shall not order the impoundment or immobilization of a motor vehicle driven by a person convicted of a violation of this section if the motor vehicle had been stolen or converted at the time it was driven in violation of this section.

(3) Prior to ordering the impoundment or immobilization of a motor vehicle or vehicles owned by a person convicted of a violation of this section, the court shall consider, but not be limited to, the following:

The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(k) (1) Except as provided in paragraph (5), in addition to any other penalty which may be imposed upon a first conviction of a violation of this section, the court may order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(B) whether the ability of the convicted person or a member of such person's family to attend school or obtain medical care would be impaired.

(4) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.

(5) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. (q) (1) (A) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof. Except as specifically provided by this subsection, the minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this act for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(B) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(C) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted. Except as provided in paragraph (5), any such ordinance or resolution may require or authorize the court to order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(5) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. If the lease on the convicted person's motor vehicle subject to impoundment or immobilization expires in less than one year from the date of the impoundment or immobilization, the time of impoundment or immobilization of such vehicle shall be the amount of time remaining on the lease.

(r) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(2) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the Kansas bureau of

investigation central repository all criminal history record information concerning such person.

(3) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(s) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining.

(t) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) may be pleaded in the alternative, and the state, city or county, but shall not be required to, may elect one or two of the three prior to submission of the case to the fact finder.

Cross-titling shall include, but not by way of limitation, a dealer or broker or the authorized agent of either selling or causing to be sold, exchanged or transferred any vehicle and not showing a complete chain of title on the papers necessary for the issuance of title for the purchaser. (b) In addition to the provisions of subsection (a), and notwithstanding the terms and conditions of any franchise agreement, including any policy, bulletin, practice or guideline with respect thereto or performance thereunder, no first or second stage manufacturer of vehicles, factory branch, distributor, distributor or factory representative, officer or agent or any representative thereof, or any other person may do or cause to be done any of the following acts or practices referenced in this subsection, all of which are also declared to be a violation of the vehicle dealers and manufacturers licensing act, and amendments thereto:

(A) Prohibit or prevent a dealer from acquiring, adding or maintaining a sales or service operation for another line-make at the same or expanded facility at which the dealership is located if the prohibition or prevention of such arrangements would be unreasonable in light of all existing circumstances including, but not limited to, debt exposure, cost, return on investment, the dealer's

(continued)

and manufacturer's business plans and other financial and economic conditions and considerations;

(B) require a dealer to establish or maintain exclusive facilities, personnel or display space if the imposition of the requirement would be unreasonable in light of all existing circumstances, including, but not limited to, debt exposure, cost, return on investment, the dealer's and manufacturer's business plans and other financial and economic conditions and considerations;

The requirement for a dealer to meet reasonable facilities requirements shall not include any requirement that a dealer establish or maintain exclusive facilities.

In the event a dealer decides to add an additional franchise agreement to sell another line-make of new vehicles of a different first or second stage manufacturer or distributor from that currently sold in its existing facility, it shall be a rebuttable presumption that the decision to do so is reasonable. Any dealer adding a franchise agreement to an existing facility shall provide 60 days written notice of its intent to those other parties to franchise agreements it may have. The other party must respond to such notice within 60 days by requesting a hearing before the director in accordance with K.S.A. 8-2411, and amendments thereto. Consent shall be deemed to have been given approving the addition of the line-make if no hearing is timely requested. A party objecting to the addition shall have the burden to overcome such presumption by a preponderance of the evidence;

(7) (A) through the use of written instrument, or otherwise, directly or indirectly condition the awarding of a franchise agreement to a prospective dealer, the addition of a line-make or franchise agreement to an existing dealer, the renewal of a franchise agreement, the approval of a dealer or facility relocation, the acquisition of a franchise agreement or the approval of a sale or transfer of a franchise agreement or other arrangement on the willingness of a dealer or a prospective dealer to enter into a site control agreement or exclusive use agreement as defined in this subsection;

(B) as used in this paragraph, "site control agreement" and "exclusive use agreement" include any agreement by or required by the first or second stage manufacturer of vehicles, factory branch or distributor ("manufacturer parties" in this paragraph) that has the effect of either:

(i) Requiring that the dealer establish or maintain exclusive dealership facilities in violation of the dealer and manufacturers licensing act;

(ii) restricting the ability of the dealer, or the ability of the dealer's lessor in the event the dealership facility is being leased, to transfer, sell, lease or change the use of the dealership premises, whether by sublease, lease, collateral pledge of lease or other similar agreement; or

(iii) which gives control of the premises to a designated party. "Site control agreement" and "exclusive use agreement" also include manufacturer parties restricting the ability of a dealer to transfer, sell or lease the dealership premises by right of first refusal to purchase or lease, option to purchase, or option to lease, except as otherwise allowed by K.S.A. 8-2416, and amendments thereto, except that voluntary agreements where separate and adequate consideration has been offered and accepted are excluded;

(8) through the use of written instrument, or otherwise, require adherence to a performance standard or standards which are not applied uniformly to other similarly situated dealers. In addition to any other requirements by law, the following shall apply:

(A) A performance standard, sales objective or program for measuring dealer performance that may have a material effect on a dealer, including the dealer's right to payment under any incen-

tive or reimbursement program and the application of the standard, sales objective or program by a manufacturer, distributor or factory branch shall be fair, reasonable, equitable and based on accurate information;

(B) a dealer that claims that the application of a performance standard, sales objective or program for measuring dealership performance does not meet the standards listed in subparagraph (A) may request a hearing before the director pursuant to K.S.A. 8-2411, and amendments thereto; and

(C) a first or second stage manufacturer of vehicles, factory branch or distributor has the burden of proving by a preponderance of the evidence that the performance standard, sales objective or program for measuring dealership information complies with this subsection;

(9) in addition to any other provisions of law, a franchise agreement or other contract offered to a dealer by a first or second stage manufacturer of vehicles, factory branch or distributor may not contain any provision requiring a dealer to pay the attorney's fees of the first or second stage manufacturer of vehicles, factory branch or distributor related to disputes between the parties.

(c) The director may deny the application for the license within 30 days after receipt thereof by written notice to the applicant, stating the grounds for such denial. Upon request by the applicant whose license has been so denied, the applicant shall be granted an opportunity to be heard in accordance with the provisions of the Kansas administrative procedure act.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(a) The court, upon verified application, may issue ex parte an order directing that a child be held in protective custody and, if the child has not been taken into custody, an order directing that the child be taken into custody. The application shall state for each child:

(1) The applicant's belief that the child is a child in need of care;

(2) that the child is likely to sustain harm if not immediately removed from the home;

(3) that allowing the child to remain in the home is contrary to the welfare of the child; and

(continued)

(4) the facts relied upon to support the application, including efforts known to the applicant to maintain the family unit and prevent the unnecessary removal of the child from the child's home, or the specific facts supporting that an emergency exists which threatens the safety of the child.

(b) (1) The order of protective custody may be issued only after the court has determined there is probable cause to believe the allegations in the application are true. The order shall remain in effect until the temporary custody hearing provided for in K.S.A. 2009 Supp. 38-2243, and amendments thereto, unless earlier rescinded by the court.

(2) No child shall be held in protective custody for more than 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, unless within the 72-hour period a determination is made as to the necessity for temporary custody in a temporary custody hearing. The time spent in custody pursuant to K.S.A. 2009 Supp. 38-2232, and amendments thereto, shall be included in calculating the 72-hour period. Nothing in this subsection shall be construed to mean that the child must remain in protective custody for 72 hours. If a child is in the protective custody of the secretary, the secretary shall allow at least one supervised visit between the child and the parent or parents within such time period as the child is in protective custody. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the protective custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility pursuant to an order of protective custody for a period of not to exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible.

(d) The order of protective custody shall be served pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on the child's parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court's jurisdiction without the court's permission.

(e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(f) (1) The court shall not enter ~~an~~ *the initial* order removing a child from the custody of a parent pursuant to this section unless

the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home;

(ii) allowing the child to remain in home is contrary to the welfare of the child; or

(iii) immediate placement of the child is in the best interest of the child; and

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, the court shall provide the secretary with a written copy of any orders entered upon making the order.

Sec. 13. On and after July 1, 2010, K.S.A. 2009 Supp. 38-2243, as amended by section 6 of 2010 House Bill No. 2364, is hereby amended to read as follows: 38-2243. (a) Upon notice and hearing, the court may issue an order directing who shall have temporary custody and may modify the order during the pendency of the proceedings as will best serve the child's welfare.

(b) A hearing pursuant to this section shall be held within 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, following a child having been taken into protective custody.

(c) Whenever it is determined that a temporary custody hearing is required, the court shall immediately set the time and place for the hearing. Notice of a temporary custody hearing shall be given to all parties and interested parties.

(d) Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.

(e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

(f) The court may enter an order of temporary custody after determining there is probable cause to believe that the: (1) Child is dangerous to self or to others; (2) child is not likely to be available within the jurisdiction of the court for future proceedings; or (3) health or welfare of the child may be endangered without further care.

(g) (1) Whenever the court determines the necessity for an order of temporary custody the court may place the child in the temporary custody of:

(A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);

(B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;

(C) a youth residential facility;

(D) a shelter facility; or

(E) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or

other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2009 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter ~~an~~ *the initial* order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home;

(ii) allowing the child to remain in home is contrary to the welfare of the child; or

(iii) immediate placement of the child is in the best interest of the child; and

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 2009 Supp. 38-2277, and amendments thereto.

Sec. 14. On and after July 1, 2010, K.S.A. 2009 Supp. 38-2305, as amended by section 4 of 2010 House Bill No. 2195, is hereby amended to read as follows: 38-2305. (a) Venue for proceedings in any case involving a juvenile shall be in any county where any act of the alleged offense was committed.

(b) Except as provided in subsection (c), venue for sentencing proceedings shall be in the county of the juvenile offender's residence or, if the juvenile offender is not a resident of this state, in the county where the adjudication occurred. When the sentencing hearing is to be held in a county other than where the adjudication occurred, upon adjudication, the judge shall contact the sentencing court and advise the judge of the transfer. The adjudicating court shall send immediately to the sentencing court a facsimile or electronic copy of the complaint, the adjudication journal entry or judge's minutes, if available, and any recommendations in regard to sentencing. ~~Such documents shall be sent for purposes of notification and shall not constitute original court documents.~~ The adjudicating court shall also send to the sentencing court a complete copy of the official and social files in the case by mail or *electronic means* within five working days of the adjudication.

(c) If the juvenile offender is adjudicated in a county other than the county of the juvenile offender's residence, the sentencing hearing may be held in the county in which the adjudication was made or, if there are not any ongoing proceedings under the Kansas code for care of children, in the county of the residence of the custodial parent, parents, guardian or conservator if the adjudicating judge, upon motion by any person authorized to appeal, finds that it is in the interest of justice. *If there are ongoing proceedings under the revised Kansas code for care of children, then the sentencing hearing shall be held in the county in which the proceedings under the revised Kansas code for care of children are being held.*

Sec. 15. On and after July 1, 2010, K.S.A. 2009 Supp. 38-2361, as amended by section 9 of 2010 House Bill No. 2364, is hereby amended to read as follows: 38-2361. (a) Upon adjudication as a juvenile offender pursuant to K.S.A. 2009 Supp. 38-2356, and amendments thereto, modification of sentence pursuant to K.S.A. 2009 Supp. 38-2367, and amendments thereto, or violation of a con-

dition of sentence pursuant to K.S.A. 2009 Supp. 38-2368, and amendments thereto, and subject to subsection (a) of K.S.A. 2009 Supp. 38-2365, and amendments thereto, the court may impose one or more of the following sentencing alternatives. In the event that any sentencing alternative chosen constitutes an order authorizing or requiring removal of the juvenile from the juvenile's home and such findings either have not previously been made or the findings are not or may no longer be current, the court shall make determinations as required by K.S.A. 2009 Supp. 38-2334 and 38-2335, and amendments thereto.

(1) Place the juvenile on probation through court services or community corrections for a fixed period, subject to terms and conditions the court deems appropriate consistent with juvenile justice programs in the community.

(2) Order the juvenile to participate in a community based program available in such judicial district subject to the terms and conditions the court deems appropriate. This alternative shall not be ordered with the alternative in paragraph (12) and when ordered with the alternative in paragraph (10) shall constitute a recommendation. Requirements pertaining to child support may apply if custody is vested with other than a parent.

(3) Place the juvenile in the custody of a parent or other suitable person, subject to terms and conditions consistent with juvenile justice programs in the community. This alternative shall not be ordered with the alternative in paragraph (10) or (12). Requirements pertaining to child support may apply if custody is vested with other than a parent.

(4) Order the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug evaluation pursuant to subsection (b).

(5) Suspend or restrict the juvenile's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (c).

(6) Order the juvenile to perform charitable or community service work.

(7) Order the juvenile to make appropriate reparation or restitution pursuant to subsection (d).

(8) Order the juvenile to pay a fine not exceeding \$1,000 pursuant to subsection (e).

(9) Place the juvenile under a house arrest program administered by the court pursuant to K.S.A. 21-4603b, and amendments thereto.

(10) Place the juvenile in the custody of the commissioner as provided in K.S.A. 2009 Supp. 38-2365, and amendments thereto. This alternative shall not be ordered with the alternative in paragraph (3) or (12). Except for a mandatory drug and alcohol evaluation, when this alternative is ordered with alternatives in paragraphs (2), (4) and (9), such orders shall constitute a recommendation by the court. Requirements pertaining to child support shall apply under this alternative.

(11) Commit the juvenile to a sanctions house for a period no longer than 28 days subject to the provisions of subsection (f).

(12) Commit the juvenile directly to the custody of the commissioner for a period of confinement in a juvenile correctional facility and a period of aftercare pursuant to K.S.A. 2009 Supp. 38-2369, and amendments thereto. The provisions of K.S.A. 2009 Supp. 38-2365, and amendments thereto, shall not apply to juveniles committed pursuant to this provision, *provided however, that 21 days prior to the juvenile's release from a juvenile correctional facility, the commissioner or designee shall notify the court of the juvenile's anticipated release date. The court shall set and hold a permanency hearing pursuant to K.S.A. 2009 Supp. 38-2365, and amendments thereto, within seven days after the juvenile's release.* This alternative may be ordered with the alternative in paragraph (7). Requirements pertaining to child support shall apply under this alternative.

(b) If the court orders the juvenile to attend counseling, educational, mediation or other sessions, or to undergo a drug and alcohol evaluation pursuant to subsection (a)(4), the following provisions apply:

(1) The court may order the juvenile offender to participate in counseling or mediation sessions or a program of education, including placement in an alternative educational program approved by a local school board. The costs of any counseling or mediation may be assessed as expenses in the case. No mental health center

(continued)

shall charge a fee for court-ordered counseling greater than what the center would have charged the person receiving the counseling if the person had requested counseling on the person's own initiative. No mediator shall charge a fee for court-ordered mediation greater than what the mediator would have charged the person participating in the mediation if the person had requested mediation on the person's own initiative. Mediation may include the victim but shall not be mandatory for the victim; and

(2) if the juvenile has been adjudicated to be a juvenile by reason of a violation of a statute that makes such a requirement, the court shall order and, if adjudicated for any other offense, the court may order the juvenile to submit to and complete a drug and alcohol evaluation by a community-based drug and alcohol safety action program certified pursuant to K.S.A. 8-1008, and amendments thereto, and to pay a fee not to exceed the fee established by that statute for such evaluation. The court may waive the mandatory evaluation if the court finds that the juvenile completed a drug and alcohol evaluation, approved by the community-based alcohol and drug safety action program, within 12 months before sentencing. If the evaluation occurred more than 12 months before sentencing, the court shall order the juvenile to resubmit to and complete the evaluation and program as provided herein. If the court finds that the juvenile and those legally liable for the juvenile's support are indigent, the court may waive the fee. In no event shall the fee be assessed against the commissioner or the juvenile justice authority nor shall the fee be assessed against the secretary of social and rehabilitation services or the department of social and rehabilitation services if the juvenile is in the secretary's care, custody and control.

(c) If the court orders suspension or restriction of a juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state pursuant to subsection (a)(5), the following provisions apply:

(1) The duration of the suspension ordered by the court shall be for a definite time period to be determined by the court. Upon suspension of a license pursuant to this subsection, the court shall require the juvenile offender to surrender the license to the court. The court shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the juvenile offender may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the juvenile offender's privilege to operate a motor vehicle is in effect. As used in this subsection, "highway" and "street" have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto. Any juvenile offender who does not have a driver's license may have driving privileges revoked. No Kansas driver's license shall be issued to a juvenile offender whose driving privileges have been revoked pursuant to this section for a definite time period to be determined by the court; and

(2) in lieu of suspending a juvenile offender's driver's license or privilege to operate a motor vehicle on the highways of this state, the court may enter an order which places conditions on the juvenile offender's privilege of operating a motor vehicle on the streets and highways of this state, a certified copy of which the juvenile offender shall be required to carry any time the juvenile offender is operating a motor vehicle on the streets and highways of this state. The order shall prescribe a definite time period for the conditions imposed. Upon entering an order restricting a juvenile offender's license, the court shall require the juvenile offender to surrender such juvenile offender's license to the court. The court shall transmit the license to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on the juvenile offender's privilege of operating a motor vehicle and that a certified copy of the order imposing the conditions is required to be carried by the juvenile offender when operating a motor vehicle on the streets and highways of this state. If the juvenile offender is a non-resident, the court shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of the juvenile offender's state of is-

suance. The court shall furnish to any juvenile offender whose driver's license has had conditions imposed on it under this section a copy of the order, which shall be recognized as a valid Kansas driver's license until the division issues the restricted license provided for in this subsection. Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the juvenile offender may apply to the division for the return of the license previously surrendered by the juvenile offender. In the event the license has expired, the juvenile offender may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law unless such juvenile offender's privilege to operate a motor vehicle on the streets and highways of this state has been suspended or revoked prior thereto. If any juvenile offender violates any of the conditions imposed under this subsection, the juvenile offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be revoked for a period as determined by the court in which the juvenile offender is convicted of violating such conditions.

(d) The following provisions apply to the court's determination of whether to order reparation or restitution pursuant to subsection (a)(7):

(1) The court shall order the juvenile to make reparation or restitution to the aggrieved party for the damage or loss caused by the juvenile offender's offense unless it finds compelling circumstances that would render a plan of reparation or restitution unworkable. If the court finds compelling circumstances that would render a plan of reparation or restitution unworkable, the court shall enter such findings with particularity on the record. In lieu of reparation or restitution, the court may order the juvenile to perform charitable or social service for organizations performing services for the community; and

(2) restitution may include, but shall not be limited to, the amount of damage or loss caused by the juvenile's offense. Restitution may be made by payment of an amount fixed by the court or by working for the parties sustaining loss in the manner ordered by the court. An order of monetary restitution shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile offender.

(e) If the court imposes a fine pursuant to subsection (a)(8), the following provisions apply:

(1) The amount of the fine may not exceed \$1,000 for each offense. The amount of the fine should be related to the seriousness of the offense and the juvenile's ability to pay. Payment of a fine may be required in a lump sum or installments;

(2) in determining whether to impose a fine and the amount to be imposed, the court shall consider that imposition of a fine is most appropriate in cases where the juvenile has derived pecuniary gain from the offense and that imposition of a restitution order is preferable to imposition of a fine; and

(3) any fine imposed by court shall be a judgment against the juvenile that may be collected by the court by garnishment or other execution as on judgments in civil cases. Such judgment shall not be affected by the termination of the court's jurisdiction over the juvenile.

(f) If the court commits the juvenile to a sanctions house pursuant to subsection (a)(11), the following provisions shall apply:

(1) The court may order commitment for up to 28 days for the same offense or violation of sentencing condition. The court shall review the commitment every seven days and, may shorten the initial commitment or, if the initial term is less than 28 days, may extend the commitment;

(2) if, in the sentencing order, the court orders a sanctions house placement for a verifiable probation violation and such probation violation occurs, the juvenile may immediately be taken to a sanctions house and detained for no more than 48 hours, excluding Saturdays, Sundays, holidays, and days on which the office of the clerk of the court is not accessible, prior to court review of the placement. The court and all parties shall be notified of the sanctions house placement; and

(3) a juvenile over 18 years of age and less than 23 years of age at sentencing shall be committed to a county jail, in lieu of a sanc-

tions house, under the same time restrictions imposed by paragraph (1), but shall not be committed to or confined in a juvenile detention facility.

(g) Any order issued by the judge pursuant to this section shall be in effect immediately upon entry into the court's minutes.

(h) In addition to the requirements of K.S.A. 2009 Supp. 38-2373, and amendments thereto, if a person is under 18 years of age and convicted of a felony or adjudicated as a juvenile offender for an offense if committed by an adult would constitute the commission of a felony, the court shall forward a signed copy of the journal entry to the commissioner within 30 days of final disposition.

(i) Except as further provided, if a juvenile has been adjudged to be a juvenile offender for an offense that if committed by an adult would constitute the commission of: (1) Aggravated human trafficking, as defined in K.S.A. 2009 Supp. 21-3447, and amendments thereto, if the victim is less than 14 years of age; (2) rape, as defined in subsection (a)(2) of K.S.A. 21-3502, and amendments thereto; (3) aggravated indecent liberties with a child, as defined in subsection (a)(3) of K.S.A. 21-3504, and amendments thereto; (4) aggravated criminal sodomy, as defined in subsection (a)(1) or (a)(2) of K.S.A. 21-3506, and amendments thereto; (5) promoting prostitution, as defined in K.S.A. 21-3513, and amendments thereto, if the prostitute is less than 14 years of age; (6) sexual exploitation of a child, as defined in subsection (a)(5) or (a)(6) of K.S.A. 21-3516, and amendments thereto; or (7) an attempt, conspiracy or criminal solicitation, as defined in K.S.A. 21-3301, 21-3302 or 21-3303, and amendments thereto, of an offense defined in parts (1) through (6); the court shall issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends. If only one attendance center exists, for which the victim and juvenile are eligible to attend, in the school district where the victim and the juvenile reside, the court shall hear testimony and take evidence from the victim, the juvenile, their families and a representative of the school district as to why the juvenile should or should not be allowed to remain at the attendance center attended by the victim. After such hearing, the court may issue an order prohibiting the juvenile from attending the attendance center that the victim of the offense attends.

(j) The sentencing hearing shall be open to the public as provided in K.S.A. 2009 Supp. 38-2353, and amendments thereto.

Sec. 16. On and after July 1, 2010, K.S.A. 2009 Supp. 40-3104, as amended by section 1 of 2010 House Bill No. 2492, is hereby amended to read as follows: 40-3104. (a) Every owner shall provide motor vehicle liability insurance coverage in accordance with the provisions of this act for every motor vehicle owned by such person, unless such motor vehicle: (1) Is included under an approved self-insurance plan as provided in subsection (f); (2) is used as a driver training motor vehicle, as defined in K.S.A. 72-5015, and amendments thereto, in an approved driver training course by a school district or an accredited nonpublic school under an agreement with a motor vehicle dealer, and such motor vehicle liability insurance coverage is provided by the school district or accredited nonpublic school; (3) is included under a qualified plan of self-insurance approved by an agency of the state in which such motor vehicle is registered and the form prescribed in subsection (b) of K.S.A. 40-3106, and amendments thereto, has been filed; or (4) is expressly exempted from the provisions of this act.

(b) An owner of an uninsured motor vehicle shall not permit the operation thereof upon a highway or upon property open to use by the public, unless such motor vehicle is expressly exempted from the provisions of this act.

(c) No person shall knowingly drive an uninsured motor vehicle upon a highway or upon property open to use by the public, unless such motor vehicle is expressly exempted from the provisions of this act.

(d) Any person operating a motor vehicle upon a highway or upon property open to use by the public shall display, upon demand, evidence of financial security to a law enforcement officer. The law enforcement officer shall issue a citation to any person who fails to display evidence of financial security upon such demand. The law enforcement officer shall ~~attach~~ ~~transmit~~ a copy of the insurance verification form prescribed by the secretary of revenue ~~to~~ with the copy of the citation ~~forwarded~~ ~~transmitted~~ to the court.

No citation shall be issued to any person for failure to provide proof of financial security when evidence of financial security meeting the standards of subsection (e) is displayed upon demand of a law enforcement officer. Whenever the authenticity of such evidence is questionable, the law enforcement officer may initiate the preparation of the insurance verification form prescribed by the secretary of revenue by recording information from the evidence of financial security displayed. The officer shall immediately forward the form to the department of revenue, and the department shall proceed with verification in the manner prescribed in the following paragraph. Upon return of a form indicating that insurance was not in force on the date indicated on the form, the department shall immediately forward a copy of the form to the law enforcement officer initiating preparation of the form.

(e) Unless the insurance company subsequently submits an insurance verification form indicating that insurance was not in force, no person charged with violating ~~subsections~~ ~~subsection~~ (b), (c) or (d) shall be convicted if such person produces in court, within 10 days of the date of arrest or of issuance of the citation, evidence of financial security for the motor vehicle operated, which was valid at the time of arrest or of issuance of the citation. For the purpose of this subsection, evidence of financial security shall be provided by a policy of motor vehicle liability insurance, an identification card or certificate of insurance issued to the policyholder by the insurer which provides the name of the insurer, the policy number, make and year of the vehicle and the effective and expiration dates of the policy, or a certificate of self-insurance signed by the commissioner of insurance. Upon the production in court of evidence of financial security, the court shall record the information displayed thereon on the insurance verification form prescribed by the secretary of revenue, immediately forward such form to the department of revenue, and stay any further proceedings on the matter pending a request from the prosecuting attorney that the matter be set for trial. Upon receipt of such form the department shall mail the form to the named insurance company for verification that insurance was in force on the date indicated on the form. It shall be the duty of insurance companies to notify the department within 30 calendar days of the receipt of such forms of any insurance that was not in force on the date specified. Upon return of any form to the department indicating that insurance was not in force on such date, the department shall immediately forward a copy of such form to the office of the prosecuting attorney or the city clerk of the municipality in which such prosecution is pending when the prosecuting attorney is not ascertainable. Receipt of any completed form indicating that insurance was not in effect on the date specified shall be prima facie evidence of failure to provide proof of financial security and violation of this section. A request that the matter be set for trial shall be made immediately following the receipt by the prosecuting attorney of a copy of the form from the department of revenue indicating that insurance was not in force. Any charge of violating subsection (b), (c) or (d) shall be dismissed if no request for a trial setting has been made within 60 days of the date evidence of financial security was produced in court.

(f) Any person in whose name more than 25 motor vehicles are registered in Kansas may qualify as a self-insurer by obtaining a certificate of self-insurance from the commissioner of insurance. The certificate of self-insurance issued by the commissioner shall cover such owned vehicles and those vehicles, registered in Kansas, leased to such person if the lease agreement requires that motor vehicle liability insurance on the vehicles be provided by the lessee. Upon application of any such person, the commissioner of insurance may issue a certificate of self-insurance, if the commissioner is satisfied that such person is possessed and will continue to be possessed of ability to pay any liability imposed by law against such person arising out of the ownership, operation, maintenance or use of any motor vehicle described in this subsection. A self-insurer shall provide liability coverage subject to the provisions of subsection (e) of K.S.A. 40-3107, and amendments thereto, arising out of the ownership, operation, maintenance or use of a self-insured motor vehicle in those instances where the lessee or the rental driver, if not the lessee, does not have a motor vehicle liability insurance policy or insurance coverage pursuant to a motor vehicle liability insurance policy or certificate of insurance or such insur-

(continued)

ance policy for such leased or rented vehicle. Such liability coverage shall be provided to any person operating a self-insured motor vehicle with the expressed or implied consent of the self-insurer.

Upon notice and a hearing in accordance with the provisions of the Kansas administrative procedure act, the commissioner of insurance may cancel a certificate of self-insurance upon reasonable grounds. Failure to provide liability coverage or personal injury protection benefits required by K.S.A. 40-3107 and 40-3109, and amendments thereto, or pay any liability imposed by law arising out of the ownership, operation, maintenance or use of a motor vehicle registered in such self-insurer's name, or to otherwise comply with the requirements of this subsection shall constitute reasonable grounds for the cancellation of a certificate of self-insurance. Reasonable grounds shall not exist unless such objectionable activity occurs with such frequency as to indicate a general business practice.

Self-insureds shall investigate claims in a reasonably prompt manner, handle such claims in a reasonable manner based on available information and effectuate prompt, fair and equitable settlement of claims in which liability has become reasonably clear.

As used in this subsection, "liability imposed by law" means the stated limits of liability as provided under subsection (e) of K.S.A. 40-3107, and amendments thereto.

Nothing in this subsection shall preclude a self-insurer from pursuing all rights of subrogation against another person or persons.

(g) (1) Any person violating any provision of this section shall be guilty of a class B misdemeanor and shall be subject to a fine of not less than \$300 nor more than \$1,000 or confinement in the county jail for a term of not more than six months, or both such fine and confinement.

(2) Any person convicted of violating any provision of this section within three years of any such prior conviction shall be guilty of a class A misdemeanor and shall be subject to a fine of not less than \$800 nor more than \$2,500.

(h) In addition to any other penalties provided by this act for failure to have or maintain financial security in effect, the director, upon receipt of a report required by K.S.A. 8-1607 or 8-1611, and amendments thereto, or a denial of such insurance by the insurance company listed on the form prescribed by the secretary of revenue pursuant to subsection (d) of this section, shall, upon notice and hearing as provided by K.S.A. 40-3118, and amendments thereto:

(1) Suspend:

(A) The license of each driver in any manner involved in the accident;

(B) the license of the owner of each motor vehicle involved in such accident, unless the vehicle was stolen at the time of the accident, proof of which must be established by the owner of the motor vehicle. Theft by a member of the vehicle owner's immediate family under the age of 18 years shall not constitute a stolen vehicle for the purposes of this section;

(C) if the driver is a nonresident, the privilege of operating a motor vehicle within this state; or

(D) if such owner is a nonresident, the privilege of such owner to operate or permit the operation within this state of any motor vehicle owned by such owner; and

(2) revoke the registration of all vehicles owned by the owner of each motor vehicle involved in such accident.

(i) The suspension or revocation requirements in subsection (h) shall not apply:

(1) To the driver or owner if the owner had in effect at the time of the accident an automobile liability policy as required by K.S.A. 40-3107, and amendments thereto, with respect to the vehicle involved in the accident;

(2) to the driver, if not the owner of the vehicle involved in the accident, if there was in effect at the time of the accident an automobile liability policy with respect to such driver's driving of vehicles not owned by such driver;

(3) to any self-insurer as defined by subsection (u) of K.S.A. 40-3103, and amendments thereto;

(4) to the driver or owner of any vehicle involved in the accident which was exempt from the provisions of this act pursuant to K.S.A. 40-3105, and amendments thereto;

(5) to the owner of a vehicle described in subsection (a)(2).

(j) (1) For the purposes of provisions (1) and (2) of subsection (i) of this section, the director may require verification by an

owner's or driver's insurance company or agent thereof that there was in effect at the time of the accident an automobile liability policy as required in this act.

(2) Subject to the provisions of subsection (k), any suspension or revocation effected hereunder shall remain in effect until such person:

(A) Has filed satisfactory proof of financial security with the director as required by subsection (d) of K.S.A. 40-3118 and amendments thereto;

If the owner of the registration becomes deceased and the vehicle is not going to be used on the highway, and title is not being currently transferred, the proper representative of the estate shall be entitled to the refund. The refund shall be made only for the period of time remaining in the registration year from the date of completion and filing of the application with and delivery of the license plate and attachments to the division of vehicles. (G) *if a project is financed in whole or in part with the proceeds of a loan to the municipality from the Kansas transportation revolving fund, such loan shall also be payable from amounts available pursuant to K.S.A. 2009 Supp. 75-5063 et seq., and amendments thereto;*

~~(H)~~ (H) by any combination of these methods.

The city may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under paragraph (1) of subsection (a) shall not be general obligations of the city, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in paragraph (1) of this subsection and such bonds shall so state on their face. *This paragraph shall not apply to loans from the Kansas transportation revolving fund pursuant to K.S.A. 2009 Supp. 75-5063 et seq., and amendments thereto.*

(3) Bonds issued under the provisions of paragraph (1) of this subsection shall be special obligations of the city and are declared to be negotiable instruments. They shall be executed by the mayor and clerk of the city and sealed with the corporate seal of the city. All details pertaining to the issuance of such special obligation

bonds and terms and conditions thereof shall be determined by ordinance of the city. All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes except inheritance taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals, viz., the authority under which such special obligation bonds are issued, they are in conformity with the provisions, restrictions and limitations thereof, and that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in paragraph (1) of this subsection.

(b) (1) Subject to the provisions of paragraph (2) of this subsection, any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking of any redevelopment project in accordance with the provisions of K.S.A. 12-1770 et seq., and amendments thereto, other than a project that will create a major tourism area. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in paragraph (1) of subsection (a) or by any combination of these sources; and (B) subject to the provisions of paragraph (2) of this subsection, from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in paragraph (3) of this subsection, before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by K.S.A. 12-1772, and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by K.S.A. 12-1772, and amendments thereto, that it may issue such bonds to finance the proposed redevelopment project.

The governing body may issue the bonds unless within 60 days following the date of the public hearing on the proposed project plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 et seq., and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law.

The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with this section.

No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 12-1771, and amendments thereto, that the proposed redevelopment district will have an adverse effect on the county or school district.

(3) As an alternative to paragraph (2) of this subsection, any city which adopts a redevelopment project plan but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by K.S.A. 12-1772, and amendments thereto, and has not acquired property in the redevelopment project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law.

The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to paragraph (1) of subsection (a). Any project plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any redevelopment project in which the redevelopment project costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the redevelopment project costs for the project. Such temporary notes shall not be is-

sued and the city shall not acquire property in the redevelopment project area until the requirements of paragraph (2) or (3) of this subsection, whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. They shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes except inheritance taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing special obligation bonds or full faith and credit tax increment bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(c) Any increment in ad valorem property taxes resulting from a redevelopment project in the established redevelopment district undertaken in accordance with the provisions of this act, shall be apportioned to a special fund for the payment of the redevelopment project costs, including the payment of principal and interest on any special obligation bonds or full faith and credit tax increment bonds issued to finance such project pursuant to this act and may be pledged to the payment of principal and interest on such bonds.

(d) A city may use the proceeds of special obligation bonds or full faith and credit tax increment bonds, or proceeds of a loan from the Kansas transportation revolving fund pursuant to K.S.A. 2009 Supp. 75-5063 et seq., and amendments thereto, or any uncommitted funds derived from sources set forth in this section to pay the redevelopment project costs as defined in K.S.A. 12-1770a, and amendments thereto, to implement the redevelopment project plan.

Sec. 17. K.S.A. 2009 Supp. 12-1774a is hereby amended to read as follows: 12-1774a. (a) In the event that the city shall default in the payment of any special obligation bonds payable from revenues authorized pursuant to subsection (a)(1)(D) of K.S.A. 12-1774, and amendments thereto, no public funds shall be used to pay the holders thereof except as otherwise specifically authorized in this act.

(b) *This section shall not apply to loans from the Kansas transportation revolving fund pursuant to K.S.A. 2009 Supp. 75-5063 et seq., and amendments thereto.*

Sec. 18. K.S.A. 12-1775 is hereby amended to read as follows: 12-1775. (a) Except for redevelopment projects satisfying the conditions of subsection (c) of K.S.A. 12-1771b, and amendments thereto, all tangible taxable property located within a redevelopment district shall be assessed and taxed for ad valorem tax purposes pursuant to law in the same manner that such property would be assessed and taxed if located outside such district, and all ad valorem taxes levied on such property shall be paid to and collected by the county treasurer in the same manner as other taxes are paid and collected. Except as otherwise provided in this section, the county treasurer shall distribute such taxes as may be collected in the same manner as if such property were located outside a redevelopment district. Each redevelopment district established under the provisions of this act shall constitute a separate taxing unit for the purpose of the computation and levy of taxes.

(b) Except for redevelopment projects satisfying the conditions of subsection (c) of K.S.A. 12-1771b, and amendments thereto, beginning with the first payment of taxes which are levied following the date of the establishment of the redevelopment district real property taxes received by the county treasurer resulting from taxes which are levied subject to the provisions of this act by and for the benefit of a taxing subdivision, as defined in K.S.A. 12-1770a, and amendments thereto, on property located within such redevelopment district constituting a separate taxing unit under the provisions of this section, shall be divided as follows:

(1) From the taxes levied each year subject to the provisions of this act by or for each of the taxing subdivisions upon property located within a redevelopment district constituting a separate taxing unit under the provisions of this act, the county treasurer first shall allocate and pay to each such taxing subdivision all of the real property taxes collected which are produced from the base year assessed valuation.

(continued)

(2) Any real property taxes produced from that portion of the current assessed valuation of real property within the redevelopment district constituting a separate taxing unit under the provisions of this section in excess of the base year assessed valuation shall be allocated and paid by the county treasurer to the treasurer of the city and deposited in a special fund of the city to pay the redevelopment project costs including the payment of principal of and interest on any special obligation bonds or full faith and credit tax increment bonds issued by such city to finance, in whole or in part, such redevelopment project. When the redevelopment project costs have been paid and such obligation bonds and interest thereon have been paid, all moneys thereafter received from real property taxes within such redevelopment district shall be allocated and paid to the respective taxing subdivisions in the same manner as are other ad valorem taxes. If such obligation bonds and interest thereon have been paid before the completion of a project, the city may continue to use such moneys for any purpose authorized by this act until such time as the project is completed, but for not to exceed 20 years from the date of the approval of the project plan, except as otherwise provided by this act.

(c) In any project plan or in the loan documents relating to a loan from the Kansas transportation revolving fund pursuant to K.S.A. 2009 Supp. 75-5063 et seq., and amendments thereto, or in the proceedings for the issuing of any special obligation bonds or full faith and credit tax increment bonds by the city to finance a redevelopment project, the property tax increment portion of taxes provided for in paragraph (2) of subsection (c) may be irrevocably pledged for the payment of the principal of and interest on such obligation bonds or loan, subject to the provisions of subsection (c) of K.S.A. 12-1774, and amendments thereto.

(d) A city may adopt a project plan in which only a specified percentage or amount of the tax increment realized from taxpayers in the redevelopment district are pledged to the redevelopment project. The county treasurer shall allocate the specified percentage or amount of the tax increment to the treasurer of the city for deposit in the special fund of the city to finance the redevelopment project costs if the city has other available revenues and pledges the revenues to the redevelopment project in lieu of the tax increment. Any portion of such tax increment not allocated to the city for the redevelopment project shall be allocated and paid in the same manner as other ad valorem taxes.
