### Department of Transportation

#### Notice to Contractors

Electronic copies of the letting proposals and plans are available on the Kansas Department of Transportation (KDOT) website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "Non-Bid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The Secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation Standard Specifications for State Road and Bridge Construction.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. (CST) April 22, 2020. Each bidder shall certify that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid nonresponsive and not eligible for award consideration.

**Office of the Governor**

**Executive Order No. 20-16  
Establishing a Statewide “Stay Home” Order in  
Conjunction with the Kansas Essential Function  
Framework for COVID-19 Response Efforts**

**WHEREAS**, securing the health, safety, and economic well-being of residents of the State of Kansas is this Administration’s top priority;

**WHEREAS**, Kansas is facing a crisis—the pandemic and public health emergency of COVID-19—resulting in illness, quarantines, school closures, and temporary closure of businesses resulting in lost wages and financial hardship to Kansas citizens;

**WHEREAS**, the United States Department of Health and Human Services declared a public health emergency for COVID-19 beginning January 27, 2020, with now more than 105,000 cases of the illness and more than 1,700 deaths as a result of the illness across the United States;

**WHEREAS**, the World Health Organization declared a pandemic on March 11, 2020;

**WHEREAS**, a State of Disaster Emergency was proclaimed for the State of Kansas on March 12, 2020;

**WHEREAS**, on March 13, 2020, the President of the United States declared the ongoing COVID-19 a pandemic of sufficient severity and magnitude to warrant an emergency declaration for all states, tribes, territories, and the District of Columbia pursuant to Section 501 (b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5207 (the “Stafford Act”);

**WHEREAS**, on March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50 U.S.C. § 1601, et seq. and consistent with Section 1135 of the Social Security Act, as amended (42 U.S.C. § 1320b-5), declared a national emergency that the COVID-19 outbreak in the United States constitutes a national emergency beginning March 1, 2020;

**WHEREAS**, as of this date, there have been 202 reported positive cases of COVID-19 in Kansas spread among 31 counties;

*(continued)*

**WHEREAS**, in order to mitigate the spread of COVID-19, health officials in several Kansas counties have issued differing “stay home” orders directing citizens to remain in their homes except to conduct essential activities;

**WHEREAS**, the continued spread of COVID-19 throughout Kansas and the potential for further spread in the days and weeks ahead threatens local health care systems with overload of hospital beds, personal protective equipment, testing and treatment supplies, and other critical resources for responding to the COVID-19 pandemic;

**WHEREAS**, in order to create uniformity in the state of Kansas, a state-wide order is necessary;

**WHEREAS**, consistent exemptions for certain essential functions is critical to the ability of government entities and private enterprises to work together to slow the spread of COVID-19 and mitigate its effects;

**WHEREAS**, seeking shelter in our homes is shown to be the most effective way to reduce the spread of this infectious disease and Kansas residents will be most safe in their homes;

**WHEREAS**, where it becomes necessary for local health officials to limit citizens’ ability to leave their homes, it remains critical to the COVID-19 pandemic response that a uniform “stay home” order and framework for essential functions exists to secure the safety and protection of the civilian population; and

**WHEREAS**, in these challenging times this Administration will do whatever it can to avoid immediate dangers to the health, safety, and welfare of Kansans, including providing guidance and support for local authorities who are making difficult and important decisions to protect the health and safety of their populations, as well as certainty to the broader population that essential functions will not be interrupted.

**NOW, THEREFORE**, pursuant to the authority vested in me as Governor of the State of Kansas, including the authority granted me by K.S.A 48-924 and K.S.A 48-925, in order to slow the spread of COVID-19 I hereby direct and order the following:

1. To preserve the public health and safety for all Kansans, and to ensure the healthcare system is capable of serving all citizens in need, especially those at high risk and vulnerable to COVID-19, all individuals within the state of Kansas are directed to stay in their homes or residences unless performing an essential activity. An activity is essential if the purpose of the activity is one of the following:
  - a. Obtaining food, medicine, and other household necessities;
  - b. Performing, or going to or from work at a business or organization to perform, an essential function as identified in the Kansas Essential Function Framework (“KEFF”) as laid out in paragraph 9 below;
  - c. Seeking medical care;
  - d. Caring for children (including daycare or child-care centers), family members, or pets, or caring for a vulnerable person in another location;
  - e. Engaging in an outdoor activity, provided individuals maintain a distance of six feet from one another and abide by the 10-person limitation on gathering size.
  - f. Nothing in this order or any other executive order, including Executive Order 20-14, prevents families from gathering privately.
2. Nothing in this order shall restrict, limit, or supersede the Secretary of Health and Environment’s authority to make isolation, quarantine, or other orders restricting movement as necessary to respond to escalating or worsening conditions in any local jurisdiction.
3. Nothing in this order shall prohibit the conduct of business, government, or other operations or activities through telework, telecommunications, or other work-from-home capabilities that allow compliance with the requirements of paragraph 1. Travel to and from work to pick up equipment or supplies needed for telework or other work-from-home capabilities is allowed so long as employees and employers follow appropriate safety protocols, including maintaining a six-foot distance between individuals and following other directives regarding social distancing, hygiene, and other efforts to slow the spread of COVID-19
4. This order should be read in conjunction with previous executive orders responding to the COVID-19 pandemic. Any contrary provision in previous executive orders, including Executive Order 20-15 (“Establishing the Kansas Essential Functions Framework for COVID-19 response efforts”), is superseded by this order.
5. While this order is in effect it supersedes all local “stay home” or similar orders prohibiting citizens from leaving their homes in order to slow the spread of COVID-19 and no such order shall continue in force or effect. Any local “stay home” or similar orders currently in effect that expire after the date this order expires or is rescinded may resume in force and effect after this order expires or is rescinded. While this order is in effect no local jurisdiction shall issue or enforce any more or less restrictive “stay home” or similar orders. Local authorities retain any authority to issue or enforce isolation or quarantine orders.
6. KEFF is a framework for identifying and continuing essential functions that must remain operational to maintain critical services and infrastructure during the COVID-19 pandemic.
7. KEFF was developed with reference to United States Department of Homeland Security critical function guidelines established for pandemic and other disaster response efforts.
8. KEFF focuses on four functional areas: *Connect, Distribute, Manage, and Supply*. KEFF organizes each area into a taxonomy so that each function can be easily referenced.
9. The KEFF essential functions listed below are exempt from the prohibitions in this order, subject to the following provisions:

- a. No individual leaving their home in order perform an activity or function allowed under this order shall be required to carry or present any letter, identification card, or other paper proving that they are allowed to leave their home. Law enforcement officers enforcing this order should use their discretion and consider the totality of the circumstances as they determine appropriate enforcement action.
- b. No prior approval is required for individuals or entities to perform essential functions listed in the KEFF below. Individuals or entities who are uncertain whether they perform functions exempted from the prohibitions of this order may email KEFF@ks.gov to determine whether their functions are deemed essential.
- c. All individuals performing essential functions authorized by this order must—to the extent possible without significant disruption to essential functions—use telework capabilities to avoid meeting in person; and any essential functions being performed on-site or in-person must—to the extent possible without significant disruption to essential functions—follow appropriate safety protocols, including maintaining a six-foot distance between individuals and following other directives regarding social distancing, hygiene, and other efforts to slow the spread of COVID-19.

A public hearing will be conducted at 9:00 a.m. Friday, April 17, 2020, in the offices of the Kansas Development Finance Authority (K DFA), 534 S. The project shall be located as shown:

The bond will be payable solely from amounts received from the respective borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on the bond when it becomes due.

All individuals who appear at the hearing will be given an opportunity to express their views concerning the proposal to issue the bond to finance the project, and all written comments previously filed with the K DFA at its offices at 534 S. **State of Kansas****Attorney General****Temporary Administrative Regulation****Article 20.—Kansas Open Meetings Act**

**16-20-1. Compliance with the Kansas open meetings act during an emergency declaration.** (a) This regulation shall be in effect only as follows:

(1) During a state of disaster emergency lawfully declared by the governor pursuant to K.S.A. 48-924(a) through (c), and amendments thereto, or other emergency declaration lawfully declared pursuant to applicable emergency-powers provisions of local, state, or federal law;

(2) in the territory affected by any such declaration; and

(3) to the extent that emergency responses required pursuant to any such declaration prevent or impede the ability of any of the following:

(A) Members of a public body or agency subject to the Kansas open meetings act, K.S.A. 75-4317 et seq. and amendments thereto, to conduct meetings by physically gathering in person;

(B) members of the public to attend or observe public meetings by physically attending the meetings; or

(C) a combination of both paragraph (a)(3)(A) and paragraph (a)(3)(B).

(b) All requirements of the Kansas open meetings act, K.S.A. 75-4317 et seq. and amendments thereto, shall remain in force and effect during any emergency declared as described in paragraph (a)(1) unless expressly suspended by order of the governor pursuant to K.S.A. 48-925(c)(1), and amendments thereto, or other applicable provision of K.S.A. 48-925, and amendments thereto. No

order of the governor shall be construed to suspend any requirement of the Kansas open meetings act, unless the order meets the following conditions:

(1) Expressly cites and invokes K.S.A. 48-925(c)(1), and amendments thereto, and any other specific provision of K.S.A. 48-925, and amendments thereto, from which the order draws authority;

(2) expressly references the Kansas open meetings act and the specific provisions thereof that the governor intends to suspend during the state of disaster emergency; and

(3) makes plain and unequivocal the intent of the governor to suspend any such requirement.

(c) Any public body or agency may comply with the requirement of K.S.A. 75-4318(a), and amendments thereto, that a meeting be "open to the public" through the use of a telephone or other medium for interactive communication if the requirements of subsection (e) are met.

(d) As used in this regulation, "medium for interactive communication" shall include teleconference, video-conference, internet conference, television broadcast, or any other method that permits the public to listen to the meeting and also to observe the meeting if the method allows for visual observation.

(e) Each public body or agency conducting an open meeting utilizing solely a telephone or another medium of interactive communication rather than by members the body or agency gathering in person at a physical location shall meet the following requirements:

(1) Use a medium of interactive communication that, at a minimum, allows members of the public, without cost, to listen to the meeting and, if available, also allows video observation of the meeting;

(2) comply with all requirements of the Kansas open meetings act, except any temporarily suspended by the governor as provided by subsection (b), including requirements for notice;

(3) if the medium for interactive communication allows, provide an alternative means to access the meeting for members of the public who do not have internet access that also complies with the requirements issued pursuant to any emergency declaration;

(4) provide directions describing how members of the public will be able to electronically access, listen to, or observe the open meeting;

(5) require each member of the public body or agency, staff, or presenter to state the individual's name and title, if any, each time the individual begins speaking or voting so that the individual can be readily identified by remote listeners or observers;

(6) require all participants to ensure that microphones, phones, or other electronic devices are muted when the participants are not speaking so that the ability of remote listeners or observers to hear the proceedings is not unnecessarily impeded;

(7) describe at the beginning of the meeting whether public comment will be allowed and what process will be used to identify any individual who wishes to comment, if permitted;

(8) describe at the beginning of the meeting the process that will be used for a closed or executive meeting pursuant to K.S.A. 75-4319, and amendments thereto;

(9) before any meeting, provide electronic or paper copies of an agenda, if any, to any individual requesting the agenda;

(10) clearly state each motion before the public body votes and announce the results of the final vote; and

(11) clearly identify and authorize by delegation each member of the public body or staff who will be permitted to sign any binding document for the public body or agency.

(f) To the extent that emergency responses required pursuant to the emergency declaration prevent or impede the ability of the public to physically attend a public meeting, any public body or agency may comply with the requirement of K.S.A. 75-4318(a), and amendments thereto, by meeting in person but limiting physical access of the public to the place where the meeting occurs if the public body or agency meets the following requirements:

(1) Complies with all requirements of the Kansas open meetings act, except any requirements suspended by the governor as provided by subsection (b), including requirements for notice;

(2)(A) Broadcasts the meeting live on television or the internet;

(B) provides members of the public with the ability to access the meeting by telephone without cost; or

(C) uses any other method other than the methods specified in paragraphs (f)(2)(A) and (B) that permits the public to listen to or observe the meeting without cost;

(3) provides directions describing how members of the public will be able to electronically access, listen to, or observe the open meeting;

(4) requires each member of the public body or agency, staff, or presenter to state the individual's name and title, if any, each time the individual begins speaking or voting so that the individual can be readily identified by remote listeners or observers;

(5) describes at the beginning of the meeting whether public comment will be allowed and what process will be used to identify any individual who wishes to comment, if permitted;

(6) describes at the beginning of the meeting the process that will be used for a closed or executive meeting pursuant to K.S.A. 75-4319, and amendments thereto;

(7) before any meeting, provides electronic or paper copies of an agenda, if any, to any individual requesting the agenda;

(8) states each motion before the public body votes and announces the results of the final vote; and

(9) identifies and authorizes by delegation each member of the public body or staff who will be permitted to sign any binding document for any public body or agency.

(g) Nothing in this regulation shall require any public body or agency to provide members of the public with the opportunity for public comment. (Authorized by K.S.A. 75-762; implementing K.S.A. 75-4317 and 75-4318; effective, T-16-3-25-20, March 25, 2020.)
