Notice of Available Grant Funding

The Kansas Board of Regents (KBOR) has opened a competitive multi-year adult education grant to eligible providers. The grant will include funding through the Workforce Innovation and Opportunity Act (WIOA) that supports providers in offering adult education and family literacy, education for institutionalized individuals, English literacy, and civics education.

Applications from eligible providers will be assessed based upon federal criteria outlined in WIOA, as well as alignment with the Kansas WIOA combined state plan. Eligible providers must have a history of demonstrated effectiveness in administering the type of education for which they apply.

KBOR will provide open virtual training sessions for potential applicants in August and September. Awarding criteria, eligibility, and guidelines for demonstrated effectiveness, along with links to training materials may be found on the KBOR Adult Education RFP webpage

at https://kansasregents.org/workforce_development/adult-education-rfp.

Applications will be due January 31, 2025, for a five-year grant period that will run from July 1, 2025 through June 30, 2030.

Notice of Proposed Kansas/Federal Water Pollution Control Permits and Applications

In accordance with Kansas Administrative Regulations 28-16-57a through 63, 28-18-1 through 17, 28-18a-1 through 31 and 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Las acciones propuestas con respecto a los documentos preliminares se basan en la revisión del personal, aplicando los estándares, regulaciones y limitaciones de efluentes apropiados del estado de Kansas y de la Agencia de Protección Ambiental de Estados Unidos. La acción final resultará en la emisión de una Autorización Federal del Sistema Nacional de Eliminación de Descargas de Contaminantes y un permiso de Control de Contaminación del Agua de Kansas, sujeto a ciertas condiciones, revocación y reemisión del permiso designado o terminación del permiso designado. Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Dold Foods, LLC has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Dold Foods, LLC, 2929 N. Ohio St., Wichita, KS 67219, owns and operates a meat processing facility located at 2929 N. Ohio St., Wichita, Sedgwick County, KS 67219.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202-2921. To obtain or review the proposed permit and supporting documentation, contact Angela Bryson at the central office of KDHE at 785-296-3589, or Josh Webb at the South Central District Office at 316-337-6042. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available,

free of charge, at the KDHE BOA Public Notice website at <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Angela Bryson, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, November 4, 2024.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Angela Bryson, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, November 4, 2024 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency (EPA) has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA’s 45-day review period. Interested parties may contact KDHE to determine if the EPA’s 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, phone 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

The preceding notice refers to the air permit for Dold Foods, LLC located at 2929 N. Ohio St., Wichita, Sedgwick County, KS 67219. If you want more information or you have other questions, please contact the KDHE Non-Discrimination coordinator and call 785-296-5156 or send an email to: KDHE.NonDiscrimination@ks.gov. Wichita State University

Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU), directly or through its affiliate corporation Wich-

ita State Innovation Alliance, Inc., intends to lease, subject to all required state approvals, up to 1.22 acres of real property located on the northwest corner of the intersection of Fountain Avenue and 21st Street North, directly adjacent to the Wichita State University campus. This location would be designated for private development committed to supporting broadband infrastructure and Internet exchanges. The university is interested in leasing such ground to any individual, organization, or entity whose presence would advance WSU’s vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good. WSU intends to lease such space for a mutually agreeable period of time, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with WSU’s educational mission and identify anticipated benefits to the university, its students, and the surrounding community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, community benefit commitments, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU and the surrounding community, design concepts, financial stability, and proposed use. Interested tenants will be responsible for all costs associated with the development and ongoing maintenance costs of any improvements. Rental rate shall be based on fair market value and negotiable based on term of lease, purpose/use of the improvement, and benefit to WSU. WSU will consider serious offers and inquiries from any financially qualified individual, group, organization. If interested, please contact Property Manager Crystal Stegeman at crystal.stegeman@wichita.edu. This publication is being published pursuant to K.S.A. 75-430a(d), to the extent applicable.

Request for Applications

The Kansas Department of Transportation (KDOT) Office of Public Transportation is now accepting applications

for the Federal Transit Administration (FTA) programs:

- U.S.C. 49-5310 – Specialized Transportation for the Elderly and Disabled
- U.S.C. 49-5311 – General Public Transportation in Non-urbanized Areas
- U.S.C. 49-5311(f)- Intercity Bus

This application is to fund agency needs for State Fiscal Year 2026 (July 1, 2025, through June 30, 2026). The application is required annually from all KDOT funded 5310, 5311 transit provider agencies including those not requesting capital and/or operating expenses.

The purpose of the U.S.C. 49-5310 program is to provide funds to support private non-profit corporations and authorized governments to provide transportation services to meet the special needs of the elderly and persons with disabilities. Federal funding under this program is available for capital expenditures only. State funding is available for operating expenses with the maximum award set by KDOT. Operating reimbursements will be made at a 70% state and 30% local share. Capital awards are supported at 80% federal and 20% local.

The purpose of the U.S.C. 49-5311 program is to provide funds to support rural and non-urbanized (cities less than 50,000 population) public transportation projects. The goal of the U.S.C. 49-5311 program is to provide services to the general public on an equal opportunity basis. Funds can be used for either operating or capital expenses. Operating costs are supported 50% federal, 20% state, and 30% local. Capital awards are supported at 80% federal and 20% local.

The purpose of the U.S.C. 49-5311(f) program is to provide funds to support the intercity bus system and its purpose as a vital link between isolated rural communities and the rest of the nation. The goal of the U.S.C. 49-5311(f) program is to support the connection between nonurbanized areas and the larger regional or national system, meet the intercity travel needs of residents in nonurbanized areas, and support the infrastructure of the intercity bus network.

Application Process

All applications are to be submitted via KDOT's online grant management portal at <https://secure.blackcatgrants.com/Login.aspx?site=ksdot>. New applicants will need to request access by contacting Taylor Zortman via email at Taylor.L.Zortman@ks.gov.

KDOT has developed selection criteria to be used by the Kansas Coordinated Transit District Council (KCTDC) in evaluating the capital request applications. The applications will be ranked by the KCTDC in January 2025. After the application ranking by the KCTDC, KDOT staff will use the selection criteria in their evaluation of the applications. It should be noted that all items on the application must be completed. Points will be deducted in the ranking process for missing or incomplete information.

Questions can be directed to KDOTtransit@ks.gov.

All application materials must be submitted to KDOT online by 3:00 p.m. Thursday, November 21, 2024.

Executive Directive No. 24-588 Authorizing Personnel Transactions and Establishment of a Federal Fund

By virtue of the authority vested in the Governor as the head of the Executive Branch of the State of Kansas, the following transactions are hereby authorized:

The request of Kraig Knowlton, Director of Personnel Services, to provide a pay differential of \$1.00 per hour for hours worked by all non-exempt Kansas Department of Corrections Employees who are bilingual, assigned to restrictive housing units, or part of a special operations response team is hereby approved, effective September 29, 2024.

In accordance with the provisions of Kansas Administrative Regulation 1-5-8 (b)(1), if an eligible candidate for a Highway Patrol Trooper or Law Enforcement Officer I position has exceptional qualifications directly related to the position, the Kansas Highway Patrol may approve beginning pay for the individual at a higher step of pay grade 32, as determined by the agency. Exceptional qualifications shall be based on the candidate's education, training, experience, skills, and other job-related qualifications. Employees appointed in such a manner will progress through the Career Progression Plan based on the number of years spent on each step as opposed to overall years in rank.

The request of Kraig Knowlton, Director of Personnel Services, to establish step 12 of pay grades 23 and 24 as the entry rate for the Certified Nurse Aide I and Certified Nurse Aide II job classifications at 24/7 facilities under the Kansas Office of Veterans Services, the Kansas Department on Aging and Disability Services and the Kansas Department of Corrections, as determined by the Department of Administration, is hereby approved, effective September 29, 2024.

The request of Kraig Knowlton, Director of Personnel Services, to establish step 16 of pay grades 28 and 29 as the entry rate for the Licensed Practical Nurse and Licensed Practical Nurse Senior job classifications at 24/7 facilities under the Kansas Office of Veterans Services, the Kansas Department on Aging and Disability Services and the Kansas Department of Corrections, as determined by the Department of Administration, is hereby approved, effective September 29, 2024.

The request of Kraig Knowlton, Director of Personnel Services, to establish step 13 of pay grades 36, 37 and 41 as the entry rate for the Registered Nurse, Registered Nurse Senior and Registered Nurse Specialist job classifications at 24/7 facilities under the Kansas Office of Veterans Services, the Kansas Department on Aging and Disability Services and the Kansas Department of Corrections, as determined by the Department of Administration, is hereby approved, effective September 29, 2024.

I have conferred with the Secretary of Administration, the Director of the Budget, the Director of Personnel Services, and members of my staff, and I have determined that the requested action is appropriate.

Pursuant to the authority of the Judicial Branch to re-

ceive and expend federal funds, and pursuant to the authority granted the Governor by Section 200 of Chapter 88 of the 2024 *Session Laws of Kansas*, approval is hereby granted to the Judicial Branch for expenditures in FY 2025 of monies in the federal fund entitled "Elder Justice Innovation Grant."

I have conferred with the Director of the Budget and members of my staff, and I have determined that the guidelines set forth in K.S.A. 75-3711 and 75-3711c have been applied and that none of the forgoing actions exceeds the limitations contained therein.

Dated September 25, 2024.

Kansas Development Finance Authority

Notice of Hearing

A public hearing will be conducted at 9:00 a.m. Tuesday, October 22, 2024, in the offices of the Kansas Development Finance Authority (K DFA), 534 S. Kansas Ave., Suite 800, Topeka, Kansas, on the proposal for the K DFA to issue its Agricultural Development Revenue Bond for the projects numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond, which is then typically purchased by a lender bank who then, through the K DFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

Project No. 001143 Maximum Principal Amount: \$234,000. Owner/Operator: Brody G. Grossnickle; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Brody G. Grossnickle (the "Beginning Farmer") and is located in the East Half of Section 1, Township 7 South, Range 12 East of the 6th P.M. Jackson County, Kansas, approximately 2 miles south of Havensville, Kansas on Highway 63, then 2 miles east on Highway 16.

Project No. 001144 Maximum Principal Amount: \$225,000. Owner/Operator: Matthew D. Stallbaumer and Angel L. Mong; Description: Acquisition of 159.19 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Matthew D. Stallbaumer and Angel L. Mong (the "Beginning Farmer") and is located in Section 21, Township 5, Range 10 East, Marshall County, Kansas, approximately ¼ mile south of Lillis, Kansas on 28th Road.

The bond, when issued, will be a limited obligation of the K DFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political sub-

division thereof, including the K DFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

Interested individuals may participate in the public hearing in person or via conference call. Please call 844-621-3956 and use conference identification number 145 880 8929 followed by # to join the conference.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, KS 66603, will be considered. Additional information regarding the project may be obtained by contacting the K DFA.

Permanent Administrative Regulations

Article 11.—DOCUMENTATION REQUIREMENTS

17-11-18. Loans; documentation requirements. (a) Except as specified in this subsection, each bank shall maintain complete and current credit information, not older than 15 months, for each borrower if the total amount of the following is greater than \$250,000:

- (1) All loans made to the borrower; and

(2) all loans attributable to the borrower pursuant to K.S.A. 9-1104, and amendments thereto.

This subsection shall not apply if all loans made or attributable to the borrower are adequately secured.

(b)(1) Unless loan repayment is guaranteed by a governmental program or private insurance company, the following requirements shall apply:

(A) For each purchase-money real estate mortgage loan not greater than \$250,000, the bank shall maintain a written verification that a lien search of the records of the county register of deed’s office was conducted and the bank’s lien position was determined or any option listed under paragraph (b)(1)(B).

(B) For each purchase-money real estate mortgage loan greater than \$250,000, the bank shall obtain and maintain on file either an attorney’s written title opinion or a title insurance policy.

(C) For each non-purchase-money real estate mortgage loan that is not greater than \$250,000, the bank shall meet one of the following requirements:

(i) Maintain a written verification that a lien search of the records of the county register of deed’s office was conducted and the bank’s lien position was determined;

(ii) obtain and maintain on file an insurance policy fully insuring the bank against loss of the mortgage priority position;

(iii) obtain and maintain on file an attorney’s written title opinion; or

(iv) obtain and maintain on file a title insurance policy.

(D) For each non-purchase-money real estate mortgage loan greater than \$250,000, the bank shall obtain and maintain on file an attorney’s written title opinion or a title insurance policy.

(2) For purposes of this subsection, “non-purchase-money real estate mortgage loan” shall mean a mortgage loan that does not finance or refinance the acquisition of real estate or the transfer of a deed.

(c) If the value of the improvements on any real estate is necessary for adequate protection of the loan, an insurance policy covering these improvements against fire and windstorm shall be on file with the bank for any loan greater than \$25,000.

(d) A real estate mortgage or deed of trust, showing the filing information with the county register of deeds, shall be on file with the bank for each loan collateralized by real estate.

(e) For any loan collateralized by personal property, if the bank is required by law to file a financing statement to perfect a security interest, the bank shall maintain a copy of the filed financing statement. In other cases, the bank shall maintain all documents related to the loan. (Authorized by K.S.A. 9-1713; implementing K.S.A. 9-1101, K.S.A. 9-1130, and K.S.A. 9-1713; effective Jan. 1, 1966; amended May 1, 1983; amended Jan. 27, 1992; amended Aug. 9, 1996; amended Jan. 18, 2002; amended May 30, 2003; amended May 3, 2013; amended July 11, 2014; amended May 27, 2022; amended Oct. 18, 2024.)

17-11-21. Appraisals and evaluations. (a) Except for the transactions that meet the requirements of subsection (b) or (c), an accurate appraisal of all real estate mortgaged to secure principal debt of \$25,000 or more to a

(continued)

bank shall be made by an appraiser who is licensed or certified by the state in which the property is located and who is independent of the transaction.

(b) Two officers or directors of the bank, or a qualified individual who is independent of the transaction, may complete an evaluation of real estate mortgaged in the following types of real estate-related transactions:

(1) Real estate mortgaged to secure either of the following:

(A) Principal debt of \$400,000 or less, secured by a single one- to four-family residential property, including construction loans and business loans secured by a single one- to four-family residential property; or

(B) principal debt of \$500,000 or less, not secured by a single one- to four-family residential property;

(2) business loans with a principal debt of \$1 million or less secured by real estate if the primary source of repayment is not dependent upon the sale of, or rental income from, the real estate; or

(3) renewals or refinancing of loans secured by real estate, in any amount, if either of the following conditions is met:

(A) There is no advancement of new money other than funds necessary to cover reasonable closing costs; or

(B) there has been no obvious and material change in market conditions or physical aspects of the property that affects the adequacy of the real estate collateral or the validity of an existing appraisal, even with the advancement of new money.

(4) If a bank enters into a transaction that is secured by several individual properties, the estimate of value of each individual property shall determine whether an appraisal or evaluation would be required for that property under subsection (b).

(c) Neither an appraisal nor an evaluation shall be required for the following types of real estate-related transactions:

(1) Loans that are well supported by income or other collateral if real estate is taken as additional collateral solely in an abundance of caution;

(2) loans to acquire or invest in real estate if a security interest is not taken in real estate;

(3) liens taken on real estate to protect rights to, or control over, collateral other than real estate;

(4) real estate operating leases that are not the equivalent of a purchase or sale; or

(5) real estate-related loans that have met all appraisal requirements necessary to be sold to or insured by, any United States government agency or any United States government-sponsored agency.

(d) Each individual who conducts an appraisal or evaluation shall view the premises, make a written statement of value, and sign and file the statement with the bank. Each appraisal shall comply with applicable state standards. Each evaluation shall include the following:

(1) A legal description of the property, including street address if applicable;

(2) the owner(s) of the property;

(3) the type and general condition of improvements, including approximate age, size, and construction;

(4) the basis for determining the value of the property; and

(5) the date of the evaluation or appraisal and a signature of each evaluator or appraisers.

(e) Despite any other provisions of this regulation, an appraisal or evaluation may be required by the commissioner if it is deemed necessary to address safety and soundness concerns.

(f) As used in this regulation, a “business loan” means a loan or extension of credit to any corporation, general or limited partnership, business trust, joint venture, pool, syndicate, sole proprietorship, or other business entity. (Authorized by K.S.A. 9-1713; implementing K.S.A. 9-1101; effective Jan. 1, 1966; amended May 1, 1978; amended Jan. 27, 1992; amended Oct. 19, 1992; amended Jan. 25, 1993; amended Sept. 20, 1993; amended Sept. 19, 1994; amended Aug. 9, 1996; amended Jan. 18, 2002; amended July 11, 2014; amended Oct. 18, 2024.)

Article 30.—BOATING

115-30-4. Fire extinguishers; requirements. (a) United States coast guard approved hand portable fire extinguishers of size I type B, size II type B, size 5 type B, size 20 type B, or both size 5 type B and size 20 type B shall be carried on board each motorboat as determined by the model year and class of vessel. Portable fire extinguishers on a vessel shall be replaced upon 12 years from the date of manufacture. As codified in 33 C.F.R. pt. 175 (2023), all fire extinguishers that are replaced on a vessel shall be replaced with a size 5 type B or size 20 type B fire extinguisher that is not more than 12 years old.

(1) Class A: for model year vessel 2018 and newer, at least one size 5 type B fire extinguisher that is date stamped shall be carried. Vessels older than model year 2018 may carry either size 5 type B or size I type B if any one or more of the following conditions exist:

(A) an inboard engine;

(B) closed compartments under thwarts and seats where portable fuel tanks may be stored;

(C) double bottom construction not sealed to the hull or not completely filled with flotation materials;

(D) closed compartments in which combustible or flammable materials are stored; or

(E) permanently installed fuel tanks. Fuel tanks that cannot be moved in case of fire or other emergency or if the weight of the fuel tank precludes movement of the tank by an individual on board shall be considered permanently installed.

(2) The provisions of subsection (1) shall not apply if the motorboat has a United States coast guard approved built-in or affixed fire extinguisher in the motor area.

(3) Class 1: for model year vessel 2018 and newer, at least one size 5 type B fire extinguisher that is date stamped shall be carried. Vessels older than model year 2018 may carry either size 5 type B or size I type B. Pro-

visions of this subsection shall not apply if the motorboat has a United States coast guard approved built-in or affixed fire extinguisher in the motor area.

(4) Class 2: for model year vessel 2018 and newer, at least two size 5 type B fire extinguishers or one size 20 type B fire extinguisher that is date stamped shall be carried. Vessels older than model year 2018 shall carry two size 5 type B, one size 20 type B, two size I type B, or one size II type B fire extinguisher. Each motorboat that has a United States coast guard approved built-in or affixed fire extinguisher in the motor area shall only be required to carry size I type B fire extinguisher, for vessels older than model year 2018, or one size 5 type B fire extinguisher, for any age vessel.

(5) Class 3: for model year vessel 2018 and newer, at least three size 5 type B fire extinguishers or two size 20 type B fire extinguishers that are date stamped shall be carried. Vessels older than model year 2018 shall carry

three size 5 type B, two size 20 type B, three size I type B, or two size II type B fire extinguishers. Each motorboat that has a United States coast guard approved built-in or affixed fire extinguisher in the motor area shall only be required to carry two size I type B fire extinguishers, for vessels older than model year 2018, or one size 20 type B fire extinguisher, for any age vessel.

(b) Each vessel, including each motorboat having an approved built-in or affixed fire extinguisher in the motor area, that has enclosed living spaces or galleys shall carry at least one United States coast guard approved size I type B or size II type B fire extinguisher in the living space or galley.
