Executive Order No. 20-17

Temporary relief from certain unemployment insurance requirements in response to the COVID-19 pandemic

WHEREAS, securing the health, safety, and economic well-being of residents of the State of Kansas is this Administration's top priority;

WHEREAS, Kansas is facing a crisis—the pandemic and public health emergency of COVID-19—resulting in illness, quarantines, school closures, and temporary closure of businesses resulting in lost wages and financial hardship to Kansas citizens;

WHEREAS, the United States Department of Health and Human Services declared a public health emergency for COVID-19 beginning January 27, 2020, with now more than 140,000 cases of the illness and more than 2,500 deaths as a result of the illness across the United States;

WHEREAS, the World Health Organization declared a pandemic on March 11, 2020;

WHEREAS, a State of Disaster Emergency was proclaimed for the State of Kansas on March 12, 2020;

(continued)

WHEREAS, on March 13, 2020, the President of the United States declared the ongoing COVID-19 a pandemic of sufficient severity and magnitude to warrant an emergency declaration for all states, tribes, territories, and the District of Columbia pursuant to Section 501(b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5207 (the "Stafford Act");

WHEREAS, on March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50 U.S.C. §§ 1601, et seq. and consistent with Section 1135 of the Social Security Act, as amended (42 U.S.C. § 1320b-5), declared a national emergency that the COVID-19 outbreak in the United States constitutes a national emergency beginning March 1, 2020;

WHEREAS, as of this date, there have been 368 reported positive cases of COVID-19 in Kansas spread among 37 counties;

WHEREAS, the COVID-19 pandemic threatens the stability of local, state, national, and global economies, with the potential to cause layoffs, furloughs, and significant decreases in pay;

WHEREAS, the public policy of Kansas, as expressed in K.S.A. 44-702, is that economic insecurity due to unemployment is a serious menace to the health, morals, and welfare of the people of Kansas;

WHEREAS, involuntary unemployment of the type occurring because of the COVID-19 pandemic places a serious burden upon not only the unemployed individual but also his or her family and their ongoing wellbeing;

WHEREAS, Kansas is committed to maintaining and strengthening access to unemployment insurance during the COVID-19 pandemic in particular because during this time any financial insecurity for those experiencing unemployment can easily and quickly lead to problems maintaining shelter, buying medicine and food, or caring for vulnerable family members, and such problems present additional public health threats to the health care system and to the state's ability to respond to the COVID-19 pandemic;

WHEREAS, emergency administrative funding for unemployment insurance, authorized under the Families First Coronavirus Response Act (Pub. L. 116-127) signed into law by the President on March 18, 2020, requires the State to, among other things, mandate that employers provide notice to employees of the potential availability of unemployment insurance benefits and requires Kansas to ease current eligibility restrictions on unemployment benefits, including waiving the one-week waiting period and modifying or suspending work search requirements for those impacted by COVID-19 as a condition of receiving the additional administrative funds;

WHEREAS, strict compliance with certain Kansas employment security laws would prevent, hinder, or delay necessary action in coping with the COVID-19 pandemic;

WHEREAS, flexibility with the eligibility and certain other requirements of the employment security law would promote and secure the safety and protection of Kansans during the COVID-19 pandemic;

WHEREAS, this Administration will do whatever it can to assist Kansans in these challenging times included providing temporary relief from certain unemployment insurance requirements during the COVID-19 pandemic; and

WHEREAS, in these challenging times this Administration will do whatever it can to avoid immediate dangers to the health, safety, and welfare of Kansans, including providing greater access to unemployment benefits.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, including the authority granted me by K.S.A. 48-924 and K.S.A. 48-925, in order to mitigate the effects of COVID-19 I hereby direct and order the following:

1. All employers operating in Kansas are required to provide notification of the potential availability of unemployment insurance benefits to employees at the time of separation from employment. Such notification shall be in compliance with requirements established by the Secretary of Labor.
2. The waiting week requirement for unemployment benefits, provided for in K.S.A. 44-705(d), is temporarily waived for all claimants.
3. The requirement that claimants for unemployment benefits actively seek work each week, provided for in K.S.A. 44-705(c), is temporarily waived for all claimants.
4. All other laws, regulations, or rules relating to unemployment benefits remain in effect.
5. This order supersedes any contrary order by any local health department regarding unemployment benefits and should be read in conjunction with previous executive orders responding to the COVID-19 pandemic. Any contrary provision in previous orders is superseded by this order.

This document shall be filed with the Secretary of State as Executive Order No. 20-17. It shall become effective immediately and remain in force until rescinded, until May 1, 2020, or until the statewide State of Disaster Emergency proclaimed on March 12, 2020, relating to COVID-19 expires, whichever is earlier. This order may be extended as circumstances dictate.

Sec. 3. K.S.A. 75-7435 is hereby amended to read as follows: 75-7435. (a) As used in this section unless the context requires otherwise:

(1) Words and phrases have the meanings respectively ascribed thereto mean the same as defined by K.S.A. 39-923, and amendments thereto.

(2) "Skilled nursing care facility" means a licensed nursing facility, nursing facility for mental health as defined in K.S.A. 39-923, and amendments thereto, or a hospital long-term care unit licensed by the department of health and environment, providing skilled nursing care, but shall not include the Kansas soldiers' home or the Kansas veterans' home.

(3) "Licensed bed" means those beds within a skilled nursing care facility which that the facility is licensed to operate.

(4) "Agent" means the Kansas department for aging and disability services.

(5) "Continuing care retirement facility" means a facility holding a certificate of registration issued by the commissioner of insurance pursuant to K.S.A. 40-2235, and amendments thereto.

(b) (1) Except as otherwise provided in this section ~~and in subsection (f)~~, there is hereby imposed and the secretary of health and environment shall assess an annual assessment per licensed bed, hereinafter called a quality care assessment, on each skilled nursing care facility. The assessment on all facilities in the aggregate shall be an amount fixed by rules and regulations of the secretary of health and environment, shall not exceed \$4,908 annually per licensed bed, shall be imposed as an amount per licensed bed and shall be imposed uniformly on all skilled nursing care facilities except that the assessment rate for skilled nursing care facilities that are part of a continuing care retirement facility, small skilled nursing care facilities and high medicaid volume skilled nursing care facilities shall not exceed 1% of the actual amount assessed all other skilled nursing care facilities. No rules and regulations of the secretary of health and environment shall grant any exception to or exemption from the quality care assessment. The assessment shall be paid quarterly, with one fourth of the annual amount due by the 30th day after the end of the month of each calendar quarter. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities which that are unable to make quarterly payments when due under this section due to financial difficulties, as determined by the secretary of health and environment. As used in this paragraph, the terms "small skilled nursing care facilities" and "high medicaid volume skilled nursing care facilities" shall have the meanings ascribed thereto be defined by the secretary of health and environment by rules and regulations, except that the definition of "small skilled nursing care facility" shall not be lower fewer than 40 beds.

(2) Beds licensed after July 1 each year shall pay a prorated amount of the applicable annual assessment so that the assessment applies only for the days such new beds are licensed. The proration shall be calculated by multiplying the applicable assessment by the percentage of days the beds are licensed during the year. Any change which that reduces the number of licensed beds in a facility shall not result in a refund being issued to the skilled nursing care facility.

(3) If an entity conducts, operates or maintains more than one licensed skilled nursing care facility, the entity shall pay the nursing facility assessment for each facility separately. No skilled nursing care facility shall create a separate line-item charge for the purpose of passing through the quality care assessment to residents. No skilled nursing care facility shall be guaranteed, expressly or otherwise, that any additional moneys paid to the facility under this section will equal or exceed the amount of its quality care assessment.

(4) The payment of the quality care assessment to the secretary of health and environment shall be an allowable cost for medicaid reimbursement purposes. A rate adjustment pursuant to subsection (d)(5) shall be made effective on the date of imposition of the assessment, to reimburse the portion of this cost imposed on medicaid days.

(5) The secretary of health and environment shall seek a waiver from the United States department of health and human services to allow the state to impose varying levels of assessments on skilled nursing care facilities based on specified criteria. It is the intent of the legislature that the waiver sought by the secretary of health and environment be structured to minimize the negative fiscal impact on certain classes of skilled nursing care facilities.

(c) Each skilled nursing care facility shall prepare and submit to the secretary of health and environment any additional information required and requested by the secretary of health and environment to implement or administer the provisions of this section. Each skilled nursing care facility shall prepare and submit quarterly to the secretary for aging and disability services the rate the facility charges to private pay residents, and the secretary shall cause this information to be posted on the web site of the department for aging and disability services.

(2) All moneys in the quality care fund shall be used to finance initiatives to maintain or improve the quantity and quality of skilled nursing care in skilled nursing care facilities in Kansas. No moneys credited to the quality care fund shall be transferred to or otherwise revert to the state general fund at any time. Notwithstanding the provisions of any other law to the contrary, if any moneys credited to the quality care fund are transferred or otherwise revert to the state general fund, 30 days following the transfer or reversion the quality care assessment shall terminate and the secretary of health and environment shall discontinue the imposition, assessment and collection of the assessment. Upon termination of the assessment, all collected assessment revenues, including the moneys inappropriately transferred or reverting to the state general fund, less any amounts expended by the secretary of health and environment, shall be returned on a pro rata basis to skilled nursing care facilities that paid the assessment.

(3) Any moneys received by the state of Kansas from the federal government as a result of federal financial participation in the state medicaid program that are derived from the quality care assessment shall be deposited in the quality care fund and used to finance actions to maintain or increase healthcare in skilled nursing care facilities.

(4) Moneys in the fund shall be used exclusively for the following purposes:

(5) Any moneys received by a skilled nursing care facility from the quality care fund shall not be expended by any skilled nursing care facility to provide for bonuses or profit-sharing for any officer, employee or parent corporation but may be used to pay to employees who are providing direct care to a resident of such facility.

(6) Adjustment payments may be paid quarterly or within the daily medicaid rate to reimburse covered medicaid expenditures in the aggregate within the upper payment limits.

(7) On or before the 10th day of each month, the director of accounts and reports shall transfer from the state general fund to the quality care fund interest earnings based on:

(A) The average daily balance of moneys in the quality care fund for the preceding month; and

(B) the net earnings rate of the pooled money investment portfolio for the preceding month.

(e) If a skilled nursing care facility fails to pay the full amount of the quality care assessment imposed pursuant to subsection (b), when due and payable, including any extensions of time granted under that subsection, the secretary of health and environment shall assess a penalty in the amount of the lesser of \$500 per day or 2% of the qual-

ity care assessment owed for each day the assessment is delinquent. The secretary of health and environment is authorized to establish delayed payment schedules for skilled nursing care facilities that are unable to make installment payments when due under this section because of financial difficulties, as determined by the secretary of health and environment.

(f) (1) The secretary of health and environment shall assess and collect quality care assessments imposed pursuant to subsection (b), including any penalty assessments imposed thereon pursuant to subsection (e), from skilled nursing care facilities on and after July 1, 2010, except that no assessments or penalties shall be assessed under subsections (a) through (h) until:

(B) the skilled nursing care facilities have been compensated retroactively within 60 days after state plan approval at the increased rate for services provided pursuant to the federal medicaid program for the period commencing on and after July 1, 2010.

(2) The secretary of health and environment shall implement and administer the provisions of subsections (a) through (h) in a manner consistent with applicable federal medicaid laws and regulations. The secretary of health and environment shall seek any necessary approvals by the federal government that are required for the implementation of subsections (a) through (h).

(C) any funds are utilized to supplant funding for skilled nursing care facilities as required by subsection (g);

(D) any funds are diverted from those purposes set forth in subsection (d)(4); or

(E) upon the governor signing, or allowing to become law without signature, legislation ~~which that~~, by proviso or otherwise, directs any funds from those purposes set forth in subsection (d)(4) or ~~which that~~ would propose to suspend the operation of this section.

(g) On and after July 1, 2010, reimbursement rates for skilled nursing care facilities shall be restored to those in effect during December 2009. No funds generated by the assessments or federal funds generated therefrom shall be utilized for such restoration, but such funds may be used to restore the rate reduction in effect from January 1, 2010, to June 30, 2010.

(h) Rates of reimbursement shall not be limited by private pay charges.

(i) If the provisions of subsections (a) through (h) are repealed, expire or become null and void and have no further force and effect, all moneys in the quality care fund ~~which that~~ were paid under the provisions of subsections (a) through (h) shall be returned to the skilled nursing care facilities ~~which that~~ paid such moneys on the basis on which such payments were assessed and paid pursuant to subsections (a) through (h).
