Department for Aging and Disability Services

Public Notice

The Kansas Department for Aging and Disability Services (KDADS) will be submitting a 1915(c) SED waiver renewal to the Center for Medicare and Medicaid Services (CMS). In the renewal, KDADS is seeking approval of recommended programmatic changes to the HCBS SED program. The public comment period will be open from October 13, 2016, through November 14, 2016. A stakeholder meeting will be announced as information becomes available. The following changes to services have been recommended:

- Plan of Care (POC) development will be completed by the Managed Care Organization (MCO).
- Wraparound Facilitation Service will be restructured.
- A third-party contractor will perform a study that provides a statistically significant sample of Child and Adolescent Functional Assessment Scale (CAFAS) functional eligibility assessments in conjunction with the Community Mental Health Centers (CMHC).

Currently the CMHC Wraparound Facilitators develop the POC and the MCO has final approval. There will be a decrease in available hours for Wraparound Facilitators since the MCO will be developing the POC. The third-party contractor will allow the local CMHCs to continue to perform functional eligibility assessments.

The waiver renewal document may be accessed online at [http://www.kdads.ks.gov/commissions/home-community-based-services-\(hcbs\)/hcbs-program-renewal-information](http://www.kdads.ks.gov/commissions/home-community-based-services-(hcbs)/hcbs-program-renewal-information).

To obtain a copy of the proposed waiver contact Sam Philbern, Kansas Department for Aging and Disability Services, New England Building, 503 S. Kansas Ave., Topeka, KS 66603-3404 or email samuel.philbern@ks.gov.

Comments may be provided via email to HCBS-KS@kdads.ks.gov or delivered to KDADS.

Office of Administrative Hearings

Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted on Wednesday, December 14, 2016, at 2 p.m. in the first floor courtroom of 1020 S. Kansas Ave., Topeka, Kansas, to consider the adoption of proposed rules and regulations of the Office of Administrative Hearings on a permanent basis.

This 62-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rules and regulations. All interested parties may submit written comments prior to the hearing to the Office of Administrative Hearings, 1020 S. Kansas Ave., Topeka, KS 66612

or by email to oah@oah.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulations during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulations and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Bob Corkins at 785-296-2433. The northwest entrance to the hearing site building is accessible and handicapped parking is located immediately adjacent to the same building.

Summaries of the proposed regulations and their economic impact follow. Copies of the proposed regulations and the Economic Impact Statement for the proposed regulations can be viewed at the OAH facility at 1020 S. Kansas Ave., Topeka, Kansas, or at the following website: www.oah.ks.gov.

K.A.R. 1-39-1 through 1-39-4 are proposed for repeal. These current regulations pertain to OAH operations when OAH was formerly a division of the Department of Administration. They contain many outdated provisions, but their necessary provisions will be continued forward with enactment of the new regulations herein that are specific to OAH's independent authority today. Revocation of these policies will have no economic effect.

K.A.R. 133-1-1 – Definitions. This is a new regulation that defines four terms, including "presiding officer," that are commonly used in the context of administrative hearings. Since these definitions simply clarify current policy, they have no economic impact.

K.A.R. 133-1-2 – Assignment of administrative law judges. This new regulation specifies the manner in which the director of OAH assigns administrative law judges to preside over administrative hearings. It also identifies supporting information that any given agency must submit to OAH when a person has appealed a decision made by that agency. Since this regulation is not a change to current policy, it will have no economic impact.

K.A.R. 133-1-3 – Conduct of proceedings. This new regulation specifies that administrative law judges assigned by OAH must adhere to the Kansas Administrative Procedure Act, K.S.A. 77-501 et seq., unless other controlling law is specified for case procedures that are not explicitly governed by that act. This regulation also specifies that administrative law judges may specify the format in which parties submit their case filings and that the judges, in turn, must issue their orders in a particular format. Since this regulation is not a change to current policy, it will have no economic impact.

K.A.R. 133-1-4 – Electronic filing. This new regulation permits parties to administrative hearings to submit by means of electronic transmission the evidence and other filings relevant to their cases. A signed consent to the

(continued)

terms of use for the OAH e-filing system, plus a completed online registration on the system itself for each new case, will be prerequisites to filing anything electronically with OAH. The director of OAH will publish standard terms of use for any party to consider signing in order to e-file. Existing methods of filing by mail or fax will still be acceptable. OAH proposes no fee for use of its e-filing system, OAH is an agency entirely funded by fees, and OAH will implement and maintain the system using its

current resources, so no additional cost to any party in any proceeding is anticipated by this regulation. Rather, parties using the e-filing system will avoid costs of copying and mailing evidence and other filings to OAH and to opposing parties.
