### Department of Transportation Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the “Bid Holders List,” or to be included on the “Non-Bid Holders List” as a subcontractor/supplier. KDOT’s approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) February 19, 2020. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. PQ Corporation has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance. Notice is also given that certain requirements in the construction permit dated September 9, 2013 are being modified by a Modification of Permit Conditions.

PQ Corporation, 1700 Kansas Ave., Kansas City, KS 66105, owns and operates a manufacturing facility located at 1700 Kansas Ave., Kansas City, KS 66105.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process, and a copy of the Modification of Permit Conditions are available for public review, during normal business hours, at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the DAQ, 619 Ann Ave., Kansas City, KS 66101. To obtain or review the proposed permit and supporting documentation, contact Julie Halbert, 785-296-1693, at the central office of the KDHE or Jaclyn Brown, 913-573-6700, at the DAQ. Please direct written comments or questions regarding the proposed documents to Jaclyn Brown, DAQ, 619 Ann Ave., Kansas City, KS 66101. In order to be considered

in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, March 2, 2020.

A person may request a public hearing be held on the proposed documents. The request for a public hearing shall be in writing and set forth the basis for the request. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

## State of Kansas

### Governmental Ethics Commission

#### Opinion No. 2020-01

Written January 22, 2020 to Ms. Katie Whisman, Executive Officer, Kansas Bureau of Investigation, 1620 SW Tyler, Topeka, KS 66612-1837.

**Synopsis:** Under the facts provided, KBI Executive Officer Whisman may accept immediate employment with one of a group of associated businesses, despite her substantial involvement in the making of contracts in her official position with the state that would prohibit her employment with another of the associated businesses for two years from the date her state employment ends.

Cited herein: K.S.A. 46-233.

Dear Ms. Whisman:

We understand that, in your capacity as the executive officer for the Kansas Bureau of Investigation (KBI), you request our opinion concerning application of the state governmental ethics law, K.S.A. 46-215 *et seq.* Our opinion in response to your request is limited in its applicability. This opinion does not address whether some other statutory system, common law theory, or agency rule or regulation applies to your inquiry.

#### Factual Statement

As indicated in your opinion request, since July 2018, as KBI executive officer you were substantially involved in the making of three separate contracts between the KBI and a group of associated businesses under common ownership

- In July 2018 the KBI released a Request for Proposal (RFP) for development of a webinar-based video training series for law enforcement. The RFP was let for competitive bid and notice was published in the Kansas Register. The procurement process was through the Kansas Department of Administration. After vetting the proposals received in response to the request, MotoVike Films was selected. The contract was executed between KBI and The Premier Advisory Group on August 23, 2018.
- In January 2019, after having received approval from the Department of Administration, the KBI entered into a sole-source contract with the Bajillion Agency, for development of a statewide public awareness campaign.
- In October 2019, the KBI entered into a sole-source contract with the Bajillion Agency for the purpose

of hosting a website that was developed in furtherance of the public awareness campaign.

MotoVike Films, a video and film production agency, and Bajillion Agency, a full-service marketing and advertising agency, are separate limited liability companies registered with the Kansas secretary of state. The Premier Advisory Group, a provider of marketing, business coaching and consulting, is a Colorado corporation registered as a foreign business with the Kansas secretary of state.

All three businesses have the same owner. Common fiscal accounting and payroll are a function of The Premier Advisory Group. All share office space in the same building but each businesses' employees are segregated in separate areas of the office. Their overhead sharing arrangement allows for cost savings. Aside from this, each business maintains a separate and distinct management. Each business has separate decision apparatuses, including: executive officers and employees that are not commingled among the businesses. Neither the owner nor The Premier Advisory Group are involved in active management of MotoVike Films and Bajillion Agency. In fiscal matters, the owner is involved to secure business loans. The owner, because of The Premier Group's common handling of fiscal accounts for all three businesses, the owner may be involved in major business decisions. For example, obtaining a business loan or the purchase of equipment, like a \$3,500 camera.

KBI Executive Officer Whisman (Whisman) has received a job offer with The Premier Advisory Group as a business development director. The position would involve identifying new business clients and their needs. Where the needs would require the types of services offered by MotoVike Films and Bajillion Agency, clients would then be referred to the appropriate business.

#### Questions

Under the provided facts, may the offer of employment by The Premier Advisory Group be accepted without violating the K.S.A. 46-233 limitation on post-state employment with a person or business which contracted with the state within the preceding two years?

#### Analysis and Opinion

The state ethics law which may limit a state employee's acceptance of employment after working for the state is K.S.A. 46-233. It provides in pertinent part:

- (a) ... (2) Except as otherwise provided in this subsection, whenever any individual has participated as a state officer or employee in the making of any contract with any person or business, such individual shall not accept employment with such person or business as an employee, independent contractor or subcontractor until two years after performance of the contract is completed or until two years after the individual terminates employment as a state officer or employee, whichever is sooner. This prohibition on accepting employment shall not apply in any case where a state officer or employee who participated in making a contract while employed by the state of Kansas is laid off or scheduled to be laid off from any state position on or after July 1, 2002. As used in this subsection (a)

(2), “laid off” and “layoff” mean a state officer or employee in the classified service under the Kansas civil service act, being laid off under K.S.A. 75-2948, and amendments thereto.

...

(d) Subsections (a) and (b) shall not apply to the following:

- (1) Contracts let after competitive bidding has been advertised for by published notice; and
- (2) contracts for property or services for which the price or rate is fixed by law.

The July 2018 contract executed August 23, 2018, between the KBI and The Premier Group was let for competitive bids and the RFP was published in the Kansas Register. The exception in K.S.A. 46-233(d) therefore applies to the subparagraph (a)(2) waiting period and post-state employment with The Premier Group is not limited.

We are of the opinion that The Premier Advisory Group and Bajillion Agency, although associated for fiscal purposes, are not the same business. Each business entity is registered as a separate business, each have separate executive officers and employees that are not commingled. The proposed employment of Whisman by The Premier Advisory Group does not make Whisman an employee of Bajillion Agency. Thus, the January and October 2019 contracts between the KBI and Bajillion Agency do not bar or impede Whisman’s post state employment with The Premier Advisory Group. We are further of the opinion that Ms. Whisman may not transfer employment to, or otherwise accept, employment with Bajillion Agency for two years from the date her state employment terminates.

#### Conclusion

Under the facts provided, KBI Executive Officer Whisman may accept immediate employment with The Premier Advisory Group and not violate the provisions of the Kansas governmental ethics laws, K.S.A. 46-215 *et seq.*

Sincerely,

Mark Skoglund  
On behalf of  
Nicholas Hale, Chairman  
By Direction of the Commission
