South Central Kansas Economic Development District

Notice to Contractors and Vendors

The South Central Kansas Economic Development District (SCKEDD) in Wichita administers the federally funded Kansas Weatherization Assistance Program in a 13-county region in south central Kansas. SCKEDD is in the process of contracting with the following:

- A vendor who can supply HVAC equipment, including wall, console and forced-air furnaces.
- Vendors who can supply cellulose insulation, ASHRAE 62.2 ventilation systems and various weatherization materials.
- A contractor that is a licensed electrician capable of service upgrades, wiring repair and replacements, panel replacements, adding dedicated electrical circuits for furnaces and installing mechanical ventilation systems per ASHRAE 62.2 standards. Fan kits will be provided by SCKEDD.
- A contractor that can provide licensed plumbing work for supply line and waste line repair or replacement and water heater replacement.
- A roofing contractor that can provide full and partial residential roof repairs and replacement.
- A general contractor that can perform weatherization work in the following counties with estimated number of units in parenthesis: Barber (2), Chautauqua (1), Cowley (8), Elk (1), Harper (2), Kingman (3), McPherson (5), Pratt (1), Reno (10), Rice (3), Sedgwick (85), Stafford (1) and Sumner (3). Because SCKEDD employs weatherization crews, only the work that can't be performed in-house will be contracted out. Weatherization work includes performing air sealing, repairing broken windows, adding weather-strips to exterior doors, installing plastic vapor barriers in crawl spaces, insulating foundation walls and floors using fiberglass batting material, installing dense pack-blown cellulose insulation in exterior walls, installing roof vents and insulating attics with blown cellulose. Mobile home weatherization work includes repairing duct work systems and installing blown fiberglass insulation into bellies, walls and roof cavities. Work will be performed on single-family dwellings and mobile homes. All weatherization contractors will be responsible for complying with the EPA's Renovation Repair and Painting (RRP) regulations as enforced by KDHE in Kansas. KDHE and Kansas weatherization requires all licensed firms to employ only certified renovators to perform weatherization work.

Contractor requirements include, but are not limited to:

- Capability to be licensed in all municipalities served by SCKEDD weatherization
- RRP renovation firms licensed with KDHE
- All workers licensed as RRP renovators with KDHE
- All workers have completed LSWP training provided by the Department of Energy
- Worker's comp and general liability insurance

Contracts will be for a one-year period through October 31, 2016, with an option to extend the contract for up to three additional one-year periods at the discretion of SCKEDD and the approval of the Kansas Housing Resources Corporation. A mandatory bidder's conference will take place to answer all questions regarding the distributed bid packets. If you are unable to attend in person, teleconference capabilities will be provided. The bid sheets provided will require contractors and vendors to provide line-item prices by county for all items listed.

Contractors are required to provide references with their bid package as a high value will be placed on quality of work. SCKEDD may choose any or all of these factors to evaluate contractor bids: price, quality of references, timeliness in completing work, quality of completed work, timeliness in billing, quality of billing, and any other factor as specified in the bid package.

To receive a bid packet and be notified when the bidder's conference will take place, contact the SCKEDD Weatherization Program not later than noon Friday, October 2, 2015, at SCKEDD, 3737 N. Hillside, Suite B, Wichita, KS 67219, 316-425-8844.

SCKEDD encourages minority, women-owned and small-business vendors and contractors to apply. SCKEDD is an equal opportunity agency.

Department of Transportation

Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <http://www.ksdot.org/burconsmain/contracts/proposal.asp>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid not later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject the bid. The secretary of transportation reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2007 edition of the Kansas Department of Transportation's *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic proposals using the Bid Express website at <http://www.bidx.com> until 1 p.m. local time October 21, 2015. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 S.W. Harrison, Topeka, at 1:30 p.m. local time October

21, 2015. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Notice of 2015 WTAP Enrollment

The Kansas Department of Agriculture, Division of Conservation will accept applications under the Water Right Transition Assistance Program (WTAP) during the 2015 enrollment period, October 1-November 15.

WTAP is a voluntary, incentive-based program that permanently retires privately held irrigation water rights in exchange for payment by the state of Kansas. It is intended to help restore aquifers and recover stream flows in critically depleted target areas. The 2012 Kansas Legislature extended WTAP until June 30, 2022, based on past results of the initial pilot project.

The target areas currently designated include Rattlesnake Creek Sub-basin, Prairie Dog Creek Basin, and six "high priority areas" of Northwest Kansas Groundwater Management District No. 4. The WTAP rules and regulations, target area maps, application forms and other details are posted on the Division of Conservation website at <http://agriculture.ks.gov/divisions-programs/division-of-conservation>.

WTAP bids cannot be approved by the Division of Conservation for more than \$2,000 per acre-foot of the Historic Consumptive Water Use as calculated over the last 10 years of actual annual water use of the water right(s) proposed for acceptance. WTAP grants can be combined with other federal or local water conservation programs that offer financial incentives. Applications to accept partial water rights also can be considered. The award of WTAP grants for water right retirements is based on a competitive bidding process. Applications that propose a financial contribution from a local entity may increase the priority of an application.

For more information about WTAP contact Steve Frost, program administrator, at steve.frost@kda.ks.gov or 785-564-6622.

The Kansas Department of Health and Environment is soliciting comments regarding a proposed air quality operating permit. Cargill Meat Solutions Corporation has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards and requirements applicable to each source; and the monitoring, record keeping and reporting requirements applicable to each source as of the effective date of permit issuance.

Cargill Meat Solutions Corporation, P.O. Box 1060, Dodge City, KS 67801, owns and operates Dodge City Plant located at 3201 E. Highway 154, Dodge City, Kansas.

A copy of the proposed permit, permit application, all supporting documentation and all information relied upon during the permit application review process is available for public review during normal business hours, 8 a.m. to 5 p.m., at the KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, and at the KDHE Southwest District Office, 302 W. McArtor Road, Dodge City. To obtain or review the proposed permit and supporting documentation contact Cathy Richardson, 785-296-1947, at the KDHE central office, or Ethel Evans, 620-356-1075, at the KDHE Southwest District Office. The standard departmental cost will be assessed for any copies requested.

Written comments or questions regarding the proposed permit may be directed to Cathy Richardson, KDHE, Bureau of Air, 1000 S.W. Jackson, Suite 310, Topeka, 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received not later than noon October 26, 2015.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Cathy Richardson, KDHE, Bureau of Air, not later than noon October 26, 2015, in order for the secretary of health and environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such pe-

riod. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

Notice Concerning Kansas/Federal Water
Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Kansas Permit No. M-SA04-NO01 Federal Tracking No. KSJ000343

This action consists of reissuing an existing Kansas Water Pollution Control Permit for an existing nonoverflowing treatment facility. Contained in the permit is a schedule of compliance requiring the permittee to make upgrades as necessary to bring this facility into consistent compliance with the permit and Kansas regulations.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson, Suite 420, Topeka, 66612-1367.

All comments regarding the draft documents or application notices received on or before October 24, 2015, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-15-328/332, KS-NQ-15-004) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of health and environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and

expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m. Monday through Friday, excluding holidays.

Kansas Development Finance Authority**

Notice of Hearing

A public hearing will be conducted at 9 a.m. Thursday, October 8, in the offices of the Kansas Development Finance Authority, 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered be-

(continued)

low in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 000935 – Maximum Principal Amount: \$510,015.23. Owner/Operator: Corey D. and Nichole K. Koelzer. Description: Acquisition of 160 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes. The project is being financed by the lender for Corey D. and Nichole K. Koelzer and is located at the Northeast Quarter of Section 32, Township 3, Range 12, Nemaha County, Kansas, approximately 2 miles north of Centralia on Highway 187, then east 1.5 miles.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted at 1:30 p.m. Monday, November 30, in the third floor conference room, Kansas Insurance Department, 420 S.W. 9th, Topeka, to consider the adoption of proposed amendments to a rule and regulation.

The 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to Diane Minear, Kansas Insurance Department, 420 S.W. 9th, Topeka, 66612-1678, via facsimile at 785-291-3190, or via email at dminear@ksinsurance.org. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulation during the hearing.

A summary of the proposed regulation and its economic impact follows:

K.A.R. 40-2-18. Annuities; mortality table; permits; effective dates.

Because current practice is consistent with this amendment, there is no economic impact on life insurers.

Similarly, there will be no economic impact on the Kansas Insurance Department, consumers, small businesses or other governmental agencies.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request any proposed regulation and the economic impact statement in an accessible format. Requests for accommodation should be made at least five working days in advance of the hearing by contacting Diane Minear at 785-296-2676 or dminear@ksinsurance.org. Any individual desiring a copy of any regulation and/or the policy and procedure that is being adopted by reference, if applicable, may obtain a copy from the department's website, www.ksinsurance.org (under the Legal Issues link), or by contacting Diane Minear. The charge for copies is 50 cents per page.

Permanent Administrative Regulations

Article 19.—CLASS A CLUBS

14-19-40. Class A clubs; automated devices. (a)(1) "Automated device" shall mean any mechanized device capable of dispensing wine directly to a customer in exchange for compensation that a licensee has received directly from the customer.

(2) "Business day" shall mean the hours authorized by state law during which alcohol can be served on the licensed premises.

(b) No licensee shall allow an automated device to be used on its licensed premises without first providing written or electronic notification to the director of the licensee's intent to use the automated device. The licensee shall provide this notification at least 48 hours before any automated device is used on the licensed premises.

(c) Each licensee offering customer self-service of wine from any automated device shall provide constant video monitoring of the automated device at all times during which the licensee is open to the public. The licensee shall keep recorded footage from the video monitoring for at least 60 days and shall provide the footage, upon request, to any agent of the director or other authorized law enforcement agent.

(d) The compensation required by subsection (a) shall be in the form of a programmable, prepaid access card containing a fixed amount of monetary credit that may be directly exchanged for wine dispensed from the automated device. Access cards may be sold, used, or reactivated only during a business day.

Each access card shall be purchased from the licensee by a customer. A licensee shall not issue more than one active access card to a customer. For purposes of this regulation, an access card shall be deemed "active" if the access card contains monetary credit or has not yet been used to dispense 15 ounces of wine.

Each purchase of an access card under this regulation shall be subject to the liquor drink tax imposed by K.S.A. 79-41a02, and amendments thereto.

(e) In order to obtain a prepaid access card from a licensee, each customer shall produce a valid driver's license, identification card, or other government-issued document that contains a photograph of the individual and demonstrates that the individual is at least 21 years of age. Each access card shall be programmed to require the production of the customer's valid identification before the access card can be used for the first time during any business day or for any subsequent reactivation as

(continued)

provided in subsection (f). Each access card shall become inactive at the end of each business day.

(f) Each access card shall be programmed to allow the dispensing of no more than 15 ounces of wine to a customer. Once an access card has been used to dispense 15 ounces of wine to a customer, the access card shall become inactive. Any customer in possession of an inactive access card may, upon production of the customer's valid identification to the licensee or licensee's employee, have the access card reactivated to allow the dispensing of an additional 15 ounces of wine from an automated device.

This subsection shall not apply to wine dispensed by an automated device if the wine is dispensed directly to the licensee or the licensee's agent or employee. (Authorized by K.S.A. 2014 Supp. 41-2640, as amended by 2015 HB 2223, sec. 5; implementing K.S.A. 2014 Supp. 41-2640, as amended by 2015 HB 2223, sec. 5, and K.S.A. 2014 Supp. 79-41a02; effective, T-14-7-1-15, July 1, 2015; effective Oct. 9, 2015.)

Article 20.—CLASS B CLUBS

14-20-42. Class B clubs; automated devices. (a)(1) "Automated device" shall mean any mechanized device capable of dispensing wine directly to a customer in exchange for compensation that a licensee has received directly from the customer.

(2) "Business day" shall mean the hours authorized by state law during which alcohol can be served on the licensed premises.

(b) No licensee shall allow an automated device to be used on its licensed premises without first providing written or electronic notification to the director of the licensee's intent to use the automated device. The licensee shall provide this notification at least 48 hours before any automated device is used on the licensed premises.

(c) Each licensee offering customer self-service of wine from any automated device shall provide constant video monitoring of the automated device at all times during which the licensee is open to the public. The licensee shall keep recorded footage from the video monitoring for at least 60 days and shall provide the footage, upon request, to any agent of the director or other authorized law enforcement agent.

(d) The compensation required by subsection (a) shall be in the form of a programmable, prepaid access card containing a fixed amount of monetary credit that may be directly exchanged for wine dispensed from the automated device. Access cards may be sold, used, or reactivated only during a business day.

Each access card shall be purchased from the licensee by a customer. A licensee shall not issue more than one active access card to a customer. For purposes of this regulation, an access card shall be deemed "active" if the access card contains monetary credit or has not yet been used to dispense 15 ounces of wine.

Each purchase of an access card under this regulation shall be subject to the liquor drink tax imposed by K.S.A. 79-41a02, and amendments thereto.

(e) In order to obtain a prepaid access card from a licensee, each customer shall produce a valid driver's license, identification card, or other government-issued

document that contains a photograph of the individual and demonstrates that the individual is at least 21 years of age. Each access card shall be programmed to require the production of the customer's valid identification before the access card can be used for the first time during any business day or for any subsequent reactivation as provided in subsection (f). Each access card shall become inactive at the end of each business day.

(f) Each access card shall be programmed to allow the dispensing of no more than 15 ounces of wine to a customer. Once an access card has been used to dispense 15 ounces of wine to a customer, the access card shall become inactive. Any customer in possession of an inactive access card may, upon production of the customer's valid identification to the licensee or licensee's employee, have the access card reactivated to allow the dispensing of an additional 15 ounces of wine from an automated device.

This subsection shall not apply to wine dispensed by an automated device if the wine is dispensed directly to the licensee or the licensee's agent or employee. (Authorized by K.S.A. 2014 Supp. 41-2640, as amended by 2015 HB 2223, sec. 5; implementing K.S.A. 2014 Supp. 41-2640, as amended by 2015 HB 2223, sec. 5, and K.S.A. 2014 Supp. 79-41a02; effective, T-14-7-1-15, July 1, 2015; effective Oct. 9, 2015.)

Article 21.—DRINKING ESTABLISHMENTS

14-21-23. Drinking establishments; automated devices. (a)(1) "Automated device" shall mean any mechanized device capable of dispensing wine directly to a customer in exchange for compensation that a licensee has received directly from the customer.

(2) "Business day" shall mean the hours authorized by state law during which alcohol can be served on the licensed premises.

(b) No licensee shall allow an automated device to be used on its licensed premises without first providing written or electronic notification to the director of the licensee's intent to use the automated device. The licensee shall provide this notification at least 48 hours before any automated device is used on the licensed premises.

(c) Each licensee offering customer self-service of wine from any automated device shall provide constant video monitoring of the automated device at all times during which the licensee is open to the public. The licensee shall keep recorded footage from the video monitoring for at least 60 days and shall provide the footage, upon request, to any agent of the director or other authorized law enforcement agent.

(d) The compensation required by subsection (a) shall be in the form of a programmable, prepaid access card containing a fixed amount of monetary credit that may be directly exchanged for wine dispensed from the automated device. Access cards may be sold, used, or reactivated only during a business day.

Each access card shall be purchased from the licensee by a customer. A licensee shall not issue more than one active access card to a customer. For purposes of this regulation, an access card shall be deemed "active" if the access card contains monetary credit or has not yet been used to dispense 15 ounces of wine.

Each purchase of an access card under this regulation shall be subject to the liquor drink tax imposed by K.S.A. 79-41a02, and amendments thereto.

(e) In order to obtain a prepaid access card from a licensee, each customer shall produce a valid driver's license, identification card, or other government-issued document that contains a photograph of the individual and demonstrates that the individual is at least 21 years of age. Each access card shall be programmed to require the production of the customer's valid identification before the access card can be used for the first time during any business day or for any subsequent reactivation as provided in subsection (f). Each access card shall become inactive at the end of each business day.

(f) Each access card shall be programmed to allow the dispensing of no more than 15 ounces of wine to a customer. Once an access card has been used to dispense 15

ounces of wine to a customer, the access card shall become inactive. Any customer in possession of an inactive access card may, upon production of the customer's valid identification to the licensee or licensee's employee, have the access card reactivated to allow the dispensing of an additional 15 ounces of wine from an automated device.

This subsection shall not apply to wine dispensed by an automated device if the wine is dispensed directly to the licensee or the licensee's agent or employee. (Authorized by K.S.A. 2014 Supp. 41-2640, as amended by 2015 HB 2223, sec. 5; implementing K.S.A. 2014 Supp. 41-2640, as amended by 2015 HB 2223, sec. 5, and K.S.A. 2014 Supp. 79-41a02; effective, T-14-7-1-15, July 1, 2015; effective Oct. 9, 2015.)
