Notice of 2011 Clean Vessel Act Preliminary Application Opportunities and Deadlines

Application materials for the Clean Vessel Act (CVA), CFDA #15.625, are now available from the Kansas Department of Wildlife and Parks (KDWP). The CVA is a federal grant program that is funded in part by the Fish and Wildlife Service, Department of the Interior, and administered by the Kansas Department of Wildlife and Parks. The priority of this program is to fund projects that benefit water quality through the provision of pumpout and dump stations for the disposal of sewage from non-commercial watercraft. In this round, KDWP will accept applications that deal with the renovation or construction of pumpout and dump stations. Eligible applicants are local governments, nonprofit corporations and private entities.

Up to 75 percent of the eligible project costs may be reimbursed through the CVA. The remaining 25 percent of project costs must be matched with nonfederal funds. Only cash match will be accepted as match for the subgrants. No in-kind match will be accepted.

Eligible applications will be ranked in order of priority and submitted to the Fish and Wildlife Service (FWS) to compete for the available funds. The applications submitted to KDWP are, therefore, preliminary applications with the final decision being made by the FWS.

The deadline for applications is November 5. For more information concerning this program or to request application materials, contact the Office of Federal Aid, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Room 200, Topeka, 66612, (785) 296-1618, or carl.magnuson@ksoutdoors.com. Persons with special communication needs may utilize the Kansas Relay Center, (800) 766-3777.

J. Michael Hayden
Secretary of Wildlife and Parks

Doc. No. 038653
Determine habitat associations of longnose snake (*Lampropeltis calligaster*), Arkansas River speckled chub (*Gila willardii*), silver chub (*Gila busting*) and determine if Kansas populations are genetically distinct from other populations. Provide any observation data as a geospatial layer capable of easy integration into KDWP GIS systems.

• Determine habitat associations of broadhead skink (*Plestiodon laticeps*) and determine if Kansas populations are genetically distinct from other populations. Provide any observation data as a geospatial layer capable of easy integration into KDWP GIS systems.

• Assess population sustainability and habitat requirements (physical, biological and chemical) of the only known population of the Scott Riffle Beetle (*Optioserus phaeus*) and evaluate “Active Management Options” related to habitat suitability provided in “Recovery Plan for the Scott Riffle Beetle, *Optioserus phaeus* Gilbert, in Kansas.” The Recovery Plan can be found at: http://kdwp.state.ks.us/news/Other-Services/Threatened-and-Endangered-Species/Recovery-Plans. Specific objectives of this work include:

  • Estimating long-term population viability of the species at the Big Spring site
  • Evaluating potential management options to enhance habitat for the species at the Big Spring site, including potential for enhancement of habitat substrate as recommended in the Recovery Plan
  • Determining site criteria that should be considered if transplant of the species were to be undertaken

The deadline for final applications is December 2. For more information concerning this program or to request application materials, contact the Office of Federal Aid, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Room 200, Topeka, 66612, (785) 296-2281. Persons with special communication needs may utilize the Kansas Relay Center, (800) 766-3777.

Board of Regents Universities

Notice to Bidders

The universities of the Kansas Board of Regents encourage interested vendors to visit the various universities’ Purchasing Offices’ Web sites for a listing of all transactions, including construction projects, for which the universities’ Purchasing Offices, or one of the consortia commonly utilized by the universities, are seeking information, competitive bids or proposals.

Emporia State University — Bid postings: www.emporia.edu/busaff/purchasing/vendor-procedures.htm. Additional contact info: Phone 620-341-5145, fax 620-341-5073, e-mail thouse@emporia.edu. Mailing address: Emporia State University, Controller’s Office/Purchasing, Campus Box 4021, 1200 Commercial, Emporia, KS 66801.

Fort Hays State University — Bid postings: www.fhsu.edu/purchasing/bids. Additional contact info: Phone 785-628-4251, fax 785-628-4046, e-mail purchasing@fhsu.edu. Mailing address: Fort Hays State Purchasing Office, 601 Park St., Sheridan Hall 318, Hays, KS 67601.

Kansas State University — Bid postings: www.k-state.edu/purchasing/rfq. Additional contact info: Phone 785-532-6214, fax 785-532-5577, e-mail kspurch@k-state.edu. Mailing address: Controller’s Office/Purchasing, 21 Anderson Hall, Kansas State University, Manhattan, KS 66506.
Summary of Regulation:

The Compressed Air Energy Storage Act (CAES Act) was enacted by the 2009 Kansas Legislature at K.S.A. 66-1272 through 66-1279. Specifically, K.S.A. 66-1275 requires KDHE to create rules and regulations establishing requirements, procedures and standards for the monitoring of air emissions from compressed air energy storage (CAES) wells and storage facilities within 18 months after the effective date of the CAES Act.

Economic Impact:

Currently, there are no existing CAES facilities in Kansas and the capital cost of a CAES facility is not taken into consideration for this analysis. Only estimated costs to comply with the proposed regulation are considered. It is unknown if emissions controls will be necessary, as there is no prior experience with CAES emissions from which to draw information. Accordingly, there is no estimate of emissions control costs at this time. Initial compliance costs incurred by the owner or operator of a CAES facility may vary between $28,400 and $118,400, with annual compliance costs varying from $0 up to $40,496 when leak detection and emissions testing is required. Any costs to state or other governmental agencies will be minimal and will be absorbed by existing resources.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulatory action. All interested parties may submit written comments prior to 5 p.m. on the day of the hearing to Miles Stotts, Kansas Department of Health and Environment, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612, by fax to (785) 296-7455, or by e-mail to mstotts@kdheks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulatory action during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

Copies of the proposed regulation and complete economic impact and environmental benefit statement may be obtained from the KDHE Bureau of Air by contacting Miles Stotts at (785) 296-1615 or mstotts@kdheks.gov. Copies also may be viewed at the following locations:

- Department of Air Quality, Office, 302 W. McArtor, Wichita-Sedgwick County Health Dept., 800 W. 24th St., Wichita, KS 67213.
- Department of Health and Environment, 1900 E. 9th St., Wichita, KS 67202.
- Johnson County Environmental Department, 11811 S. Sunset, Suite 2700, Olathe, KS 66061.
- Curtis State Office Building, 1000 S.W. Jackson, Suite 310, Topeka, KS 66616.
- KDHE Northeast District Office, 800 W. 24th St., Lawrence, KS 66049.
- KDHE Northwest District Office, 2301 E. 13th St., Hays, KS 67601.
- KDHE North Central District Office, 2501 Market Place, Suite D, Salina, KS 67401.
- KDHE South Central District Office, 130 S. Market, Suite 6050, Wichita, KS 67208.
- KDHE Southeast District Office, 1500 W. 7th St., Chanute, KS 67107.
- KDHE Southwest District Office, 302 W. McArtor Road, Dodge City, KS 67801.
- Wichita-Sedgwick County Dept. of Community Health, 1900 E. 9th St., Wichita, KS 67202.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and the economic impact and environmental benefit statement in an accessible format. Requests for accommodation should be directed to Miles Stotts.

Questions pertaining to this proposed regulation should be directed to Miles Stotts.

Kansas Secretary of Health and Environment

Barry Swanson
Chair of Regents Purchasing Group
Director of Purchasing and Strategic Sourcing
University of Kansas

Roderick L. Bremby
Secretary of Health and Environment
Sealed proposals for the construction of road and bridge work in the following Kansas counties will be received at the Bureau of Construction and Maintenance, KDOT, Topeka, or at the Eisenhower State Office Building, 700 S.W. Harrison, fourth floor west wing, Topeka, until 1 p.m. September 15 and then publicly opened:

**District One – Northeast**
- Douglas—10-23 KA-1488-01 – Slide repair on K-10 in Douglas County, slide repair. (State Funds)
- Johnson—10-46 N-0524-01 – K-10 Intelligent Transportation System and Traveler Information Expansion, 4 miles. (Federal Funds)
- Johnson—69-46 N-0525-01 – U.S. 69 Intelligent Transportation System and Traveler Information Expansion, 10.3 miles. (Federal Funds)

**District Two – Northcentral**
- Ellsworth—27 K-2494-06 – Kanopolis State Park in Ellsworth County, state park road improvement. (State Funds)

**District Three – Northwest**
- Osborne—181-71 KA-1979-01 – K-181 in Osborne County, seal, 13.7 miles. (State Funds)

**District Four – Southeast**
- Allen—1 U-2284-01 – Bridge Street and Central Street in Humboldt, grading and surfacing, 0.5 mile. (State Funds)
- Anderson—169-2 KA-0706-02 – U.S. 169 bridge just west of Welda, seeding and sodding. (Federal Funds)

**District Five – Southcentral**
- Sedgwick—135-87 K-7332-03 – I-135/U.S. 54 Interchange and southbound I-135 from Lincoln to Harris Street, seeding and sodding. (Federal Funds)

Proposals will be issued upon request to all prospective bidders who have been prequalified by the Kansas Department of Transportation on the basis of financial condition, available construction equipment and experience. Also, a statement of unearned contracts (Form No. 284) must be filed. There will be no discrimination against anyone because of race, age, religion, color, sex, handicap or national origin in the award of contracts.

Each bidder shall file a sworn statement executed by or on behalf of the person, firm, association or corporation submitting the bid, certifying that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid.

This sworn statement shall be in the form of an affidavit executed and sworn to by the bidder before a person who is authorized by the laws of the state to administer oaths. The required form of affidavit will be provided by the state to each prospective bidder. Failure to submit the sworn statement as part of the bid approval package will make the bid nonresponsive and not eligible for award consideration.

Plans and specifications for the projects may be examined at the office of the respective county clerk or at the KDOT district office responsible for the work.

Deb Miller
Secretary of Transportation
Upon adoption of the proposed new regulation and proposed amended regulation, KDHE will submit a revised State Implementation Plan to the EPA for approval.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulatory action. All interested parties may submit written comments prior to 5 p.m. on the day of the hearing to Miles Stotts, Kansas Department of Health and Environment, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612, by fax to (785) 296-7455, or by e-mail to mstotts@kdheks.gov. All interested parties will be given a reasonable opportunity to present their views orally on the proposed regulatory action during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to require each participant to limit any oral presentation to five minutes.

Copies of the proposed regulations and complete economic impact and environmental benefit statement may be obtained from the KDHE Bureau of Air by contacting Miles Stotts at (785) 296-1615 or mstotts@kdheks.gov. Copies also may be viewed at the following locations:

- Department of Air Quality, Unified Government of Wyandotte County - Kansas City, Kansas Health Department, 619 Ann Ave., Kansas City, Kansas
- Johnson County Environmental Department, 11811 S. Sunset, Suite 2700, Olathe
- Curtis State Office Building, 1000 S.W. Jackson, Suite 310, Topeka
- KDHE Northeast District Office, 800 W. 24th St., Lawrence
- KDHE Northwest District Office, 2301 E. 13th St., Hays
- KDHE North Central District Office, 2501 Market Place, Suite D, Salina
- KDHE South Central District Office, 130 S. Market, Suite 6050, Wichita
- KDHE Southeast District Office, 1500 W. 7th St., Chanute
- KDHE Southwest District Office, 302 W. McArtor Road, Dodge City
- Wichita-Sedgwick County Dept. of Community Health, 1900 E. 9th St., Wichita

The material also is available on the Bureau of Air’s Web site at http://www.kdheks.gov/bar/public_notice.html. Questions pertaining to these proposed regulations should be directed to Miles Stotts.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulations and the economic impact and environmental benefit statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Miles Stotts.

Roderick L. Bremby
Secretary of Health and Environment

State of Kansas
Department of Health and Environment

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 15, 28-18a-1 through 32, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

This is a permit modification and reissuance for a confined animal feeding facility for a total maximum of 12,000 head (15,600 animal units) of dairy cattle; consisting of 9,000 head (12,600 animal units) of mature dairy cows, and 3,000 head (3,000 animal units) of dairy heifers weighing more than 700 pounds. There is no change in the permitted animal units from the previous permit. Permit modifications include the construction of two earthen retention structures. This facility has an approved Nutrient Management Plan on file.

This is a permit modification and reissuance for a confined animal feeding facility for a total maximum of 6,472.5 animal units of dairy cattle; consisting of 3,150 head (4,410 animal units) of mature dairy cows, 875 head (875 animal units) of dairy heifers weighing more than 700 pounds and 2,375 head (1,187.5 animal units) of dairy calves weighing less than 700 pounds. There is no change in the permitted animal units from the previous permit. Permit modifications include the construction of an additional earthen sludge drying bed. This facility has an approved Nutrient Management Plan on file.
**Public Notice No. KS-NQ-10-010/011**

The requirements of the draft permits public noticed below are pursuant to the Kansas Surface Water Quality Standards, K.A.R. 28-16-28(b-f), and Federal Surface Water Criteria:

**Facility Description:** This action consists of issuing a new Kansas Water Pollution Control Permit for a new facility. The proposed facility is a single-cell double synthetic-lined lagoon with intermediate leak detection system for treatment of industrial wastewater from floor drains and a car wash operation and a single-cell earthen-lined lagoon for treatment of domestic wastewater. Discharge of wastewater from this treatment facility to surface waters of the state of Kansas is prohibited by this permit.

**Facility Description:** This action consists of renewing an existing Kansas Water Pollution Control Permit for an existing facility. This facility ferments treated seed grain to produce denatured ethanol for fuel use. Mash solids, facility wash water, trailer wash water, boiler blowdown and water softener regenerate, cooling tower blowdown, boiler blowdown, water softener reject and waste recharge flows, reverse osmosis concentrate and cleaning flows, facility washdown and seed trailer wash can be directed to the six earthen settling basins and subsequently to the irrigation holding ponds for recycle or irrigation or may be directed to the city of Leoti wastewater treatment plant. After the mash solids have settled, mash water is used for irrigation. Solids are periodically removed from the settling basins and either directly applied to farm land for agricultural benefits or stored at a central stockpile location prior to land application. Source of water supply is groundwater from on-site water wells. The proposed permit requires monitoring of the existing 11 groundwater wells as well monitoring of the settling basin influent water for the items listed in the permit. Contained in the permit is a schedule of compliance requiring the permittee to reduce seepage rates in the mash settling basins and the irrigation holding cells. Discharge of wastewater from this treatment facility to surface waters of the state of Kansas is prohibited by this permit.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before September 25 will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-10-136/140, KS-NQ-10-010/011) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at http://www.kdheks.gov/feedslots. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Roderick L. Brembly
Secretary of Health and Environment

Doc. No. 038654
State of Kansas  
Department of Health and Environment  
Request for Comments

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit renewal and amending previously issued construction approval. Innovia Films, Inc. has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et seq. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance. Notice also is given that certain requirements in the construction approval dated April 24, 2006, are being modified by a modification of approval conditions.

Innovia Films, Inc., 6000 S.E. 2nd St., Tecumseh, 66542, owns and operates a cellophane manufacturing facility at the same location.

A copy of the proposed permit, permit application, all supporting documentation, all information relied upon during the permit application review process and a copy of the modification of approval conditions are available for a 30-day public review during normal business hours at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka; and a copy of the proposed permit can be reviewed at the KDHE Northeast District Office, 800 W. 24th St., Lawrence. To obtain or review either document, contact Rasha Allen, (785) 296-1693, at the KDHE central office; and to review the proposed permit only, contact Pat Simpson, (785) 842-4600, at the KDHE Northeast District Office. The standard departmental cost will be assessed for any copies requested.

Direct written comments or questions regarding the documents to Rasha Allen, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating final document decisions, written comments must be received before the close of business September 27.

A person may request a public hearing be held on the proposed documents. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Sharon Burrell, Bureau of Air, not later than the close of business September 27 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the 30-day public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA’s 45-day review period. Interested parties may contact KDHE to determine if the EPA’s 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Patricia Scott, U.S. EPA, Region VII, Air Permitting and Compliance Branch, 901 N. 5th St., Kansas City, KS 66101, (913) 551-7312, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Roderick L. Bremby  
Secretary of Health and Environment

State of Kansas  
Kansas Development Finance Authority  
Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, September 9, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000792—Maximum Principal Amount: $184,300. Owner/Operator: Thomas A. and Mary Kay Schultejans. Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Thomas A. and Mary Kay Schultejans and is located at the East Half of the Southwest Quarter of Section 6, Harrison Township, Nemaha County, Kansas, approximately .5 mile south of Kelly on M4 Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views, and all written comments previously filed with the KDFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Article 16.—FEES

7-16-1. Information and services fee. In addition to any other fees specified in regulation or statute, the fees prescribed in the secretary of state’s “schedule of information and services fees,” dated May 27, 2010 and hereby adopted by reference, shall be charged by the secretary of state. (Authorized by and implementing K.S.A. 2009 Supp. 75-438 and L. 2009, ch. 47, sec. 35; effective, T-7-7-1-03, July 1, 2003; effective Oct. 10, 2003; amended Oct. 31, 2008; amended, T-7-7-1-10, July 1, 2010; amended Sept. 10, 2010.)

Chris Biggs
Secretary of State

State of Kansas
Department of Revenue
Permanent Administrative Regulations

Article 51.—TITLES AND REGISTRATION

92-51-25a. Proof of valid license required for foreign vehicle dealers. (a) For purposes of this regulation, the following terms shall have the meanings specified in this subsection:

(1) “Foreign vehicle dealer” shall mean a person holding a license to sell vehicles at retail or wholesale issued by a jurisdiction outside of the territorial limits of the United States. For purposes of this regulation, all states, protectorates, and trust territories administered by the federal government of the United States shall be considered part of the United States and shall be excluded from the definition of “foreign vehicle dealer.”

(2) “Agent of a foreign vehicle dealer” shall mean a person who is authorized by a foreign vehicle dealer to purchase vehicles for import and resale by the foreign vehicle dealer at the foreign vehicle dealer’s authorized place of business in the foreign country.

(3) “Vehicle dealer” has the meaning specified in K.S.A. 8-2401, and amendments thereto.

(b) Before permitting a foreign vehicle dealer to purchase a vehicle, each vehicle dealer shall require proof that the foreign vehicle dealer holds a foreign dealer license and shall retain a copy of the dealer license from the foreign dealer’s country of origin.

(c) Each vehicle dealer who sells a vehicle to a foreign vehicle dealer shall stamp in red ink on the back of the title in all unused dealer reassignment spaces the words “For Export Out of Country Only” and the vehicle dealer’s state-assigned vehicle dealer number. The stamp shall also be placed on the front of the title in a manner that does not obscure any names, dates, or mileage statements. The stamp shall be at least two inches wide, and all words shall be clearly legible.

(d) If the purchaser is a foreign vehicle dealer, the vehicle dealer shall obtain the following documents before the sale and shall maintain these documents in the vehicle dealer’s sales file for each vehicle:

(1) A copy of the foreign vehicle dealer’s license issued by the appropriate governmental entity of the foreign government to the foreign vehicle dealer;

(2) A copy of any identification documentation issued by the appropriate foreign governmental entity indicating that the person claiming to be a foreign vehicle dealer is, in fact, a resident of the foreign country. These documents shall include a driver’s license, passport, voter registration documents, or any official identification card if the card contains a picture of the person and lists a residential or business address;

(3) A completed “Kansas motor vehicle sales tax exemption certificate for vehicles taken out of the state” for each vehicle sold to the foreign vehicle dealer, indicating that the vehicle has been purchased for export;

(4) A copy of the front and back of the title to the vehicle, showing the “For Export Out of Country Only” stamp and the seller’s assigned vehicle dealer number used by the auction or dealership; and

(5) For any agent of a foreign vehicle dealer, a copy of documentation supporting the person’s claim to be acting as an agent for the foreign vehicle dealer. (Authorized by K.S.A. 8-2423; implementing K.S.A. 8-2402 and K.S.A. 8-2403; effective Sept. 10, 2010.)

Article 5.—CONTINUING EDUCATION

109-5-1. Continuing education. (a) Each applicant for certification renewal as a first responder shall have earned at least 16 clock-hours of documented and approved continuing education during the initial certification period and during each biennial period thereafter.

(b) Each applicant for certification renewal as an EMT-I shall have earned at least 28 clock-hours of documented and approved continuing education during the initial certification period and during each biennial period thereafter.

(c) Each applicant for certification renewal as an EMT-I shall have earned at least 36 clock-hours of documented and approved continuing education during the initial certification period and during each biennial period thereafter.

(d) Each applicant for certification renewal as an EMT-D shall have earned at least 36 clock-hours of documented and approved continuing education during the initial certification period and during each biennial period thereafter.

(continued)
(e) Each applicant for certification renewal who is certified as an EMT-I and an EMT-D shall have earned at least 44 clock-hours of documented and approved continuing education during the initial certification period and during each biennial period thereafter.

(f) Each applicant for certification renewal as an MICT shall have earned at least 60 clock-hours of documented and approved continuing education during the initial certification period and during each biennial period thereafter.

(g) Each applicant for certification renewal as an I-C shall provide documentation of both of the following:
   (1) The applicant is certified as an attendant or is a physician or professional nurse as defined by K.S.A. 65-6112 and amendments thereto.
   (2) The applicant attended, during the biennial period immediately preceding the date of application for renewal, an educator conference approved by the board.

(h) Each applicant for certification renewal as a training officer shall provide documentation of the following:
   (1) The applicant is certified as an attendant or is a physician or professional nurse as defined by K.S.A. 65-6112 and amendments thereto.
   (2) The applicant attended, during the biennial period immediately preceding the date of application for renewal, an educator conference approved by the board.

(i) One clock-hour of continuing education credit shall mean at least 50 minutes of instruction.

(j) One academic credit hour shall be equivalent to 15 clock-hours for the purpose of continuing education credit. Credit for auditing an academic course shall be for actual clock-hours attended during which instruction was given and shall not exceed the academic credit allowed.

(k) Acceptable forms of prior approved continuing education programs shall include the following:
   (1) Academic medical courses, whether taken for credit or audited;
   (2) seminars, workshops, or minicourses oriented to the enhancement of EMS practice, values, skills, and knowledge;
   (3) programs presented by a provider of continuing education as defined in K.A.R. 109-1-1;
   (4) medical or nursing continuing education programs approved by the appropriate licensing agency of this or another jurisdiction;
   (5) programs approved by the CECBEMS;
   (6) clinical training that meets the requirements of subsection (l);
   (7) distance learning courses that meet the criteria established in paragraph (m)(2) and K.A.R. 109-10-7; and
   (8) for instructor-coordinators or training officers, an educator conference approved by the board.

(l) All clinical training submitted for approval shall be in the form of prescheduled clinical training sessions. The training coordinator shall provide, to the student and the clinical training faculty, the clinical training objectives to be met during the training session. The clinical training faculty shall complete a clinical training evaluation form for each student.

(m)(1) Any student may be awarded one clock-hour of continuing education credit for each clock-hour of distance learning as verified by the certificate of completion, which shall not exceed the amount of credit awarded by CECBEMS or the provider of distance learning. The number of clock-hours received for continuing education credit during one calendar day shall not exceed 12.

(2) Each distance learning course shall include an examination over the material presented. The provider of the distance learning course shall provide each student with the results of the examination and a certificate of completion.

(3) Each student using one or more distance learning courses for the purpose of certification renewal shall keep a copy of the certificate of completion for at least three years.

109-5.3. Continuing education approval for long-term providers. (a) An application may be made to the board to become an approved long-term provider of continuing education training as defined in K.A.R. 109-1-1.

(b) Each provider desiring training program approval as a long-term provider of continuing education courses shall meet the following requirements:

(1) Submit a complete application to the executive director for long-term provider approval. The applicant shall allow up to 30 calendar days for the administrator to review the application. A complete application shall include the following:

   (A) A complete application form provided by the board that includes the signatures of the program manager and the medical advisor; and
   (B) a long-term continuing education training program management plan that describes how the requirements of paragraphs (b)(2) through (9) will be accomplished;

(2) appoint a training program manager who will serve as the liaison to the board. The training program manager for ambulance services, fire departments, other officially organized public safety agencies, corporations, and professional associations shall be a certified instructor-coordinator or training officer. The training program manager for postsecondary educational institutions and hospitals shall have training and experience in coordinating educational offerings. The training program manager shall sign and date the application;

(3) appoint a physician who will serve as the medical advisor for the training program;

(4) provide a sufficient number of lab instructors to maintain a student-to-instructor ratio of 6:1 during laboratory training sessions;
(5) provide a sufficient quantity of EMS training equipment to maintain a student-to-equipment ratio of 6:1 during laboratory training sessions;

(6) provide to each student, upon request, the following:

(A) A course schedule that includes the date and time of each class lesson, the title of each lesson, and the name of the instructor and the instructor’s qualifications to teach each lesson; and

(B) a certificate of attendance that includes the name of the training program, a statement that the training program has been approved by the board as a long-term provider of continuing education training, the title of the continuing education offering, the date and location of the continuing education offering, the amount of continuing education credit awarded to each participant for the offering, the course identification number issued by the board, and the printed name and signature of the program manager;

(7) maintain training program records and continuing education course records for at least three years. The records that shall be maintained are as follows:

(A) A copy of all documents required to be submitted with the application for training program approval;

(B) student attendance rosters;

(C) course educational objectives; and

(D) master copies and completed copies of each student’s evaluations of the educational offerings;

(8) establish a continuing education program quality management plan that includes the following:

(A) A description of the training needs assessment used to determine the continuing education courses to be conducted;

(B) a description of the training program evaluations to be conducted and a description of how a review and analysis of the completed evaluations by the training program’s medical advisor and the training program manager will be conducted;

(C) equipment use, maintenance, and cleaning policies; and

(D) training program infection-control policies;

(9) submit quarterly reports to the executive director that include the following:

(A) The date, title, and location of each EMS continuing education course offered;

(B) the amount of EMS continuing education credit issued for each EMS course offered; and

(C) the printed name and signature of the training program manager; and

(10) if the training program will include continuing education offered in a distance learning format, submit the following:

(A) The process by which students can access the educator;

(B) the procedures to be used for ensuring timely delivery of and feedback on written materials at all sites;

(C) the procedures to be followed for ensuring that students are participating in the course; and

(D) a description of the format to be used for material delivery;

(c) Each approved long-term provider desiring to offer continuing education in a distance learning format shall incorporate the following items into the provider’s long-term continuing education program management plan:

(1) A definition of the process by which students can access the instructor during any distance learning offerings;

(2) a definition of the procedures used to ensure student participation in course offerings; and

(3) specification of each learning management system that will be used and how each system is to be used in the course.

(d) Training program approval as a long-term provider of continuing education courses shall be for a period of not more than 60 months and may be renewed by the executive director following receipt of an application for renewal of training program approval. The application shall be complete and shall be received in the board’s office no later than 30 calendar days before expiration of the approval. Incomplete applications shall not be reviewed for determination of renewal approval.

(e) Each approved long-term provider of continuing education training shall provide the executive director with a copy of all training program records and continuing education course records upon the executive director’s request. (Authorized by and implementing K.S.A. 2009 Supp. 65-6111; effective, T-88-12, May 18, 1987; amended, T-88-24, July 15, 1987; amended May 1, 1988; amended July 17, 1989; amended Nov. 12, 1999; amended May 15, 2009; amended Sept. 10, 2010.)

Article 11.—COURSE APPROVALS

109-11-1. First responder course approval. (a) First responder initial courses of instruction may be approved by the executive director or the executive director’s designee to be conducted only by sponsoring organizations. A sponsoring organization shall mean a provider of training, as defined in K.S.A. 65-6112 and amendments thereto.

(b) Each sponsoring organization requesting approval to conduct initial courses of instruction shall submit an application packet to the executive director that is completed in its entirety, including all required signatures, and includes the following documents:

(1) A course syllabus for each level of training offered that includes at a minimum the following information:

(A) A summary of the course goals and objectives;

(B) student prerequisites, if any, for admission into the course;

(C) instructional and any other materials required to be purchased by the student;

(D) student attendance policies;

(E) student evaluation policies;

(F) student requirements for successful course completion;

(G) a description of the clinical and field training requirements, if applicable;

(H) student and participant safety policies;

(I) Kansas requirements for certification;

(J) student dress and hygiene requirements;

(K) student progress conferences;

(continued)
(L) student discipline policies;
(M) policies concerning student use of equipment; and
(N) a statement that the course provides a sufficient number of lab instructors to maintain a 6:1 student-to-instructor ratio during lab sessions;
(2) a course schedule that identifies the following:
(A) The date of each class session;
(B) the times each class session is to start and end;
(C) the title of the subject matter of each class session;
(D) the instructor of each class session;
(E) the United States department of transportation or Kansas enrichment lesson number; and
(F) the number of psychomotor skills laboratory hours for each session; and
(3) letters from the training program medical advisor, the director of the ambulance service that will provide field training to the students, if applicable, and the administrator or the administrator's designee of the hospital in which the clinical rotation is provided, if applicable, indicating their commitment to provide the support as defined in the curriculum.
(c) Each application shall be received in the board office not later than 30 calendar days before the first scheduled course session.
(d) Each approved initial course shall meet the following conditions:
(1) Meet or exceed the described in K.A.R. 109-10-1; and
(2) maintain course records for at least three years. The following records shall be maintained:
(A) A copy of all documents required to be submitted with the application for course approval;
(B) student attendance;
(C) student grades;
(D) student conferences;
(E) course curricula;
(F) lesson plans for all lessons;
(G) clinical training objectives, if applicable;
(H) field training objectives, if applicable;
(I) completed clinical and field internship training preceptor evaluations for each student;
(J) master copies and completed copies of the outcome assessment and outcome analyses tools used for the course that, at a minimum, address the following:
(i) Each student’s ability to perform competently in a simulated or actual field situation, or both; and
(ii) each student’s ability to integrate cognitive and psychomotor skills to appropriately care for sick and injured patients;
(K) a copy of each student’s psychomotor skills evaluations as specified in the course syllabus;
(L) completed copies of each student’s evaluations of each course, all instructors for the course, and all lab instructors for the course; and
(M) a copy of the course syllabus.
(e) Each primary instructor shall provide the executive director with an application form from each student within 20 days of the start of the first class session.
(f) Each approved course shall provide any course documentation requested by the executive director.
(g) Any approved course may be monitored by the executive director or the executive director’s designee.

109-11-3. Emergency medical technician-basic course approval. (a) EMT-basic initial courses of instruction may be approved by the executive director or the executive director’s designee to be conducted only by sponsoring organizations as defined in K.A.R. 109-11-1.
(b) Each sponsoring organization requesting approval to conduct initial courses of instruction shall meet the following requirements:
(1) Meet the requirements in K.A.R. 109-11-1(b)-(f); and
(2) in each initial course of instruction, include hospital clinical training and ambulance field training that provide the following:
(A) An orientation to the hospital and to the ambulance service; and

109-11-4. Emergency medical technician-intermediate course approval. (a) EMT-I initial courses of instruction may be approved by the executive director or the executive director’s designee to be conducted only by sponsoring organizations as defined in K.A.R. 109-11-1.
(b) Each sponsoring organization requesting approval to conduct EMT-I initial courses of instruction shall meet the following requirements:
(1) Meet the requirements in K.A.R. 109-11-1(b)-(f); and
(2) provide letters from the director of each ambulance service that will provide field training to the students, if applicable, and administrator or administrator’s designee of the hospital in which the clinical training is provided, indicating their commitment to provide the support as defined in the curriculum.
(c) Each application shall be received in the board’s office not later than 30 calendar days before the first scheduled class. Only a complete application packet shall be accepted.
(d) Each approved EMT-I course shall meet the following conditions:
(1) Meet or exceed the curriculum as described in K.A.R. 109-10-1; and
(2) require that each student meet the following conditions in order to successfully complete the course:
(A) Successfully perform 20 venipunctures, of which 10 shall be for the purpose of initiating intravenous infusions;
(B) administer one nebulized breathing treatment during clinical training;
(C) successfully perform three endotracheal intubations on live patients, with written verification by a physician or certified registered nurse anesthetist competent in the procedure that the student is competent in performing the procedure, if applicable; and

(D) ensure that each student completes hospital clinical training and ambulance field training that provide the student the opportunities necessary to complete the requirements of Kansas enrichments, module 4.

(e) Each primary instructor shall provide the administrator with an enrollment form from each student within 15 days of the first class session.

(f) Any approved class may be monitored by the executive director or the executive director’s designee.

(g) Each approved course shall provide any program documentation requested by the executive director.

109-11-6. Mobile intensive care technician course approval. (a) MICT initial courses of instruction may be approved by the executive director or the executive director’s designee to be conducted only by accredited postsecondary educational institutions.

(b) Each sponsoring organization requesting approval to conduct MICT initial courses of instruction shall meet the following requirements:

(1) Meet the requirements in K.A.R. 109-11-1-(b)-(f);

(2) provide letters from the director of each ambulance service that will provide field training to the students and the administrator or the administrator’s designee of the hospital in which the clinical training is provided, indicating their commitment to provide the support as defined in the curriculum;

(3) require that, on or before completion of the course, all students provide confirmation of eligibility to be conferred, at a minimum, an associate degree in applied science by the postsecondary institution; and

(4) (A) Provide verification that the sponsoring organization has applied for accreditation to the committee on accreditation of allied health education programs’ joint review committee for emergency medical technician-paramedic; or

(B) provide evidence of accreditation from the committee on accreditation of allied health education programs’ joint review committee for emergency medical technician-paramedic before the commencement of the third course.

(c) Each application shall be received in the board office not later than 30 calendar days before the first scheduled class. Only a complete application packet shall be accepted.

(d) Each approved MICT course shall meet the following requirements:

(1) Meet or exceed the curriculum standards as described in K.A.R. 109-10-1;

(2) consist of a minimum of 1200 hours of training, including at least the following:

(A) Four hundred hours of didactic and skills laboratory instruction by qualified instructors;

(B) two hundred and thirty-two hours of clinical training at a hospital by qualified instructors; and

(C) four hundred hours of field internship training with a type I ambulance service by qualified instructors;

(3) ensure, and establish in writing, how each student is provided experiences, which shall include at a minimum the following:

(A) The performance of 20 successful venipunctures, of which at least 10 shall be for the purpose of initiating intravenous infusions;

(B) successful performance of three endotracheal intubations on live patients, with written verification by a physician or certified registered nurse anesthetist competent in the procedure that the student is competent in performing the procedure;

(C) successful performance of five intraosseous infusions;

(D) administration of one nebulized breathing treatment during clinical training;

(E) performance of a complete patient assessment on 50 patients, of which at least 25 shall be accomplished during field internship training;

(F) participation in, as an observer or as an assistant, three vaginal-delivered childbirths during clinical training;

(G) in increasing positions of responsibility, be a part of a type I service crew responding to 30 ambulances calls;

(H) performance of 10 intramuscular or subcutaneous injections;

(I) completion of 30 patient charts or patient care reports, or both; and

(J) performance of monitoring and interpreting the electrocardiogram on 30 patients during clinical training and field internship training.

(e) The primary instructor shall provide the administrator with an enrollment form from each student within 15 days after the first class session.

(f) Any approved class may be monitored by the executive director or the executive director’s designee.

(g) Each approved course shall provide any program documentation requested by the executive director.

Article 15.—CERTIFICATION

109-15-2. Recognition of non-Kansas credentials. (a) Any applicant who is currently certified as an attendant in another jurisdiction may apply for Kansas attendant certification by meeting the following requirements:

(1) Submitting a completed application for certification to the board;

(2) providing documentation that enables the board to determine whether the applicant’s coursework is sub-

(continued)
(1) For first responder, emergency medical technician, or emergency medical technician-intermediate, the requirements listed in K.A.R. 109-10-1 which shall be provided by a Kansas-certified EMS instructor-coordinator or training officer; or

(2) for mobile intensive care technician, coursework attained through a paramedic program accredited by the commission on accreditation of allied health education programs.

(d) For the purposes of this regulation, “substantially equivalent” coursework shall mean an initial course of instruction that includes at least 90 percent of the content in the United States department of transportation curriculum for the level of training sought, as required by K.A.R. 109-10-1, and the following:

(1) For first responders, emergency medical technicians, and emergency medical technicians-intermediate, the requirements listed in K.A.R. 109-10-1; and

(2) for mobile intensive care technicians, completion of at least 90 percent of each of the following requirements specified in K.A.R. 109-10-1 and 109-11-6:

(A) The didactic hours;

(B) the clinical hours;

(C) the field internship hours; and

(D) the total number of required course hours. (Authorized by K.S.A. 2009 Supp. 65-6111; implementing K.S.A. 2009 Supp. 65-6129; effective May 15, 2009; amended Sept. 10, 2010.)

Steven Sutton
Interim Executive Director

INDEX TO ADMINISTRATIVE REGULATIONS

This index lists in numerical order the new, amended and revoked administrative regulations and the volume and page number of the Kansas Register issue in which more information can be found. Temporary regulations are designated with a (T) in the Action column. This cumulative index supplements the 2006 Volumes and the 2008 Supplement of the Kansas Administrative Regulations.
