Notice to Private Activity Bond Applicants

Applications for allocation of 2015 Private Activity Bond (PAB) authority are now being accepted for qualified uses, as defined by the Internal Revenue Code of 1986, and amendments thereto.

The state of Kansas is projected to receive \$301,520,000 of federal authority for the issuance of PABs in calendar year 2015. Historically, the primary uses of this federal authority have included "qualified small issue bonds" used for construction and equipping of manufacturing facilities and beginning farmer programs; "exempt facility bonds" used by for-profit entities providing a public benefit, i.e., certain waste treatment facilities, qualified residential rental facilities, etc.; and "qualified mortgage bonds" issued to benefit first-time homebuyers. Allocations awarded by the secretary of commerce are subject to the provisions of K.S.A. 74-5060 et seq. and the limitations of the state volume cap.

Fees associated with PAB application and issuance are as follows:

(1) Application fee—A nonrefundable fee must accompany the application before the request can be processed. The application fee is determined as follows:

- \$250 for allocation requests up to \$5,000,000
- \$500 for allocation requests from \$5,000,001 to \$10,000,000

- \$1,000 for allocation requests from \$10,000,001 and above

(2) Issuance Fee—An issuance fee for allocation amounts utilized, other than "qualified mortgage bonds" issued, shall be due and payable to the Kansas Department of Commerce at bond closing. Issuance fees shall be determined as follows:

Allocation Used	Fee
To \$2,000,000	5 basis points (.05%)
\$2,000,001 and above	10 basis points (.10%)

"Qualified mortgage bond" programs will be assessed a fee, upon issuance of each mortgage loan assisted through the program, equal to .5% of the PAB allocation used.

Issuance fees shall be remitted within 30 days of bond closing. Checks for both the application and issuance fees for nonhousing issues should be made payable to the Kansas Department of Commerce Bond Fee Fund. Checks for the issuance fees for housing activities should be made payable to the State Housing Trust Fund.

For more information or to obtain application materials contact Darla Price or Steve Kelly, Kansas Department of Commerce, 1000 S.W. Jackson, Suite 100, Topeka, 66612-1354, 785-296-5298 or TTY 785-296-3487.

Request for Proposals

The Kansas Children's Cabinet and Trust Fund announces the release of a request for proposals for the Community-Based Child Abuse and Neglect Prevention Program. The funding opportunity is to help communities fund targeted direct-service strategies that will reduce the likelihood of abuse and neglect and increase the likelihood of a child having safe, stable and nurturing relations in their families and communities. Eligible applicants include locally controlled, community-based entities that provide direct services to at-risk populations; county and city governments and unified school districts; and nonprofit agencies/organizations, including faith-based and community organizations, with expertise in providing direct services to parents and families or individualized services to children birth to 5. Approximately \$579,000 is available for fiscal year 2016 through this RFP.

State of Kansas

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, January 29, in the offices of the Kansas Development Finance Authority, 555 S. Kansas Ave., Suite 202, Topeka, on the proposal for the KDFFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the borrowers named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

Project No. 000912 – Maximum Principal Amount: \$78,874.56. Owner/Operator: Colt S. Hiegert. Description: Acquisition of 85.92 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Colt S. Hiegert and is located at Section 25, Township 16, Range 9, Morris County, Kansas, approximately 6 miles east of Council Grove on U.S. Highway 56 and 2 miles south on 100 Road.

Project No. 000913 – Maximum Principal Amount: \$180,000. Owner/Operator: Brandon and Morgan Kaufman. Description: Acquisition of 155 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Brandon and Morgan Kaufman and is located at the North Half of the North

Half of Section 13, Township 20 South, Range 1 West, McPherson County, Kansas, approximately 2 miles west and 5 miles north of Goessel.

Project No. 000914 – Maximum Principal Amount: \$152,284.26. Owner/Operator: Raymond L. and Betty I. Weaver. Description: Acquisition of 54.183 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Raymond L. and Betty I. Weaver and is located at the West Half of the Southwest Quarter of Section 26, Township 23 South, Range 7 West of the 6th PM, Reno County, Kansas, approximately 1 mile east and 3 miles north of Partridge.

The bonds, when issued, will be a limited obligation of the KDFFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFFA at its offices at 555 S. Kansas Ave., Suite 202, Topeka, 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFFA.
