**Notice to Bidders**

Sealed bids Lackman Multi-Purpose Trail (KDOT Project No. 46 TE-0430-01, CMS: 017196004) will be accepted by the City of Lenexa, Kansas at the Community Development Department, Lenexa City Hall, 17101 W. 87th St. Pkwy., Lenexa, KS 66219 until 1:00 p.m. (CST) April 23, 2020, at which time bids will be publicly opened and read aloud at the Lenexa City Hall. Any bid received after the designated closing time will not be considered and will be returned unopened.

All bids shall be submitted to the Community Development Department Customer Service Staff (Main Level) in sealed envelopes addressed to the City of Lenexa, Kansas, Attn: City Clerk, and marked "Bid for: Lackman Multi-Purpose Trail (KDOT Project No. 46 TE-0430-01,

CMS: 017196004). Bidders desiring contract documents for use in preparing bids, as well as copies of plans, specifications, bidding documents, and other contract documents, may be obtained at Drexel Technologies, Inc., 10840 W. 86th St., Lenexa, KS 66214, or <http://planroom.drexeltech.com/>. Note: Davis Bacon Wage Rates apply to this project.

Each bidder will be responsible for ensuring that it has received any and all addenda issued by city in accordance with IB-10 of the instructions to bidders. Contractors should read and be fully familiar with all contract documents including addenda before submitting a bid. In submitting a bid, the bidder warrants that it has read the contract documents and is fully familiar therewith and that it has visited the site of the work to fully inform itself as to all existing conditions and limitations and shall include in its bid a sum to cover the cost of all items of the work as specified in the contract documents.

No oral telegraphic, telephonic proposals, or alterations will be considered. Facsimile transmissions will not be accepted.

The following items must be included in the sealed envelope with the bid:

- a. Bid form;
- b. 5% bid security – bid bond, cashier’s check or certified check (see below); and
- c. Acknowledgment of addenda issued by city.

Each bidder shall file with its bid a bid bond, a cashier’s check, or a certified check drawn on an acceptable bank, made payable to the City of Lenexa, Kansas, in an amount equal to five percent (5%) of the total bid, which shall be retained by the City of Lenexa, Kansas until a contract for the project has been executed. Bid Bonds will be returned to the bidders, with the exception of the best and lowest and second best and second lowest responsible bidders, within twenty-one (21) days after their bids are rejected. The bid deposit of the lowest and the second lowest responsible bidders will be returned when the performance bond, maintenance bond and statutory bond, each in an amount equal to 100% of the contract amount, required insurance certificates, and other required documents shall have been furnished and the contract documents have been executed by the successful bidder.

In the event the low bidder is unable to execute the contract, for whatever reason, within the time provided in the Notice of Award, the city may annul the Notice of Award and the bid deposit may be forfeited and the city shall exercise its legal prerogatives, including, but not limited to, enforcement of its rights as to the bid security or specific performance.

The city reserves the right to accept or reject any and all bids and to waive any technicalities or irregularities therein. Bids may be modified or withdrawn by written request of the bidder received in the office of the city clerk prior to the time and date for bid opening.

From and after the release of this notice, any party intending to bid on the above referenced project, including their officers, employees, agents, or contractors, are specifically prohibited from communicating with any elected or appointed official of the city, directly or indirectly, with regard to the award of the contract for the project listed above, except as specifically authorized by

*(continued)*

the instructions to bidders. Any such unauthorized communication may result in the automatic disqualification of such bidder.

All bidders agree that rejection shall create no liability on the part of the city because of such rejection, and the filing of any bid in response to this notice shall constitute an agreement of the bidder to these conditions.

If this section is completed, a mandatory pre-bid conference will be held at 1:00 p.m. April 17, 2020, in the Lenexa City Hall Prairie Star Conference Room, 17101 W. 87th St. Pkwy., Lenexa, KS 66219.

### Wichita State University

#### Notice of Intent to Lease Land and/or Building Space

Public notice is hereby given that Wichita State University (WSU) intends to lease available land and building space. The university will consider leasing such property and/or space to those whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, or otherwise provide supporting services and amenities to the campus community (such as restaurants, retail establishments, financial institutions, etc.). Because tenant use must be a good fit with the university's educational mission and available space, please be prepared to provide the following information: (1) name; (2) square footage of space needs and desired lease term and location; (3) equipment, design, or other special needs; (4) description of anticipated use; and (5) the anticipated benefits to the university, its students, and the WSU community (e.g. applied learning, joint research, faculty start-up, etc.). The university will consider serious offers and inquiries from any financially qualified individual, group, organization, or company. If interested, please contact Vice President for Research & Technology Transfer, Dr. John Tomblin, [john.tomblin@wichita.edu](mailto:john.tomblin@wichita.edu) or Property Manager Crystal Stegeman, [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). ### Wichita State University

#### Notice of Intent to Lease Real Property

Public notice is hereby given that Wichita State University (WSU) is interested in entering into a long-term ground lease, subject to all required state approvals, for approximately 1.4 acres of property located at 1741 and 1755 N. Hillside. The university is interested in leasing such property to any individual, organization, or entity whose presence on campus would advance the university's applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good and providing retail, restaurant, and service centers that would be desirable and beneficial to the international student community. The university intends to lease this property for any period of time up to 65 years, but extended terms and renewal options would be considered. Interested tenants must be willing to provide the university an option to lease back improved office/classroom/lab space up to 11,000 square feet. Interested tenants must be a good fit with the university's educational mission and identify anticipated benefits

to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: financial stability and strength, proposal terms, demonstrated benefit to WSU and the community, design concepts, and proposed use. Rental rate may be negotiated based on square foot of leased ground or leasable square foot of the building. The university will consider serious offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. If interested, please contact University Property Manager Crystal Stegeman at [crystal.stegeman@wichita.edu](mailto:crystal.stegeman@wichita.edu). **Notice of Intent to Lease Real Property**

Public notice is hereby given that Wichita State University (WSU) intends to directly lease, and indirectly sublease through its affiliate corporation Wichita State Innovation Alliance, Inc., subject to all required state approvals, for the private development of one or more partnership buildings. This private development shall be located west of Oliver, between 17th and 18th Streets, on the Wichita State University main campus. The university is interested in leasing such ground to any individual, organization, or entity whose presence on campus would advance the university’s applied learning vision or its mission as an educational, cultural, and economic driver for Kansas and the greater public good, and specifically an emphasis on supporting and growing advanced laboratories for research, testing, and innovation in data infrastructure/storage, video surveillance storage, IOT, security, analytics, visualization/modeling, and machine learning/AI. The university intends to lease such ground for any period of time up to sixty-five years, but extended terms and renewal options would be considered. Interested tenants must be willing to be a good fit with the university’s educational mission and identify anticipated benefits to the university, its students, and the WSU community (i.e. applied learning, joint research, faculty start-up, WSU curriculum or program support, etc.), and must agree to the essential ground lease terms and restrictive covenants. Interested tenants will be evaluated on: proposal terms, demonstrated benefit to WSU, design concepts, financial stability, and proposed use. Rental rate shall be assessed per leased or leasable square foot of the building but is negotiable based on term of lease and benefit to the university. The university will consider serious

offers and inquiries with detailed proposal terms from any financially qualified individual, group, organization, or company and such offers will be considered until a selection is made or this notice is withdrawn. **Notice Concerning Proposed Kansas Air Quality Class I Operating Permit Renewal**

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is soliciting comments regarding a proposed air quality operating permit. Coffeyville Resources Crude Transportation, LLC – Hooser Station has applied for a Class I operating permit renewal in accordance with the provisions of K.A.R. 28-19-510 et al. The purpose of a Class I permit is to identify the sources and types of regulated air pollutants emitted from the facility; the emission limitations, standards, and requirements applicable to each source; and the monitoring, record keeping, and reporting requirements applicable to each source as of the effective date of permit issuance.

Coffeyville Resources Crude Transportation, LLC – Hooser Station, PO Box 3516, Bartlesville, OK 74006, owns and operates a crude petroleum pipeline station located at Section 13, Township 34S, Range 7E, Cowley County, Kansas.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 a.m. to 5:00 p.m. at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the South Central District Office, 300 W. Douglas, Suite 700, Wichita, KS 67202. To obtain or review the proposed permit and supporting documentation, contact Allan Ddamulira, 785-296-1691, at the central office of the KDHE or David Butler, 316-337-6020, at the South Central District Office. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <http://www.kdheks.gov/bar/publicnotice.html>.

Please direct written comments or questions regarding the proposed permit to Allan Ddamulira, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366. In  
*(continued)*

order to be considered in formulating a final permit decision, written comments must be received no later than 12:00 p.m. Monday, April 20, 2020.

A person may request a public hearing be held on the proposed permit. The request for a public hearing shall be in writing and set forth the basis for the request. The written request must be submitted to Allan Ddamulira, KDHE BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366, no later than 12:00 p.m. Monday, April 20, 2020 in order for the Secretary of Health and Environment to consider the request.

The U.S. Environmental Protection Agency has a 45-day review period, which will start concurrently with the public comment period, within which to object to the proposed permit. If the EPA has not objected in writing to the issuance of the permit within the 45-day review period, any person may petition the administrator of the EPA to review the permit. The 60-day public petition period will directly follow the EPA's 45-day review period. Interested parties may contact KDHE to determine if the EPA's 45-day review period has been waived.

Any such petition shall be based only on objections to the permit that were raised with reasonable specificity during the public comment period provided for in this notice, unless the petitioner demonstrates that it was impracticable to raise such objections within such period, or unless the grounds for such objection arose after such period. Contact Ward Burns, U.S. EPA, Region 7, Air Permitting and Compliance Branch, 11201 Renner Blvd., Lenexa, KS 66219, 913-551-7960, to determine when the 45-day EPA review period ends and the 60-day petition period commences.

**Notice Concerning Kansas/Federal Water Pollution Control Permits and Applications**

In accordance with Kansas Administrative Regulations 28-16-57 through 63, 28-18-1 through 17, 28-18a-1 through 33, 28-16-150 through 154, 28-46-7, and the authority vested with the state by the administrator of the U.S. Environmental Protection Agency, various draft water pollution control documents (permits, notices to revoke and reissue, notices to terminate) have been prepared and/or permit applications have been received for discharges to waters of the United States and the state of Kansas for the class of discharges described below.

The proposed actions concerning the draft documents are based on staff review, applying the appropriate standards, regulations, and effluent limitations of the state of Kansas and the Environmental Protection Agency. The final action will result in a Federal National Pollutant Discharge Elimination System Authorization and/or a Kansas Water Pollution Control permit being issued, subject to certain conditions, revocation, and reissuance of the designated permit or termination of the designated permit.

Legal Description: NE¼, S23, T33S, R32W, Seward County, Kansas  
Facility Location: U.S. 54 Hwy. and Panhandle Rd., Liberal, KS 67901

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility separates, purifies, and liquefies helium from the raw feed by mechanical and cryogenic processes. Sanitary waste is directed to a septic tank and lateral field system. The proposed permit contains limits for oil & grease, total residual chlorine, and pH, as well as monitoring for flow, temperature, sulfate, and total recoverable selenium.

Creekstone Farms Premium Beef, LLC 604 Goff Industrial Park Rd. Arkansas City, KS 67005	Arkansas River	Process Wastewater

Kansas Permit No. I-AR06-PO06  
Federal Permit No. KS0094706

Legal Description: NE¼, S12, T34S, R3E, Cowley County, Kansas

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility is a beef complex slaughterhouse with extensive bi-product processing, subject to effluent guidelines per 40 CFR 432, Subpart B – Complex Slaughterhouses. The proposed permit contains a schedule of compliance, which states that the permittee shall submit to KDHE Bureau of Water, a final study of improvements and operational changes needed to meet the Total Maximum Daily Load established for the Arkansas River segment into which the facility discharges. The facility shall also construct and implement improvements and changes recommended in the study to meet

final limits for phosphorus, biochemical oxygen demand, ammonia, total suspended solids, oil & grease and chronic whole effluent toxicity. The proposed permit contains limits for biochemical oxygen demand, ammonia, total suspended solids, oil & grease, E. coli, total nitrogen, pH, and whole effluent toxicity, as well as monitoring for flow, total Kjeldahl nitrogen, nitrate + nitrite, chloride, and total phosphorus.

Legal Description: SE¼, S33, T19S, R25E, Linn County, Kansas  
Facility Name: LaCygne Generating Station  
Facility Location: Route 1, 25166 E. 2200 Rd., LaCygne, KS 66040

The proposed action is to reissue an existing State/NPDES permit for an existing facility. This facility generates electric power from two electric generating units, using high pressure steam produced by fossil fuel combustion. The facility has two Cooling Intake Water Structures (CWIS). KDHE has determined the cooling water intakes structures withdrawing water from the lake and recirculating that water within the lake, meets the definition of a closed-cycle recirculating system per 40 CFR 125.92 (e)(2), reconfirmed that the facility water intake structures located on the Marais des Cygnes River are water supply intakes for Lake LaCygne and are not cooling water intake structures subject to 316(b) technology-based regulations, and waive the impingement and entrainment studies because the facility is deemed to be a closed-cycle recirculating system [40 CFR 125.92 (c) (2)] and the lake is stocked and managed jointly by Evergy and the KDWP&T for recreational purposes. The proposed permit contains limits for oil & grease, total suspended solids, pH, biochemical oxygen demand, and total residual oxidant, as well as monitoring for flow, E. coli, temperature, total Kjeldahl nitrogen, nitrate + nitrite, total nitrogen, total phosphorus, and sulfate.

F-100	Latitude: 38.307485" Longitude: -98.182927"

Facility Description: The proposed action is to reissue five existing Class III Injection Well permits for the wells listed above. Injection of saturated brine is to be made into wells F-96, F-97, and F-100, for the purpose of sulfate settling and brine clarification. Brine will then be recovered from wells F-98 and F-99. F-Gallery is also authorized to be used as the back-up polishing gallery when G-Gallery is not in service. Injection is to be made into the Hutchinson Salt Member of the Wellington Formation. Mining shall not extend into the upper 40 feet of the salt deposit. The maximum operational injection pressure is not to exceed 250 pounds per square inch at the wellhead. The Wellington formation consists of inter-bedded salt and shale deposits with minor amounts of gypsum. The upper portion of the formation is primarily clayey shale with small amounts of gypsum present. The lower portion, which is known as the Hutchinson Salt member, is mainly salt with inter-bedded shale deposits. The salt deposits beneath Compass Minerals' salt mining operations described herein are first encountered about 694 feet below ground surface and extend to a depth of about 977 feet. All construction, monitoring, and operation of these wells shall meet the requirements that apply to Class III Injection wells under the Kansas UIC Regulations, K.A.R. 28-46-1 through 28-46-45 and other requirements of KDHE.

Persons wishing to comment on the draft documents and/or permit applications must submit their comments in writing to the Kansas Department of Health and Environment if they wish to have the comments considered in the decision-making process. Comments should be submitted to the attention of the Livestock Waste Management Section for agricultural related draft documents or applications, or to the Technical Services Section for all other permits, at the Kansas Department of Health and Environment, Division of Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, KS 66612-1367.

All comments regarding the draft documents or application notices received on or before April 18, 2020, will be considered in the formulation of the final determinations regarding this public notice. Please refer to the appropriate Kansas document number (KS-AG-20-077/081, KS-AG-R-20-005, KS-Q-20-031/038, KS-PT-20-008/009, KS-EG-20-016) and name of the applicant/permittee when preparing comments.

After review of any comments received during the public notice period, the Secretary of Health and Environment will issue a determination regarding final agency action on each draft document/application. If response to any draft document/application indicates significant public interest, a public hearing may be held in conformance with K.A.R. 28-16-61 (28-46-21 for UIC).

All draft documents/applications and the supporting information including any comments received are on file and may be inspected at the offices of the Kansas Department of Health and Environment, Bureau of Water, 1000 SW Jackson St., Suite 420, Topeka, Kansas. These documents are available upon request at the copying cost assessed by KDHE. Application information and components of plans and specifications for all new and expanding swine facilities are available at <http://www.kdheks.gov/feedlots>. Division of Environment offices are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays.

#### Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a qualified consulting engineering firm, which must be prequalified in category 212 Highway Design Minor Facility, for the projects listed below. A PDF must be emailed to David Lutgen, P.E., Contracts Engineer at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Responses are to be limited to eight pages, the subject line of the reply email and the file name must read "KA-5564-01 – Firm Name." Request for Proposals (RFPs) must be received by 12:00 p.m. April 3, 2020 for the consulting firm to be considered. View categories at <http://www.ksdot.org/divengdes/prequal/default.asp>.

#### Projects

- KA-5564-01 – U.S. 24/K-113 Riley County, Kansas – design for construction of a single lane roundabout
- KA-5565-01 – U.S. 24/K-13 Riley County, Kansas – design for construction of a single lane roundabout

Both projects will be awarded to the same consultant and have a Spring 2022 letting.

#### Anticipated Schedule for Subsequent Events

- Evaluation and ranking of technical proposals on or about April 13, 2020, after which time all firms that submitted will be notified of the ranking.
- Negotiations with the most highly ranked firm to commence on or about April 27, 2020.
- Agreement in place and in effect May 25, 2020.

#### Instructions for Proposal

No costs shall be contained in the RFP. The RFP must not exceed eight (8) pages total to address the pertinent topics. Please use the following naming convention for submittal...KA-5564-01 – Firm Name. RFP's submitted will consist of the proposal and a completed and signed Special Attachment No. 7 ("Certificate of Final Indirect Costs"), a completed and signed Special Attachment No. 8 ("Tax Clearance Certificate"), and a completed and signed Special Attachment No. 10 ("Policy Regarding Sexual Harassment"). Subconsultants will need to complete these attachments as well. All these forms are attached to the original email announcement.

RFP's shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce deliverables described above under "Scope of Services to be Performed." Also, include items such as:

- Project manager/engineer in charge.
- History of projects with similar tasks.
- Availability of staff to meet schedule without overtime.
- Familiarity with KDOT standards and content.
- Any subconsultant and their role (if any) that will be performing services on the project

#### Evaluation Factors

Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, sec-

(continued)

ond, third, etc. Evaluation factors: 1) the quality and completeness of the response to the RFP; 2) qualifications and experience of consultant personnel/manager proposed for services; 3) proposed approach for design; and 4) past performance history for similar projects/services for KDOT. The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

**Exhibits to this RFP**

- Special Attachment No. 7 (“Certificate of Final Indirect Costs”)
- Special Attachment No. 8 (“Tax Clearance Certificate”)
- Special Attachment No. 10 (“Policy Regarding Sexual Harassment”)

**Contract Terms and Conditions**

A standard KDOT agreement for engineering and technical services will be used for this project. Special attachments for the Kansas “Tax Clearance Certificate,” the “Certification of Final Indirect Costs,” and the Special Attachment No. 10 (“Policy Regarding Sexual Harassment”) will also eventually become attachments to the contract.

Questions about this RFP shall be sent by email to KDOT at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

Department of Transportation

Notice to Consulting Firms

The Kansas Department of Transportation (KDOT) is seeking a consulting firm pre-qualified in a Category 221 Non-Standard Span Bridge Design or Category 222 Standard Span Bridge Design for the project listed below. A PDF (2Mb maximum size) of the interest response must be emailed to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Interest and experience responses are limited to four pages, the subject line of the reply email and the PDF file name must read “KDOT Project Manager Consultant\_FIRM NAME.” The letter of interest is required and must be received by 12:00 p.m. April 3, 2020 for the consulting firm to be considered.

**Background and Purpose of Project**

The Kansas DOT is seeking consultant services to perform the duties of Project Manager Consultant (PMC) for approximately twenty bridge replacement projects and three bridge removal projects to be let for construction in State Fiscal Year 2023 (July 2022 to June 2023). All projects were initially scoped as part of the KDOT T-Works program and eventually made inactive due to funding shortages. All projects have an initial baseline survey completed and preliminary scope determined; no preliminary engineering has been performed. The following table provides some information for each bridge project:

The consultant selected as PMC will be required to perform the below services, at minimum, on behalf of KDOT and will not be eligible for the design contracts for any of these projects. Frequent travel to/from Topeka is anticipated. Partial or full co-location at KDOT headquarters in Topeka may be negotiated upon selection.

#### Scoping Phase

- Validate KDOT's preliminary scope and budget for each project (planning level)
- Develop full project schedule for each project
- Determine design criteria based on existing KDOT policies
- Develop request for proposals for consulting services for each project
- Consult with KDOT Program and Project Management regarding changes to scope/schedule/budget.
- Attend Program Review Committee and Production Control meetings

#### Preliminary Design Phase

- Develop manhour estimate for design consultant services
- Communicate and coordinate scope and schedule to design consultants (selected by KDOT) for each project.
- Track progress for each project and report to KDOT
- Technical review of design submittals (M&R plans, Field Check Plans and other project milestones) for general conformance to KDOT criteria, standards and policies.
- Coordinate and run combined Road/Bridge Field Check.
- Upload plans required milestone documentation to KDOT Projectwise
- Consult with KDOT Program and Project Management regarding changes to scope/schedule/budget.
- Attend Program Review Committee and Production Control meetings

#### Final Design Phase

- Develop manhour estimate for design consultant services
- Coordinate, prepare and submit documentation for post Field Check Submittals, including but not limited to:
  - Field Check memo
  - Plans for right-of-way
  - Plans for utility coordination (if necessary)
  - Plans for railroad coordination (if necessary)
  - Geology/geotechnical engineering requests
  - Environmental submittals
  - Plans for traffic engineering
- Track progress for each project and report to KDOT
- Technical review of design submittals (plans for traffic, office check, PS&E, probable estimate of cost) for general conformance to KDOT criteria, standards and policies.
- Upload required Field Check documentation to KDOT Projectwise
- Consult with KDOT Program and Project Management regarding changes to scope/schedule/budget.
- Attend Program Review Committee and Production Control meetings

#### Construction Phase

- Develop manhour estimate for design consultant services
- Attend and provide documentation at prebid and preconstruction conferences
- Disperse construction documents (RFI, shop drawings, etc.) from KDOT staff to design consultants for necessary review and responses.
- Transmit and store approved shop drawings on behalf of KDOT
- Monitor and track revised plans performed by design consultants, including final submittal and storage of plans according to KDOT policies.

#### Instructions for LOI

The main text of consultant's Letter of Interest (LOI) must not exceed four (4) pages to address the topics listed below. LOIs shall address and include the following items:

- Project manager/engineer in charge.
- Provide name(s), qualifications, education, training, and expertise as well as prior relevant experience of consultant personnel intended to perform Services.

#### Qualifications-Based Selection Process

No cost or pricing information shall be submitted with the LOI and will not be considered in the selection process to shortlist or rank proposals. Based on the qualifications submitted in the LOI and other information available to KDOT, on or about April 8, 2020 KDOT will shortlist three to five firms and notify all firms submitting LOIs of the names of the shortlisted firms by return email. Thereafter, KDOT will issue a Request for Proposal (RFP) to the shortlisted firms soliciting a technical proposal. At KDOT's option, shortlisted firms may be interviewed by telephone conference call or asked to attend meetings or participate in other discussions with KDOT. Technical proposals will be evaluated on the basis of the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, and third: 1) demonstrated knowledge of KDOT design workflow, standards, and policies; 2) experience and expertise of staff designated for technical reviews; 3) ability to organize, monitor, and communicate project schedules; and 4) past performance history. The highest ranked firm will be asked to enter into negotiations with KDOT for a contract, with compensation provisions for payment of actual direct costs plus fixed fee, subject to an upper limit of compensation. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

The firm's accounting systems must have the following capabilities before the firm may be awarded a contract:

- Valid, reliable, and current costs must be available within the system to support actual costs and pricing data.
- Capability to provide a means of measuring the reasonableness of incurred costs.
- Capability to identify and accumulate allowable

*(continued)*

costs by contract or project records which will reconcile with the general ledger.

- Ability to provide supporting documentation of actual expenditures for each billing, based on costs.

Questions may be submitted at [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov).

#### Scope of Services to be Performed

Consultant shall complete the following tasks and produce the deliverables described below:

- Survey the project including establishing a local baseline for the project and providing topography from the edge of the pavement to a 40' offset.
- Attend a site visit/field check for the project
- Evaluate project using KDOT's 3R criteria and document the summary of findings on KDOT's 3R matrix
- Evaluate the safety improvements needed at each guardrail site, from removing and upgrading to MGS guardrail and regrading of the guardrail pad, to removing guardrail while moving obstacles outside of clear zone.
- Provide proposed guardrail layout sheets
- Provide cross sections sheets, as needed
- Provide details for upgrading bridge rail ends to accommodate MGS guardrail, if necessary
- Determine existing pavement slopes and compare with KDOT's 3R criteria, and correct super elevations on curves
- Compute quantities associated with proposed safety improvements
- Include appropriate standard drawings
- Provide cost estimate
- Provide milestone submittals as needed (PLROW, UTILP)

#### Projects

The following four projects will be awarded to one consultant and have a Spring 2021 letting:

- 4-89 KA-5483-02 – K-4: Beginning at east junction I-70/K-4 thence east to 0.271 miles north of junction U.S. 40/K-4

### Request for Proposals

#### Background and Purpose of Project

The Kansas Department of Transportation (KDOT) is seeking a consultant to provide construction inspection services for projects 160-39 KA 5352-01, 15-18 KA 5350-01, and 16-96 KA 5351-01. The projects are located on U.S. 160 in Harper County, beginning at the east city limits of Harper thence east to the Harper/Sumner County line; K-15 in Cowley County, beginning at the east city limits of Udall thence north to the Cowley/Sumner County line; K-15 in Sumner County, beginning at the Cowley/Sumner County line thence north to the Sumner/Sedgwick County line.

#### Schedule/Deadlines

Requests for Proposals (RFPs) are due on or before 12:00 p.m. (CST) March 27, 2020, to be delivered via email to [kdot.designcontracts@ks.gov](mailto:kdot.designcontracts@ks.gov). Evaluation and ranking of submissions will occur on or about April 10, 2020, after which time all firms that submitted will be notified of the ranking. Negotiations with the most highly ranked firm to commence on or about April 17, 2020. An agreement should be in place on or about May 13, 2020. The contractor should start around the end of May 2020.

#### Scope of Services to be Performed

KDOT will provide the all project staff except the HMA plant inspector. The plant inspector must be capable and possess the required certifications to inspect and test all plant work on the project, which includes CMS or AASH-TOWare data entry, and final paperwork, etc. KDOT will provide testing equipment for the HMA plant, which the plant inspector must pick up and set up. Construction has 25 working days on the U.S. 160 project and 25 working days on the tied K-15 projects and then cleanup time.

#### Instructions for Letter of Interest

No costs shall be contained in the RFP. The RFP must not exceed four (4) pages total (including any cover letter, index, etc.) and 2MB to address the pertinent topics. RFPs submitted will consist of the technical proposal and a completed and signed Special Attachment No. 7 (“Certificate of Final Indirect Costs”), a completed and signed Special Attachment No. 8 (“Tax Clearance Certificate”), and a signed Special Attachment No. 10 (“Policy Regarding Sexual Harassment”). Completed Special Attachments do not count against the four-page technical proposal submission. All these forms are attached to the original email announcement.

RFPs shall indicate the consultant’s ability to meet the project inspection needs described above. RFPs shall describe any processes or procedures, including best practices, that will be used to perform tasks and to produce the desired results described above under “Scope of Services to be Performed.” The RFP shall also include items such as:

- Project HMA plant inspector
- History of providing inspection services on similar projects
- Availability of staff
- Familiarity with KDOT standards and specifications
- Any subconsultant and their role in performing the services on the project
- Names, certifications, and experience of all inspectors that will be assigned to the project

#### Evaluation Factors

RFPs will be evaluated based on the factors listed below, evenly weighted, to rank the most qualified firm in order of preference as first, second, third, etc. Evaluation factors include:

1. Employee names (one full-time project HMA plant inspector), certifications, and qualifications proposed for services;
2. Proximity of inspectors to project;
3. Past performance history on similar projects (list project numbers) for KDOT;
4. Types of direct expenses anticipated (lodging, mileage, etc.);

The highest ranked firm will be asked to enter into negotiations with KDOT for an agreement. In the event KDOT cannot reach agreement with the highest ranked firm, it will terminate negotiations with such firm and commence negotiations with the next highest ranked firm, and so on, until either agreement is reached for a satisfactory scope of services for a fair and reasonable price, or KDOT decides to pursue other alternatives.

**Kansas Development Finance Authority**

**Notice of Hearing**

A public hearing will be conducted at 9:00 a.m. Friday, April 3, 2020, in the offices of the Kansas Development Finance Authority (KDFA), 534 S. Kansas Ave., Suite 800, Topeka, on the proposal for the KDFA to issue its Agricultural Development Revenue Bond for the project numbered below in the respective maximum principal amount. The bond will be issued to assist the borrower named below (who will be the owner and operator of the project) to finance the cost in the amount of the bond,

which is then typically purchased by a lender bank who then, through the KDFA, loans the bond proceeds to the borrower for the purposes of acquiring the project. The project shall be located as shown:

**Project No. 001058 Maximum Principal Amount: \$137,500.** Owner/Operator: Michael S. and Keelie J. Welch; Description: Acquisition of 80 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Michael S. and Keelie J. Welch (the "Beginning Farmer") and is located at Section 23, Haddam Township, Washington County, Kansas, approximately 1 mile north of Haddam, Kansas on Deer Road, then ½ mile east on 21st Road.

The bond, when issued, will be a limited obligation of the KDFA and will not constitute a general obligation or indebtedness of the state of Kansas or any political subdivision thereof, including the KDFA, nor will it be an indebtedness for which the faith and credit and taxing powers of the state of Kansas are pledged. The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the KDFA at its offices at 534 S. Kansas Ave., Suite 800, Topeka, 66603, will be considered. Additional information regarding the project may be obtained by contacting the KDFA.

#### Notice of Hearing on Proposed Administrative Regulation

The Kansas Department of Health and Environment (KDHE) and the Kansas Department on Aging and Disability Services (KDADS) will conduct a public hearing at 9:00 a.m. Thursday, May 21, 2020, in the Basement Conference Room, New England Building, 503 S. Kansas Ave., Topeka, KS 66603, to consider the adoption of proposed amendments to K.A.R. 129-10-31 concerning the Quality Care Assessments for beds in a skilled nursing care facility.

The proposed amendment to K.A.R. 129-10-31 would increase the annual assessment to \$818 per bed for facilities identified by K.A.R. 129-10-31 (b)(1) and to \$4,908 per bed for facilities identified by K.A.R. 129-10-31 (b) (2). Amending the regulation will not change the Quality Care Assessment program for either providers of nursing facility services or any other government agencies. The proposed changes align the Quality Care Assessment rates referenced in the regulation with the rates stated in K.S.A. 75-7435. The economic impact statement is available from the agency contact person listed below.

The time period between the publication of this notice and the scheduled hearing constitutes a 60-day public comment period for the purpose of receiving written public comments on the proposed regulation. All interested parties may submit written comments prior to 5:00 p.m. on the day of the hearing to Stephanie Volle, Kansas Department on Aging and Disability Services, 503 S. Kansas Ave., Topeka, KS 66603 or by email to [stephanie.volle1@ks.gov](mailto:stephanie.volle1@ks.gov). During the hearing, all interested parties will be given a reasonable opportunity to present their views orally on the proposed regulation as well as an opportunity to submit their written comments. It is requested that each individual giving oral comments also provide a written copy for the record. In order to give each individual an opportunity to present their views, it may be necessary for the hearing officer to request that each presenter limit an oral presentation to an appropriate time frame.

Complete copies of the proposed regulation and corresponding economic impact statement may be obtained by contacting Stephanie Volle at 785-296-0270 or [stephanie.volle1@ks.gov](mailto:stephanie.volle1@ks.gov). Questions pertaining to the proposed regulations should be directed to the agency contact person using the contact information above.

Any individual with a disability may request accommodation in order to participate in the public hearing and may request the proposed regulation and economic impact statement in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by contacting Stephanie Volle at 785-296-0270 or [stephanie.volle1@ks.gov](mailto:stephanie.volle1@ks.gov).
