Notice of Hearing on Proposed
Administrative Regulations

A public hearing will be conducted by the Department of Revenue at 9 a.m. Monday, August 16, in the secretary's conference room, Room 230, Docking State Office Building, 915 S.W. Harrison, Topeka, to consider the adoption of a titles and registration regulation.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written public comments on the proposed regulation prior to the hearing to Kathleen Smith, Tax Specialist, Office of Policy and Research, Room 230, Docking State Office Building, 915 S.W. Harrison, Topeka, 66612, or through e-mail at kathleen.smith@kdor.state.ks.us.

All interested parties will be given a reasonable opportunity to present their views, either orally or in writing or both, concerning the adoption of the proposed regulation. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Kathleen Smith

at (785) 296-3081 or TTY (785) 296-6461. Disabled parking is located in State Parking Lot No. 2, south of the Docking Building facing Harrison Street. The east entrance to the Docking Building is accessible.

This regulation is proposed for adoption on a permanent basis. A summary of the proposed regulation and the economic impact follows:

Article 51.—TITLES AND REGISTRATION

K.A.R. 92-51-25a. Proof of valid license required for foreign vehicle dealers. This new regulation creates a business process and record keeping requirements for Kansas vehicle dealers when they sell vehicles to foreign motor vehicle dealers. In addition, the regulation provides some definitions for Kansas vehicle dealers to clarify their responsibilities under the proposed regulation.

Economic Impact: The Department of Revenue does not anticipate any impact on the department or other government agencies. The Department of Revenue anticipates an insignificant economic impact on the vehicle dealers in the state as most are already placing a "For Export Only" stamp on the relevant vehicle titles.

A copy of the regulation and the economic impact statement may be obtained from the Kansas Department of Revenue, Office of Policy and Research, at the contact information above or from the department's Web site at www.ksrevenue.org.

Notice to Consulting Engineers

The Kansas Department of Transportation is seeking a qualified consulting engineering firm, prequalified in category 121 (Aviation Planning), for the project listed below. Categories may be viewed at www.ksdot.org/div-engdes/prequal. Eight (8) signed copies of the response can be mailed to David Nagy, P.E., Assistant to the Bureau Chief of Design/Contracts Engineer, KDOT, Eisenhower State Office Building, 700 S.W. Harrison, Topeka, 66603-3754. The "Response" shall be limited to four pages and must be received by noon June 17 for the consulting engineering firm to be considered.

The Consultant Shortlist Committee will select three to five of the most highly qualified firms expressing interest and schedule an individual interview. The consulting firms can more thoroughly discuss their experience related to the project at the interview and will be expected to discuss their approach to this project in detail and the personnel to be assigned to this project. Firms not selected to be short-listed will be notified.

The Consultant Selection Committee, appointed by the Secretary of Transportation, will conduct the discussions with the firms invited to the individual interview conferences. The committee will select the firm to perform the professional services required for completing the advertised project. After the selection of this firm, the remaining firms will be notified of the outcome.

The Kansas Department of Transportation is seeking proposals from qualified firms to create a Navigational Hazards Overlay.

The Kansas Department of Transportation is interested in creating an overlay that is compatible with a GIS system currently in use to facilitated responses to proposed obstruction cases in the FAA OEAAA process, provide general information to the proponents of obstructions to minimize the number of cases of presumed hazard, and provide a workable tool for strategic planning of the location of energy and communication towers in Kansas.

The consultant will be responsible for determining the data necessary to create the overlay, collecting the data, analyzing civil aviation airport surfaces, analyzing civil aviation terminal area surfaces, analyzing military aviation routes and surfaces, determining potential communication equipment interference and other aspects of obstruction placement that may have an effect on the aviation system. The consultant will be required to produce an overlay that can be used with an existing GIS system in use by the state that is easily updatable.

It is KDOT's policy to use the following criteria as the basis for selection of the consulting engineering firms:

1. Size and professional qualifications;
2. Experience of staff;
3. Location of firm with respect to proposed project;
4. Work load of firm; and
5. Firm's performance record.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable and current costs must be available within the system to support cost and pricing data;
- Capability to provide a means of measuring the reasonableness of incurred costs;
- Capability to identify and accumulate allowable costs by contract or project records that will reconcile with the general ledger; and
- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

(5) any other matters, of like or different character, which in any way affect the security or protection of the holders of the notes or bonds.

(e) The bonds of each issue may, in the discretion of the board of directors of the Kansas development finance authority, be made redeemable before maturity at such prices and under such terms and conditions as may be determined by the board of directors of the Kansas development finance authority. Bonds issued on behalf of the board of regents shall mature at such time, not exceeding 30 years from their date of issue, as may be determined by the board of regents and the board of directors of the Kansas development finance authority. (i) The bonds shall be special, limited obligations of the Kansas development finance authority and the state shall not be liable for bonds issued by the Kansas development finance authority on behalf of the board of regents, and such bonds shall not constitute a debt of the state.

(j) Neither the board of regents, the board of the Kansas development finance authority nor any authorized employee of the board of regents or the Kansas development finance authority shall be personally liable for such bonds by reason of the issuance thereof.

(k) Nothing in this act shall be construed as a restriction or limitation upon any other powers which the board of regents might otherwise have under any other law of this state, and this act is cumulative to any such powers. This act does and shall be construed to provide a complete, additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws. The issuance of bonds under the provisions of this act need not comply with the requirements of any other state law applicable to the issuance of bonds. No proceedings, notice or approval shall be required for the issuance of any bonds or any instrument as security therefor, except as is provided in this act.

(l) Any of the provisions relating to bonds described in this section may be included in any contracts between the board of regents and the Kansas development finance authority relating to obligations of the Kansas development finance authority issued on behalf of the board of regents.

Provided, however, That the reduction in the expenditure limitations provided for in this subsection shall not apply to the special revenue funds in the state treasury for fiscal year 2010 of the state board of regents, or any state educational institution under the control and supervision of the state board of regents.

(4) On the effective date of this act, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer the amount in each account of each special revenue fund of each state agency that is equal to the aggregate of all amounts that would have been paid from such account to the Kansas public employees retirement system as a contribution for the period commencing on April 1, 2010, and ending on June 30, 2010, to the group insurance reserve fund under K.S.A. 74-4927, and amendments thereto, subject to any applicable federal limitations or restrictions, as certified by the director of the budget to the director of accounts and reports for fiscal year 2010, from such special revenue fund, or account thereof, to the state general fund: *Provided,* That the amounts transferred from special revenue funds to the state general fund pursuant to this subsection (a)(4) are to reimburse the state general fund for accounting, auditing, budgeting, legal, payroll, personnel and purchasing services and any other governmental services which are performed on behalf of the state agency involved by other state agencies which receive appropriations from the state general fund to provide such services: *Provided, however,* That the provisions of this subsection prescribing transfers of amounts from special revenue funds to the state general fund as provided for in this subsection shall not apply to the special revenue funds in the state treasury for fiscal year 2010 of the state board of regents, or any state educational institution under the control and supervision of the state board of regents.

(b) (1) On and after July 1, 2010, notwithstanding the provisions of K.S.A. 74-4927, and amendments thereto, or any other statute, no state agency shall pay to the Kansas public employees retirement system any amounts to the group insurance reserve fund attributable to the months of April, May and June, 2011, that constitute such state agency's portion of the state's contribution to the group insurance reserve fund under K.S.A. 74-4927, and amendments thereto.

(2) On July 1, 2010, the amount in each account of the state general fund of each state agency that is appropriated for the fiscal year ending June 30, 2011, by chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas, by 2010 Senate Substitute for House Bill No. 2222, or by this or other appropriation act of the 2010 regular session of the legislature, and that is budgeted for payment to the Kansas public employees retirement system as a contribution for April, May and June, 2011, to the group insurance reserve fund under K.S.A. 74-4927, and amendments thereto, as certified by the director of the budget to the director of accounts and reports for fiscal year 2011, is hereby lapsed from each such account.

(3) On July 1, 2010, the expenditure limitation established for the fiscal year ending June 30, 2011, provided by chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas, by 2010 Senate Substitute for House Bill No. 2222, by this or other appropriation act of the 2010 regular session of the legislature, or by the state finance council on each special revenue fund in the state treasury is hereby decreased for fiscal year 2011 by the amount equal to the amount that is budgeted for payment to the Kansas public employees retirement system as a contribution for April, May and June, 2011, to the group insurance reserve fund under K.S.A. 74-4927, and amendments thereto, as certified by the director of the budget to the director of accounts and reports for fiscal year 2011, from such special revenue fund, or account thereof.

(4) On July 1, 2010, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer the amount in each account of each special revenue fund of each state agency that is equal to the aggregate of all amounts that would have been paid from such account to the Kansas public employees retirement system as a contribution for the period commencing on April 1, 2011, and ending on June 30, 2011, to the group insurance reserve fund under K.S.A. 74-4927, and amendments thereto, subject to any applicable federal limitations or restrictions, as certified by the director of the budget to the director of accounts and reports for fiscal year 2011, from such special revenue fund, or account thereof, to the state general fund: *Provided,* That the amounts transferred from

special revenue funds to the state general fund pursuant to this subsection (b)(4) are to reimburse the state general fund for accounting, auditing, budgeting, legal, payroll, personnel and purchasing services and any other governmental services which are performed on behalf of the state agency involved by other state agencies which receive appropriations from the state general fund to provide such services: *Provided, however,* That the provisions of this subsection prescribing transfers of amounts from special revenue funds to the state general fund as provided for in this subsection shall not apply to the special revenue funds in the state treasury for fiscal year 2011 of the state board of regents, or any state educational institution under the control and supervision of the state board of regents.

~~Sec. 167. (a) During the fiscal year ending June 30, 2011, subject to any applicable requirements of federal statutes, rules, regulations or guidelines, any expenditures or grants of money by any state agency for family planning services financed in whole or in part from federal title X moneys shall be made subject to the following two priorities: First priority to public entities (state, county, local health departments and health clinics) and if any moneys remain then, second priority to non-public entities which are hospitals or federally qualified health centers that provide comprehensive primary and preventative care in addition to family planning services.~~

~~(b) As used in this section "hospitals" shall have the same meaning as defined in K.S.A. 65-425, and amendments thereto, and "federally qualified health center" shall have the same meaning as defined in K.S.A. 65-1669, and amendments thereto.~~

~~Sec. 168. (a) During the fiscal year ending June 30, 2011, no expenditures shall be made from any moneys appropriated or reappropriated for any state agency from the state general fund or any special revenue fund or funds as authorized and provided by chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas, by 2010 Senate Substitute for House Bill No. 2222, or by this or any other appropriation act of the 2010 regular session of the legislature to plan, draft, propose, promulgate, finalize, or implement any rules and regulations pursuant to the clean air act (42 U.S.C. 7401 et seq.) involving the greenhouse gases identified in the final rule entitled "Endangerment and cause or contribute findings for greenhouse gases under section 202(a) of the clean air act."~~

~~(b) As used in this section, "state agency" has the meaning ascribed thereto by K.S.A. 75-3701, and amendments thereto.~~

Sec. 169. *Severability.* If any provision or clause of this act or application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 170. *Appeals to exceed position limitations.* (a) The limitations imposed by this act on the number of full-time and regular part-time positions equated to full-time, excluding seasonal and temporary positions, paid from appropriations for the fiscal years ending June 30, 2010, made in chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas or in this act or in any other appropriation act of the 2010 regular session of the legislature may be exceeded upon approval of the state finance council.

(b) The limitations imposed by this act on the number of full-time and regular part-time positions equated to full-time, excluding seasonal and temporary positions, paid from appropriations for the fiscal year ending June 30, 2011, made in chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas or in this act or in any other appropriation act of the 2010 regular session of the legislature may be exceeded upon approval of the state finance council.

Sec. 171. *Appeals to exceed expenditure limitations.* (a) Upon written application to the governor and approval of the state finance council, expenditures from special revenue funds may exceed the amounts specified in this act.

(b) This section shall not apply to the expanded lottery act revenues fund, the state economic development initiatives fund, the children's initiatives fund, the state water plan fund or the Kansas endowment for youth fund, or to any account of any of such funds.

(continued)

Sec. 172. *Savings.* (a) Any unencumbered balance as of June 30, 2010, in any special revenue fund, or account thereof, of any state agency named in this act which is not otherwise specifically appropriated or limited by this or other appropriation act of the 2010 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2011, for the same use and purpose as the same was heretofore appropriated.

(b) Any unencumbered balance as of June 30, 2010, in any special revenue fund, or account thereof, of any state agency named in section 29 of chapter 124 of the 2009 Session Laws of Kansas which is not otherwise specifically appropriated or limited for fiscal year 2011 by chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas or by this or other appropriation act of the 2010 regular session of the legislature, is hereby appropriated for fiscal year 2011 for the same use and purpose as the same was heretofore appropriated.

(c) This section shall not apply to the expanded lottery act revenues fund, the state economic development initiatives fund, the children's initiatives fund, the state water plan fund, the Kansas endowment for youth fund, the Kansas educational building fund, the state institutions building fund, or the correctional institutions building fund, or to any account of any of such funds.

Sec. 173. During the fiscal year ending June 30, 2011, all moneys which are lawfully credited to and available in any bond special revenue fund, which are not otherwise specifically appropriated or limited by this or other appropriation act of the 2010 regular session of the legislature, are hereby appropriated for the fiscal year ending June 30, 2011, for the state agency for which the bond special revenue fund was established for the purposes authorized by law for expenditures from such bond special revenue fund. As used in this section, "bond special revenue fund" means any special revenue fund or account thereof established in the state treasury prior to or on or after the effective date of this act for the deposit of the proceeds of bonds issued by the Kansas development finance authority, for the payment of debt service for bonds issued by the Kansas development finance authority, or for any related purpose in accordance with applicable bond covenants.

Sec. 174. *Federal grants.* (a) During the fiscal year ending June 30, 2011, each federal grant or other federal receipt which is received by a state agency named in this act and which is not otherwise appropriated to that state agency by this or other appropriation act of the 2010 regular session of the legislature, is hereby appropriated for the fiscal year ending June 30, 2011, for that state agency for the purpose set forth in such federal grant or receipt, except that no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, until the governor has authorized the state agency to make expenditures therefrom.

(b) During the fiscal year ending June 30, 2011, each federal grant or other federal receipt which is received by a state agency named in section 29 of chapter 124 of the 2009 Session Laws of Kansas and which is not otherwise appropriated to that state agency for fiscal year 2011 by this or other appropriation act of the 2010 regular session of the legislature, is hereby appropriated for fiscal year 2011 for that state agency for the purpose set forth in such federal grant or receipt, except that no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously appropriated or reappropriated or approved for expenditure by the governor, for fiscal year 2011, until the governor has authorized the state agency to make expenditures from such federal grant or other federal receipt for fiscal year 2011.

(c) In addition to the other purposes for which expenditures may be made by any state agency which is named in this act and which is not otherwise authorized by law to apply for and receive federal grants, expenditures may be made by such state agency from moneys appropriated for fiscal year 2011 by chapter 2, chapter 124 or chapter 144 of the 2009 Session Laws of Kansas or by this or other appropriation act of the 2010 regular session of the legislature to apply for and receive federal grants during fiscal year 2011, which federal grants are hereby authorized to be applied for and received by such state agencies: *Provided*, That no expenditure shall be made from and no obligation shall be incurred against any such federal grant or other federal receipt, which has not been previously ap-

propriated or reappropriated or approved for expenditure by the governor, until the governor has authorized the state agency to make expenditures therefrom.

Sec. 175. (a) Any correctional institutions building fund appropriation heretofore appropriated to any state agency named in this or other appropriation act of the 2010 regular session of the legislature, and having an unencumbered balance as of June 30, 2010, in excess of \$100 is hereby reappropriated for the fiscal year ending June 30, 2011, for the same uses and purposes as originally appropriated unless specific provision is made for lapsing such appropriation.

(b) This section shall not apply to the unencumbered balance in any account of the correctional institutions building fund that was encumbered for any fiscal year commencing prior to July 1, 2009.

Sec. 176. (a) Any Kansas educational building fund appropriation heretofore appropriated to any institution named in this or other appropriation act of the 2010 regular session of the legislature and having an unencumbered balance as of June 30, 2010, in excess of \$100 is hereby reappropriated for the fiscal year ending June 30, 2011, for the same use and purpose as originally appropriated, unless specific provision is made for lapsing such appropriation.

(b) This section shall not apply to the unencumbered balance in any account of the Kansas educational building fund that was encumbered for any fiscal year commencing prior to July 1, 2009.

Sec. 177. (a) Any state institutions building fund appropriation heretofore appropriated to any state agency named in this or other appropriation act of the 2010 regular session of the legislature and having an unencumbered balance as of June 30, 2010, in excess of \$100 is hereby reappropriated for the fiscal year ending June 30, 2011, for the same use and purpose as originally appropriated, unless specific provision is made for lapsing such appropriation.

(b) This section shall not apply to the unencumbered balance in any account of the state institutions building fund that was encumbered for any fiscal year commencing prior to July 1, 2009.

Sec. 178. Any transfers of money during the fiscal year ending June 30, 2011, from any special revenue fund of any state agency named in this act to the audit services fund of the division of post audit under K.S.A. 46-1121, and amendments thereto, shall be in addition to any expenditure limitation imposed on any such fund for the fiscal year ending June 30, 2011.

Sec. 179. This act shall take effect and be in force from and after its publication in the Kansas register.

State of Kansas

Office of the Governor

Message to the Senate of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 572 with my signature approving the bill, except for the items enumerated below.

Division of Post Audit—Financial Compliance Audit

That portion of Section 46(b) that reads as follows has been line-item vetoed:

"And provided further, That the division of post audit is hereby authorized to fix, charge and collect fees for the costs of financial-compliance audits under K.S.A. 46-1106, and amendments thereto: *And provided further*, That such fees shall be fixed to recover the expenses incurred for financial-compliance audits under K.S.A. 46-1106, and amendments thereto:"

This FY 2011 appropriation language for Legislative Post Audit was offered as an alternative to providing the Division with a State General Fund appropriation. Because the Legislature's budget was enhanced by \$639,522 beyond what was intended, I hereby line-item veto this appropriation language as an unnecessary assessment on the other state agencies that cannot afford to finance the

statewide audit. From within the Legislature's appropriation, funds could be transferred to Post Audit in order to finance this audit, once the actual costs are known.

Kansas Commission on Veterans Affairs—Transfer from Public Broadcasting to Veterans Affairs

Section 72(c) has been line-item vetoed in its entirety.

This section constitutes a 50 percent reduction in the operating grants for public broadcasting stations throughout Kansas. This type of drastic reduction would be particularly damaging to stations in rural Kansas, likely silencing an important voice for our rural communities. Despite this line-item veto, the budget for veteran services programs will increase 30 percent, including an additional \$534,309 for veteran services programs.

Kansas Health Policy Authority—KHPA Study

Section 76(h) has been line-item vetoed in its entirety.

This provision would require the Kansas Health Policy Authority (KHPA) to conduct a study on the topic of requiring insurance companies to reimburse specified mental health professionals for certain proactive mental health care treatments. This study includes several parameters and requires analysis of a considerable amount of data. No funding was provided for the study, although the imposed deadline for the study's completion is December 31, 2010. KHPA does not currently have adequate resources to complete this assigned task. 2010 House Bill 2546, which would have mandated insurance coverage for these services, was the subject of a hearing in the House Committee on Insurance on February 4, 2010. This bill never made it out of committee, and so has not been thoroughly vetted by the Kansas Legislature. Mandating the use of scarce state resources to study a topic absent thorough legislative scrutiny is not a good policy decision in this budgetary climate. Therefore, I must veto this section.

Department of Education—Uniform Chart of Accounts

Section 79(l) has been line-item vetoed in its entirety.

At a time when school boards are making difficult budget decisions, including increasing class sizes, closing buildings, eliminating course offerings and imposing instructional and professional staff layoffs, the policy to require additional financial reporting causes a costly and unnecessary administrative burden. The Department of Education already requires a uniform chart of accounts for school district budgets. In fact, the State Department of Education already provides on its website a copy of the uniform chart of accounts, the complete budget for each school district, as well as the "Budget at a Glance" and a budget profile for each district in Kansas. As a result, I find it necessary to veto this section of the budget bill.

University of Kansas—Water Data Repository Fund

That portion of Section 91(a) that reads as follows has been line-item vetoed:

"Standardized water data repository fund \$300,000
Provided, That expenditures may be made from this account or any special revenue fund of the above named agency for the purposes of bathymetric mapping, sediment surveys and lake assessments and the development of a

standardized water quality and quantity data repository relating to public water supply sources."

The Standardized Water Data Repository Fund at the University of Kansas was inadvertently appropriated as a State General Fund appropriation in the bill, when it should have been established as a special revenue fund. This veto eliminates the State General Fund appropriation, but does not eliminate the new fund, that is financed with a \$300,000 transfer from the Clean Drinking Water Fee Fund.

Board of Regents—Postsecondary Operating Grant Adjustment

Section 94(j) has been line-item vetoed in its entirety.

Legislative intent for the Regents system was to lapse \$2.3 million from the State General Fund; however, the amendment to alter the lapse incorrectly took \$9.5 million. I veto this section in order to restore the funding, and instruct the Regents to submit a revised budget this fall with the \$2.3 million reduction. This veto also ensures our state's compliance with requirements in accepting federal American Reinvestment and Recovery Act funding.

Kansas State Fair—Workers Compensation Insurance

Section 107(c) has been line-item vetoed in its entirety.

Allowing the State Fair to acquire private workers compensation insurance would set a bad precedent and has the potential to increase rates for all other state agencies that will continue to participate in the State Self Insurance Fund (SSIF). The SSIF would be responsible for the expense of medical and disability payments from ongoing claims by State Fair employees prior to the new private insurance becoming effective and the SSIF would have to pass these expenses to all other state agencies. Furthermore, it was recently announced that workers comp rates for the SSIF, including the State Fair, will decrease over the next year, making this proviso all the more unwarranted.

State Officers' Pay

Section 163 has been line-item vetoed in its entirety.

Eighty percent of this reduction would be absorbed by the Judicial Branch which has already reduced its spending to the point of furloughing staff. Already, Kansas' Circuit Court salaries rank 40th in the nation for pay; this makes it difficult to attract and retain quality individuals to these critical posts. Therefore, I believe that additional cuts in this area would further harm Kansas' justice system. Additionally, for those state officers who might retire at this time of administrative transition, a cut will adversely impact retirement benefits. I would also remind Legislators and any other state officer that they may accept a voluntary pay reduction of any amount on their own accord without this provision. Toward that end, I and Lieutenant Governor Findley will continue the reduction in our pay until the end of our term.

Out of State Travel

Section 165 has been line-item vetoed in its entirety.

This provision requires additional layers of approval for every state employee's out-of-state travel and creates

(continued)

an unnecessary level of government bureaucracy. Agency budgets have been significantly reduced in the past two years. One of the major areas of reduction has been travel. In fact, from the beginning of FY 2008 to date, total travel expenditures within executive branch agencies have been reduced over 50 percent. Within their budgetary authority, agency heads should have the flexibility to prioritize expenditures to allow travel as necessary to carry out essential functions of state government. Accordingly, I have instructed agency heads to continue to limit travel to only that which is essential to carrying out their mission. Creating additional layers of bureaucracy does not improve government. Therefore, I veto this section of the budget bill.

Department of Health & Environment—Title X Family Planning Services

Section 167 has been line-item vetoed in its entirety.

This proviso is nearly identical to the one I vetoed in 2009, S. Sub. for House Bill 2373. Therefore, I find it appropriate to repeat many of the same points I made last year regarding this issue:

Regardless of one’s views on whether abortion should be allowed in this country, hopefully we can all agree that we should make every effort to prevent unplanned pregnancies. Access to affordable family planning services and contraceptives is critical if we are to continue reducing the number of abortions that occur in this state. This section would prohibit distribution of Title X moneys to private family planning providers unless they are either a hospital or provide comprehensive primary and preventative care in addition to family planning services. This proviso would prevent funding for two facilities of other eligible family planning providers. These facilities do not perform abortions, and by law, Title X funding cannot be used for abortion services.

Both of these facilities provide affordable access to contraceptives and family planning services for women who are significantly below the poverty level. These women are most at risk for unplanned pregnancies. The family planning services provided by these facilities help lower

the likelihood of unplanned pregnancy, and thus reduce abortions. Eliminating funding for programs intended to reduce the number of unplanned pregnancies does nothing to help reduce abortions in Kansas. I therefore find it necessary to line-item veto this proviso.

Clean Air Act Rules and Regulations

Section 168 has been line-item vetoed in its entirety.

Kansas has a proud history of being an energy producing state and an exciting future in the area of renewables.

As we look ahead to opportunities on the horizon, we must also uphold those bedrock industries, such as oil and gas, which provide prosperity to so many Kansans. Yet in doing so, we must ensure that we do not unintentionally harm the very sector of our economy we wish to protect.

This proviso has unintended consequences bringing forth regulatory uncertainty which would hinder Kansas’ ability to serve our citizens, homes, farms and businesses. By abandoning productive progress with state agencies, sources would be required to work directly with the federal government to implement these programs which is considerably less expeditious.

Most importantly, this proviso is simply poor economic policy for Kansas. It would restrict the state’s capacity to provide information and technical assistance to Kansas businesses and industries regarding federal standards, resulting in adverse impacts to local entities that need air quality permits to conduct business.

If there is a new federal law that will harm our state, it should be addressed and action should be taken through policy changes, not annual budget provisions. Decisions such as this are best made when they are developed through the proper legislative process, where expert testimony can be presented and debated in a transparent fashion. I therefore find it necessary to veto this section.

Approved May 27, 2010.
