(e) (1) The department shall require, as a qualification for initial or continuing licensure, all individuals seeking a license or license renewal as a hemp producer under this section to be fingerprinted and to submit to a state and national criminal history record check. The fingerprints shall be used to identify the individual and to determine whether the individ-
ual has a record of criminal history in this state or any other jurisdiction. The department is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. The department may use the information obtained from fingerprinting and the criminal history record check for purposes of verifying the identification of the individual and for making an official determination of the qualifications for initial or continuing licensure as a hemp producer pursuant to this section and rules and regulations promulgated hereunder. Disclosure or use of any information received by the department for any purpose other than the purposes provided for in the commercial industrial hemp act shall be a class A misdemeanor and shall constitute grounds for removal from office or termination of employment.

(2) An individual who has been convicted of a felony violation of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, or a substantially similar offense in another jurisdiction, within the immediately preceding 10 years, shall be disqualified from initial or continuing licensure as a hemp producer under this section.

(3) The Kansas bureau of investigation may charge a reasonable fee for conducting a criminal history record check.

(4) The individual seeking a license or license renewal as a hemp producer under this section shall pay the costs of fingerprinting and the state and national criminal history record checks.

(f) The secretary of agriculture shall promulgate rules and regulations to implement the plan submitted to the United States department of agriculture and to otherwise effectuate the provisions of this section.

(g) Upon the repeal of 7 U.S.C. § 5940 or either the adoption of a federal plan by the United States department of agriculture that allows for the cultivation and production of industrial hemp for commercial purposes within the state or upon the adoption of rules and regulations by the Kansas secretary of agriculture that establish the cultivation and production of industrial hemp for commercial purposes within the state, the Kansas department of agriculture may discontinue the industrial hemp research program established pursuant to K.S.A. 2021 Supp. 2-3902, and amendments thereto.

(h) Any modification fee established by the department for any requested change to a license that was previously issued by the department under this section shall not exceed $50.

(i) Any licensing or other fees collected pursuant to this section and any rules and regulations adopted hereunder shall be deposited in the commercial industrial hemp act licensing fee fund established by K.S.A. 2021 Supp. 2-3903, and amendments thereto, for all costs of the administration of the commercial production of industrial hemp.

CHAPTER 70

HOUSE BILL No. 2703

AN ACT concerning employment; relating to the employment security law; employment security fund; employer contribution rates; revising the definition of employment for conformity with federal law; making changes to the my reemployment plan program including making the program mandatory with specified exceptions; providing that the secretary of labor is to request that claimants create resumes in the Kansasworks system and that the secretary of commerce shall provide assistance to claimants through Kansasworks and may require claimants to participate in reemployment services; providing claimants with additional time to respond; enacting the Kansas targeted employment act to facilitate employment of persons with developmental disabilities through a tax credit incentive for employers; amending K.S.A. 44-703, 44-710a and 44-775 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. The provisions of sections 1 through 6, and amendments thereto, shall be known and may be cited as the Kansas targeted employment act. The purpose of this act shall be to incentivize employers to employ persons with developmental disabilities in Kansas and decrease the reliance and associated costs to taxpayers to fund governmental programs.

New Sec. 2. As used in this act:

(a) “Competitive integrated employment” has the meaning as provided in the workforce innovation and opportunity act, 29 U.S.C. § 3101 et seq., as defined in 29 U.S.C. § 3102, 34 C.F.R. § 361.5 and 29 U.S.C. § 705.

(b) “Community service provider” means an association or organization licensed by the Kansas department for aging and disability services whose purpose is to provide support and services, relating to the ability to live and to work in the community, to persons who, without such support and services, would be unable or would have significant difficulty maintaining employment or living in the community. “Community service provider” also includes other governmental agencies that support or that elect to support eligible individuals with job placement and job preservation supports including, but not limited to, school districts, community mental health centers and vocational rehabilitation contractors.

(c) “Earned income” means compensation paid to a Kansas employee for competitive integrated employment that is equal or greater than the minimum wage and is performed in a competitive integrated setting.

(d) “Eligible individual” means an individual, including a high school student, who is a Kansas resident, is employed by an employer in a competitive integrated setting, has a developmental disability that has been documented as required by the secretary for aging and disability services and who has agreed to provide the secretary for aging and disability services, or the secretary’s designee, information required by the secretary
pursuant to the Kansas targeted employment act, or to permit the secretary of revenue to provide such information to the secretary for aging and disability services.

(e) “Developmental disability” means the same as defined in K.S.A. 39-1803, and amendments thereto.

(f) “Targeted employment business” means those employers employing eligible individuals in competitive integrated employment in a competitive integrated setting and who are authorized to do business in Kansas. In order to qualify as a “targeted employment business,” the employer must pay earned income to an eligible individual in a calendar year. “Targeted employment business” does not include a community service provider.

New Sec. 3. For tax years 2022 through 2027, a credit shall be allowed against the income, privilege or premium tax liability imposed upon a taxpayer qualifying as a targeted employment business or a taxpayer outsourcing work to a targeted employment business pursuant to the Kansas income tax act, the privilege tax imposed upon any national banking association, state bank, trust company or savings and loan association pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, or the premiums tax and privilege fees imposed upon an insurance company pursuant to K.S.A. 40-252, and amendments thereto, for every hour that an eligible individual is employed in a calendar year in a targeted employment business and receives earned income as compensation. The credit shall only apply to wages for hours worked and not for any compensation for leave paid to the eligible individual. The credit shall be 50% of the wages paid to the eligible individual on an hourly basis, up to a maximum credit of $7.50 per hour. For the purpose of calculating the tax credit, the wage rate used shall not be more than a reasonable or usual and customary market wage rate for a similar job. The credit shall not be refundable, shall not be carried forward and shall only be used once each taxable year against tax liability imposed by only one of the income, privilege or premium taxes. For any employed eligible individual who receives support or services from a community service provider, such eligible individual may choose to have support or services provided as needed at the individual’s worksite to help the individual maintain employment. The maximum amount of all tax credits allowed in each tax year under the Kansas targeted employment act shall be $5,000,000.

New Sec. 4. (a) Any targeted employment business seeking to qualify for a tax credit pursuant to section 3, and amendments thereto, shall provide to the secretary of revenue the names of each eligible individual employed and the wage rate per hour, hours worked and gross wages paid, minus any compensation for leave, for each eligible individual and such other information as the secretary of revenue may require.
(b) The secretary of revenue and the secretary for aging and disability services are hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of the Kansas targeted employment act.

New Sec. 5. (a) The secretary for aging and disability services shall develop and implement a program to measure the results of the tax credits allowed by sections 1 through 4, and amendments thereto, including an analysis of: (1) Decreases in reliance upon state government-funded subsidies for employed eligible individuals and any associated net savings to Kansas taxpayers resulting from any such decreases in reliance; (2) effects of reallocation of tax dollars that employers would have paid to the state government of Kansas to employers who employed eligible individuals pursuant to the tax credit program; and (3) any benefits or detriments to the quality of life and the standard of living for employed eligible individuals, including access to health insurance, healthcare or other services and increases or decreases in income, discretionary income and expenses. The secretary for aging and disability services may require employed eligible individuals or targeted employment businesses to provide or to permit the secretary of revenue to provide, as a condition of participation in the tax credit program, information necessary to assess the tax credit program pursuant to this section, including information otherwise confidential under state or federal law. All confidential information provided shall be received, stored and used in a manner that shall maintain the confidentiality of the information provided and not permit the identification of eligible individuals or targeted employment businesses.

(b) Notwithstanding any other provision of state law, the secretary of revenue shall provide the secretary for aging and disability services with tax information, including tax information for individuals and targeted employment businesses that have waived the confidentiality of such information, as necessary to enable the secretary for aging and disability services to fulfill the requirements of this section. All information pertaining to an eligible individual or targeted employment business shall be provided in a manner that shall maintain the confidentiality of such eligible individuals and businesses. Nothing in this section shall be construed to violate or conflict with any federal law.

(c) The secretary for aging and disability services shall submit a written report of the findings of the secretary’s review pursuant to subsection (a) to the standing committee on commerce of the senate and the standing committee on commerce, labor and economic development of the house on the first day of the 2023 through 2027 regular sessions of the legislature.

New Sec. 6. The provisions of sections 1 through 5, and amendments thereto, shall expire on January 1, 2028, except that tax credits earned in
tax year 2027 may be awarded by the secretary of revenue as provided by this act.

Sec. 7. K.S.A. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) “Annual payroll” means the total amount of wages paid or payable by an employer during the calendar year.

   (2) “Average annual payroll” means the average of the annual payrolls of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contribution for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer’s “average annual payroll” shall be the average of the payrolls for those two calendar years.

   (3) “Total wages” means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1).

(b) “Base period” means the first four of the last five completed calendar quarters immediately preceding the first day of an individual’s benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

   (1) If an individual lacks sufficient base period wages in order to establish a benefit year in the manner set forth above and satisfies the requirements of K.S.A. 44-705(g) and K.S.A. 44-703(hh), and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to prevent establishment of a valid claim. For the purposes of this subsection, “alternative base period” means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.

   (2) For the purposes of this chapter, the term “base period” includes the alternative base period.

(c) (1) “Benefits” means the money payments payable to an individual, as provided in this act, with respect to such individual’s unemployment.

   (2) “Regular benefits” means benefits payable to an individual under this act or under any other state law, including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85, other than extended benefits.
(d) “Benefit year” with respect to any individual, means the period beginning with the first day of the first week for which such individual files a valid claim for benefits, and such benefit year shall continue for one full year. In the case of a combined wage claim, the benefit year shall be the benefit year of the paying state. Following the termination of a benefit year, a subsequent benefit year shall commence on the first day of the first week with respect to which an individual next files a claim for benefits. When such filing occurs with respect to a week that overlaps the preceding benefit year, the subsequent benefit year shall commence on the first day immediately following the expiration date of the preceding benefit year. Any claim for benefits made in accordance with K.S.A. 44-709(a), and amendments thereto, shall be deemed to be a “valid claim” for the purposes of this subsection if the individual has been paid wages for insured work as required under K.S.A. 44-705(e), and amendments thereto. Whenever a week of unemployment overlaps two benefit years, such week shall, for the purpose of granting waiting-period credit or benefit payment with respect thereto, be deemed to be a week of unemployment within that benefit year in which the greater part of such week occurs.

(e) “Commissioner” or “secretary” means the secretary of labor.

(f) (1) “Contributions” means the money payments to the state employment security fund that are required to be made by employers on account of employment under K.S.A. 44-710, and amendments thereto, and voluntary payments made by employers pursuant to such statute.

(2) “Payments in lieu of contributions” means the money payments to the state employment security fund from employers that are required to make or that elect to make such payments under K.S.A. 44-710(e), and amendments thereto.

(g) “Employing unit” means any individual or type of organization, including any partnership, association, limited liability company, agency or department of the state of Kansas and political subdivisions thereof, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign including nonprofit corporations, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representatives of a deceased person, that has in its employ one or more individuals performing services for it within this state. All individuals performing services within this state for any employing unit that maintains two or more separate establishments within this state shall be deemed to be employed by a single employing unit for all the purposes of this act. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this act, whether such individual was hired or paid directly by such employing unit or by
such agent or employee, provided the employing unit had actual or constructive knowledge of the employment.

(h) “Employer” means:

(1) (A) Any employing unit for which agricultural labor as defined in subsection (w) is performed and during any calendar quarter in either the current or preceding calendar year paid remuneration in cash of $20,000 or more to individuals employed in agricultural labor or for some portion of a day in each of 20 different calendar weeks, whether or not such weeks were consecutive, in either the current or the preceding calendar year, employed in agricultural labor 10 or more individuals, regardless of whether they were employed at the same moment of time.

(B) For the purpose of this subsection (h)(1), any individual who is a member of a crew furnished by a crew leader to perform services in agricultural labor for any other person shall be treated as an employee of such crew leader if:

(ii) such individual is not in the employment of such other person within the meaning of subsection (i).

(C) For the purpose of this subsection (h)(1), in the case of any individual who is furnished by a crew leader to perform services in agricultural labor for any other person and who is not treated as an employee of such crew leader:

(i) Such other person and not the crew leader shall be treated as the employer of such individual; and

(ii) such other person shall be treated as having paid cash remuneration to such individual in an amount equal to the amount of cash remuneration paid to such individual by the crew leader, either on the crew leader’s own behalf or on behalf of such other person, for the services in agricultural labor performed for such other person.

(D) For the purposes of this subsection (h)(1) “crew leader” means an individual who:

(B) Employment of individuals to perform domestic service or agricultural labor and wages paid for such service or labor shall not be considered in determining whether an employing unit meets the criteria of this subsection (h)(2).

(3) Any employing unit for which service is employment as defined in subsection (i)(3)(E).

(4) (A) Any employing unit, whether or not it is an employing unit under subsection (g), that acquires or in any manner succeeds to: (i) Substantially all of the employing enterprises, organization, trade or business; or (ii) substantially all the assets, of another employing unit that at the time of such acquisition was an employer subject to this act;

(5) Any employing unit that paid cash remuneration of $1,000 or more in any calendar quarter in the current or preceding calendar year to individuals employed in domestic service as defined in subsection (aa).

unemployment tax act, is required, pursuant to such act, to be an “employer” under this act.

(9) Any employing unit described in section 501(c)(3) of the federal internal revenue code of 1986 that is exempt from income tax under section 501(a) of the code that had four or more individuals in employment for some portion of a day in each of 20 different weeks, whether or not such weeks were consecutive, within either the current or preceding calendar year, regardless of whether they were employed at the same moment of time.

(a) Classification of employers by the secretary. The term “employer” as used in this section refers to contributing employers. The secretary shall classify employers in accordance with their actual experience in the payment of contributions on their own behalf and with respect to benefits charged against their accounts with a view of fixing such contribution rates as will reflect such experience. If, as of the date such classification of employers is made, the secretary finds that any employing unit has failed to file any report required in connection therewith, or has filed a report which the secretary finds incorrect or insufficient, the secretary shall make an estimate of the information required from such employing unit on the basis of the best evidence reasonably available to the secretary at the time, and notify the employing unit thereof by mail addressed to its last known address. Unless such employing unit shall file the report or a corrected or sufficient report as the case may be, within 15 days after the mailing of such notice, the secretary shall compute such employing unit’s rate of contributions on the basis of such estimates, and the rate as so determined shall be subject to increase but not to reduction on the basis of subsequently ascertained information. The secretary shall determine the contribution rate of each employer in accordance with the requirements of this section.  
(1) New employers. (A) No employer will be eligible for a rate computation until there have been 24 consecutive calendar months immediately preceding the computation date throughout which benefits could have been charged against such employer’s account.  
(B) (i) (a) Each employer who is not eligible for a rate contribution shall pay contributions equal to 2.7% of wages paid during each calendar year with regard to employment, except such employers engaged in the construction industry shall pay a rate equal to 6%.  
(b) (1) An employer who was not doing business in Kansas prior to July 1, 2014, shall be eligible for either the new employer rate under subsection (a)(1)(B)(i)(a) or the rate associated with the reserve ratio such employer experienced in the state which such employer was formerly located, but in no event less than 1% if such:  
(A) Employer has been in operation in the other state or states for at least the three years immediately preceding the date such employer becomes a liable employer in Kansas;  
(B) employer provides the authenticated account history from information accumulated from operations of such employer in the other state or all the other states necessary to compute a current Kansas rate; and  
(C) employer’s business operations established in Kansas are of the same nature, as defined by the North American industrial classification system, as conducted by such employer in the other state or states.
(2) The election authorized in subsection (a)(1)(B)(i)(b) of this section must be made in writing within 30 days after notice of Kansas liability. A rate in accordance with subsection (a)(1)(B)(i)(a) will be assigned unless a timely election has been made.

(3) If the election is made timely, the employer’s account will receive the rate elected for the remainder of that rate year. The rate assigned for the next and subsequent years will be determined by the condition of the account on the computation date.

(ii) For purposes of this subsection (a), employers shall be classified by industrial activity in accordance with standard procedures as set forth in rules and regulations adopted by the secretary. Employers engaged in more than one type of industrial activity shall be classified by principal activity. All rates assigned will remain in effect for a complete calendar year. If the sale or acquisition of a new establishment would require reclassification of the employer to a different industry sector, the employer would be promptly notified, and the contribution rate applicable to the new industry sector would become effective the following January 1.

(C) “Computation date” means June 30 of each calendar year with respect to rates of contribution applicable to the calendar year beginning with the following January 1. In arriving at contribution rates for each calendar year, contributions paid on or before July 31 following the computation date for employment occurring on or prior to the computation date shall be considered for each contributing employer who has been subject to this act for a sufficient period of time to have such employer’s rate computed under this subsection (a).

(2) Eligible employers. (A) A reserve ratio shall be computed for each eligible employer by the following method: Total benefits charged to the employer’s account for all past years shall be deducted from all contributions paid by such employer for all such years. The balance, positive or negative, shall be divided by the employer’s average annual payroll, and the result shall constitute the employer reserve ratio.

(B) Negative account balance employers, as defined in subsection (d), shall pay contributions at the rate referenced in subsection (a)(4)(B).

(C) Eligible employers, other than negative account balance employers, who do not meet the average annual payroll requirements as stated in K.S.A. 44-703(a)(2), and amendments thereto, will be issued the maximum rate indicated by the maximum rate group of standard rate schedule—standard schedule 7 in subsection (a)(4)(B)(ii) until such employer establishes a new period of 24 consecutive calendar months immediately preceding the computation date throughout which benefits could have been charged against such employer’s account by resuming the payment of wages. Contribution rates effective for each calendar year thereafter shall be determined as prescribed below.
(D) If the amounts collected from negative account balance employers and paid into the employment security interest assessment fund for the purpose of paying interest due and owing on funds received from the federal unemployment account under title XII of the social security act are in excess of the amounts needed to pay interest due, the amounts in excess shall remain in the employment security interest assessment fund to be used to pay interest in future years. Whenever the secretary certifies all interest payments have been paid, any excess funds remaining in the employment security interest assessment fund shall be transferred to the employment security trust fund for the purpose of paying any remaining principal amount due for advances described in this section. In the event that the amount transferred from the employment security interest assessment fund exceeds such remaining amount of principal due, the balance shall be used for the purposes of the employment security trust fund.

(3) **Entering and expanding employer:** (A) The secretary, as a method of providing for a reduced rate of contributions to an employer shall verify the qualifications in this statute that bear a direct relation to unemployment risk for that employer.

(B) If, as of the computation date, an eligible, positive balance employer’s reserve ratio is significantly affected due to an increase in the employer’s taxable payroll of at least 100% and such increase is attributable to a growth in employment, and not to a change in the taxable wage base from the previous year, the secretary shall assign a reduced rate of contributions for a period of three years.

(i) Such reduced rate of contributions shall be the new employer rate described in subsection (a)(1)(B)(i)(a), or a rate based on the employer's demonstrated risk as reflected in the employer's reserve fund ratio history.

(ii) To be eligible for such reduced rate, the employer must maintain a positive account balance throughout the reduced-rate period and must have an increase in account balance for each year.

(4) **(A)** For each rate year, the contribution schedule in effect shall be determined by the applicable fund control table and rate schedule table of subsection (a)(4)(B).

(B) **Effective rates.** (i) Employer contribution rates to be effective for each calendar year shall be determined by the applicable rate schedule in clause (ii) and the fund control table for the rate year as specified contained in this clause. The average high cost multiple of the trust fund as of the computation date shall determine the contribution schedule in effect for the next rate year. For purposes of subsection (a)(4)(B)(i), the average high cost multiple is the reserve fund ratio divided by the average high benefit cost rate. The average high benefit cost rate shall be determined by averaging the three highest benefit cost rates over the last 20 years from the preceding fiscal year which ended June 30. The high benefit cost
rate is defined by dividing total benefits paid in the fiscal year by total payrolls for covered employers in the fiscal year. The reserve fund ratio shall be determined by dividing total assets in the employment security fund provided for in K.S.A. 44-712(a), and amendments thereto, excluding all moneys credited to the account of this state pursuant to section 903 of the federal social security act, as amended, that have been appropriated by the legislature, whether or not withdrawn from the trust fund, and excluding contributions not yet paid on July 31, by total payrolls for contributing employers for the preceding fiscal year that ended on June 30.

Except as provided in subclause (b), for rate year 2022 and ensuing calendar years, the rate pursuant to standard rate schedule 7, solvency schedules 1 through 6 or credit schedules 8 through 13 shall apply as provided by fund control table B.

(b) (1) In the event the full transfer of $250,000,000 is not made as provided in K.S.A. 2021 Supp. 75-5745, and amendments thereto, to the employment security fund on or before July 15, 2021, all contributing employers shall pay the rate as set forth in standard rate schedule—standard rate schedule 7 for the 2022 calendar year.

(2) In the event the second transfer of up to $250,000,000 is not made as provided in K.S.A. 2021 Supp. 75-5745, and amendments thereto, to the employment security fund on or before July 15, 2022, all contributing employers shall pay the rate as set forth in standard rate schedule—standard rate schedule 7 for the 2023 calendar year, unless it is determined by actual calculation pursuant to fund control table B that credit rate schedules (8-13) would apply based on the health of the unemployment insurance trust fund.

(b) Successor classification. (1) (A) For the purposes of this subsection, whenever an employing unit, whether or not it is an “employing unit” within the meaning of K.S.A. 44-703(g), and amendments thereto, becomes an employer pursuant to K.S.A. 44-703(h)(4), and amendments thereto, or is an employer at the time of acquisition and meets the definition of a “successor employer” as defined by K.S.A. 44-703(dd), and amendments thereto, and thereafter transfers its trade or business, or any portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. These experience factors consist of all contributions paid, benefit experience and annual payrolls of the predecessor employer. The transfer of some or all of an employer’s workforce to another employer shall be considered a transfer of trade or business when, as the result of such transfer, the transferring employer no longer performs trade or business with respect to the transferred workforce, and such trade or business is performed by the employer to whom the workforce is transferred.
(B) If, following a transfer of experience under subparagraph (A), the secretary determines that a substantial purpose of the transfer or business was to obtain a reduced liability for contributions, then the experience rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(2) A successor employer as defined by K.S.A. 44-703(h)(4) or (dd), and amendments thereto, may receive the experience rating factors of the predecessor employer if an application is made to the secretary or the secretary’s designee in writing within 120 days of the date of the transfer.

(3) Whenever an employing unit, whether or not it is an “employing unit” within the meaning of K.S.A. 44-703(g), and amendments thereto, acquires or in any manner succeeds to a percentage of an employer’s annual payroll which is less than 100% and intends to continue the acquired percentage as a going business, the employing unit may acquire the same percentage of the predecessor’s experience factors if: (A) The predecessor employer and successor employing unit make an application in writing on the form prescribed by the secretary; (B) the application is submitted within 120 days of the date of the transfer; (C) the successor employing unit is or becomes an employer subject to this act immediately after the transfer; (D) the percentage of the experience rating factors transferred shall not be thereafter used in computing the contribution rate for the predecessor employer; and (E) the secretary finds that such transfer will not tend to defeat or obstruct the object and purposes of this act.

(4) (A) The rate of both employers in a full or partial successorship under paragraph (1) shall be recalculated and made effective on the first day of the next calendar quarter following the date of transfer of trade or business.

(B) If a successor employer is determined to be qualified under paragraph (2) or (3) to receive the experience rating factors of the predecessor employer, the rate assigned to the successor employer for the remainder of the contributions year shall be determined by the following:

(i) If the acquiring employing unit was an employer subject to this act prior to the date of the transfer, the rate of contribution shall be the same as the contribution rate of the acquiring employer on the date of the transfer.

(ii) If the acquiring employing unit was not an employer subject to this act prior to the date of the transfer, the successor employer shall have a newly computed rate for the remainder of the contribution year which shall be based on the transferred experience rating factors as they existed on the most recent computation date immediately preceding the date of acquisition. These experience rating factors consist of all contributions paid, benefit experience and annual payrolls.
(5) Whenever an employing unit is not an employer at the time it acquires the trade or business of an employer, the unemployment experience factors of the acquired business shall not be transferred to such employing unit if the secretary finds that such employing unit acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions. Instead, such employing unit shall be assigned the applicable industry rate for a “new employer” as described in subsection (a)(1). In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of contributions, the secretary shall use objective factors which may include the cost of acquiring the business, whether the employer continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.

(6) Whenever an employer’s account has been terminated as provided in K.S.A. 44-711(d) and (e), and amendments thereto, and the employer continues with employment to liquidate the business operations, that employer shall continue to be an “employer” subject to the employment security law as provided in K.S.A. 44-703(h)(8), and amendments thereto. The rate of contribution from the date of transfer to the end of the then current calendar year shall be the same as the contribution rate prior to the date of the transfer. At the completion of the then current calendar year, the rate of contribution shall be that of a “new employer” as described in subsection (a)(1).

(7) No rate computation will be permitted an employing unit succeeding to the experience of another employing unit pursuant to this section for any period subsequent to such succession except in accordance with rules and regulations adopted by the secretary. Any such regulations shall be consistent with federal requirements for additional credit allowance in section 3303 of the federal internal revenue code of 1986, and consistent with the provisions of this act.

(c) Voluntary contributions. Notwithstanding any other provision of the employment security law, any employer may make voluntary payments for the purpose of reducing or maintaining a reduced rate in addition to the contributions required under this section. Such voluntary payments may be made only during the thirty-day period immediately following the date of mailing of experience rating notices for a calendar year. All such voluntary contribution payments shall be paid prior to the expiration of 120 days after the beginning of the year for which such rates are effective. The amount of voluntary contributions shall be credited to the employer’s account as of the next preceding computation date and the employer’s rate shall be computed accordingly. Under no circumstances shall voluntary payments be refunded in whole or in part.
(d) As used in this section, “negative account balance employer” means an eligible employer whose total benefits charged to such employer’s account for all past years have exceeded all contributions paid by such employer for all such years.

(e) There is hereby established in the state treasury, separate and apart from all public moneys or funds of this state, an employment security interest assessment fund, which shall be administered by the secretary as provided in this act. Moneys in the employment security fund established by K.S.A. 44-712, and amendments thereto, and employment security interest assessment fund established by K.S.A. 44-710, and amendments thereto, shall not be invested in the pooled money investment portfolio established under K.S.A. 75-4234, and amendments thereto. Notwithstanding the provisions of K.S.A. 44-712(a), K.S.A. 44-716, K.S.A. 44-717 and K.S.A. 75-4234, and amendments thereto, or any like provision the secretary shall remit all moneys received from employers pursuant to the interest payment pursuant to law, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the employment security interest assessment fund. All moneys in this fund which are received from employers pursuant to the interest payment assessments shall be expended solely for the purposes and in the amounts found by the secretary necessary to pay any principal and interest due and owing the United States department of labor resulting from any advancements made to the Kansas employment security fund pursuant to the provisions of title XII of the social security act (42 U.S.C. §§ 1321 to 1324) except as may be otherwise provided under subsection (a) (2)(D). Notwithstanding any provision of this section, all moneys received and credited to this fund shall remain part of the employment security interest assessment fund and shall be used only in accordance with the conditions specified.

(f) The secretary of labor shall annually prepare and submit a certification as to the solvency and adequacy of the amount credited to the state of Kansas’ account in the federal employment security trust fund to the governor and the legislative coordinating council. The certification shall be submitted on or before December 1 of each calendar year and shall be for the 12-month period ending on June 30 of that calendar year. In arriving at the certification contributions paid on or before July 31 following the 12-month period ending date of June 30 shall be considered.

Sec. 4. K.S.A. 2021 Supp. 21-6814 is hereby amended to read as follows: 21-6814. (a) The offender’s criminal history shall be admitted in open court by the offender or determined by a preponderance of the evidence at the sentencing hearing by the sentencing judge.

(b) Except to the extent disputed in accordance with subsection (c), the summary of the offender’s criminal history prepared for the court by the state shall satisfy the state’s burden of proof regarding an offender’s criminal history.

(c) Upon receipt of the criminal history worksheet prepared for the court, the offender shall immediately notify the district attorney and the court with written notice of any error in the proposed criminal history worksheet. Such notice shall specify the exact nature of the alleged error. The state shall have the burden of proving the disputed portion of the offender’s criminal history. The sentencing judge shall allow the state reasonable time to produce evidence to establish its burden of proof. If the offender later challenges such offender’s criminal history, which has been previously established, the burden of proof shall shift to the offender to prove such offender’s criminal history by a preponderance of the evidence.

(d) If an offender raises a challenge to the offender’s criminal history for the first time on appeal, the offender shall have the burden of designating a record that shows prejudicial error. If the offender fails to provide such record, the appellate court shall dismiss the claim. In designating a record that shows prejudicial error, the offender may provide the appel-
late court with journal entries of the challenged criminal history that were not originally attached to the criminal history worksheet, and the state may provide the appellate court with journal entries establishing a lack of prejudicial error. The court may take judicial notice of such journal entries, complaints, plea agreements, jury instructions and verdict forms for Kansas convictions when determining whether prejudicial error exists. The court may remand the case if there is a reasonable question as to whether prejudicial error exists.

Sec. 5. K.S.A. 2021 Supp. 21-6820 is hereby amended to read as follows: 21-6820. (a) A departure sentence or a ruling on a motion filed pursuant to K.S.A. 22-3504, and amendments thereto, is subject to appeal by the defendant or the state. The appeal shall be to the appellate courts in accordance with rules adopted by the supreme court.

(b) Pending review of the sentence, the sentencing court or the appellate court may order the defendant confined or placed on conditional release, including bond.

(c) On appeal from a judgment of conviction entered for a felony committed on or after July 1, 1993, the appellate court shall not review:

(1) Any sentence that is within the presumptive sentence for the crime; or

(2) any sentence resulting from an agreement between the state and the defendant which the sentencing court approves on the record.

(d) In any appeal from a judgment of conviction imposing a sentence that departs from the presumptive sentence prescribed by the sentencing grid for a crime, sentence review shall be limited to whether the sentencing court’s findings of fact and reasons justifying a departure:

(1) Are supported by the evidence in the record; and

(2) constitute substantial and compelling reasons for departure.

(e) In any appeal from a judgment of conviction, the appellate court may review a claim that:

(1) A sentence that departs from the presumptive sentence resulted from partiality, prejudice, oppression or corrupt motive;

(2) the sentencing court erred in either including or excluding recognition of a prior conviction or juvenile adjudication for criminal history scoring purposes; or

(3) the sentencing court erred in ranking the crime severity level of the current crime or in determining the appropriate classification of a prior conviction or juvenile adjudication for criminal history purposes.

(f) The appellate court may reverse or affirm the sentence. If the appellate court concludes that the trial court’s factual findings are not supported by evidence in the record or do not establish substantial and compelling reasons for a departure, it shall remand the case to the trial court for resentencing.
(g) The appellate court shall issue a written opinion whenever the judgment of the sentencing court is reversed. The court may issue a written opinion in any other case when it is believed that a written opinion will provide guidance to sentencing judges and others in implementing the sentencing guidelines adopted by the Kansas sentencing commission. The appellate courts may provide by rule for summary disposition of cases arising under this section when no substantial question is presented by the appeal.

(h) A review under summary disposition shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required unless ordered by the appellate court and the review and decision shall be made in an expedited manner according to rules adopted by the supreme court.

(i) The sentencing court shall retain authority irrespective of any notice of appeal for 90 days after entry of judgment of conviction to modify its judgment and sentence to correct any arithmetic or clerical errors to correct an illegal sentence or clerical error pursuant to K.S.A. 22-3504, and amendments thereto. Notwithstanding the provisions of K.S.A. 22-3504, and amendments thereto, if a motion to correct an illegal sentence is filed while a direct appeal is pending, any change in the law that occurs during the pending direct appeal shall apply.

(j) The amendments made to this section by this act section 14 of chapter 59 of the 2019 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) The purpose of sections 1 through 3, and amendments thereto, is to protect the best interests of children parented by blind individuals or children who could be parented by blind individuals through the establishment of procedural safeguards that require adherence to the federal Americans with disabilities act of 1990, and respect for the due process and equal protection rights of parents and prospective parents who are blind in the context of child welfare, foster care, family law and adoption.

(b) The legislature hereby finds and declares that:

(1) Blind individuals continue to face unfair, preconceived and unnecessary societal biases as well as antiquated attitudes regarding such individuals’ ability to successfully parent their children;

(2) blind individuals face these biases and preconceived attitudes in family and dependency law proceedings where legal custody, residency and parenting time are at stake and in public and private adoption, guardianship and foster care proceedings;

(3) because of these societal biases and antiquated attitudes, children of blind parents are unnecessarily being removed from their parents’ care or being restricted from enjoying meaningful time with their parents; and

(4) children are being denied the opportunity to enjoy the experience of living in loving homes with blind parents or other blind caretakers.

New Sec. 2. As used in sections 1 through 3, and amendments thereto:

(a) “Blind” or “blindness” means a central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye that has a limitation in the field of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees is considered to have a central visual acuity of 20/200 or less. The term “blind” or “blindness” includes any degenerative condition that reasonably can be expected to result in blindness.

(b) “Family foster home” means a child care facility that is a private residence, including any adjacent grounds, where a person provides care
for 24 hours per day for one or more children in foster care and for which a license is required under K.S.A. 65-501 et seq., and amendments thereto.

(c) “Supportive parenting services” means services, including, but not limited to, services, aids and supports that may assist a parent or prospective parent who is blind in the effective use of non-visual techniques and other alternative methods to enable the parent or prospective parent to discharge parental responsibilities as successfully as a parent who is not blind.

New Sec. 3. (a) In any action brought under article 22 or article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto:

(1) A parent’s blindness shall not serve as a basis for denial or restriction of legal custody, residency or parenting time when such legal custody, residency or parenting time is determined to be otherwise in the best interests of the child;

(2) (A) if a parent’s blindness is alleged to not be in the best interests of a child, the party asserting such allegation shall have the burden of proving by clear and convincing evidence that the parent’s blindness is not in the best interests of the child;

(B) if a party asserting an allegation described in subparagraph (A) has satisfied such party’s burden of proof, the blind parent shall have the opportunity to present evidence that, with the implementation of supportive parenting services, placement with such parent is in the best interests of the child; and

(C) the court may issue an order requiring that supportive parenting services be implemented, and the parties may request that the court review the need for continuing such supportive parenting services after a reasonable period of time; and

(3) if a court denies or otherwise restricts a blind parent’s request for legal custody, residency or parenting time, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such denial or restriction.

(b) In any action brought under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, a prospective parent’s blindness shall not serve as a basis for the denial of such prospective parent’s participation in any adoption when such adoption is determined to be otherwise in the best interests of the child.

(c) In any action brought under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, an individual’s blindness shall not serve as a basis for the denial of such individual’s appointment as a guardian when such appointment is determined to be otherwise in the best interests of the child.

(d) An individual’s blindness shall not serve as a basis for the denial or restriction of such individual’s licensure as a family foster home.
(e) (1) In any action brought under article 22 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto, an individual’s blindness shall not serve as a basis for an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights.

(2) If a court issues an order of temporary custody, adjudication, disposition, finding of unfitness or termination of parental rights that is adverse to an individual who is a party to the proceeding and who is blind, the court shall make specific findings of fact stating the basis for its decision, including reasons why the provision of supportive parenting services is not a reasonable accommodation that is required to prevent such adverse order.

Sec. 4. K.S.A. 19-2698 is hereby amended to read as follows: 19-2698.

Sec. 8. K.S.A. 65-3276 is hereby amended to read as follows: 65-3276.

(a) The following findings and purpose shall apply to this section:

1. A mental or physical disability does not diminish an individual's right to healthcare;
2. the federal Americans with disabilities act prohibits discrimination against individuals with disabilities, yet many individuals with disabilities still experience discrimination in accessing critical health care healthcare services;
3. in other states nationwide, individuals with mental and physical disabilities have historically been denied life-saving organ transplants based on assumptions that their lives are less worthy, that they are incapable of complying with post-transplantation medical requirements or that they lack adequate support systems to ensure compliance with post-transplantation medical requirements;
4. although organ transplant centers must consider medical and psychosocial criteria when determining if a patient is suitable to receive an organ transplant, transplant centers that participate in medicare, the state program for medical assistance and other federally funded programs are required to use patient selection criteria that result in a fair and nondiscriminatory distribution of organs; and
5. state residents in need of organ transplants are entitled to assurance that they will not encounter discrimination on the basis of a disability.

(b) A covered entity may not solely on the basis of an individual's disability:

1. Consider a qualified individual ineligible to receive an anatomical gift or organ transplant;
2. deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, and post-transplantation treatment and services;
3. refuse to refer the individual to a transplant center or a related specialist for the purpose of evaluation or receipt of an organ transplant;
4. refuse to place a qualified individual on an organ transplant waiting list; or
5. place a qualified individual at a lower-priority position on an organ transplant waiting list than the position at which the qualified individual would have been placed if not for the disability.

(c) (1) Subject to paragraph (2) of this subsection, a covered entity may take an individual's disability into account when making treatment or coverage recommendations or decisions, solely to the extent that the disability has been found by a physician, following an individualized evaluation of the individual, to be medically significant to the provision of the anatomical gift.

2. If an individual has the necessary support system to assist the individual in complying with post-transplantation medical require-
ments, a covered entity may not consider the individual's inability to independently comply with the post-transplantation medical requirements to be medically significant for the purposes of paragraph (1) of this subsection.

(d) A covered entity shall make reasonable modifications in policies, practices or procedures, when the modifications are necessary to allow an individual with a disability access to services, including transplantation-related counseling, information, coverage or treatment, unless the covered entity can demonstrate that making the modifications would fundamentally alter the nature of the services.

(e) A covered entity shall take such steps as may be necessary to ensure that an individual with a disability is not denied services, including transplantation-related counseling, information, coverage or treatment, due to the absence of auxiliary aids and services, unless the covered entity can demonstrate that taking the steps would fundamentally alter the nature of the services being offered or would result in an undue burden.

(f) Nothing in this section shall be construed to require a covered entity to make a referral or recommendation for or perform a medically inappropriate organ transplant.

(g) (1) If a covered entity violates this section, the affected individual may bring an action in the appropriate district court for injunctive or other equitable relief.

(2) In an action brought under paragraph (1) of this subsection, the district court shall:
   (A) Schedule a hearing as soon as possible; and
   (B) apply the same standards in rendering a judgment in the action as would be applied in an action brought in federal court under the federal Americans with disabilities act.

(iii) if an individual has a court-appointed guardian or other individual responsible for making medical decisions on behalf of the individual, any measures used to ensure that the individual is included in decisions involving the individual’s health care and that medical decisions are in accordance with the individual’s own expressed interests; and

(iv) any other aid or service that is used to provide information in a format that is easily understandable and accessible to individuals with cognitive, neurological, developmental or intellectual disabilities.

(3) “Covered entity” means:

(a) If a defendant fails to appear as directed by the court and guaranteed by an appearance bond, the court in which the bond is deposited shall declare a forfeiture of the bail and issue a warrant for the defendant’s arrest. If the defendant is charged with a felony offense, the sheriff shall enter such warrant into the national crime information center’s index within 14 days of issuance of the warrant. If such warrant is not entered into such index, the sheriff shall notify the court thereof.

(b) An appearance bond may only be forfeited by the court upon a failure to appear. If a defendant violates any other condition of bond, the bond may be revoked and the defendant remanded to custody. An appearance bond is revoked by the execution of a warrant for a defendant’s arrest for a violation of a bond condition. The magistrate shall forthwith set a new bond pursuant to requirements of K.S.A. 22-2802, and amendments thereto.

(c) (1) The court may direct that a forfeiture be set aside, upon such conditions as the court may impose, if it appears that justice does not require the enforcement of the forfeiture. If the surety can prove that the defendant is incarcerated somewhere within the United States prior to judgment of default by providing to the court a written statement, signed by the surety under penalty of perjury, setting forth details of such incarceration, then the court shall set aside the forfeiture. (3) Upon the defendant’s return, the surety may be ordered to pay the costs of such return.

(4)(d) When a forfeiture has not been set aside, the court shall on motion enter a judgment of default and execution may issue thereon. If the forfeiture has been decreed by a district magistrate judge and the amount of the bond exceeds the limits of the civil jurisdiction prescribed by law for a district magistrate judge, the judge shall notify the chief judge in writing of the forfeiture and the matter shall be assigned to a district judge who, on motion, shall enter a judgment of default. If from the evidence it appears that a felony has been committed and there is probable cause to believe that a felony has been committed by the defendant, the magistrate shall order the defendant bound over to the district judge having jurisdiction to try the case; otherwise, the magistrate shall discharge the defendant. When the victim of the felony is a child less than 13 years of age, the finding of probable cause as provided in this subsection may be based upon hearsay evidence in whole or in part presented at the preliminary examination by means of statements made by a child less than 13 years of age on a videotape recording or by other means.

When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, “mentally ill person subject to involuntary commitment for care and treatment” means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.  

(3) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, “mentally ill person subject to involuntary commitment for care and treatment” means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.  

(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person’s present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and the defendant’s attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent, the proceedings pending against the defendant shall be resumed.  

(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime
charged at the time of commitment shall be credited with all of the time during which the defendant was committed and confined in such public institution or facility.

(d) (1) If the defendant is ordered or met criteria to receive an evaluation and treatment on an outpatient basis and the chief medical officer of the appropriate state, county or private institution or facility determines that the defendant’s mental health condition or behaviors warrant terminating outpatient treatment services and commencing evaluation and treatment on an inpatient basis, the chief medical officer of the institution or the head of the facility shall provide a report to the court within 10 days after outpatient treatment services are terminated. Such report shall certify the date that outpatient treatment was terminated and the reason inpatient evaluation and treatment services are recommended. A copy of such report shall be provided to the chief medical officer of the state security hospital. Upon receipt of such report, the court shall issue any orders or warrants required to facilitate the sheriff of the county where the charges are filed to take the defendant into custody and transport such defendant to the state security hospital or its agent or a state hospital or its agent for admission for inpatient services. The chief medical officer shall submit a report pursuant to subsection (e) as to whether the defendant has attained competency within 90 days of the defendant’s admission to such hospital for inpatient evaluation and treatment.

(2) The court, prosecuting attorney where criminal charges are pending, the defense counsel for a defendant charged with a felony offense who is receiving outpatient evaluation and treatment services and the chief medical officer of any institution or the head of any facility where the defendant is receiving outpatient services shall provide requested documentation to the state security hospital or its agent or the state hospital or its agent for the purpose of managing inpatient admission.

(e) (1) If the defendant is charged with a felony offense, the court may order a defendant to receive inpatient evaluation and treatment at an appropriate state, county or private institution or facility after considering the defendant’s mental condition, behaviors and the availability of outpatient evaluation and treatment options. The chief medical officer of the institution or the head of the facility shall certify to the court, within 90 days after the commencement of inpatient treatment, whether the defendant has a substantial probability of attaining competency to stand trial in the foreseeable future.

(2) If such probability does exist, the court shall order the defendant to remain in jail or at a secure location, on pretrial release pursuant to K.S.A. 22-2802, and amendments thereto, or at an appropriate setting until the defendant attains competency to stand trial or for a period of six months from the date of the commencement of inpatient treatment, whichever
occurs first. If such probability does not exist, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, “mentally ill person subject to involuntary commitment for care and treatment” means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(3) If a defendant who was found to have had a substantial probability of attaining competency to stand trial, as provided in paragraph (2), has not attained competency to stand trial within six months from the date of the original commitment, the court shall order the prosecuting attorney where the charges are filed or the secretary for aging and disability services to commence involuntary commitment proceedings pursuant to article 29 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto, within 21 days of receipt of the certification from the chief medical officer of the institution or the head of the facility unless exceptional circumstances warrant delay. When a defendant is charged with any off-grid felony, any nondrug severity level 1 through 3 felony or a violation of K.S.A. 21-3504, 21-3511, 21-3518, 21-3603 or 21-3719, prior to their repeal, or K.S.A. 2021 Supp. 21-5505(b), 21-5506(b), 21-5508(b), 21-5604(b) or 21-5812(b), and amendments thereto, and commitment proceedings have commenced, for such proceeding, “mentally ill person subject to involuntary commitment for care and treatment” means a mentally ill person, as defined in K.S.A. 59-2946(e), and amendments thereto, who is likely to cause harm to self or others, as defined in K.S.A. 59-2946(f)(3), and amendments thereto. The other provisions of K.S.A. 59-2946(f), and amendments thereto, shall not apply.

(4) When reasonable grounds exist to believe that a defendant who has been adjudged incompetent to stand trial is competent, the court in which the criminal case is pending shall conduct a hearing in accordance with K.S.A. 22-3302, and amendments thereto, to determine the person’s present mental condition. Such court shall give reasonable notice of such hearings to the prosecuting attorney, the defendant and
the defendant’s attorney of record, if any. The prosecuting attorney shall provide victim notification. If the court, following such hearing, finds the defendant to be competent, the proceedings pending against the defendant shall be resumed.

(5) A defendant committed to a public institution or facility under the provisions of this section who is thereafter sentenced for the crime charged at the time of commitment shall be credited with all of the time during which the defendant was committed and confined in such public institution or facility.

(f) (1) Notwithstanding the provisions of K.S.A. 59-29a22, and amendments thereto, psychotropic medications may be prescribed for any defendant who is ordered or has met the criteria to receive evaluation and treatment on an inpatient or outpatient basis at an appropriate state, county or private institution or facility.

(2) Psychotropic medications shall be prescribed, ordered and administered in conformity with accepted clinical practice. Psychotropic medication shall be administered only upon the written order of a physician or upon a verbal order noted in the defendant’s medical records and subsequently signed by the physician. The attending physician shall regularly review the drug regimen of each defendant under such physician’s care and shall monitor any symptoms of harmful side effects.

(3) Whenever any defendant is receiving psychotropic medications that alter the defendant’s mental state in such a way as to adversely affect the defendant’s judgment or hamper the defendant in preparing for or participating in any hearing provided for by this section, for two days prior to and during any such hearing, the treatment institution or facility shall not administer such medication or treatment unless such medication or treatment is necessary to sustain the defendant’s life or to protect the defendant or others. Prior to the hearing, a report of all psychotropic medications or other treatment that has been administered to the defendant and a copy of any written consent signed by the defendant shall be submitted to the court. Counsel for the defendant may preliminarily examine the attending physician regarding the administration of any medication to the defendant within two days of the hearing and the effect that medication may have had on the defendant’s judgment or ability to prepare for or participate in the hearing. If the court determines that medication or other treatment has been administered that adversely affects the defendant’s judgment or ability to prepare for or participate in the hearing, the court may grant the defendant a reasonable continuance to allow for the defendant to be better able to prepare for or participate in the hearing. The court shall order that such medication or other treatment be discontinued until the conclusion of the hearing unless the court finds that such medication or other treatment is necessary to sustain the defendant’s life.
or to protect the defendant or others. If the court makes such a finding, the court shall order the hearing to proceed.

(4) If a defendant who is charged with a felony is receiving treatment pursuant to this section and is not deemed a present danger to self or others objects to taking any medication prescribed for the purpose of restoring the defendant to competency, the defendant’s objection shall be recorded in the defendant’s medical record and written notice of such objection shall be forwarded to the medical director of the treatment institution or facility or the director’s designee and to the court where the criminal charges are pending. The medication may be administered over the defendant’s objection only if the court finds that:

(A) The medication is substantially unlikely to have side effects that may undermine the fairness of the trial;
(B) the medication is medically appropriate;
(C) less intrusive alternatives have been considered;
(D) the medication is necessary to advance significantly important governmental trial interests; and

(E) the administrative head or law enforcement official in charge of the jail has agreed to having the medication administered over the defendant’s objection in the jail.

(5) No experimental medication shall be administered without the consent of the defendant or such defendant’s legal guardian.

Sec. 9. K.S.A. 2021 Supp. 22-3305 is hereby amended to read as follows: 22-3305.

(a) Whenever involuntary commitment proceedings have been commenced by the secretary for aging and disability services or the prosecuting attorney as required by K.S.A. 22-3303, and amendments thereto, and the defendant is not committed to a treatment institution or facility as a patient, the defendant shall remain in the institution or facility where committed pursuant to K.S.A. 22-3303, and amendments thereto. The secretary for aging and disability services or the prosecuting attorney shall promptly notify the court and the county or district prosecuting attorney of the county in which the criminal proceedings are pending for the purpose of providing victim notification, of the result of the involuntary commitment proceeding.

(b) Whenever involuntary commitment proceedings have been commenced by the secretary for aging and disability services or the prosecuting attorney as required by K.S.A. 22-3303, and amendments thereto, and the defendant is committed to a treatment institution or facility as a patient but thereafter is to be discharged pursuant to the care and treatment act for mentally ill persons, the defendant shall remain in the institution or facility where committed pursuant to K.S.A. 22-3303, and amendments thereto, and the head of the treatment institution or facility shall promptly notify the court and the county or district prosecuting att-
torney of the county in which the criminal proceedings are pending for the purpose of providing victim notification, that the defendant is to be discharged.

(c) When giving notification to the court and the county or district prosecuting attorney pursuant to subsection (1)(a) or (2)(b), the treatment institution or facility shall include in such notification an opinion from the head of the treatment institution or facility as to whether or not the defendant is now competent to stand trial. Upon request of the county or district prosecuting attorney, the court may set a hearing on the issue of whether or not the defendant has been restored to competency. If such hearing request is granted, the county or district prosecuting attorney shall provide victim notification regarding the hearing date. Such hearing request shall be filed within 14 days of completion of the notification from the head of the treatment institution or facility pursuant to subsection (a) or (b). The hearing shall take place within 21 days after receipt of the hearing request unless the court finds that exceptional circumstances warrant delay of the hearing. If no such hearing request is made within 14 days after receipt of notice pursuant to subsection (1)(a) or (2)(b), the court shall order the defendant to be discharged from commitment and shall dismiss without prejudice the charges against the defendant, and the period of limitation for the prosecution for the crime charged shall not continue to run until the defendant has been determined to have attained competency in accordance with K.S.A. 22-3302, and amendments thereto. The county or district prosecuting attorney shall provide victim notification regarding the discharge order.

Sec. 10. K.S.A. 2021 Supp. 22-3428 is hereby amended to read as follows: 22-3428. (1) When a defendant is acquitted and the jury answers in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto, the defendant shall be committed to the state security hospital or an appropriate secure facility for safekeeping and treatment and the county or district prosecuting attorney shall provide victim notification. A finding of not guilty and the jury answering in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto, shall be prima facie evidence that the acquitted defendant is presently likely to cause harm to self or others.

(2) Within 90 days of the defendant's admission, the chief medical officer of the state security hospital or licensed psychologist at the appropriate secure facility shall send to the court a written evaluation report. Upon receipt of the report, the court shall set a hearing to determine whether or not the defendant is currently a mentally ill person. The hearing shall be held within 30 days after the receipt by the court of the chief medical officer's report unless the court finds that exceptional circumstances warrant delay of the hearing.
(c)(3) The court shall give notice of the hearing to the chief medical officer of the state security hospital or licensed psychologist at the appropriate secure facility, the district or county prosecuting attorney, the defendant and the defendant's attorney. The county or district prosecuting attorney shall provide victim notification. The court shall inform the defendant that such defendant is entitled to counsel and that counsel will be appointed to represent the defendant if the defendant is not financially able to employ an attorney as provided in K.S.A. 22-4503 et seq., and amendments thereto. The defendant shall remain at the state security hospital pending the hearing.

(d)(4) At the hearing, the defendant shall have the right to present evidence and cross-examine witnesses. At the conclusion of the hearing, if the court finds by clear and convincing evidence that the defendant is not currently a mentally ill person, the court shall dismiss the criminal proceeding and discharge the defendant, otherwise the court may commit the defendant to the state security hospital or an appropriate secure facility for treatment or may place the defendant on conditional release pursuant to subsection (4)(d). The county or district prosecuting attorney shall provide victim notification regarding the outcome of the hearing.

(b) Subject to the provisions of subsection (3)(c):

(a)(1) Whenever it appears to the chief medical officer of the state security hospital or a licensed psychologist at the appropriate secure facility that a person committed under subsection (1)(d)(a)(4) is not likely to cause harm to other persons in a less restrictive hospital environment, the officer may transfer the person to any state hospital, subject to the provisions of subsection (3)(c). At any time subsequent thereto during which such person is still committed to a state hospital, if the chief medical officer of that hospital or the licensed psychologist at the appropriate secure facility finds that the person may be likely to cause harm or has caused harm, to others, such officer may transfer the person back to the state security hospital.

(b)(2) Any person committed under subsection (1)(d)(a)(4) may be granted conditional release or discharge as an involuntary patient.

(c) Before transfer of a person from the state security hospital or appropriate secure facility pursuant to subsection (2)(a)(b)(1) or conditional release or discharge of a person pursuant to subsection (2)(b)(b)(2), the chief medical officer of the state security hospital or the state hospital where the patient is under commitment or the licensed psychologist at the appropriate secure facility shall give notice to the district court of the county from which the person was committed that transfer of the patient is proposed or that the patient is ready for proposed conditional release or discharge. Such notice shall include, but not be limited to: (a) identification of the patient; (b) the course of treatment; (c) a current
assessment of the defendant's mental illness; (d) (4) recommendations for
future treatment, if any; and (e) (5) recommendations regarding condi-
tional release or discharge, if any. Upon receiving notice, the district court
shall order that a hearing be held on the proposed transfer, conditional
release or discharge. The court shall give notice of the hearing to the
appropriate secure facility, state hospital or state security hospital where
the patient is under commitment, to the district or county prosecuting
attorney of the county from which the person was originally ordered com-
mittred. The county or district prosecuting attorney shall provide victim
notification regarding the hearing. The court shall order the involuntary
patient to undergo a mental evaluation by a person designated by the
court. A copy of all orders of the court shall be sent to the involuntary
patient and the patient's attorney. The report of the court ordered mental
evaluation shall be given to the district or county prosecuting attorney, the
involuntary patient and the patient's attorney at least seven days prior to
the hearing. The hearing shall be held within 30 days after the receipt by
the court of the chief medical officer's notice unless the court finds that ex-
ceptional circumstances warrant delay of the hearing. The involuntary pa-
tient shall remain in the appropriate secure facility, state hospital or state
security hospital where the patient is under commitment until the hearing
on the proposed transfer, conditional release or discharge is to be held.
At the hearing, the court shall receive all relevant evidence, including the
written findings and recommendations of the chief medical officer of the
state security hospital or the appropriate secure facility where the patient is under commitment, and shall determine whether the patient shall be transferred to a less re-
strictive hospital environment or whether the patient shall be condition-
ally released or discharged. The patient shall have the right to present
evidence at such hearing and to cross-examine any witnesses called by the
district or county prosecuting attorney. At the conclusion of the hearing, if
the court finds by clear and convincing evidence that the patient will not
be likely to cause harm to self or others if transferred to a less restrictive
hospital environment, the court shall order the patient transferred. If the
court finds by clear and convincing evidence that the patient is not cur-
rently a mentally ill person, the court shall order the patient discharged
or conditionally released; otherwise, the court shall order the patient to
remain in the state security hospital or state hospital where the patient
is under commitment. If the court orders the conditional release of the
patient in accordance with subsection (4) (d), the court may order as an
additional condition to the release that the patient continue to take pre-
scribed medication and report as directed to a person licensed to practice
medicine and surgery to determine whether or not the patient is taking
the medication or that the patient continue to receive periodic psychiatric
or psychological treatment. The county or district prosecuting attorney shall notify any victims of the outcome of the hearing.

(4)(d) In order to ensure the safety and welfare of a patient who is to be conditionally released and the citizenry of the state, the court may allow the patient to remain in custody at a facility under the supervision of the secretary for aging and disability services or the head of the appropriate secure facility for a period of time not to exceed 45 days in order to permit sufficient time for the secretary to prepare recommendations to the court for a suitable reentry program for the patient and allow adequate time for the county or district prosecuting attorney to provide victim notification. The reentry program shall be specifically designed to facilitate the return of the patient to the community as a functioning, self-supporting citizen, and may include appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, receiving marital and family counseling, and such other outpatient services that appear beneficial. If a patient who is to be conditionally released will be residing in a county other than the county where the district court that ordered the conditional release is located, the court shall transfer venue of the case to the district court of the other county and send a copy of all of the court’s records of the proceedings to the other court. In all cases of conditional release the court shall:

(a)(1) Order that the patient be placed under the temporary supervision of district court probation and parole services, community treatment facility or any appropriate private agency; and

(b)(2) require as a condition precedent to the release that the patient agree in writing to waive extradition in the event a warrant is issued pursuant to K.S.A. 22-3428b, and amendments thereto.

(5)(e) At any time during the conditional release period, a conditionally released patient, through the patient’s attorney, or the county or district prosecuting attorney of the county in which where the district court having venue is located may file a motion for modification of the conditions of release, and the court shall hold an evidentiary hearing on the motion within 14 days of its filing. The court shall give notice of the time for the hearing to the patient and the county or district prosecuting attorney. If the court finds from the evidence at the hearing that the conditional provisions of release should be modified or vacated, it shall so order. If at any time during the transitional period the designated medical officer or supervisory personnel or the treatment facility informs the court that the patient is not satisfactorily complying with the provisions of the conditional release, the court, after a hearing for which notice has been given to the county or district prosecuting attorney and the patient, may make orders:

(a) (1) For additional conditions of release designed to effect the ends of the reentry program; (b) (2) requiring the county or district
prosecuting attorney to file a petition to determine whether the patient is a mentally ill person as provided in K.S.A. 59-2957, and amendments thereto; or (e) (3) requiring that the patient be committed to the appropriate secure facility, state security hospital or any state hospital. In cases where a petition is ordered to be filed, the court shall proceed to hear and determine the petition pursuant to the care and treatment act for mentally ill persons and that act shall apply to all subsequent proceedings. If a patient is committed to any state hospital pursuant to this act the county or district prosecuting attorney shall provide victim notification. The costs of all proceedings, the mental evaluation and the reentry program authorized by this section shall be paid by the county from which the person was committed.

(6)(f) In any case in which the defense that the defendant lacked the required mental state pursuant to K.S.A. 22-3220, and amendments thereto, is relied on, the court shall instruct the jury on the substance of this section.

(7)(g) As used in this section and K.S.A. 22-3428a, and amendments thereto:

(a) (1) “Likely to cause harm to self or others” means that the person is likely, in the reasonably foreseeable future, to cause substantial physical injury or physical abuse to self or others or substantial damage to another’s property, or evidenced by behavior causing, attempting or threatening such injury, abuse or neglect.

(b) (2) “Mentally ill person” means any person who:

(A) Is suffering from a severe mental disorder to the extent that such person is in need of treatment; and

(B) is likely to cause harm to self or others.

(c) (3) “Treatment facility” means any mental health center or clinic, psychiatric unit of a medical care facility, psychologist, physician or other institution or individual authorized or licensed by law to provide either inpatient or outpatient treatment to any patient.

Sec. 11. K.S.A. 2021 Supp. 22-3429 is hereby amended to read as follows: 22-3429. After conviction and prior to sentence and as part of the presentence investigation authorized by K.S.A. 2021 Supp. 21-6703, and amendments thereto, or for crimes committed on or after July 1, 1993, a presentence investigation report as provided in K.S.A. 2021 Supp. 21-6813, and amendments thereto, the trial judge may order the defendant committed to the state security hospital for mental examination, evaluation and report. If the defendant is convicted of a felony, the commitment shall be to the state security hospital or any suitable local mental health facility. If the defendant is convicted of a misdemeanor, the commitment shall be to a state hospital or any suitable local mental health facility. If adequate private facilities are available and if the defendant is willing to
assume the expense thereof, commitment may be to a private hospital. A report of the examination and evaluation shall be furnished by the chief medical officer to the judge and shall be made available to the prosecuting attorney and counsel for the defendant. A defendant may not be detained for more than 120 days under a commitment made under this section.

Sec. 13. This act shall take effect and be in force from and after its publication in the statute book.

Sec. 3. K.S.A. 2021 Supp. 21-6604 is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity that materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2021 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire that has been determined to be arson or aggravated arson as defined in K.S.A. 2021 Supp. 21-5812,
and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation that leads to the defendant’s conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2021 Supp. 21-6804(i), and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) order the defendant to participate in a specialty court program pursuant to section 1, and amendments thereto;

(14) impose any appropriate combination of paragraphs (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12) through (13); or

(15) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant’s crime. Restitution shall be due immediately unless: (A) The court orders that the defendant be given a specified time to pay or be allowed to pay in specified installments; or (B) the court finds compelling circumstances that would render restitution unworkable, either in whole or in part. In regard to a violation of K.S.A. 2021 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identi-
fication documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2021 Supp. 21-5801, 21-5807, 21-5813 or 21-5818, and amendments thereto, such damage or loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds restitution unworkable, either in whole or in part, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant that may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the judicial administrator pursuant to K.S.A. 20-169, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) If a restitution order entered prior to the effective date of this act does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order from the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2021 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that
payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant not been granted release by the court pursuant to K.S.A. 2021 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obliga-
tions, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52, 127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment.
if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp’s or community intermediate sanction center’s placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents’ defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l)(1) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary’s custody if the inmate:
(1)(A) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto; and

(2)(B) otherwise meets admission criteria of the camp.

(2) If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2021 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n)(1) Except as provided by K.S.A. 2021 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2021 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2021 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant’s refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2021 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon
completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2021 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order that places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the or-
der imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person’s state of residence. Such judge shall furnish to any person whose driver’s license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver’s license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person’s privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person’s driver’s license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, “highway” and “street” mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2021 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order
that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court’s order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. The hours of confinement shall include at least 48 hours of imprisonment and otherwise may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum sentence is met. If the person is placed into a work release program or placed under a house arrest program for more than the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum of 120 hours of confinement is completed, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person's work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person's location and shall only be given credit for the time served within the boundaries of the person's residence.

(2) (A) Operating an aircraft under the influence is a severity level 6, nonperson felony if the offense occurred while the person convicted is prohibited from operating an aircraft:

(i) By a court order pursuant to this section; or

(ii) because such person's pilot license is revoked or suspended by an order of the federal aviation administration for a prior alcohol or drug-related conviction.

(B) The following conditions shall apply to such sentence:
(i) As a condition of any probation granted under this subsection, the person shall serve at least 30 days of confinement. After at least 48 consecutive hours of imprisonment, the remainder of the period of confinement may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 30 days of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program for the first 240 hours of confinement, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person’s work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person’s location and shall only be given credit for the time served within the boundaries of the person’s residence.

(3) As part of the judgment of conviction, the court shall order the person convicted not to operate an aircraft for any purpose for a period of six months from the date of final discharge from the county jail, or the date of payment or satisfaction of such fine, whichever is later or one year from such date on a second conviction. If the court suspends the sentence and places the person on probation as provided by law, the court shall order as one of the conditions of probation that such person not operate an aircraft for any purpose for a period of 30 days from the date of the order on a first conviction or 60 days from the date of the order on a second conviction.

(4) For the purpose of determining whether an occurrence is a first, second or subsequent occurrence:

(A) “Conviction” includes entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging commission of a crime described in subsection (a); and

(B) it is irrelevant whether an offense occurred before or after conviction or diversion for a previous offense.

(c) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

New Sec. 2. (a) Any person who operates or attempts to operate an aircraft within this state may be requested, subject to the provisions of sections
1 through 4, and amendments thereto, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing shall include all quantitative and qualitative tests for alcohol and drugs. The test shall be administered at the direction of a law enforcement officer, and the law enforcement officer shall determine which type of test is to be conducted or requested.

(b) (1) One or more tests may be required of a person when, at the time of the request, a law enforcement officer has probable cause to believe the person has committed a violation of section (1)(a), and amendments thereto, while having alcohol or drugs in such person's system, and one of the following conditions exists:

(A) The person has been arrested or otherwise taken into custody for any offense violation of any state statute, county resolution or city ordinance; or

(B) the person has been involved in an aircraft accident or crash resulting in property damage, personal injury or death.

(2) The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the investigation or arrest.

(c) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct any search of a person's breath or other bodily substance, other than blood or urine, incident to a lawful arrest pursuant to the constitution of the United States, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(d) Nothing in this section shall be construed to limit the right of a law enforcement officer to conduct or obtain a blood or urine test of a person pursuant to a warrant under K.S.A. 22-2502, and amendments thereto, the constitution of the United States or a judicially recognized exception to the search warrant requirement, nor limit the admissibility at any trial or hearing of alcohol or drug concentration testing results obtained pursuant to such a search.

(e) A law enforcement officer may direct a medical professional, as described in subsection (f), to draw one or more samples of blood from a person to determine the blood's alcohol or drug concentration if:

(1) The person has given consent and meets the requirements of subsection (b);

(2) law enforcement has obtained a search warrant authorizing the collection of blood from the person; or

(3) the person refuses or is unable to consent to, submit to and complete a test, and another judicially recognized exception to the warrant requirement applies.
(f) If a law enforcement officer is authorized to collect one or more tests of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by:

(1) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;

(2) a registered nurse or a licensed practical nurse;

(3) any qualified medical technician, including, but not limited to, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or

(4) a phlebotomist.

(g) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample of blood as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person’s life, cause serious injury to the person or seriously impede the person’s medical assessment, care or treatment. The medical professional authorized in this section to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawal of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person that is the subject of the test or tests to provide any additional consent or sign any waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent. Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document if provided by law enforcement.

(h) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person’s safety or that of the medical professional or attending medical or healthcare staff during the drawing of the sample and without interfering with medical treatment.

(i) (1) If a law enforcement officer is authorized to collect one or more tests of urine, the collection of the urine sample shall be supervised by:

(A) A person licensed to practice medicine and surgery, licensed as a physician assistant or a person acting under the direction of any such licensed person;
(B) a registered nurse or a licensed practical nurse; or
(C) a law enforcement officer of the same sex as the person being tested.

(2) The collection of the urine sample shall be conducted out of the view of any person other than the person supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer.

(3) The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence.

(4) If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (g) and (i) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) The person’s refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of an aircraft while under the influence of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(l) No test shall be suppressed because of irregularities not affecting the substantial rights of the accused in the consent or notice authorized pursuant to this section.

(m) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant or other judicially recognized exception to the warrant requirement.

(n) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person when available.

(o) The person tested shall have a reasonable opportunity to have an additional chemical test by a physician of such person’s own choosing. If the law enforcement officer refuses to permit such additional chemical test to be taken, the original test shall not be competent evidence.

(p) (1) The testing and method of testing consented to under this section shall not be considered to have been conducted for any medical care or treatment purpose. The results of such test, the person’s name whose bodily substance is drawn or tested, the location of the test or procedure, the names of all health care providers and personnel who participated in the procedure or test and the date and time of the test or procedure are required by law to be provided to the requesting law enforcement
officer or the law enforcement officer's designee after the requesting law
enforcement officer has complied with this section.

(2) All costs of conducting any procedure or test requested by a law
enforcement agency and authorized by this section, including the costs
of the evidence collection kits, shall be charged to and paid by the coun-
ty where the alleged offense was committed. Such county may be reim-
bursed such costs upon the costs being paid by the defendant as court
costs assessed pursuant to K.S.A. 28-172a, and amendments thereto.

(3) The cost assessed under this section shall be the then-current
medicaid rate for any such procedure or test, or both.

(4) Notwithstanding any other law to the contrary, the collection and
delivery of the sample and required information to the law enforcement
officer pursuant to this section shall not be subject to the physician-
patient privilege or any other law that prohibits the transfer, release or
disclosure of the sample or of the required information.

(q) No medical care facility, clinical laboratory, medical clinic, oth-
er medical institution, person licensed to practice medicine or surgery,
person acting under the direction of any such licensed person, licensed
physician assistant, registered nurse, licensed practical nurse, medical
technician, paramedic, advanced emergency medical technician, phle-
botomist, healthcare provider or person who participates in good faith
in the obtaining, withdrawal, collection or testing of blood, breath, urine
or other bodily substance at the direction of a law enforcement officer
pursuant to this section, or as otherwise authorized by law, shall incur any
civil, administrative or criminal liability as a result of such participation,
regardless of whether or not the patient resisted or objected to the admin-
istration of the procedure or test.

(r) Sections 1 through 4, and amendments thereto, are remedial law
and shall be liberally construed to promote public health, safety and
welfare.

New Sec. 3. (a) A law enforcement officer may request a person who
is operating or attempting to operate an aircraft within this state to sub-
mit to a preliminary screening test of the person's breath or oral fluid, or
both, if the officer has reasonable suspicion to believe the person has been
operating or attempting to operate an aircraft while under the influence
of alcohol or drugs, or a combination of alcohol and any drug or drugs.

(b) If the person submits to the test, the results shall be used for the
purpose of assisting law enforcement officers in determining whether an
arrest should be made and whether to request the tests authorized by sec-
tion 2, and amendments thereto. A law enforcement officer may arrest a
person based in whole or in part upon the results of a preliminary screen-
ing test. Such results shall not be admissible in any civil or criminal action
concerning the operation of or attempted operation of an aircraft except
to aid the court in determining a challenge to the validity of the arrest or the validity of the request to submit to a test pursuant to section 2, and amendments thereto. Following the preliminary screening test, additional tests may be requested pursuant to section 2, and amendments thereto.

(c) Any preliminary screening of a person’s breath shall be conducted with a device approved pursuant to K.S.A. 65-1,107, and amendments thereto. Any preliminary screening of a person’s oral fluid shall be conducted in accordance with rules and regulations, if any, approved pursuant to K.S.A. 75-712h, and amendments thereto.

New Sec. 4. As used in sections 1 through 4, and amendments thereto:
(a) “Alcohol concentration” means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath.
(b) “Drug” includes toxic vapors as such term is defined in K.S.A. 2021 Supp. 21-5712, and amendments thereto.
(c) “Imprisonment” includes any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city.
(d) “Law enforcement officer” means the same as in K.S.A. 2021 Supp. 21-5111, and amendments thereto, and includes any person authorized by law to make an arrest on a military reservation for an act which would constitute a violation of section 1, and amendments thereto, if committed off a military reservation in this state.
(e) “Other competent evidence” includes:
(1) Alcohol concentration tests obtained from samples taken four hours or more after the operation or attempted operation of an aircraft; and
(2) readings obtained from a partial alcohol concentration test on a breath testing machine.
(f) “Test refusal” refers to a person’s failure to submit to or complete any test of the person’s blood, breath, urine or other bodily substance, other than a preliminary screening test, in accordance with section 2, and amendments thereto, and includes refusal of any such test on a military reservation.

New Sec. 5. (a) Any person whose license is restricted to operating only a motor vehicle with an ignition interlock device installed and who meets the requirements of subsection (b) may request reinstatement of such person’s driver’s license by submitting a request to the division in a form and manner prescribed by the division.

(b) The division shall approve the request for reinstatement of the person’s driver’s license if the division determines all the following conditions are met:
(1) The person’s ignition interlock device restriction period has been extended at least five years, not including any period of incarceration, be-
yond the initial ignition interlock device restriction period required by law due to the person’s failure to provide the division with proof of completion of the ignition interlock device program as required by K.S.A. 8-1015, and amendments thereto;

(2) during the person’s ignition interlock device restriction period and any extension thereof, the person has not had an alcohol or drug-related conviction or occurrence, as those terms are defined by K.S.A. 8-1013, and amendments thereto, or a conviction of a violation of K.S.A. 8-1017, and amendments thereto, or of a law of another state, or of a political subdivision thereof, that prohibits the acts prohibited by K.S.A. 8-1017, and amendments thereto;

Sec. 6. K.S.A. 2021 Supp. 8-235 is hereby amended to read as follows:

8-235. (a) No person, except those expressly exempted, shall drive any motor vehicle upon a highway in this state unless such person has a valid driver’s license. No person shall receive a driver’s license unless and until such person surrenders or with the approval of the division, lists to the division all valid licenses in such person’s possession issued to such person by any other jurisdiction. All surrendered licenses or the information listed on foreign licenses shall be returned by the division to the issuing department, together with information that the licensee is now licensed in a new jurisdiction. No person shall be permitted to have more than one valid license at any time.

(b) Any person licensed under the motor vehicle drivers’ license act may exercise the privilege granted upon all streets and highways in this state and shall not be required to obtain any other license to exercise such privilege by any local authority. Nothing herein shall prevent cities from requiring licenses of persons who drive taxicabs or municipally franchised transit systems for hire upon city streets, to protect the public from drivers whose character or habits make them unfit to transport the public. If
a license is denied, the applicant may appeal such decision to the district
court of the county in which such city is located by filing within 14 days
after such denial, a notice of appeal with the clerk of the district court
and by filing a copy of such notice with the city clerk of the involved city.
The city clerk shall certify a copy of such decision of the city governing
body to the clerk of the district court and the matter shall be docketed as
any other cause and the applicant shall be granted a trial of such person's
character and habits. The matter shall be heard by the court de novo in
accordance with the code of civil procedure. The cost of such appeal shall
be assessed in such manner as the court may direct.

(c) Any person operating in this state a motor vehicle shall be the
holder of a driver's license that is classified for the operation of such motor
vehicle, and any person operating in this state a motorcycle that is regis-

tor vehicle in any class or classes;

2. is at least 15 years of age and has passed the written and visual
examinations required for obtaining a class C driver's license, in which
case the division shall issue to such person a class C license, which shall
clearly indicate that such license is valid only for the operation of motor-
ized bicycles; or

3. has had their driving privileges suspended, for a violation other
than a violation of K.S.A. 8-2,144, and amendments thereto, or a second
or subsequent violation of K.S.A. 8-1567 or 8-1567a, and amendments
thereto, and such person: (A) Has completed the mandatory period of
suspension as provided in K.S.A. 8-1014, and amendments thereto, and
(B) has made application and submitted a $40 nonrefundable application
fee to the division for the issuance of a class C license for the opera-
tion of motorized bicycles, in accordance with paragraph (2), in which
case the division shall issue to such person a class C license, which shall
clearly indicate that such license is valid only for the operation of mo-
torized bicycles; or (4)

4. has had their driving privileges revoked under
K.S.A. 8-286, and amendments thereto, has not had a test refusal or test
failure or alcohol or drug-related conviction, as those terms are defined
in K.S.A. 8-1013, and amendments thereto, in the last five years, has
not been convicted of a violation of K.S.A. 8-1568(b), and amendments
thereto, in the last five years and has made application to the division
for issuance of a class C license for the operation of motorized bicycles,
in accordance with paragraph (2), in which case the division shall issue
such person a class C license, which shall clearly indicate that such li-
cense is valid only for the operation of motorized bicycles. As used in
this subsection, “motorized bicycle” shall have the meaning ascribed to it in K.S.A. 8-126, and amendments thereto.

(e) All moneys received under subsection (d) from the nonrefundable application fee shall be applied by the division of vehicles for the additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund.

(f) Violation of this section shall constitute a class B nonperson misdemeanor.

Sec. 7. K.S.A. 2021 Supp. 8-241 is hereby amended to read as follows: 8-241. (a) Except as provided in K.S.A. 8-2,125 through 8-2,142, and amendments thereto, any person licensed to operate a motor vehicle in this state shall submit to an examination whenever: (1) The division of vehicles has good cause to believe that such person is incompetent or otherwise not qualified to be licensed; or (2) the division of vehicles has suspended such person’s license pursuant to K.S.A. 8-1014, and amendments thereto, as the result of a test refusal, test failure or conviction for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by K.S.A. 8-1567, and amendments thereto, except that no person shall have to submit to and successfully complete an examination more than once as the result of separate suspensions arising out of the same occurrence.

When a person is required to submit to an examination pursuant to subsection (a)(2), the fee for such examination shall be $25. In addition, any person required to submit to an examination pursuant to subsection (a)(2) as the result of a test failure, a conviction for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by K.S.A. 8-1567, and amendments thereto, shall be required, at the time of examination, to pay a reinstatement fee of $200 after the first occurrence, $400 after the second occurrence, $600 after the third occurrence and $800 after the fourth or subsequent occurrence; and as a result of a test refusal, shall be required, at the time of examination, to pay a reinstatement fee of $600 after the first occurrence, $900 after the second occurrence, $1,200 after the third occurrence and $1,500 after the fourth or subsequent occurrence.

(1) All examination fees collected pursuant to this section shall be remitted to the state treasurer, in accordance with the provisions of
K.S.A. 75-4215, and amendments thereto, who shall deposit the entire amount in the state treasury and credit 80% to the state highway fund and 20% shall be disposed of as provided in K.S.A. 8-267, and amendments thereto.

(2) On and after July 1, 2014, through June 30, 2018, all reinstatement fees collected pursuant to this section shall be remitted to the state treasurer, in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, who shall deposit the entire amount in the state treasury and credit 26% to the community alcoholism and intoxication programs fund created pursuant to K.S.A. 41-1126, and amendments thereto, 12% to the juvenile alternatives to detention fund created by K.S.A. 79-4803, and amendments thereto, 12% to the forensic laboratory and materials fee fund created by K.S.A. 28-176, and amendments thereto, 17% to the driving under the influence fund created by K.S.A. 75-5660, and amendments thereto, and 33% to the judicial branch nonjudicial salary adjustment fund created by K.S.A. 20-1a15, and amendments thereto. Moneys credited to the forensic laboratory and materials fee fund as provided herein shall be used to supplement existing appropriations and shall not be used to supplant general fund appropriations to the Kansas bureau of investigation.

(3) On and after July 1, 2018, all reinstatement fees collected pursuant to this section shall be remitted to the state treasurer, in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, who shall deposit the entire amount in the state treasury and credit 35% to the community alcoholism and intoxication programs fund created pursuant to K.S.A. 41-1126, and amendments thereto, 20% to the juvenile alternatives to detention fund created by K.S.A. 79-4803, and amendments thereto, 20% to the forensic laboratory and materials fee fund created by K.S.A. 28-176, and amendments thereto, and 25% to the driving under the influence fund created by K.S.A. 75-5660, and amendments thereto. Moneys credited to the forensic laboratory and materials fee fund as provided herein shall be used to supplement existing appropriations and shall not be used to supplant general fund appropriations to the Kansas bureau of investigation.

(c) When an examination is required pursuant to subsection (a), at least five days’ written notice of the examination shall be given to the licensee. The examination administered hereunder shall be at least equivalent to the examination required by K.S.A. 8-247(e), and amendments thereto, with such additional tests as the division deems necessary. Upon the conclusion of such examination, the division shall take action as may be appropriate and may suspend or revoke the license of such person or permit the licensee to retain such license, or may issue a license subject to restrictions as permitted under K.S.A. 8-245, and amendments thereto.
(d) Refusal or neglect of the licensee to submit to an examination as required by this section shall be grounds for suspension or revocation of the license.

(e) The division may issue a driver’s license with a DUI-IID designation for a licensee that is operating under ignition interlock restrictions required by K.S.A. 8-1014, and amendments thereto. The reexamination requirement in subsection (a)(2) shall not require reexamination and payment of reinstatement fees until the end of the licensee’s ignition interlock restriction period. If the applicant’s Kansas driver’s license has been expired for one year or more, the applicant must complete a reexamination and pay any applicable reinstatement fees before qualifying for a driver’s license with an ignition interlock designation. All other requirements for issuance and renewal of a driver’s license under K.S.A. 8-240, and amendments thereto, shall continue to apply. The renewal periods and other requirements in K.S.A. 8-247, and amendments thereto, shall apply. Sec. 9. K.S.A. 2021 Supp. 8-2,144 is hereby amended to read as follows:

8-2,144. (a) Driving a commercial motor vehicle under the influence is operating or attempting to operate any commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, within this state while:

(1) The alcohol concentration in the person’s blood or breath, as shown by any competent evidence, including other competent evidence, as defined in K.S.A. 8-1013(f)(1), and amendments thereto, is 0.04 or more; 

(2) the alcohol concentration in the person’s blood or breath, as measured within three hours of the time of driving a commercial motor vehicle, is 0.04 or more; or

(3) committing a violation of K.S.A. 8-1567(a), and amendments thereto, or the ordinance of a city or resolution of a county which prohibits any of the acts prohibited thereunder or is otherwise comparable.

(b) (1) Driving a commercial motor vehicle under the influence is:

(A) On a first conviction, a class B, nonperson misdemeanor. The person convicted shall be sentenced to not less than 48 consecutive hours nor more than six months’ imprisonment, or in the court’s discretion, 100 hours of public service, and fined not less than $750 nor more than $1,000. The person convicted shall serve at least 48 consecutive hours’ imprisonment or 100 hours of public service either before or as a condition of any grant of probation, suspension or reduction of sentence or parole or other release;

(B) on a second conviction, a class A, nonperson misdemeanor. The person convicted shall be sentenced to not less than 90 days nor more than one year’s imprisonment and fined not less than $1,250 nor more than $1,750. The person convicted shall serve at least five consecutive days’ imprisonment before the person is granted probation, suspension or reduction of sentence or parole or is otherwise released. The five days’ imprisonment mandated by this subsection may be served in a work re-
lease program only after such person has served 48 consecutive hours’ imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto, to serve the five days’ imprisonment mandated by this subsection only after such person has served 48 consecutive hours’ imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender’s location. The offender shall serve a minimum of 120 hours of confinement within the boundaries of the offender’s residence. Any exceptions to remaining within the boundaries of the offender’s residence provided for in the house arrest agreement shall not be counted as part of the 120 hours.

The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 120 hours of confinement. The hours of confinement shall include at least 48 hours of imprisonment and otherwise may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum sentence is met. If the person is placed into a work release program or placed under a house arrest program for more than the minimum of 120 hours of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program until the minimum of 120 hours of confinement is completed, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person’s work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person’s location and shall only be given credit for the time served within the boundaries of the person’s residence; and
(C) on a third or subsequent conviction, a severity level 6, nonperson felony. The person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than $1,750 nor more than $2,500. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 2,160 hours of confinement. Such 2,160 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2020 Supp. 21-6609, and amendments thereto, to serve the 90 days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The offender shall serve a minimum of 2,160 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 2,160 hours. The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 30 days of confinement. After at least 48 consecutive hours of imprisonment, the remainder of the period of confinement may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 30 days of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program for the first 240 hours of confinement, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person's work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device
that verifies the person’s location and shall only be given credit for the
time served within the boundaries of the person’s residence.

(2) In addition, for any conviction pursuant to subsection (b)(1)(C),
at the time of the filing of the judgment form or journal entry as required
by K.S.A. 22-3426 or K.S.A. 2020 Supp. 21-6711, and amendments there-
to, the court shall cause a certified copy to be sent to the officer having
the offender in charge. The court shall determine whether the offender,
upon release from imprisonment, shall be supervised by community cor-
rectional services or court services based upon the risk and needs of the
offender. The risk and needs of the offender shall be determined by use
of a risk assessment tool specified by the Kansas sentencing commission.
The law enforcement agency maintaining custody and control of a defen-
dant for imprisonment shall cause a certified copy of the judgment form
or journal entry to be sent to the supervision office designated by the
court and upon expiration of the term of imprisonment shall deliver the
defendant to a location designated by the supervision office designated by
the court. After the term of imprisonment imposed by the court, the per-
son shall be placed on supervision to community correctional services or
court services, as determined by the court, for a mandatory one-year peri-
od of supervision, which such period of supervision shall not be reduced.
During such supervision, the person shall be required to participate in a
multidisciplinary model of services for substance use disorders facilitated
by a Kansas department for aging and disability services designated care
coordination agency to include assessment and, if appropriate, referral to
a community based substance use disorder treatment including recovery
management and mental health counseling as needed. The multidisci-
plinary team shall include the designated care coordination agency, the
supervision officer, the aging and disability services department designat-
ed treatment provider and the offender. An offender for whom a warrant
has been issued by the court alleging a violation of such supervision shall
be considered a fugitive from justice if it is found that the warrant cannot
be served. If it is found the offender has violated the provisions of this su-
 pervision, the court shall determine whether the time from the issuing of
the warrant to the date of the court’s determination of an alleged violation,
or any part of it, shall be counted as time served on supervision. Any vio-
lation of the conditions of such supervision may subject such person to re-
vocation of supervision and imprisonment in jail for the remainder of the
period of imprisonment, the remainder of the supervision period, or any
combination or portion thereof. The term of supervision may be extended
at the court’s discretion beyond one year, and any violation of the condi-
tions of such extended term of supervision may subject such person to the
revocation of supervision and imprisonment in jail of up to the remainder of
the original sentence, not the term of the extended supervision.
(2) In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person 18 years of age or older convicted of a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, who had one or more children under the age of 18 years in the vehicle at the time of the offense shall have such person’s punishment enhanced by one month of imprisonment. This imprisonment shall be served consecutively to any other minimum mandatory penalty imposed for a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of K.S.A. 8-1567(a)(4) or (a) (5), and amendments thereto, as incorporated in this section, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) (1) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(2) The court may, in its discretion, waive any portion of a fine imposed pursuant to this section, except the $250 required to be remitted to the state treasurer pursuant to subsection (q), upon a showing that the person successfully completed court-ordered education or treatment.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:
(1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the:

(1) Division a record of all prior convictions obtained against such person for any violation of any of the motor vehicle laws of this state; and

(2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(i) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall:

(1) Disqualify the person from driving a commercial motor vehicle under K.S.A. 8-2,142, and amendments thereto; and

(2) suspend, restrict or suspend and restrict the person’s driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(j) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this section as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(k) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:

(A) Division of vehicles a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished
as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution. The county or district attorney shall accept such referral and pursue a disposition of such violation, and shall not refer any such violation back to the city attorney.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance or resolution. This subsection shall not be construed to prohibit an amendment or dismissal of any charge where the admissible evidence is not sufficient to support a conviction beyond a reasonable doubt on such charge.

(m) The alternatives set out in subsection (a) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or more of such alternatives prior to submission of the case to the fact finder.

(n) For the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section:

(1) Convictions for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county that prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person’s lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person’s lifetime shall be taken into account:

(A) This section;
(B) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto;
(C) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or K.S.A. 2020 Supp. 21-5405(a)(3) or (a)(5), and amendments thereto;
(D) aggravated battery as described in K.S.A. 2020 Supp. 21-5413(b)(3) or (b)(4), and amendments thereto; and
(E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another jurisdiction that would constitute an offense that is comparable to the offense described in subsection (n)(1) or (n)(2);
(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and
(5) multiple convictions of any crime described in subsection (n)(1) or (n)(2) arising from the same arrest shall only be counted as one conviction.
(o) For the purposes of determining whether an offense is comparable, the following shall be considered:
(1) The name of the out-of-jurisdiction offense;
(2) the elements of the out-of-jurisdiction offense; and
(3) whether the out-of-jurisdiction offense prohibits similar conduct to the conduct prohibited by the closest approximate Kansas offense.
(p) For the purpose of this section:
(1) “Alcohol concentration” means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath; shall include includes any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and

Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 75-52,113, and amendments thereto.

(a) A driver or a holder of a commercial driver’s license may not enter into a diversion agreement in lieu of further criminal proceedings that would prevent such person’s conviction for any violation, in any type of motor vehicle, of a state or local traffic control law, except a parking violation, from appearing on the person’s record, whether the person was convicted for an offense committed in the state where the person is licensed or another state.
(b) For purposes of subsection (a), a person shall be considered a holder of a commercial driver's license if the person was a holder of a commercial driver's license at the time the person was arrested or was issued a citation and shall remain a holder of a commercial driver's license even if the person surrenders the commercial driver's license after the arrest or citation.

(c) (1) A prosecuting attorney as defined in K.S.A. 22-2202, and amendments thereto, shall not mask or defer imposition of judgment or allow an individual to enter into a diversion program that would prevent a commercial learner's permit or commercial driver's license holder's conviction from appearing on the CDLIS driver record of any violation of a state or local traffic control law that occurred in any type of motor vehicle. The provisions of this subsection shall apply regardless of whether the driver was convicted for an offense committed in the state where the driver is licensed or in any another state.

The person convicted, if placed into a work release program, shall serve a minimum of 2,160 hours of confinement. Such 2,160 hours of confinement shall be a period of at least 72 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender’s work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2020 Supp. 21-6609, and amendments thereto, to serve the 90 days’ imprisonment mandated by this subsection only after such person has served 72 consecutive hours’ imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic
monitoring device, which verifies the offender’s location. The offender shall serve a minimum of 2,160 hours of confinement within the boundaries of the offender’s residence. Any exceptions to remaining within the boundaries of the offender’s residence provided for in the house arrest agreement shall not be counted as part of the 2,160 hours. The following conditions shall apply to such sentence:

(i) As a condition of any probation granted under this subsection, the person shall serve at least 30 days of confinement. After at least 48 consecutive hours of imprisonment, the remainder of the period of confinement may be served by a combination of: Imprisonment; a work release program, if such work release program requires such person to return to the confinement at the end of each day in the work release program; or a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto; and

(ii) (a) if the person is placed into a work release program or placed under a house arrest program for any portion of the minimum of 30 days of confinement mandated by this subsection, the person shall receive hour-for-hour credit for time served in such program for the first 240 hours of confinement, and thereafter, the person shall receive day-for-day credit for time served in such program unless otherwise ordered by the court; and

(b) when in a work release program, the person shall only be given credit for the time served in confinement at the end of and continuing to the beginning of the person’s work day. When under a house arrest program, the person shall be monitored by an electronic monitoring device that verifies the person’s location and shall only be given credit for the time served within the boundaries of the person’s residence.

(2) The court may order that the term of imprisonment imposed pursuant to subsection (b)(1)(D) or (b)(1)(E) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 2020-2021 Supp. 21-6804, and amendments thereto. The person shall remain imprisoned at the state facility only while participating in the substance abuse treatment program designated by the secretary and shall be returned to the custody of the sheriff for execution of the balance of the term of imprisonment upon completion of or the person’s discharge from the substance abuse treatment program. Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections may refuse to admit the person to the designated facility and place the person in a different state facility, or admit the person and subsequently transfer the person to a different state facility, if the secretary determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available;
(B) the person has failed to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall be responsible for all transportation expenses to and from the state correctional facility.

(3) In addition, for any conviction pursuant to subsection (b)(1)(C), (b)(1)(D) or (b)(1)(E), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2020 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The court shall determine whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a Kansas department for aging and disability services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the Kansas department for aging and disability services designated treatment provider and the offender. An offender for whom a warrant has been issued by the court alleging a violation of this supervision shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it is found the offender has violated the provisions of this supervision, the court shall determine whether the time from the issuing of the warrant to the date of the court’s determination of an alleged violation, or any part of it, shall be counted as time served on supervision. Any violation of the conditions of
such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof. The term of supervision may be extended at the court’s discretion beyond one year, and any violation of the conditions of such extended term of supervision may subject such person to the revocation of supervision and imprisonment in jail of up to the remainder of the original sentence, not the term of the extended supervision.

(4) In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person 18 years of age or older convicted of violating this section or an ordinance which prohibits the acts that this section prohibits who had one or more children under the age of 18 years in the vehicle at the time of the offense shall have such person’s punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section or an ordinance which prohibits the acts that this section prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f)(1) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.
(2) The court may, in its discretion, waive any portion of a fine imposed pursuant to this section, except the $250 required to be remitted to the state treasurer pursuant to subsection (q)(2), upon a showing that the person successfully completed court-ordered education or treatment.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:

(1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division including any finding regarding the alcohol concentration in the offender's blood or breath. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(i) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

(1) Convictions for a violation of this section, or a violation of an ordinance of any city or resolution of any county that prohibits the acts that this section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person’s lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person’s lifetime shall be taken into account:

(A) Driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto;

(B) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto;

(C) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or K.S.A.—2020 2021 Supp. 21-5405(a)(3) or (a)(5), and amendments thereto;

(D) aggravated battery as described in K.S.A.—2020 2021 Supp. 21-5413(b)(3) or (b)(4), and amendments thereto; and

(E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the
crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) “conviction” includes:

(A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging an offense described in subsection (i)(2); and

(B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another jurisdiction that would constitute an offense that is comparable to the offense described in subsection (i)(1) or (i)(2);

(4) multiple convictions of any crime described in subsection (i)(1) or (i)(2) arising from the same arrest shall only be counted as one conviction;

(5) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(6) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person’s lifetime.

(j) For the purposes of determining whether an offense is comparable, the following shall be considered:

(1) The name of the out-of-jurisdiction offense;

(2) the elements of the out-of-jurisdiction offense; and

(3) whether the out-of-jurisdiction offense prohibits similar conduct to the conduct prohibited by the closest approximate Kansas offense.

(k) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person’s driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(l) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section,
notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(4) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(m) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:

(A) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(n) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining. This subsection shall not be construed to prohibit an amendment or dismissal of any charge where the admissible evidence is not sufficient to support a conviction beyond a reasonable doubt on such charge.

(o) The alternatives set out in subsection (a) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or more of such alternatives prior to submission of the case to the fact finder.

(p) As used in this section:

(1) “Alcohol concentration” means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(2) “imprisonment” shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and

(3) “drug” includes toxic vapors as such term is defined in K.S.A. 2020 Supp. 21-5712, and amendments thereto.
(q) (1) The amount of the increase in fines as specified in this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of remittance of the increase provided in this act, the state treasurer shall deposit the entire amount in the state treasury and the state treasurer shall credit 50% to the community alcoholism and intoxication programs fund and 50% to the department of corrections alcohol and drug abuse treatment fund, which is hereby created in the state treasury.

(2) On and after July 1, 2011, the amount of $250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 75-52,113, and amendments thereto.

Sec. 15. K.S.A. 2021 Supp. 8-1567a is hereby amended to read as follows: 8-1567a. (a) It shall be unlawful for any person less than 21 years of age to operate or attempt to operate a vehicle in this state with a breath or blood alcohol content of .02 or greater.

(b) Whenever a law enforcement officer determines that a breath or blood alcohol test is to be required of a person less than 21 years of age pursuant to K.S.A. 8-1001 or K.S.A. 8-2,142, and amendments thereto, in addition to any other notices required by law, the law enforcement officer shall provide written and oral notice that:

(1) It is unlawful for any person less than 21 years of age to operate or attempt to operate a vehicle in this state with a breath or blood alcohol content of .02 or greater; and

(2) if the person is less than 21 years of age at the time of the test request and submits to and completes the test or tests and the test results show an alcohol concentration of .02 or greater, but less than .08, on the person's first occurrence, the person's driving privileges will be suspended for 30 days and on the person's second or subsequent occurrence, the person's driving privileges shall be suspended for one year.

(c) Any suspension and restriction of driving privileges pursuant to this section shall be in addition to any disqualification from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

(d) Whenever a breath or blood alcohol test is requested pursuant to K.S.A. 8-1001, and amendments thereto, from a person less than 21 years of age, and results in a test result of .02 or greater, but less than .08, a law enforcement officer's certification under this section shall be prepared. The certification required by this section shall be signed by one or more officers to certify that:
(1) (A) There existed reasonable grounds to believe the person was operating a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system or was under the age of 21 years and was operating or attempting to operate a vehicle while having alcohol or other drugs in such person’s system;

(E) the result of the test showed that the person had an alcohol concentration of .02 or greater in such person’s blood or breath.

(2) With regard to a breath test, in addition to those matters required to be certified under subsection (d)(1), that:

(A) The testing equipment used was certified by the Kansas department of health and environment;

(B) the testing procedures used were in accordance with the requirements set out by the Kansas department of health and environment; and

(C) the person who operated the testing equipment was certified by the Kansas department of health and environment to operate such equipment.

(e) If a hearing is requested as a result of a law enforcement officer’s certification under this section, the scope of the hearing shall be limited to whether:

(f) If a person less than 21 years of age submits to a breath or blood alcohol test requested pursuant to K.S.A. 8-1001 or K.S.A. 8-2,142, and amendments thereto, and produces a test result of .02 or greater, but less than .08, on the person’s first occurrence, the person’s driving privileges shall be suspended for 30 days and then restricted as provided by K.S.A. 8-1015, and amendments thereto, for an additional 180 days, and on the person’s second or subsequent occurrence, the person’s driving privileges shall be suspended for one year.

(g) Except where there is a conflict between this section and K.S.A. 8-1001 and 8-1002, and amendments thereto, the provisions of K.S.A. 8-1001 and 8-1002, and amendments thereto, shall be applicable to proceedings under this section.

(h) Any determination under this section that a person less than 21 years of age had a test result of .02 or greater, but less than .08, and any resulting administrative action upon the person’s driving privileges, upon the first occurrence of such test result and administrative action, shall not be considered by any insurance company in determining the rate charged for any automobile liability insurance policy or whether to cancel any such policy under the provisions of subsection (4)(a) of K.S.A. 40-277(4)(a), and amendments thereto.

Sec. 16. K.S.A. 2021 Supp. 12-4415 is hereby amended to read as follows: 12-4415. (a) In determining whether diversion of a defendant is in the interests of justice and of benefit to the defendant and the community, the city attorney shall consider at least the following factors among all factors considered:

(1) The nature of the crime charged and the circumstances surrounding it;
(2) any special characteristics or circumstances of the defendant;
(3) whether the defendant is a first-time offender of an alcohol related offense as defined in K.S.A. 12-4413, and amendments thereto, and if the defendant has previously participated in diversion, according to the certification of the division of vehicles of the state department of revenue;
(4) whether there is a probability that the defendant will cooperate with and benefit from diversion;
(5) whether there is a probability that the defendant committed such crime as a result of an injury, including major depressive disorder, polytrauma, post-traumatic stress disorder or traumatic brain injury, connected to service in a combat zone, as defined in section 112 of the federal
internal revenue code of 1986, in the armed forces of the United States of America;

(6) if subsection (a)(5) applies to the defendant, whether there is a probability that the defendant will cooperate with and benefit from inpatient or outpatient treatment from any treatment facility or program operated by the United States department of defense, the United States department of veterans affairs or the Kansas national guard with the consent of the defendant, as a condition of diversion;

(7) whether the available diversion program is appropriate to the needs of the defendant;

(9) recommendations, if any, of the involved law enforcement agency;

(10) recommendations, if any, of the victim;

(11) provisions for restitution; and

(12) any mitigating circumstances.

(b) A city attorney shall not enter into a diversion agreement in lieu of further criminal proceedings on a complaint alleging an alcohol related offense as defined in K.S.A. 12-4413, and amendments thereto, if the defendant:

(1) Has previously participated in diversion of an alcohol related offense;

(2) has previously been convicted of or pleaded nolo contendere to an alcohol related offense in this state or has previously been convicted of or pleaded nolo contendere to a violation of K.S.A. 8-2,144 or 8-1567, and amendments thereto, or of a law of another state, or of a political subdivision thereof, which prohibits the acts prohibited by those statutes; or

(3) during the time of the alleged alcohol related offense was involved in a motor vehicle accident or collision resulting in personal injury to another person or death.

(e) A city attorney shall not enter into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of an ordinance of any city or resolution of any county that prohibits the acts prohibited under chapter 8 of the Kansas Statutes Annotated, and amendments thereto, if the defendant was a commercial driver’s license holder at the time the violation was committed or at any subsequent time prior to being considered for diversion.

(d) As used in this section, “major depressive disorder,” “polytrauma,” “post-traumatic stress disorder” and “traumatic brain injury” shall mean the same as such terms are defined in K.S.A. 2020 Supp. 21-6630, and amendments thereto.

Sec. 17. K.S.A. 2021 Supp. 21-6604 is hereby amended to read as follows: 21-6604. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:
(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567 or 8-2,144, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence;

(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(6) assign the defendant to a house arrest program pursuant to K.S.A. 2021 Supp. 21-6609, and amendments thereto;

(7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by K.S.A. 2021 Supp. 21-6602(c), and amendments thereto;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity that materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2021 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire that has been determined to be arson or aggravated arson as defined in K.S.A. 2021 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the inves-
tigation that leads to the defendant’s conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in K.S.A. 2021 Supp. 21-6804(i), and amendments thereto, assign the defendant to a work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of paragraphs (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and through (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant’s crime. Restitution shall be due immediately unless: (A) The court orders that the defendant be given a specified time to pay or be allowed to pay in specified installments; or (B) the court finds compelling circumstances that would render restitution unworkable, either in whole or in part. In regard to a violation of K.S.A. 2021 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2021 Supp. 21-5801, 21-5807, 21-5813 or 21-5818, and amendments thereto, such damage or
loss shall include the cost of repair or replacement of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds restitution unworkable, either in whole or in part, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant that may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the judicial administrator pursuant to K.S.A. 20-169, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) If a restitution order entered prior to the effective date of this act does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order from the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2021 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose man-
If there is an evident hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the
Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.
(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents’ defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary’s custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I
of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2021 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2021 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2021 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2021 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant’s refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant’s probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2021 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term
expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2021 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order that places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license, which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle
administrator of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person’s privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person’s driver’s license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, “highway” and “street” mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2021 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release
from imprisonment or jail, or by an earlier date specified by the court. If
by the required date the person performs an insufficient amount of com-
munity service to reduce to zero the portion of the fine required to be paid
by the person, the remaining balance shall become due on that date. If
conditional reduction of any fine is rescinded by the court for any reason,
then pursuant to the court's order the person may be ordered to perform
community service by one year after the date of such rescission or by an ear-
lier date specified by the court. If by the required date the person performs
an insufficient amount of community service to reduce to zero the portion
of the fine required to be paid by the person, the remaining balance of the
fine shall become due on that date. All credits for community service shall
be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for
any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643,
prior to its repeal, or K.S.A. 2021 Supp. 21-6627, and amendments there-
to, for crimes committed on or after July 1, 2006, the court shall order
that the defendant be electronically monitored upon release from impris-
onment for the duration of the defendant's natural life and that the defen-
dant shall reimburse the state for all or part of the cost of such monitoring
as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation
pursuant to subsection (a)(3), the defendant's supervising court services
officer, with the concurrence of the chief court services officer, may im-
pose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and
amendments thereto, without further order of the court, unless the de-
fendant, after being apprised of the right to a revocation hearing before
the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refus-
es to waive such right.

(t) Whenever the court has assigned the defendant to a communi-
ty correctional services program pursuant to subsection (a)(4), the de-
fendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as
provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without
further order of the court unless the defendant, after being apprised of
the right to a revocation hearing before the court pursuant to K.S.A. 22-
3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an addi-
tional 18 days of confinement in a county jail to be reserved for sanctions
as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amend-
ments thereto.

(v) The amendments made to this section by this act section 1 of chap-
ter 9 of the 2020 Session Laws of Kansas are procedural in nature and
shall be construed and applied retroactively.

**LEGEND**
- **Presumptive Probation**
- **No Felony**
- **Presumptive Imprisonment**

Sec. 18. K.S.A. 2021 Supp. 21-6804 is hereby amended to read as follows: 21-6804. (a) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. The following sentencing guidelines grid shall be applicable to nondrug felony crimes:
(b) Sentences expressed in the sentencing guidelines grid for non-drug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid’s vertical axis is the crime severity scale which classifies current crimes of conviction. The grid’s horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court’s discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender’s criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:
   (A) Prison sentence;
   (B) maximum potential reduction to such sentence as a result of good time; and
   (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:
   (A) Prison sentence; and
   (B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of K.S.A. 2020 Supp. 2021-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant’s sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).
(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 8-2,144 and 8-1567 and K.S.A. 2020 Supp. 21-5414(b)(3), 21-5823(b)(3) and (b)(4), 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2020 Supp. 21-6807, and amendments thereto.

(2) If because of the offender’s criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2020 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2020 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-2,144, and 8-1567 and K.S.A. 2020 Supp. 21-5414(b)(3), 21-5823(b)(3) and (b)(4), 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-2,144 or 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2020 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, “persistent sex offender” means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-
3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government;

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2020 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

section, except that the court may order an optional nonprison sentence
for a defendant to participate in a drug treatment program, including, but
not limited to, an approved
aftercare plan, if the court makes
the following findings on the record:

1. Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of K.S.A. 2020 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2020 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in K.S.A. 2020 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2020 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2020 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu
of that originally adjudged within statutory limits. If the offender’s term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an “optional nonprison sentence” is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of K.S.A. 2020-2021 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2020-2021 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding beyond a reasonable doubt that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months’ imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, “ballistic resistant material” means:

(A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and

(B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2020-2021 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2020-2021 Supp. 21-5301 and 21-5302, and amendments thereto, to com-
mit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2020 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(v) The sentence for a third or subsequent violation of K.S.A. 8-1568, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for aggravated criminal damage to property as defined in K.S.A. 2020 Supp. 21-5813(b), and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(x) The sentence for a violation of K.S.A. 2020 Supp. 21-5807(a)(1), and amendments thereto, shall be presumptive imprisonment if the offense under such paragraph is classified in grid blocks 7-C, 7-D or 7-E. Such sentence shall not be considered a departure and shall not be subject to appeal.

(y) (1) Except as provided in subsection (y)(3), if the trier of fact makes a finding beyond a reasonable doubt that an offender committed a nondrug felony offense, or any attempt or conspiracy, as defined in K.S.A. 2020 Supp. 21-5301 and 21-5302, and amendments thereto, to commit a nondrug felony offense, against a law enforcement officer, as defined in K.S.A. 2020 Supp. 21-5111(p)(1) and (3), and amendments thereto, while such officer was engaged in the performance of such officer’s duty, or in whole or in any part because of such officer’s status as a law enforcement officer, the sentence for such offense shall be:

(A) If such offense is classified in severity level 2 through 10, one severity level above the appropriate level for such offense; and

(B) (i) if such offense is classified in severity level 1, except as otherwise provided in subsection (y)(1)(B)(ii), imprisonment for life, and such offender shall not be eligible for probation or suspension, modification or reduction of sentence. In addition, such offender shall not be eligible for parole prior to serving 25 years’ imprisonment, and such 25 years’ imprisonment shall not be reduced by the application of good time credits. No other sentence shall be permitted.

(ii) The provisions of subsection (y)(1)(B)(i) requiring the court to impose a mandatory minimum term of imprisonment of 25 years shall not apply if the court finds the offender, because of the offender’s criminal history classification, is subject to presumptive imprisonment and the sentencing range exceeds 300 months. In such case, the offender is required
to serve a mandatory minimum term equal to the sentence established pursuant to the sentencing range.

(2) The sentence imposed pursuant to subsection (y)(1) shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to an offense described in subsection (y)(1) if the factual aspect concerning a law enforcement officer is a statutory element of such offense.

(4) The complaint alleges a domestic violence offense, as defined in K.S.A. 2021 Supp. 21-5111, and amendments thereto, and the defendant has participated in two or more diversions in the previous five year period upon complaints alleging a domestic violence offense.

(c) A county or district attorney may enter into a diversion agreement in lieu of further criminal proceedings on a complaint for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, if such diversion carries the same penalties as the conviction for the corresponding violations. If the defendant has previously participated in one or more diversions for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, then each subsequent diversion shall carry the same penalties as the conviction for the corresponding violations.

(d) As used in this section, “major depressive disorder,” “polytrauma,” “post-traumatic stress disorder” and “traumatic brain injury” shall mean the same as such terms are defined in K.S.A. 2021 Supp. 21-6630, and amendments thereto.

Sec. 20. K.S.A. 2021 Supp. 22-3437 is hereby amended to read as follows: 22-3437. (a) In any hearing or trial, a report concerning forensic examinations and certificate of forensic examination executed pursuant to this section shall be admissible in evidence if the report and certificate are
prepared and attested by a criminalist or other employee of the Kansas bureau of investigation, Kansas highway patrol, Johnson County sheriff’s laboratory, Sedgwick County regional forensic science center, or any laboratory of the federal bureau of investigation, federal postal inspection service, federal bureau of alcohol, tobacco and firearms or federal drug enforcement administration. If the examination involves a breath test for alcohol content, the report must also be admissible pursuant to K.S.A. 8-1001, and amendments thereto, or section 2, and amendments thereto, and be conducted by a law enforcement officer or other person who is certified by the department of health and environment as a breath test operator as provided by K.S.A. 65-1,107 et seq., and amendments thereto.

(2) Upon the request of any law enforcement agency, such person as provided in paragraph (1) performing the analysis shall prepare a certificate. Such person shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be supported by a written declaration pursuant to K.S.A. 53-601, and amendments thereto, or shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: The type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the person who performed the analysis and made the conclusions; the subscriber’s training or experience to perform the analysis; the nature and condition of the equipment used; and the certification and foundation requirements for admissibility of breath test results, when appropriate. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and grounds for that objection that the conclusions of the certificate, including the composition, quality or quantity of the substance submitted to the laboratory for analysis or the alcohol content of a blood or breath sample will be contested at trial. A failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section may be extended upon a showing of good cause.

(b) (1) In any hearing or trial where there is a report concerning forensic examinations from a person as provided in paragraph (1) of subsection (a)(1), district and municipal courts may, upon request of either party, use two-way interactive video technology, including internet-based videoconferencing, to take testimony from that person if the testimony is in relation to the report.
