## Notice of Available Grant Funding

The John R. Justice (JRJ) Grant Program is administered by the U. S. Department of Justice, Bureau of Justice Assistance. The JRJ Grant Program was codified at 42 U.S.C. 3797cc-21 and named for the late John Reid Justice of South Carolina to encourage qualified attorneys to choose careers as government prosecutors and public defenders and to continue in that service. The criminal justice system faces a challenge of retaining qualified prosecutors and public defenders who serve everyday to ensure that our communities are protected, the rule of law is upheld, and the rights of citizenry are safeguarded. Student loan debt is consistently cited as the overwhelming reason why attorneys decline or leave positions as government prosecutors and public defenders.

The JRJ Grant Program provides loan repayment assistance for local, state and federal government public defenders and local and state government prosecutors who commit to continued employment as public defenders and prosecutors for at least three (3) years. An attorney must not be in default on repayment of any federal student loans.

For a copy of the application, contact the Governor's Grants Program at (785) 291-3205 or by e-mail to John Cronister at [john.cronister@ks.gov](mailto:john.cronister@ks.gov). All applications must be submitted by 5 p.m. February 21.

### Department of Agriculture Division of Water Resources

#### Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 1:30 p.m. Wednesday, March 16, in the fourth floor training room of the Kansas Department of Agriculture, 109 S.W. 9th, Topeka, to consider the adoption of proposed regulations. A summary of the proposed regulations and their economic impact follows:

**K.A.R. 5-21-4** — The proposed amendments close the Western Kansas Groundwater Management District No. 1 (GMD 1) to new appropriations of water in the portions of the unconsolidated aquifers commonly known as the Ogallala formation and the Niobrara formation that are located within the district.

**Economic Impact Statement:** The proposed amendments will not result in any significant fiscal impact to other governmental agencies, businesses or individuals. Legislation passed in the 2010 session resulted in the protection against the forfeiture of a water right from abandonment if the water right as a source that is groundwater, is located in an area closed by rule and regulation, and has a diversion works that can be used within a reasonable time. The regulation amendment closes the GMD 1 by rule. Therefore, water rights located in GMD 1 that have groundwater sources are protected from forfeiture from abandonment as long as they maintain a diversion works that can be used within a reasonable time. While

this is perceived as a benefit to existing water rights in GMD 1, the KDA does not have a determination of the fiscal impact to the water right holders.

**Environmental Impact:** No significant impact could be identified resulting from the proposed amendment.

**K.A.R. 5-7-1** — The proposed amendment to the regulation adds a condition for due and sufficient cause for non-use under a water right if water use is temporarily discontinued because a contract between the water right owner (producer) and a groundwater management district (GMD) exists committing the producer to forego use of water authorized by a water right for a definite five-to-ten-year period to conserve water. The non-use contract will provide additional ranking consideration for eligibility for the federal Environmental Quality Incentive Program (EQIP). The regulated community and the GMDs believe participation would not exist in the EQIP if their contract was not listed as a due and sufficient cause for non-use in K.A.R. 5-7-1.

**Economic Impact Statement:** The proposed amendment will result in a fiscal impact to the department that equates to two hours of environmental scientist II staff time at \$33.71 salary and fringe per hour and one hour of administrative assistant data entry staff time at \$20.43 salary and fringe per hour per contract processed. Therefore, each contract will have a total of an \$87.85 fiscal impact on average to the KDA. The KDA cannot anticipate the number of contracts that will be filed; therefore, a total fiscal impact cannot be calculated at this time.

The proposed amendments will not result in any significant fiscal impact to other governmental agencies or businesses. There will be a fiscal impact to the GMDs. Based on similar programs, two hours of GMD staff time could be utilized on each contract completed and processed. The proposed amendment will allow a positive fiscal impact benefit to individual water right holders. If qualified, the EQIP will pay a producer \$150 per acre per year for three years of enrollment with four years of practice. In addition, GMD 5 is paying producers in their district \$125 per acre for the fourth year to the first 800 acres enrolled. Total enrollment program wide is not known.

**Environmental Impact:** There will be an undetermined positive water conservation impact due to five to ten years of not pumping water under participating water rights.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Chief Engineer, Department of Agriculture, Division of Water Resources, 109 S.W. 9th, 2nd Floor, Topeka, 66612, or by e-mail at [leslie.garner@kda.ks.gov](mailto:leslie.garner@kda.ks.gov). Comments also may be made through the department's Web site at <http://www.ksda.gov>, under the proposed regulation.

All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes. These regulations are proposed for adoption on a permanent basis.
