The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on September 1, 2017.

Book-Entry-Only System

The bonds shall be registered under a book-entry-only system administered through DTC.

Paying Agent and Bond Registrar

Kansas State Treasurer, Topeka, Kansas.

Good Faith Deposit

The successful bidder must supply a good faith deposit (the deposit) in the amount of 2 percent of the principal amount of the bonds payable to the order of the issuer to secure the issuer from any loss resulting from the failure of the successful bidder to comply with the terms of its bid. The deposit must be received by the issuer prior to 3 p.m. (CDT) on the sale date. The deposit shall be submitted by wire transfer in federal funds, immediately available for use by the issuer (wire transfer information may be obtained from the issuer or the municipal advisor at the addresses set forth below).

Delivery

The issuer will pay for preparation of the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder on or about October 27, 2016, to DTC for the account of the successful bidder.

Assessed Valuation and Indebtedness

The equalized assessed tangible valuation for computation of bonded debt limitations for the year 2016 is \$9,452,487,892. The total general obligation indebtedness of the issuer as of the dated date, including the bonds being sold, is \$317,535,000.

Approval of Bonds

The bonds will be sold subject to the legal opinion of Gilmore & Bell, P.C., Kansas City, Missouri, bond counsel to the issuer, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the issuer, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

Additional Information.

Additional information regarding the bonds may be obtained from the undersigned, or from the municipal advisor at the addresses set forth below:

Notice to Contractors

Bid Delivery and Opening: Sealed bids for the Post Rock Rural Water District, Raw Water Intake Extension, located in Kanopolis Reservoir in Ellsworth County, Kansas, will be received at the Post Rock Rural Water District office, 103 N. Douglas, Ellsworth, KS 67439, 785-472-4486, prior to 11 a.m. (CDT) October 4, 2016, and then at said time and place opened. Bid document packets shall be clearly marked "Raw Water Intake Modification".

Bid Documents, Plans and Specifications: Bid documents (which constitute the Project Manual and Construction Plans) may be obtained from Salina Blueprint & Micrographic Systems, 209 S. Santa Fe Ave., Salina, KS 67401, 785-827-6182 or from the online plan room at www.salinablue.com.

General Nature of Proposed Construction: Extend the existing raw water intake pipes 35 feet into Kanopolis reservoir. H-Piling will be utilized for structure supports. Install copper intake screens (already purchased by district) and install air purge and chemical injection lines into the extension. The project will also include bank stabilization for erosion control. The Army Corps of Engineers will be completing a project in January and February and will be lowering the lake level to conservation level at that time. Work may begin sooner but water level will not be ensured until January and February.

Notice to Proceed: The Notice to Proceed is expected to be issued upon signing of contracts.

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking the services of a consulting engineering firm to measure vertical clearances of bridge structures (approximately 864 structures) over roadways in Douglas, John-

son, Leavenworth, Lyon, Miami, Sedgwick, Shawnee, and Wyandotte Counties within a 6 month period.

Project 106 KA 4452-01, includes all structures over KDOT routes and roads under KDOT routes. Examples would include bridges, 10'-20' structures (500 Series), railroad structures, pedestrian structures, City/County roads under, City/County roads over, Kansas Turnpike Authority (KTA) bridges over, etc. Measurements are to be provided at each lane line from edge of pavement to edge of pavement, and at both the approach and exit ends of every opening that crosses over or under each structure. All measurements shall be taken in a preapproved method that minimizes the impact on traffic (traveling laser system, Lidar, etc.). These measurements shall be within an accuracy of ½".

Requirements: Interested consulting firms must: (a) be pre-qualified by KDOT in category 302—Engineering Surveying and (b) submit a Letter of Interest on or before noon September 22, 2016 to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT, by email to DavidN@ksdot.org with the subject line reading "LOI Vertical Clearances [Firm Name]". Letters of Interest in the form of a PDF document (maximum size 3 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, equipment, degree of accuracy, experience or knowledge of the firm, its employees and any subconsultant the firm intends to utilize. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, view the requirements and categories at <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the State of Kansas, consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under the laws of the state of Kansas and comply with applicable state and federal laws, rules and regulations.

Qualifications-Based Selection Process: Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about October 8, 2016, KDOT will shortlist three firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach to performance, data gathering vehicle speed, and accuracy of services; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for an Agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such

firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before November 1, 2016.

Do not call or write the KDOT staff for information regarding the services in this RFQ. Email all inquiries or questions to David Nagy at DavidN@ksdot.org.

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking the services of two consulting engineering firms to be available (On-Call) to perform tests on construction material samples, which may be needed from time to time when KDOT does not have the personnel to perform the services. The services may require engineers and technicians to perform the tests according to approved methods and prepare reports or other documentation, and similar related deliverables.

Requirements: Interested consulting firms must: (a) be pre-qualified by KDOT in category 312 – Materials Laboratory Testing Services and (b) submit a Letter of Interest on or before noon September 29, 2016 to David Nagy, P.E., Assistant to the Director of Design/Contracts Engineer for KDOT by email to DavidN@ksdot.org with the subject line reading “LOI On-Call Const. Material Testing [Firm Name]”. Letters of Interest in the form of a PDF document (maximum size 3 pages) should express interest in the project and describe particular qualifications for the professional services sought by KDOT, including any special expertise, skill, experience or knowledge of the firm and its employees. If a firm is not currently pre-qualified by KDOT but is interested in obtaining pre-qualification, then please view the requirements and categories at the website address of <http://www.ksdot.org/divengdes/prequal/default.asp>. For licensure and other requirements applicable to the practice of technical professions within the state of Kansas, please consult the website of the Kansas Board of Technical Professions at <http://www.ksbtp.ks.gov/>. All firms doing business with KDOT must be registered and in good standing under the laws of the state of Kansas and comply with applicable state and federal laws, rules and regulations.

Qualifications-Based Selection Process. Based on the qualifications submitted in the Letter of Interest and other information available to KDOT, on or about October 10, 2016, KDOT will shortlist four firms and notify all firms submitting Letters of Interest of the names of the shortlisted firms by email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of pref-

erence as first, second and third, etc. Evaluation factors: 1) the quality of the response to the RFP; 2) qualifications and experience of consultant personnel proposed for services; 3) proposed approach to performance of services; and 4) past performance history. The two highest ranked firms will be asked to enter into negotiations with KDOT for an On-Call Agreement under which KDOT may request the firms to perform tests on construction material samples via Work Orders over a period of 4 years. The maximum cumulative aggregate amount payable under the On Call Agreement will not exceed \$400,000. In the event KDOT cannot reach agreement with the highest ranked firms, it will terminate negotiations with firm(s) and commence negotiations with the next highest ranked firm(s), and so on, until either agreement is reached for satisfactory terms, or KDOT decides to pursue other alternatives. KDOT intends to conclude or terminate negotiations on or before November 1, 2016.

Please do not call or write KDOT staff for information regarding the services in this RFQ. Email all inquiries or questions to David Nagy at DavidN@ksdot.org.

Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation and reissuance of the designated permit or termination of the designated permit.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural-related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 S.W. Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before October 15, 2016, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-16-151/158, KS-AG-R-16-026/027) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the secretary of Health and Environment will issue a determination regarding final agen-

cy action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 S.W. Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available on the Internet at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8 a.m. to 5 p.m., Monday through Friday, excluding holidays.

Request for Comments

The Kansas Department of Health and Environment (KDHE) received an application from the Tire Town, Inc. to modify their tire monofill located at 19413 High Prairie Rd., west of Leavenworth, in Leavenworth County.

The applicant proposes an increase in total facility permitted area from 285 acres to approximately 308 acres, and an increase in disposal area from 51 acres to around 69 acres. The land elevations after placement of waste tires, and after final cover is proposed to be similar to existing elevations.

Leavenworth County has certified that the application described herein is consistent with their solid waste management plan and compatible with surrounding land use.

KDHE is providing public notice of their intent to issue a permit to Tire Town, Inc. to allow the facility modifications described herein. However, a final decision to issue the permit has not been made, and KDHE will consider information gathered during the public comment period before making a final decision. A copy of the permit application, engineering drawings and draft permit with respect to this permit action will be available for public review at www.kdheks.gov/waste from September 15, 2016 through October 14, 2016, during normal business hours at the following locations:

(continued)

Anyone wishing to comment on the proposed facility should submit a written statement by 5 p.m. October 14, 2016 to Heather Weed of KDHE at the address listed above, or via facsimile to 785-296-1592, or via email to Heather.Weed@ks.gov. Comments that are postmarked by October 14, 2016 and received within one week thereafter will also be considered.

After consideration of all formal comments as described above, KDHE will make a final decision on whether to amend the permit. Notice of the decision will be given to the applicant, anyone who submitted formal comments, and those who requested notice of the final permit decision.

Kansas Housing Resources Corporation

Request for Proposals and Notice of Hearing

Kansas Housing Resources Corporation (KHRC) is requesting proposals from interested parties to serve as a service provider for KHRC's Kansas Weatherization Assistance Program. This request is under the auspices of the U.S. Department of Energy Weatherization Assistance Program (10 CFR 440) with the intent to enter into weatherization contracts for the 2016/2017 program years starting January 1, 2017. The geographic area to be served under this proposal covers Allen, Bourbon, Cherokee, Crawford, Labette, Linn, Montgomery, Neosho, Wilson, and Woodson counties. The Request for Proposals (RFP) and associated documents can be found on KHRC's website: <http://www.kshousingcorp.org/more-program-information.aspx>. Completed proposals must be received by KHRC by noon central time, September 30, 2016.

Proposals will be evaluated based upon the proposal submitted and public comments received during a public hearing.

KHRC will conduct a public hearing to provide an opportunity for citizens and interested parties to comment on the RFP and prospective service providers. The public hearing will be held at 10 a.m. October 6, 2016, at the Kansas Housing Resources Corporation, 611 S. Kansas Ave., Suite 300, Topeka, Kansas. Written public comments may be submitted prior to the public hearing date. All written comments must be received by 5 p.m. October 5, 2016.

Parking is available along Kansas Avenue and the hearing will be less than the two hour limit. If you are in need of a sign language interpreter, an assistive listening device, large print, or other material for accommodations to attend this meeting, you must notify KHRC at least one week prior to the meeting. Requests may be addressed to Katelyn Smith, KHRC, 611 S. Kansas Ave., Suite 300, Topeka, KS 66603-3803, by telephone at 785-217-2052, or via the Kansas relay service.

Questions concerning this RFP may be directed to Scott Kuhn, KHRC Weatherization Program Manager, at 785-

217-2048. More information about the Kansas Weatherization Assistance Program can be found at <http://www.kshousingcorp.org/weatherization.aspx>.

Notice of Hearing on Proposed Administrative Regulation

A public hearing will be conducted on November 17, 2016, from 9:00 a.m. to 9:30 a.m. in the 2nd Floor Conference Room of the Memorial Hall State Office Building, 120 S.W. 10th Ave., Topeka, Kansas, to consider the revocation of K.A.R. 16-9-1 of the Office of the Attorney General.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed revocation of K.A.R. 16-9-1. All interested parties may submit written comments prior to the hearing to Athena Andaya, Deputy Attorney General, Legal Opinions & Government

Counsel Division, 2nd Floor, Memorial Hall, 120 S.W. 10th Ave., Topeka, 66612, or by email to athena.andaya@ag.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the revocation of the proposed regulation during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation should be made at least one week in advance of the hearing by contacting Athena Andaya at 785-296-2215. The south public entrance to Memorial Hall is handicap accessible. Handicapped parking is located in front of Memorial Hall and on Jackson between 9th and 10th Streets.

A summary of the proposed regulation and the economic impact follows. Copies of the proposed regulation and the economic impact statement for the proposed regulation can be viewed at <http://ag.ks.gov/>.

K.A.R. 16-9-1. This regulation governs contracts between the attorney general and contractors for collecting debts owed to district courts or restitution owed under an order of restitution. K.A.R. 16-9-1 is being revoked due to legislation passed in the 2015 session. See L. 2015, ch. 53, § 5, now codified in K.S.A. 2015 Supp. 20-169. Since this legislation transfers the authority to enter into those contracts from the Attorney General to the judicial administrator, the revocation of this regulation is not anticipated to have any economic impact.

Economic Impact. The Attorney General does not anticipate any economic impact related to the revocation of K.A.R. 16-9-1 to other governmental agencies and private business or individuals.
