**Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Thursday, February 1, 2018, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the KDFA to issue its Agricultural Development Revenue Bonds for the projects numbered below in the respective maximum principal amounts. The bonds will be issued to assist the

borrowers named below (who will be the owners and operators of the projects) to finance the cost in the amount of the bonds, which are then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The projects shall be located as shown:

**Project No. 001000 Maximum Principal Amount: \$136,000.00.** Owner/Operator: Jared R. Strunk; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Jared R. Strunk (the "Beginning Farmer") and is located at the South Half of the Southeast Quarter of Section 27, Township 5, Range 8, Marshall County, Kansas, approximately 7.5 miles south and 5 miles west of Frankfort, Kansas.

**Project No. 001001 Maximum Principal Amount: \$130,000.00.** Owner/Operator: Brian G. and Rachel L. Strunk; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Brian G. and Rachel L. Strunk (the "Beginning Farmer") and is located at the North Half of the Southeast Quarter of Section 27, Township 5, Range 8, Marshall County, Kansas, approximately 7.5 miles south and 5 miles west of Frankfort, Kansas.

The bonds, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will they be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bonds will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bonds when they become due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bonds to finance the projects, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the projects may be obtained by contacting the KDFA.

*(continued)*

**Synopsis:** K.S.A. 19-4625 does not specifically address how a county hospital's debt should be paid upon termination of operation of the county hospital. It only provides that moneys remaining in any fund of the county hospital after termination of its operation and after payment and performance of any obligation thereof shall be transferred to the county general fund.

A hospital board trustee who has a substantial interest in a business that contracts with the hospital does not violate K.S.A. 75-4304 if the hospital board trustee has disclosed the substantial interest and abstained from any action on the contract. Also, K.S.A. 75-4304(d) allows a hospital board trustee/owner to make or participate in the making of a contract that is subject to the competitive bidding process and a contract for which the price or rate is fixed by law.
