(continued)

be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2007 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) June 19, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CS)T June 19, 2019. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Notice Concerning Proposed Kansas Air Quality Construction Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a modification to a previously issued Prevention of Significant Deterioration (PSD) air quality construction permit. Ash Grove Cement Company, 1801 N. Santa Fe, Chanute, KS 66720 has applied for PSD construction permit modification in accordance with the provisions of K.A.R. 28-19-350 to change the monitoring methods of handling missing Continuous Emission Monitoring Systems (CEMS) data to an existing PSD construction permit issued on July 14, 2017.

Emission of particulate matter (PM), PM equal to or less than 10 microns in diameter (PM₁₀), volatile organic compounds (VOCs), oxides of nitrogen (NO_x), sulfur oxides (SO_x), and carbon monoxide (CO) were evaluated during the permit review process.

The proposed permit is to be issued in accordance with the provisions of K.A.R. 28-19-350, *Prevention of Significant Deterioration* (PSD) which adopt the federal standards, procedures and requirements of 40 CFR 52.21 by reference. These air quality regulations apply to major stationary emission sources located in areas designated as "attainment" under the federal Clean Air Act (CAA). Attainment areas are areas where the air quality meets or is better than the national ambient air quality standards (NAAQS).

The modification proposed by Ash Grove Cement Company will only change the monitoring method of handling missing CEMS data and this project will not require Best Available Control Technology (BACT) analysis because the proposed changes will not increase the emissions of the facility.

A public comment period has been established to allow citizens the opportunity to express any concerns they may have about this proposed permitting action.

The public comment period is to begin Thursday, May 30, 2019 and end Monday, July 1, 2019. All comments should be submitted in writing to Keaton Abeln, KDHE, Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366.

Any member of the public may request to hold a public hearing to receive comments on the proposed issuance of the draft PSD construction permit. Written request to hold a public hearing should be sent to the attention of Keaton Abeln, KDHE, Bureau of Air, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 or by FAX to 785-559-4256 and must be received by 5:00 pm Monday, July 1, 2019.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review for a period of 30 days from the date of publication during normal business hours (8:00 a.m. to 5:00 p.m.) at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. Also, a copy of the proposed permit only can be reviewed, at the Southeast District Office, 308 W. 14th St., Chanute, KS 66720. To obtain or review the proposed permit and supporting documentation, contact Keaton Abeln, 785-296-8142, at the central office of the KDHE or the Air Quality Southeast District Representative at 620-860-7235. The standard departmental cost will be assessed for any copies requested.

through multi-media filters. The non-contact cooling water will be further treated using reverse osmosis technology and water softeners. The proposed permit contains a schedule of compliance, which requires the permittee to develop a stormwater pollution prevention plan. The proposed permit contains limits for pH, total suspended solids, total residual oxidant/chlorine, total nitrogen, and total phosphorus, as well as monitoring for flow, chemical oxygen demand, total chloride, sulfate, oil and grease, total dissolved solids, temperature, and atrazine. In compliance with Kansas and federal law, KDHE has approved an antidegradation review for this new facility for increased concentrations and mass of some pollutants to the receiving stream. The water quality of the receiving stream will not be lowered below the quality necessary to support existing designated uses.

Notice of Medicaid Capitated Rates for the Program of All-inclusive Care for the Elderly for State Fiscal Year 2020;

Notice of Intent to Amend the Medicaid State Plan

Under the Medicaid program, the state of Kansas participates in the Program of All-inclusive Care for the Elderly (PACE). The state pays PACE organizations a monthly capitated rate based on the age and eligibility of PACE participants. The Department for Aging and Disability Services (KDADS) in conjunction with the Department of Health and Environment, Division of Health Care Finance (DHCF), the single state Medicaid agency, administers the PACE program. As required by 42 CFR 447.205, the Secretary of KDADS and the Medicaid Direc-

(continued)

tor of DHCF are publishing the capitated rates for PACE for state fiscal year (SFY) 2020, the methodology underlying the establishment of the capitated rates, and justification for the rates. KDADS and DHCF are also providing notice of the state's intent to submit a proposed amendment to the Medicaid State Plan to the U.S. Department of Health and Human Services' Centers for Medicare and Medicaid Services (CMS) on or before June 29, 2019.

I. Methodology for Establishing PACE Rates

In accordance with 42 CFR 460.182 the state pays each PACE organization a prospective monthly capitated amount for each Medicaid participant. The capitated amounts have been negotiated between the PACE organization and the state and are less than the Amount that Would Otherwise be Paid (AWOP) under the state plan if the participants were not enrolled in the PACE program. The capitated rates consider the comparative frailty of PACE participants and are fixed regardless of changes in the participant's health status. To ensure compliance with the requirements of 42 CFR 460.182, the state retained the services of the Optumas actuarial firm. Optumas provided the state with an AWOP certification for four rate regions of Kansas and three rate categories. Rates for each PACE organization were established based on the AWOP calculated by Optumas.

a. Federal Guidance and Base Data

Optumas adhered to the October 16, 2015 PACE AWOP guidance provided by CMS relating to the development of PACE rates and followed all applicable Actuarial Standards of Practice. In general, the state used a prospective, encounter-based, geographical region and age-specific rate-setting methodology to calculate the AWOP rates.

The base data is comprised of encounter data from calendar year (CY) 2016 and 2017. The SFY 2020 Kansas PACE AWOPs are based on all available data as of March 2018. The encounter data includes actual claims from sub-capitated vendors including the amount paid for medical services only, excluding administrative costs. Optumas utilized a monthly member-level eligibility file from the state for members eligible for the KanCare program for CY 2016 and CY 2017 to identify PACE-comparable populations. Minimum fee schedule requirements in KanCare are reflected in the AWOPs. Only services covered under KanCare have been included in the base data.

The rate regions, as well as categories of aid and categories of service, used in the rate development, are consistent with the KanCare rate development methodology to align with federal AWOP rate development guidelines. The state and Optumas determined all base data adjustments required to ensure the base data is an appropriate proxy for the expected contract period.

b. Base Data Adjustments and Covered Services

The base data adjustment categories include; program changes not reflected in the base data, trend factors to account for the forecasted changes in utilization, long-term care mix adjustments to the projected mix between the waiver and nursing facility populations, non-medical loading to account for administrative costs, regional factors to reflect differences in cost by Kansas region, and age factors, to reflect differences in cost by age group.

The covered services used to develop the AWOPs are consistent with those in KanCare and include but are not limited to; mental health, substance abuse, pharmacy, dental, transportation, long-term services and supports, and a range of acute care services.

c. Covered Populations and Share of Cost

The Medicaid populations eligible for PACE are those meeting the requirements for nursing facility level of care, which includes; the nursing facility population, and the physically disabled and frail elderly home and community-based services (HCBS) waiver populations. Members receiving nursing facility or HCBS level of care may be subject to a share of cost depending on the member's income level. The AWOPs are set gross of the share of cost and then the share of cost is removed at the member level when the capitated rate is paid to the PACE organization.

d. Program Changes and Trends

PACE capitated payment amounts must be less than the amount that would have otherwise been paid in the KanCare program if the participants were not enrolled in the PACE program. The PACE AWOP for SFY 2020 was developed to include program changes incorporated into the KanCare capitation rates. Trend factors were applied to estimate changes in service utilization. These trends were used to project the costs from the base period to the prospective contract period(s) and were developed on an annualized basis. Trend factors were applied by major service category from the midpoint of the base period to the midpoint of the contract period.

e. Managed Care Savings and Non-Medical Loading

Managed care savings were applied to the AWOP to remain consistent with the KanCare rate setting methods, and to accurately reflect the amount that would otherwise be paid had the PACE members enrolled in the KanCare program. The non-medical loading assumptions are consistent with the methodology for CY 2019 KanCare rates, to align with the AWOP rate methodology. The non-medical load measures the dollars associated with administrative costs of the program and are expressed as a percentage of the capitated rate premium.

f. Regional and Age Factors, and Long-Term Care Mix

The PACE organizations currently operate in all four rate regions used for KanCare rate development, and the same rate regions were used for the PACE AWOP rates. Through an age and gender analysis, Optumas determined the use of the 55 through 74 and 75 and over age bands were appropriate for the dual eligible population. Due to the limited membership for non-dual members after age 65, no age split was applied to this population. No additional split for gender was applied to the AWOPs. The long-term care dual and non-dual rate categories reflect a blend of the physically disabled and frail elderly HCBS waivers, and the nursing facility population.

II. PACE Rates for SFY 2020

Rates for each individual PACE organization was determined by a weighted average based on the number of member months of services the PACE organization provided in the previous calendar year to members from each rate region. The county-based PACE service areas are agreed upon by the state and each PACE organization.

Non-Dual M & F	\$5,657.92	90.00%	\$5,092.13

III. Justification of PACE Rates

1. The state estimates the SFY 2020 rates will increase expenditures by approximately \$7.5 million in SFY 2020, gross of patient liability, or member share of costs.
2. PACE capitated rates are established at 90 percent of the AWOP calculations.
3. The PACE capitated rates represent the following percentage increases over the previous fiscal year's capitated rates, for all PACE organizations as follows:
 - a. Dual 55 through 74 M & F rates increased between 62 percent and 72 percent.
 - b. Dual 75 and over M & F rates increase between 32 percent and 40 percent.
 - c. Non-dual M & F rates increased between 8 and 14 percent.
4. The AWOP analysis completed by the state's actuaries utilized Medicaid encounter data from CY 2016 through 2017.
5. Trending was applied to the data to project limits from the base period to state fiscal year 2020.

IV. Request for Comments; Request for Copies

A copy of the certification letter provided by Optumas is available upon request. The state requests providers, persons served by PACE organizations, their representatives, and other concerned Kansas residents to review and comment on the rates, the methodology used to calculate the rates, the justification for the rates, and the intent to amend the Medicaid State Plan. Persons and organizations wishing to submit comments must mail, deliver, fax, or email their signed written comments before the close of business on June 28, 2019 to:

Governmental Ethics Commission

Opinion No. 2019-03

Written May 24, 2019.

Synopsis: The K.S.A. 25-4153a(b) prohibition upon solicitation of contributions during session by legislators applies to solicitations that are made for a political committee (PAC) or party committee.

Cited herein: K.S.A. 25-4143, 25-4153a. Reversing Opinion No 2007-04.

To All Interested Persons,

Pursuant to K.S.A. 25-4159, the Kansas Governmental Ethics Commission issues this opinion regarding limits upon legislators soliciting contributions during session.

Issue

May a legislator solicit contributions for a political committee (PAC) or party committee after January 1 of each year and prior to adjournment sine die of the regular legislative session or at any other time in which the legislature is in session (during session)?

Analysis and Opinion

Solicitation of contributions by a legislator is limited by K.S.A. 25-4153a(b):

No legislator, officer, candidate or committee described in subsection (a)(1) through (6) shall accept or knowingly solicit any contribution as defined by K.S.A. 25-4143, and amendments thereto, from any registered lobbyist, political committee or person other than an individual, during such period of time described in subsection (a), except that a general public solicitation which does not solicit a specific individual and is distributed via social media shall be permissible.

In pertinent part, K.S.A. 25-4143(e)(1), provides that “contribution” means:

(A) Any advance, conveyance, deposit, distribution, gift, loan or payment of money or any other thing of value given to a candidate, candidate committee, party committee or political committee for the express purpose of nominating, electing or defeating a clearly identified candidate for a state or local office.

(B) Any advance, conveyance, deposit, distribution, gift, loan or payment of money or any other thing of value made to expressly advocate the nomination, election or defeat of a clearly identified candidate for a state or local office;

(C) a transfer of funds between any two or more candidate committees, party committees or political committees;

...

The crux of K.S.A. 25-4153a(b) is the prohibition upon *solicitation* during session. The statute is indifferent as to whether the contribution is made or who the intended recipient of a solicited contribution may be. In Opinion No. 2007-04 we drew a distinction between the solicitee (from) and the contribution use (for). By distinguishing that the user of the solicited contribution is someone other than the legislator, we determined that a legislator may solicit contributions for a political committee (PAC) or party committee during session. However, the statute is silent regarding a solicited contribution’s use. As such, we conclude we erred by drawing the distinction and find that the use of solicited contributions is irrelevant to interpretation of the statute.

Therefore, we reverse Opinion No. 2007-04 and now conclude that a legislator may not solicit contributions for a political committee (PAC) or party committee during session. We note that the prohibition on solicitation by legislators is limited to solicitations made to a registered lobbyist, political committee or person other than an individual.

Sincerely,

Nick Hale, Chairman
 By Direction of the Commission

Sec. 9. K.S.A. 2018 Supp. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;

(2) the public record is necessary for the effective and efficient administration of a governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year ~~which~~ that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

(1) Is required by federal law;

(2) applies solely to the legislature or to the state court system;

(3) has been reviewed and continued in existence twice by the legislature; or

(4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

(A) What specific records are affected by the exception;

(B) whom does the exception uniquely affect, as opposed to the general public;

(C) what is the identifiable public purpose or goal of the exception;

(D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program, ~~which administration~~ that would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of ~~which such~~ information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information ~~which~~ that is used to protect or further a business advantage over those who do not know or use it, ~~if~~ the disclosure of ~~which such~~ information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) would occur if the records were made public.

(i) (1) Exceptions contained in the following statutes as continued in existence in section 2 of chapter 126 of the 2005 Session Laws of Kansas and that have been reviewed and continued in existence twice by the legislature as provided in subsection (g) are hereby continued in existence: 1-401, 2-1202, 5-512, 9-1137, 9-1712, 9-2217, 10-630, 11-306, 12-189, 12-1,108, 12-1694, 12-1698, 12-2819, 12-4516, 16-715, 16a-2-304, 17-1312e, 17-2227, 17-5832, 17-7511, 17-7514, 17-76,139, 19-4321, 21-2511, 22-3711, 22-4707, 22-4909, 22a-243, 22a-244, 23-605, 23-9,312, 25-4161, 25-4165, 31-405, 34-251, 38-2212, 39-709b, 39-719e, 39-934, 39-1434, 39-1704, 40-222, 40-2,156, 40-2c20, 40-2c21, 40-2d20, 40-2d21, 40-409, 40-956, 40-1128, 40-2807, 40-3012, 40-3304, 40-3308, 40-3403b, 40-3421, 40-3613, 40-3805, 40-4205, 44-510j, 44-550b, 44-594, 44-635, 44-714, 44-817, 44-1005, 44-1019, 45-221(a)(1) through (43), 46-256, 46-259, 46-2201, 47-839, 47-844, 47-849, 47-1709, 48-1614, 49-406, 49-427, 55-1,102, 58-4114, 59-2135, 59-2802, 59-2979, 59-29b79, 60-3333, 60-3336, 65-102b, 65-118, 65-119, 65-153f, 65-170g, 65-177, 65-1,106, 65-1,113, 65-1,116, 65-1,157a, 65-1,163, 65-1,165, 65-1,168, 65-1,169, 65-1,171, 65-1,172, 65-436, 65-445, 65-507, 65-525, 65-531, 65-657, 65-1135, 65-1467, 65-1627, 65-1831, 65-2422d, 65-2438, 65-2836, 65-2839a, 65-2898a, 65-3015, 65-3447, 65-34,108, 65-34,126, 65-4019, 65-4922, 65-4925, 65-5602, 65-5603, 65-6002, 65-6003, 65-6004, 65-6010, 65-67a05, 65-6803, 65-6804, 66-101c, 66-117, 66-151, 66-1,190, 66-1,203, 66-1220a, 66-2010, 72-996, 72-4311, 72-4452, 72-5214, 72-53,106, 72-5427, 72-8903, 73-1228, 74-2424, 74-2433f, 74-4905, 74-4909, 74-50,131, 74-5515, 74-7308, 74-7338, 74-8104, 74-8307, 74-8705, 74-8804, 74-9805, 75-104, 75-712, 75-7b15, 75-1267, 75-2943, 75-4332, 75-4362, 75-5133, 75-5266, 75-5665, 75-5666, 75-7310, 76-355, 76-359, 76-493, 76-12b11, 76-3305, 79-1119, 79-1437f, 79-3234, 79-3395, 79-3420, 79-3499, 79-34,113, 79-3614, 79-3657, 79-4301 and 79-5206.

The order may be made for good cause shown upon notice to the person to be examined and to all persons who have appeared. (2) upon a strict showing to the court in a separate civil or criminal action that particular information or documents are not obtainable after diligent effort from any independent source, and are known to exist otherwise only in board records, the court may inspect in camera such records to determine whether the specific requested information exists. If the court determines the specific information sought exists in the board records, the documents may then be released only by court order if the court finds as part of its order that the documents will not pose any threat to the safety of the victim or any other person whose identity may appear in board records; or

Article 301.—SPECIFIC LOTTERY FACILITY GAMES AT LOTTERY GAMING FACILITIES

111-301-60. Definitions. The following words and terms, when used in the game of Chase the Flush, shall have the following meanings unless the context clearly indicates otherwise:

(a) "All in bet" or "all in wager" means a wager made by a player after which wager is made the player cannot make any additional wagers and cannot change the wager or wagers previously made during that round of play.

(b) "Ante" or "ante wager" means the first of two initial wagers required to be made prior to any cards being dealt in order to participate in the game.

(c) "Bonus spin wager" means an optional \$1.00 wager that if made must be placed prior to any cards being dealt in the round of play. A bonus spin wager wins if all of the first three cards dealt to a player who made the bonus spin wager are in the same suit and loses if the first three cards dealt to a player who made the bonus spin wager are not all in the same suit.

(d) "Check" means that the player waives the right to place an all in wager but remains in the game.

(e) "Community card" means any of the four cards dealt face up in the center of the table, all of which may be used by each player and the dealer together with his or her own two cards to form the best possible seven-card flush hand.

(f) "Flop" means the first two community cards dealt face up in the area designated for the placement of the four community cards.

(g) "Fold" means the withdrawal of a player from a game by discarding his or her three cards and not making a play wager.

(h) "Flush" means cards of the same suit up to a maximum of seven (7) cards.

(i) "Game" means one complete cycle of play during which all players playing at the table have been dealt a hand, have folded or wagered upon their hand, and have had their winning wagers paid or losing wagers collected.

(j) "Layout" or "table game layout" means the playing surface covering the table at which the game is played, on which surface are printed areas designated for the placement of wagers for each player, designated places for the placement of cards as they are dealt, and various other information related to the game.

(k) "Match play coupon" means a coupon issued to a player by Boot Hill Casino and Resort that may be used by a player as a substitute for, or in addition to, a wager made in the game of Chase the Flush if used according to the terms, conditions and restrictions of the coupon.

(l) "Push" means a tie or draw, and occurs if the player's seven-card hand and the dealer's seven-card hand are of equal rank. In a push, the dealer shall not take or pay the player's ante, x-tra bonus, or all in wagers.

(m) "Qualifies" or "qualify" means the dealer's longest flush utilizing the dealer's three cards and the four community cards is comprised of three (3) or more cards with the highest ranking card in the flush being a 9 or higher ranking card.

(n) "Rank" or "ranking" means the relative position of a card or group of cards, with all cards ranking from lowest to highest as follows: 2, 3, 4, 5, 6, 7, 8, 9, 10, jack, queen, king and ace.

(o) "Round of play" or "round" means each level of play beginning with the first player's opportunity to act, and ending with the dealer revealing or distributing cards, except that the last round of the game will end with the dealer paying all winning wagers and collecting all losing wagers of all players remaining in the game.

(p) "Same suit bonus wager" means an optional wager that if played must be made prior to any cards being dealt in the round of play.

(q) "Straight flush" means cards of the same suit in consecutive rank order.

(r) "Stub" means the remaining portion of the deck after all cards in the round of play have been dealt.

(s) "Suit" means one of the four categories of cards: club, diamond, heart, or spade, with no suit being higher in rank than another.

(t) "Turn and river" means, respectively, the last two community cards dealt face up in the area designated for the placement of the four community cards.

(u) "X-tra bonus wager" means the second of two initial wagers required to be made prior to any cards being dealt in order to participate in the round of play. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-7-3-17, May 10, 2017; amended, T-111-8-9-17, June 14, 2017; amended, T-111-5-17-19, April 10, 2019.)

111-301-61. Wagers. (a) All wagers at Chase the Flush shall be made by placing gaming chips or, if applicable, a match play coupon on the appropriate betting areas of the table layout. A verbal wager accompanied by cash shall not be accepted.

(b) All ante wagers, x-tra bonus and bonus spin wagers, if offered at that table, shall be placed on the designated betting areas of the layout prior to the dealer dealing the first hand of the game. All ante and x-tra bonus wagers made in a game by a player must be equal in amount and within the wager limits established for that table.

(c) Upon placing an ante wager and x-tra bonus wager, a player may also place an optional same suit bonus wager by placing a wager on the designated wagering area of the layout. The same suit bonus wager is not required to be in the same amount as the ante and x-tra bonus wagers, but must be in an amount within the wager limits established for that table. The outcome of the same suit bonus wager shall have no bearing on any other wager made by the player.

(d) If the bonus spin optional wager is offered at a table, upon placing an ante wager and x-tra bonus wager, a player may also place an optional bonus spin wager by placing a \$1.00 wager on the designated wagering area of the layout. The outcome of the bonus spin wager shall have no bearing on any other wager made by the player.

(e) Only players who are seated at the table may place a wager at the game. Once a player has placed a wager and received cards, that player must remain seated until the completion of the game.

(f) A player shall not be permitted to wager on more than one player position at the table. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-7-3-17, May 10, 2017; amended, T-111-8-9-17, June 14, 2017; amended, T-111-5-17-19, April 10, 2019.)

111-301-62. Play and payouts. (a) For the start of play, beginning with the player farthest to the dealer's left and continuing around the table in a clockwise manner, the dealer shall deal three cards at a time face down to each player who has placed an ante wager and x-tra bonus wager.

(b) After the dealing procedures specified above have been completed, each player shall examine his or her cards and replace the cards face down on the layout. Starting with the player farthest to the dealer's left and proceeding in a clockwise manner around the table, each player shall act by either checking or making an all in wager. If the player chooses to make an all in wager, the player must place chips equal to three (3) times the amount of the player's ante wager in the designated area of the layout. If a player checks, the player shall remain in the game and defer his or her decision to place an all in wager to the next wagering opportunity.

(c) After all players have either made an all in wager or checked, the dealer shall deal the flop by placing the next two cards in the deck face up in the area designated on the layout for community cards.

(d) After the flop has been completed, for any player that has not yet made an all in wager and starting with the player farthest to the dealer's left and proceeding in a clockwise manner around the table, each player shall act by either checking or making an all in wager. If the player chooses to make an all in wager, the player must place chips equal to two (2) times the amount of the player's ante wager in the designated area of the layout. If a player checks, the player shall remain in the game and defer his or her decision to place an all in wager to the next wagering opportunity.

(e) After all players have either made an all in wager or checked, the dealer shall deal the turn and river by placing the next two cards in the deck face up in the area designated on the layout for community cards.

(f) After the turn and river have been completed, for any player that has not yet made an all in wager and starting with the player farthest to the dealer's left and proceeding in a clockwise manner around the table, each player shall act by either folding or making an all in wager. If the player chooses to make an all in wager, the player must place chips equal to the amount of the player's ante wager in the designated area of the layout. If a player folds the player loses all wagers made.

(g) Once all players have either placed an all in wager or folded, the dealer shall then turn the dealer's three cards face up and announce the longest flush using the dealer's three cards and the four community cards.

(h) If the dealer's hand does not qualify, then:

(1) The ante wager of each player who did not fold is returned to the player;

(2) Each player's hand that beats the dealer's hand is paid for any all in wager and x-tra bonus wager; and,

(3) The dealer shall collect any all in wager and x-tra bonus wager of each player's hand that does not beat the dealer's hand. Even in the event the dealer and player both have non-qualifying hands, to win the player must still have a longer or higher ranking flush than the dealer;

(4) If a player and the dealer's hands tie, any all in wager and x-tra bonus wagers shall be returned to the player;

(5) If the player's hand beats the dealer's hand with four or more cards of the same suit, the player shall be paid for any x-tra bonus wager; and,

(6) If the player's hand beats the dealer's hand with fewer than four cards of the same suit, the x-tra bonus wager is a tie and the player's wager shall be returned to the player.

(i) If the dealer's hand qualifies, then:

(1) For each player who did not fold, starting with the player farthest to the dealer's right and proceeding in a counterclockwise manner around the table, the dealer shall combine each player's three cards with the community cards to determine that player's longest flush. If the dealer and the player both have the same number of cards in their flush, the winning hand is determined by the highest ranking card of the flush in each hand. If the highest ranking card is the same in both hands, the winning hand is determined by the second highest ranking card in each hand. The same rule is applied for each card thereafter until either a winner is determined or there is a tie between the hands;

(2) If the player's hand wins, any all in and ante wagers are paid at odds of one to one;

(3) If the player's hand loses to the dealer's hand, the ante and any all in and x-tra bonus wagers shall be collected by the dealer;

(4) If the player's hand and the dealer's hand tie, the ante and any all in and x-tra bonus wagers shall be returned to the player;

(5) If the player's hand beats the dealer's hand, any x-tra bonus wager by the player shall win and the dealer shall pay the player as follows:

(A) If the player has seven (7) cards of the same suit, the player shall be paid at odds of 250 to one (1);

(B) If the player has six (6) cards of the same suit, the player shall be paid at odds of 20 to one (1);

(continued)

(C) If the player has five (5) cards of the same suit, the player shall be paid at odds of five (5) to one (1);

(D) If the player has four (4) cards of the same suit, the player shall be paid at odds of one (1) to one (1); and,

(D) If the player's winning hand has three (3) or fewer cards of the same suit, the player's hand is deemed a tie and the wager shall be returned to the player.

(6) Any same suit bonus wager shall win if the player has four or more cards of the same suit. It is irrelevant to the same suit bonus whether the player's hand beats the dealer's hand. A winning same suit bonus wager shall be paid as follows:

(A) If the player has a straight flush consisting of five (5), six (6) or seven (7) cards, the player shall be paid at odds of 500 to one (1);

(B) If the player has a flush consisting of seven (7) cards, the player shall be paid at odds of 400 to one (1);

(C) If the player has a flush consisting of six (6) cards, the player shall be paid at odds of 50 to one (1);

(D) If the player has a straight flush consisting of four (4) cards, the player shall be paid at odds of 20 to one (1);

(E) If the player has a flush consisting of five (5) cards, the player shall be paid at odds of five (5) to one (1);

(F) If the player has a flush consisting of four (4) cards, the player shall be paid at odds of one (1) to one (1); and,

(G) If the player has fewer than four (4) cards of the same suit, any same suit wager loses and the dealer shall collect the player's wager.

(j) If a player places an all in wager, the wager shall be placed in the designated all in betting area on the gaming table.

(k) Located on each gaming table that offers the bonus spin wager will be an electronic graphic representation of a wheel equally divided into twelve (12) segments. At the conclusion of the hand, the dealer shall determine if any player or players have won the bonus spin wager. If no player wins the bonus spin wager, the next hand of play shall commence. If one or more players win the bonus spin wager, moving from the dealer's left to right each player with a winning bonus spin wager shall in turn touch a lighted sensor located on the table gaming layout, which shall cause the electronic wheel to rotate and eventually stop on one of the twelve (12) segments. If

only one dollar amount appears in the segment where the wheel stops, the player spinning the wheel shall win that prize amount. If the wheel stops on a segment containing two dollar amounts, the player spinning the wheel shall receive the higher of the two dollar amounts and each of the other players at the table that also made a bonus spin wager during that round of play, if any, shall receive the smaller of the two dollar amounts. The amounts available to win on each of the twelve (12) segments and the approximate expected frequency of the wheel stopping on each segment every 30,000 spins are as follows:

Frequency	Dollar Amount(s) in a Segment
1	\$1,500
5	\$1,000
20	\$500
80	\$200
325	\$100 / \$25
500	\$75
900	\$50 / \$10
940	\$25
2,685	\$20 / \$3
4,100	\$15
7,300	\$10
13,144	\$5

(l) If a player folds, all wagers of the player shall be collected by the dealer. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-7-3-17, May 10, 2017; amended, T-111-8-9-17, June 14, 2017; amended, T-111-5-17-19, April 10, 2019.)

Article 501.— SOUTH CENTRAL GAMING ZONE

111-501-3. Table characteristics. (a) Blackjack shall be played at a table having on one side no more than seven places for the players and on the opposite side a place for the dealer.

(b) Each blackjack table shall utilize an approved layout. (Authorized by K.S.A. 74-8710 and 74-8748; implementing K.S.A. 74-8710; effective, T-111-9-23-11, Aug. 17, 2011; amended, T-111-5-17-19, April 10, 2019.)
