Attorney General

Notice of Public Hearing on Proposed Administrative Regulations

A public hearing will be conducted from 1:00 p.m. to 2:00 p.m. February 13, 2018 in Memorial Hall Auditorium, 120 SW 10th Ave., 2nd Floor, Topeka, Kansas, to consider the adoption of a proposed rule and regulation of the Office of the Attorney General (OAG), on a permanent basis.

This 60-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed rule and regulation. All interested parties may submit written comments prior to the hearing to the Legal Opinions and Government Counsel Division of the Office of the Kansas Attorney General, 120 SW 10th Ave., 2nd Floor, Topeka, KS 66612 or by email to Athena.Andaya@ag.ks.gov. All interested parties will be given a reasonable opportunity to present their views orally regarding the adoption of the proposed regulation during the public hearing. In order to provide all parties an opportunity to present their views, it may be necessary to request that each participant limit any oral presentation to five minutes.

Any individual with a disability may request an accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Athena E. Andaya at 785-368-8401 (or TYY 1-800-766-3777). The public entrance to Memorial Hall is accessible. Handicapped parking is located in front of Memorial Hall.

A summary of the proposed regulation and its economic impact follow. (Note: Statements indicating that a reg-

ulation is “not anticipated to have any economic impact” are intended to indicate that no economic impact on the Office of the Attorney General, other state agencies, state employees, or the general public has been identified.)

Copies of the proposed regulations and the Economic Impact Statement for the proposed regulations can be viewed at the following website: www.ag.ks.gov/regulation-hearings.

Summary of Proposed Regulation, Including Its Purpose.

K.A.R. 16-17-1 — Training course approval for providers. This is a new regulation which implements the requirement in K.S.A. 2017 Supp. 8-2,157 (2017 House Sub. for SB 40, §4) that the Attorney General promulgate rules and regulations to establish requirements for training course approval for providers of a human trafficking identification and prevention training course. On or after July 1, 2018, successful completion of the training course approved by the Attorney General is required before an applicant for issuance or renewal of a commercial driver’s license (CDL) may obtain such license.

According to the statute, the regulation must be in effect by January 1, 2018. However, the OAG is seeking to have the regulations implemented on July 1, 2018 to coincide with the effective date of the statutory requirement that an applicant for issuance or renewal of a CDL complete the approved training.

Economic Impact. The Attorney General does not anticipate ongoing economic impact upon the OAG other than the initial costs of implementation and then the continuing costs of monitoring the program compliance and approval. The OAG anticipates costs associated with administering the human trafficking identification and prevention training course to be borne solely by the approved providers. The OAG anticipates an economic impact on the Kansas Department of Revenue, Division of Motor Vehicles (KDOR DMV) but not other governmental agencies. The OAG anticipates an economic impact on private business or individuals who are affected by the requirement that a certificate of successful completion of a human trafficking identification and prevention training must be obtained before issuance or renewal of a CDL may obtain such license.
