Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contrac-

tor and be included on the "Bid Holders List," or to be included on the "NonBid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) September 18, 2019. KDOT will open and read these proposals at the Eisenhower State Office Building, 700 SW Harrison, Topeka, Kansas, at 1:30 p.m. (CST) September 18, 2019. An audio broadcast of the bid letting is available at <http://www.ksdot.org/burconsmain/audio.asp>.

Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

Request for Comments

The following Interim Care Facility for Individuals with Intellectual Disabilities (ICF/IID) cost center limits are being set forth for public comment. Comments should be sent to Melissa Warfield, Director of Fiscal and Program Evaluation, Financial and Information Services, 503 Kansas Ave., Topeka, KS 66603. The comment period will expire 30 days from the publication of this notice.

K.A.R. 30-10-214 provides for the annual review and adjustment of Class II ICF/IID cost center limits, approved by the secretary of the Kansas Department for Aging and Disability Services (KDADS) or designee, based on current cost information supplied by the enrolled, licensed providers of ICF/IID services, and formula set forth in the Kansas State Medicaid Plan (Attachment 4.19-D, Part II, Subpart O, page 1). The formula is as follows: Total allowable costs, including an inflation factor, are compared to the amount to be reimbursed under the current limits.

The formula threshold requires that 60 percent of all ICF/IIDs are reimbursed 90 percent of their allowable
(continued)

costs. If less than 60 percent of the facilities are reimbursed 90 percent of their allowable costs, then the cost center limits are adjusted until the threshold is met. The inflation factor is based on the IHS Global Insight, National Skilled Nursing Facility Market Basket Without Capital Index (IHS Index).

To determine where to make the adjustments, two major cost centers are analyzed according to the following prescription:

- Administrative costs are based on facility size
- Habilitation costs are based on facility size and level of care (LOC)

The cost analysis for 2018 demonstrates 90.9 percent of the Class II ICF/IIDs are being reimbursed 90 percent or more of their allowable costs, once inflation factors are applied. Therefore, adjustments through rebasing are not required for rates effective October 1, 2019.

Recommendations

Based on cost report analysis and available funding, cost center limits for Class II ICF/IIDs are as follows:

Facility

Size	Level I	Level II	Level III	Level IV	Level V
A. +16 beds	\$162.86	\$154.71	\$146.98	\$139.64	\$ 132.65
B. 9-16 beds	\$204.61	\$194.40	\$184.68	\$175.46	\$ 166.67
C. 4-8 beds	\$239.39	\$227.42	\$216.04	\$205.24	\$ 194.98

Administrative per diem limits are based on the size of the facility, using the same classes as referred to above.

Administrative Per Diem Limits

- A. \$12.92
- B. \$30.68
- C. \$36.18
