Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained
by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary’s designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary’s duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is:

(A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and

(B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263 or 17-2264, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and
amendments thereto, such individual or such individual’s agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the individual’s probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual’s medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation, assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary’s designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary’s designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary’s designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and re-
sides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary’s designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;
(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient’s admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary of health and environment or the secretary’s designee;
(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure; or
(C) the value of the real property is consumed by the lien, at which time the secretary of health and environment or the secretary’s designee may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and environment, or both, or such secretary’s designee has not filed an action to foreclose the lien in the Kansas district court in the
county where the real property is located within 10 years from the date of
the filing of the lien, then the lien shall become dormant, and shall cease
to operate as a lien on the real estate of the recipient. Such dormant lien
may be revived in the same manner as a dormant judgment lien is revived
under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children
and families or the secretary's designee of the death of a recipient of med-
ica assistance under this subsection, the secretary for children and fam-
ilies or the secretary's designee shall give notice of such recipient's death
to the secretary of health and environment or the secretary's designee.

(9) All rules and regulations adopted on and after July 1, 2013, and
prior to July 1, 2014, to implement this subsection shall continue to be
effective and shall be deemed to be duly adopted rules and regulations of
the secretary of health and environment until revised, amended, revoked
or nullified pursuant to law.

(h) **Placement under the revised Kansas code for care of children or
revised Kansas juvenile justice code; assignment of support rights and lim-
ited power of attorney.** In any case in which the secretary for children
and families pays for the expenses of care and custody of a child pursuant
to K.S.A. 38-2201 et seq. or 38-2301 et seq., and amendments thereto,
including the expenses of any foster care placement, an assignment of all
past, present and future support rights of the child in custody possessed
by either parent or other person entitled to receive support payments for
the child is, by operation of law, conveyed to the secretary. Such assign-
ment shall become effective upon placement of a child in the custody
of the secretary or upon payment of the expenses of care and custody of
a child by the secretary without the requirement that any document be
signed by the parent or other person entitled to receive support payments
for the child. When the secretary pays for the expenses of care and custo-
dy of a child or a child is placed in the custody of the secretary, the parent
or other person entitled to receive support payments for the child is also
deemed to have appointed the secretary, or the secretary's designee, as
attorney in fact to perform the specific act of negotiating and endorsing
all drafts, checks, money orders or other negotiable instruments repre-
senting support payments received by the secretary on behalf of the child.
This limited power of attorney shall be effective from the date the assign-
ment to support rights becomes effective and shall remain in effect until
the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from
employment due to gross misconduct as defined by rules and regula-
tions of the secretary or who is a fugitive from justice by reason of a
felony conviction or charge or violation of a condition of probation or
parole imposed under federal or state law shall be eligible to receive
public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother’s eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person’s own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary’s designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of temporary assistance for needy families.

(l) (1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug
screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant’s or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment program and job skills programs, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled
substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent’s or legal guardian’s minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual’s demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent’s or legal guardian’s minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent’s or legal guardian’s minor child.
(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person’s first conviction. First-time offenders convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall become ineligible to receive cash assistance for five years from the date of conviction.

(6) Except for hearings before the Kansas department for children and families or, the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.

(8) Any authority granted to the secretary for children and families under this subsection shall be in addition to any other penalties prescribed by law.

(9) As used in this subsection:

(A) “Cash assistance” means cash assistance provided to individuals under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, and any rules and regulations adopted pursuant to such statutes provisions.

(m) If it is a meat analog and: (1) Its labeling utilizes an identifiable meat term; and (2) the labeling does not have a disclaimer in a prominent and conspicuous font size, in close proximity to the identifiable meat term, stating one of the following: (A) “This product does not contain meat”; (B) “meatless”; (C) “meat-free”; (D) “vegan”; (E) “veggie”; (F) “vegetarian”; (G) “vegetable”; (H) “plant-based”; or (I) a disclaimer equivalent to (A) through (H), as determined by the secretary through rules and regulations. first taxable year of the credit period.

(g) The allocated credit amount may be taken against the income,
privilege or premium taxes imposed for each taxable year of the credit
period. Any amount of credit that exceeds the income, privilege or pre-

forward as a credit against subsequent years’ tax liability up to 11 tax years
following the tax year in which the allocation was made and shall be ap-

(2) A qualified housing project shall be limited to a total of 40 such residential units per year for both single-family and multi-family dwellings.

(3) Tax credits may be issued to a qualified investor in the amount of a cash investment of up to the total amount that may be issued by the director under this subsection for the qualified housing project, or as provided in the agreement required by section 9, and amendments thereto. Project builders or developers may apply to the director each year for tax credits for additional units or phases of a project. This interest may be transferred to any person whether or not such person is then a qualified investor and be claimed by the transferee as a credit against the transferee’s Kansas tax liability in the same manner as the transferor beginning in the year the credit is transferred. The credit may be carried forward as permitted by subsection (a). No person shall be entitled to a refund for any interest on such tax credit that may be created under this section. Only the full amount of the tax credit for any one qualified housing project investment may be transferred and may only be transferred one time. A credit acquired by transfer shall be subject to the limitations prescribed in this section. Documentation of any credit acquired by transfer shall be provided by the taxpayer claiming such credit in the manner required by the secretary of revenue. be given a specified time to pay or be allowed to pay in specified install-
ments; or (B) the court finds compelling circumstances that would render
restitution unworkable, either in whole or in part. In regard to a violation
of K.S.A. 2021 Supp. 21-6107, and amendments thereto, such damage or
loss shall include, but not be limited to, attorney fees and costs incurred
to repair the credit history or rating of the person whose personal identi-
fication documents were obtained and used in violation of such section,
and to satisfy a debt, lien or other obligation incurred by the person whose
personal identification documents were obtained and used in violation
of such section. In regard to a violation of K.S.A. 2021 Supp. 21-5801,
21-5807, 21-5813 or 21-5818, and amendments thereto, such damage or
loss shall include the cost of repair or replacement of the property that
was damaged, the reasonable cost of any loss of production, crops and
livestock, reasonable labor costs of any kind, reasonable material costs of
any kind and any reasonable costs that are attributed to equipment that
is used to abate or repair the damage to the property. If the court finds
restitution unworkable, either in whole or in part, the court shall state on
the record in detail the reasons therefor.
(2) If the court orders restitution, the restitution shall be a judgment
against the defendant that may be collected by the court by garnishment
as provided in article 7 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto, or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the restitution order, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the judicial administrator pursuant to K.S.A. 20-169, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(3) If a restitution order entered prior to the effective date of this act June 11, 2020, does not give the defendant a specified time to pay or set payment in specified installments, the defendant may file a motion with the court prior to December 31, 2020, proposing payment of restitution in specified installments. The court may recall the restitution order entered by the agent assigned pursuant to K.S.A. 20-169, and amendments thereto, until the court rules on such motion. If the court does not order payment in specified installments or if the defendant does not file a motion prior to December 31, 2020, the restitution shall be due immediately.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by K.S.A. 2021 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be
paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time when the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had the defendant not been granted release by the court pursuant to K.S.A. 2021 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2021 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.
Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp’s or community intermediate sanction center’s placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expendi-
tures by the state board of indigents’ defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court that sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l)(1) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary’s custody if the inmate:

(A) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense that is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense that is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such
offense does not meet the requirements of K.S.A. 2021 Supp. 21-6824, and amendments thereto; and

(B) otherwise meets admission criteria of the camp.

(2) If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2021 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by K.S.A. 2021 Supp. 21-6630 and 21-6805(f), and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2021 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2021 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant’s refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant’s probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2021 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to K.S.A. 22-3716(c), and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to K.S.A. 22-3716(c)(1), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful pos-
session of a controlled substance or controlled substance analog in violation of K.S.A. 2021 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender’s driver’s license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person’s privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver’s license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order that places conditions on such person’s privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person’s license hereunder, the judge shall require such person to surrender such person’s driver’s license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver’s license, which shall indicate on its face that conditions have been imposed on such person’s privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator of such person’s state of residence. Such judge shall furnish to any person whose driver’s license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver’s license until such time as the division shall issue the restricted license provided for in this paragraph.
(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, “highway” and “street” mean the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2021 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment conducted by a certified batterer intervention program; and (2) follow all recommendations made by such program, unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If
conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court’s order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2021 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant’s natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant’s supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant’s community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless the defendant, after being apprised of the right to a revocation hearing before the court pursuant to K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(u) In addition to any of the above, the court shall authorize an additional 18 days of confinement in a county jail to be reserved for sanctions as set forth in K.S.A. 22-3716(b)(3)(B), (b)(4) or (c)(1)(B), and amendments thereto.

(v) The amendments made to this section by section 1 of chapter 9 of the 2020 Session Laws of Kansas are procedural in nature and shall be construed and applied retroactively.

Sec. 4. K.S.A. 2021 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual’s federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual’s federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to
the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer’s federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(xiii) The amount of any expenditures claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed
as the basis for any credit allowed pursuant to K.S.A. 79-32,217 through 79-32,222, and amendments thereto.

(xiv) The amount of any amortization deduction claimed in determining federal adjusted gross income to the extent the same is claimed for deduction pursuant to K.S.A. 79-32,221, and amendments thereto.

(xvii) For taxable years commencing after December 31, 2006, the amount of any ad valorem or property taxes and assessments paid to a state other than Kansas or local government located in a state other than Kansas by a taxpayer who resides in a state other than Kansas, when the law of such state does not allow a resident of Kansas who earns income in such other state to claim a deduction for ad valorem or property taxes or assessments paid to a political subdivision of the state of Kansas in determining taxable income for income tax purposes in such other state, to the extent that such taxes and assessments are claimed as an itemized deduction for federal income tax purposes.

(xviii) For taxable years beginning after December 31, 2012, and ending before January 1, 2017, the amount of any: (1) Loss from business as determined under the federal internal revenue code and reported from schedule C and on line 12 of the taxpayer's form 1040 federal individual income tax return; (2) loss from rental real estate, royalties, partnerships, S corporations, except those with wholly owned subsidiaries subject to the Kansas privilege tax, estates, trusts, residual interest in real estate mortgage investment conduits and net farm rental as determined under the federal internal revenue code and reported from schedule E and on line 17 of the taxpayer's form 1040 federal individual income tax return; and (3) farm loss as determined under the federal internal revenue code and reported from schedule F and on line 18 of the taxpayer's form 1040 federal income tax return; all to the extent deducted or subtracted in determining the taxpayer's federal adjusted gross income. (6) The participation by a simulcasting licensee in a combined interstate wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located.

(k) If the organization licensee, facility owner licensee, if any, and the recognized horsemen’s group or recognized greyhound owners’ group are unable to agree concerning a simulcasting application, the matter may

(a) “ADS-equipped vehicle” means a motor vehicle equipped with an automated driving system.
(b) “Automated driving system” means the hardware and software collectively capable of performing the entire dynamic driving task on a sustained basis, regardless of whether the system is limited to a specific operational design domain, if any.
(c) “Conventional human driver” means a natural person who manually controls the in-vehicle accelerating, braking, steering and transmission gear selection input devices in order to operate a motor vehicle.
(d) “Driverless-capable vehicle” means an ADS-equipped vehicle capable of performing the entire dynamic driving task within the automated driving system’s operational design domain, if any, including, but not limited to, achievement of a minimal risk condition without intervention or supervision by a conventional human driver.
(e) (1) “Dynamic driving task” means all real-time operational and tactical functions required to operate a motor vehicle on a highway in traffic within an automated driving system’s specific operational design domain, if any.
(2) “Dynamic driving task” does not include any strategic function such as trip scheduling or the selection of destinations and waypoints.
(f) “Minimal risk condition” means a reasonably safe state to which an automated driving system brings an ADS-equipped vehicle upon experiencing a performance-relevant failure of the system that renders the system unable to perform the entire dynamic driving task, including, but not limited to, removing the vehicle to the nearest shoulder if the vehicle is capable of doing so, bringing the vehicle to a complete stop and activating the vehicle’s emergency signal lamps.
(g) “On-demand driverless-capable vehicle network” means a transportation network company as defined in K.S.A. 8-2702, and amendments thereto, that uses a software application or other digital means to dispatch driverless-capable vehicles for the purposes of transporting persons or goods, including, but not limited to, transportation for hire and public transportation.
“(h) “Operational design domain” means a set of operating conditions under which a given automated driving system feature is specifically designed to function. “Operational design domain” includes, but is not limited to, environmental, geographical and time-of-day restrictions or the requisite presence or absence of certain traffic or roadway characteristics.

(i) “Transportation for hire” means all transportation of property or passengers made available by a person for compensation.

New Sec. 2. (a) A driverless-capable vehicle may operate on the public highways of this state without a conventional human driver with the automated driving system engaged if the vehicle meets all of the following conditions:

1. The vehicle is capable of achieving a minimal risk condition if a malfunction of the automated driving system occurs that renders the system unable to perform the entire dynamic driving task within the system’s intended operational design domain, if any;

2. while in driverless operation, the vehicle is capable of operating in compliance with the applicable traffic and motor vehicle safety laws and regulations of this state that govern the performance of the dynamic driving task;

3. when required by federal law, the vehicle bears the required manufacturer’s certification label indicating that at the time of manufacture the vehicle has been certified to be in compliance with all applicable federal motor vehicle safety standards, including any reference to any exception granted by the national highway traffic safety administration; and

4. the driverless-capable vehicle cannot exceed 34,000 pounds on tandem axles. The provisions of this paragraph shall expire and have no effect on and after July 1, 2025; and

5. a conventional human driver shall be required to be physically present in every driverless-capable vehicle placed into service in Kansas for the 12 consecutive months from the date that such entity places a driverless-capable vehicle into service in this state. The provisions of this paragraph shall not apply to a person who operates a:

(A) Vehicle that is not designed, intended or marketed for human occupancy; or

(B) dedicated driverless-capable vehicle that lacks manual controls for operation by a conventional human driver.

(b) Prior to operating a driverless-capable vehicle on the public roads of this state without a conventional human driver, the owner of such driverless-capable vehicle shall submit a law enforcement interaction plan to the Kansas highway patrol that describes:

1. How to communicate with a fleet support specialist who is available during the times the vehicle is in operation, and on which side of the vehicle contact information of the fleet support specialist is readily visible;
(2) information regarding safety considerations for first responders in dealing with a driverless-capable vehicle as the result of collision or fire;

(3) how to recognize whether the driverless-capable vehicle is in autonomous mode; and

(4) any additional information the manufacturer or owner deems necessary regarding hazardous conditions or public safety risks associated with the operation of the driverless-capable vehicle.

(c) (1) The operation of an ADS-equipped vehicle capable of performing the entire dynamic driving task within the automated driving system’s operational design domain on the public highways of this state while a conventional human driver is present and expected to respond to a request to intervene, shall be lawful. During such operation, the conventional human driver shall possess a valid driver’s license pursuant to K.S.A. 8-234b, and amendments thereto, and shall be subject to the required insurance, self-insurance or other financial security required pursuant to K.S.A. 40-3104, and amendments thereto. The conventional human driver shall operate the ADS-equipped vehicle according to the manufacturer’s requirements and specifications and shall regain manual control of the vehicle when prompted by the automated driving system.

(2) An automated driving system, while engaged, shall be designed to operate within the system’s operational design domain in compliance with the applicable traffic and motor vehicle safety laws and regulations of this state that govern the performance of the dynamic driving task.

(d) Except as provided in this section, the motor vehicle laws of this state shall not be construed to require a conventional human driver to operate a driverless-capable vehicle that is being operated by an automated driving system. The automated driving system, while engaged, shall be deemed to fulfill any physical acts required of a conventional human driver to perform the dynamic driving task.

(e) Sections 1 through 10, and amendments thereto, shall not be construed to modify the responsibilities of a conventional human driver that operates a system-equipped vehicle when the automated driving system is not engaged.

New Sec. 3. Before an ADS-equipped vehicle is allowed to operate on the public highways of this state, the owner shall obtain insurance, self-insurance or other financial security coverage for the vehicle. An ADS-equipped vehicle shall not operate on the highways of this state unless insurance, self-insurance or other financial security coverage is in effect for the vehicle and unless proof of coverage is carried in the vehicle pursuant K.S.A. 40-3104, and amendments thereto.

(b) for a vehicle that has the capability of promptly alerting a law enforcement agency or emergency services, the vehicle alerts a law enforcement agency or emergency services to the accident.

New Sec. 5. A person may operate an on-demand driverless-capable vehicle network, with the exception that any provision of K.S.A. 8-2701 et seq., and amendments thereto, that only applies to a conventional human driver would not apply to the operation of a driverless-capable vehicle with the automated driving system engaged on an on-demand driverless-capable vehicle network. An on-demand driverless-capable vehicle network may be used to facilitate the transportation of persons or goods, including, but not limited to, transportation for hire and public transportation. An on-demand driverless-capable vehicle network may connect passengers to driverless-capable vehicles either exclusively or as part of a digital network that also connects passengers to conventional human drivers who provide transportation services, pursuant to K.S.A. 8-2701 et seq., and amendments thereto, or any other applicable laws, in vehicles that are not driverless-capable vehicles.

(b) A political subdivision of the state shall not impose requirements, including, but not limited to, performance standards specific to the operation of ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks that are in addition to the requirements set forth pursuant to sections 1 through 10, and amendments thereto. A political subdivision of the state shall not impose a tax on ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks if such tax relates specifically to
the operation of ADS-equipped vehicles, automated driving systems or on-demand driverless-capable vehicle networks.

New Sec. 7. (a) A driverless-capable vehicle shall be properly registered in accordance with K.S.A. 8-127, and amendments thereto. If a driverless-capable vehicle is registered in this state, the vehicle shall be identified on the registration as a fully autonomous vehicle.

(a) Any provision that reasonably only applies to a conventional human driver does not apply to such a vehicle operating with the automated driving system engaged; and

(b) such a vehicle shall not carry hazardous materials as defined in K.S.A. 48-904, and amendments thereto. The provisions of this subsection do not apply to transporting articles and substances prepared in accordance with 49 C.F.R. § 172.315 or that otherwise do not require placarding pursuant to the federal hazardous materials regulations provided in 49 C.F.R. parts 100 through 110. Such provisions shall not require any additional provisions, including, but not limited to, operation by a conventional human driver seated in the vehicle.

New Sec. 10. A driverless-capable vehicle that is designed to be operated exclusively by the automated driving system for all trips is not subject to motor vehicle equipment laws or regulations of this state that:

1. Support motor vehicle operation by a conventional human driver seated in the vehicle, including, but not limited to, mirrors, windshield and windshield wipers; and

2. provide a student-focused longitudinal achievement report that provides information on the academic achievement of certain student cohort groups to show the achievement gains or learning losses that are occurring for such students. Such report shall begin with the students who are entering grade three and grade eight in school year 2022-2023. The report shall summarize the longitudinal achievement of such students over a three-year period and shall be repeated every three years for the students entering such grade levels. (a) Upon receiving an application under K.S.A. 72-5460, and amendments thereto, the state board of education shall review the application and examine the evidence furnished in support of the application.

(b) (1) Commencing in school year 2017-2018, the state board of education shall not approve any application submitted during the current school year if such approval would result in the aggregate amount of all general obligation bonds approved by the state board for such school year exceeding the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year adjusted for inflation pursuant to paragraph (4). For any application submitted during the current school year in excess of $175,000,000, the state board shall apply only an amount of $175,000,000 of such application when determining whether the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year has been exceeded. In determining whether to approve an application, the state board shall prioritize applications in accordance with the priorities set forth as follows in order of highest priority to lowest priority:

(A) Safety of the current facility and disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation;

(B) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;
(C) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and

(D) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.

(2) The state board shall not consider a school district’s eligibility for capital improvement state aid, or the amount of capital improvement state aid a school district would be eligible to receive, in determining whether to approve such district’s application.

(3) The provisions of subsection (b)(1) shall not apply to school districts that:

(A) Have not issued any general obligation bonds in the 25 years prior to the current school year; or

(B) do not receive capital improvement state aid because such school district is not eligible to receive such aid or has opted out of receiving such aid in the resolution adopted as provided in K.S.A. 72-5457, and amendments thereto.

(4) The state board shall adjust the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year by adding an amount equal to the five-year compounded percentage increase in the producer price index industry data for new school building construction as published by the bureau of labor statistics of the United States department of labor for the five immediately preceding school years.

(c) After reviewing the application and examining the supportive evidence, the state board of education shall issue an order either granting or denying the application. If the application is approved, the applicant board of education shall request the county election officer to hold an election to vote upon the question of issuing the increased amount of bonds in the manner provided by law.

(d) Any application that is denied pursuant to subsection (b) may be tentatively approved by the state board of education for the immediately succeeding school year. The amount of general obligation bonds approved in any such application shall be counted first towards the aggregate amount of all general obligation bonds approved by the state board for such school year.

(e) Commencing in school year 2017-2018, the state board of education shall determine the aggregate principal amount of general obligation bonds retired in the immediately preceding school year.

(f) The provisions of subsections (b), (d) and (e) shall expire on June 30, 2027.

Sec. 26. On and after July 1, 2022, K.S.A. 2021 Supp. 72-5462 is hereby amended to read as follows: 72-5462. (a) There is hereby established
in the state treasury the school district capital improvements fund. The fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(1) For general obligation bonds approved for issuance at an election held prior to July 1, 2015, the state board of education shall:

(A) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state for the preceding school year and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this subsection (b)(1);

(B) determine the median AVPP of all school districts;

(C) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(D) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 72-5463, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(E) determine the amount of payments that a school district is obligated to make from its bond and interest fund attributable to general obligation bonds approved for issuance at an election held prior to July 1, 2015; and

(F) multiply the amount determined under subsection (b)(1)(E) by the applicable state aid percentage factor.
(2) For general obligation bonds approved for issuance at an election held on or after July 1, 2015, but prior to July 1, 2022, the state board of education shall:

   (A) determine the amount of the AVPP of each school district in the state for the preceding school year and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this subsection (b)(2);

   (B) prepare a schedule of dollar amounts using the amount of the AVPP of the school district with the lowest AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts;

   (C) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the lowest AVPP shown on the schedule and decreasing the state aid computation percentage assigned to the amount of the lowest AVPP by one percentage point for each $1,000 interval above the amount of the lowest AVPP. Except as provided by K.S.A. 72-5463, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid computation percentage is 75%;

   (D) determine the amount of payments that a school district is obligated to make from its bond and interest fund attributable to general obligation bonds approved for issuance at an election held on or after July 1, 2015, but prior to July 1, 2022; and

   (E) multiply the amount determined under subsection (b)(2)(D) by the applicable state aid percentage factor.

(3) For general obligation bonds approved for issuance at an election held on or after July 1, 2022, the state board of education shall:

   (A) except as provided in subsection (b)(9), determine the amount of the AVPP of each school district in the state for the preceding school year and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this subsection (b)(3);

   (B) except as provided in subsection (b)(9), prepare a schedule of dollar amounts using the amount of the AVPP of the school district with the lowest AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts;

   (C) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the lowest AVPP shown on the schedule and decreasing the state aid computation
percentage assigned to the amount of the lowest AVPP by one percentage point for each $1,000 interval above the amount of the lowest AVPP. Except as provided by K.S.A. 72-5463, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid computation percentage is 51%:

(A)(B) The state board of education shall determine the six-year average amount of capital improvement state aid by calculating the average of the total amount of moneys expended per year from the school district capital improvements fund in the immediately preceding six fiscal years, not to include the current fiscal year.

(B)(C) (i) Subject to clause (ii), the state board of education shall prioritize the allocations to school districts from the school district capital improvements fund in accordance with the priorities set forth as follows in order of highest priority to lowest priority:

(a) Safety of the current facility and disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation;

(b) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;

(c) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and
(d) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.

(ii) In allocating capital improvement state aid, the state board shall give higher priority to those school districts with a lower AVPP compared to the other school districts that are to receive capital improvement state aid under this section.

(§6) On and after July 1, 2016, the state board of education shall approve the amount of state aid payments a school district shall receive from the school district capital improvements fund pursuant to subsection (b)(5) (b)(6) prior to an election to approve the issuance of general obligation bonds.

(7) Except as provided in subsections (b)(6) and (b)(7) through (b)(9), the sum of the amounts determined under subsection (b)(3) (b) (4) and the amount determined or allocated to the district by the state board of education pursuant to subsection (b)(4) (b)(5), is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

(8) A school district that had an enrollment of less than 260 students in the school year immediately preceding the school year in which an election is held to approve the issuance of general obligation bonds shall not be entitled to receive payments from the school district capital improvements fund unless such school district applied for and received approval from the state board of education to issue such bonds prior to holding an election to approve such bond issuance. The provisions of this paragraph shall apply to general obligation bonds approved for issuance at an election held on or after July 1, 2017, that are issued for the purpose of financing the construction of new school facilities.

(9) For general obligation bonds approved for issuance at an election held on or after July 1, 2017, in determining the amount under subsection (b)(2)(D) and (b)(3)/(D), the state board shall exclude payments for any capital improvement project, or portion thereof, that proposes to construct, reconstruct or remodel a facility that would be used primarily for extracurricular activities, unless the construction, reconstruction or remodeling of such facility is necessary due to concerns relating to the safety of the current facility or disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation.

(10) For general obligation bonds approved for issuance at an election held on or after July 1, 2022, the state board of education shall:

(A) In preparing the schedule of dollar amounts pursuant to subsection (b)(3)/(B), exclude unified school district No. 207, Fort Leavenworth, from such schedule and determine the point of beginning based on the
amount of the AVPP of the school district with the lowest AVPP of the remaining school districts; and

(B) in determining the amount of the AVPP of a school district, exclude the number of students enrolled in a virtual school, as defined in K.S.A. 72-3712, and amendments thereto, that is offered by such school district from the determination of the AVPP of such school district.

c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund, except that all such transfers during the fiscal years ending June 30, 2021, June 30, 2022, June 30, 2023, and June 30, 2024, shall be considered to be revenue transfers from the state general fund.

d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

e) The provisions of this section apply only to contractual obligations incurred by school districts pursuant to general obligation bonds issued upon approval of a majority of the qualified electors of the school district voting at an election upon the question of the issuance of such bonds.

(f) On or before the first day of the legislative session in 2017, and each year thereafter, the state board of education shall prepare and submit a report to the legislature that includes information on school district elections held on or after July 1, 2016, to approve the issuance of general obligation bonds and the amount of payments school districts were approved to receive from the school district capital improvements fund pursuant to subsection (b)(4)(C) (b)(5)(D).

Be it enacted by the Legislature of the State of Kansas:

New Section 1. The provisions of sections 1 through 13, and amendments thereto, shall be known and may be cited as the COVID-19 retail storefront property tax relief act. The purpose of this act shall be to provide refunds to certain businesses impacted by COVID-19 related shutdowns and restrictions during tax years 2020 and 2021 based on a portion of property taxes accrued on retail storefront property.

New Sec. 2. As used in this act:
(a) “Act” means the COVID-19 retail storefront property tax relief act.
(b) (1) “Claimant” means a for-profit business, regardless of legal structure, who has filed a claim under the provisions of this act and who:
(A) Conducts a majority of its retail sales through customers’ physical, on-site presence at a retail storefront property;
(B) was in operation on or prior to July 1, 2019, and filed a 2019 tax return;
(C) had at least $10,000 in annual revenues, including gross sales and receipts, in 2019;
(D) received less gross revenue in 2020 or 2021, as applicable, compared to 2019;
(E) was in active operations as of March 1, 2020; and
(F) has not received more than a total of $150,000 in prior COVID-19-related local, state or federal funding or any combination thereof.
(2) “Claimant” shall not include:
(A) Grocery stores and pharmacies;
(B) hardware stores and home improvement businesses;
(C) retail liquor stores;
(D) manufacturers and food processors;
(E) schools, such as pre-kindergarten, kindergarten through grade 12, post-secondary, higher education, technical education and training;
(F) hospitals and healthcare providers, including, but not limited to, physicians, surgeons, psychologists and psychoanalysts, but not including personal services providers such as massage therapists and chiropractors;
(G) property management and real estate services, including owners or operators of short-term rental properties;
(H) professional services, including, but not limited to, accounting, insurance, legal, financial services and firms, information technology, engineering and architecture;
(I) agriculture and aquaculture producers, including farms, ranches and fisheries, but not including their retail storefronts used to conduct retail sales to customers;
(J) hosts or operators of a vacation or short-term rental unit;
(K) passive businesses, investment companies and investors who file a schedule E on their individual tax returns;
(L) financial businesses primarily engaged in the business of lending, such as banks, finance companies and factoring companies;
(M) cable companies, telephone companies, utilities and other similar businesses; and
(N) energy production, generation and distribution companies.
(3) When a retail storefront is occupied by two or more businesses and more than one of the businesses is able to qualify as a claimant, the businesses may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.
(c) “Gross rent” means the rental paid at arm’s length solely for the right of occupancy of a retail storefront paid to a landlord, as expressly set out in the rental agreement, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm’s length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purpose of the claim.
(d) “Property taxes accrued” means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant’s retail storefront in 2020 or 2021, as applicable, by the state of Kansas and the political and taxing subdivisions of the state. When a retail storefront is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a part of claimant’s business, “property taxes accrued” is that part of property taxes levied on the retail storefront that reflects the ownership percent-
age of the claimant’s business. For purposes of this act, property taxes are “levied” when the tax roll is delivered to the local treasurer with the treasurer’s warrant for collection. When a claimant owns its retail storefront part of a calendar year, “property taxes accrued” means only taxes levied on the retail storefront when both owned and occupied as a retail storefront by the claimant’s business at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the business as its retail storefront in the year. When a business owns and occupies two or more different retail storefronts in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the business as its retail storefront during the year. Whenever a retail storefront is an integral part of a larger unit such as a multi-purpose or multi-retail storefront building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the retail storefront is of the total value. For the purpose of this act, the word “unit” refers to that parcel of property covered by a single tax statement of which the retail storefront is a part.

(e) “Rent constituting property taxes accrued” means 15% of the gross rent actually paid in cash or its equivalent in 2020 or 2021, as applicable, by a claimant solely for the right of occupancy of a retail storefront on which ad valorem property taxes were levied in full for that year. When a claimant occupies two or more different retail storefronts in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the claimant while occupied by the claimant as its retail storefront during the year.

(f) “Retail storefront” means the real property in this state, whether owned or rented, that is occupied by the claimant’s business and where the claimant conducts retail sales through customers’ physical, on-site presence. “Retail storefront” may consist of a part of a multi-purpose or multi-retail storefront building. “Owned” includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

New Sec. 3. (a) For tax years 2020 and 2021, a claimant shall be eligible for a claim for refund under this act if the claimant’s eligible business operated at the retail storefront was operationally shut down or restricted by a COVID-19-related order or action imposed by the state, a local unit of government or a local health officer, including, but not limited to, by an executive order issued by the governor pursuant to K.S.A. 48-925, and amendments thereto, or any action taken by a local unit of government related to a state of disaster emergency declared pursuant to K.S.A. 48-924, and amendments thereto, or a state of local disaster emergency declared pursuant to K.S.A. 48-932, and amendments thereto.
(b) The amount of refund under this act shall be equal to 33% of the COVID-19 qualifying sum. The COVID-19 qualifying sum shall be the sum of the COVID-19 ordered shutdown days gross rebate amount calculated pursuant to subsection (c) and the COVID-19 ordered restricted operations days gross rebate amount calculated pursuant to subsection (d).

(c) The COVID-19 ordered shutdown days gross rebate amount shall be the amount of the claimant’s property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

<tr>
<th>Number of ordered shutdown days</th>

(d) The COVID-19 ordered restricted operations days gross rebate amount shall be the amount of the claimant’s property taxes accrued or rent constituting property taxes accrued for the tax year divided by the applicable factor set forth in the following schedule:

(e) For purposes of subsections (c) and (d), an eligible calendar day may be counted only once as either an ordered shutdown day or an ordered restricted operations day.

(f) A claimant with a qualifying business at a retail storefront that ceased operations after March 1, 2020, and before January 1, 2021, is eligible for a rebate only for tax year 2020.

(g) The maximum amount of a refund that may be claimed by a claimant in any single tax year pursuant to this act shall be $5,000 per retail storefront.
New Sec. 4. A claimant may claim property tax relief under this act with respect to property taxes accrued or rent constituting property taxes accrued and, after audit by the director of taxation with respect to this act, the allowable amount of such claim shall be paid, except as otherwise provided in section 9, and amendments thereto, to the claimant from the American rescue plan-state fiscal relief-federal fund. Such payment shall be made upon warrants of the director of accounts and reports pursuant to vouchers approved by the director of taxation, but no warrant issued shall be drawn in an amount of less than $5. No interest shall be allowed on any payment made to a claimant pursuant to this act.

New Sec. 5. Only one claimant per retail storefront per year shall be entitled to relief under this act.

New Sec. 6. For tax years 2020 and 2021, no claim shall be paid or allowed unless such claim is filed with and in the possession of the department of revenue on or before April 15, 2023, except that the director of taxation may extend the time for filing any claim or accept a claim filed after the filing deadline when good cause exists, if the claim has been filed within four years of the deadline.

New Sec. 7. (a) In administering this act, the director of taxation shall make available suitable forms with instructions for claimants.

(b) The secretary of revenue is hereby authorized to adopt such rules and regulations as may be necessary for the administration of the provisions of this act.

New Sec. 8. (a) Every claimant under this act shall provide to the director of taxation, in support of a claim, reasonable proof of eligibility for the refund.

(b) Every claimant who is a retail storefront owner, or whose claim is based wholly or partly upon retail storefront ownership at some time during the calendar year, shall supply to the director of taxation, in support of a claim, the amount of property taxes levied upon the property claimed as a retail storefront and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the director, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a retail storefront.

(c) Every claimant who is a retail storefront renter, or whose claim is based wholly or partly upon retail storefront rental at some time during the calendar year, shall supply to the division, in support of a claim, a statement prescribed by the director certifying the amount of gross rent paid and that ad valorem property taxes were levied in full for that year on the property, all or a part of which was rented by the claimant.

(d) The information required to be furnished under subsection (b) or (c) shall be in addition to that required under subsection (a).
New Sec. 9. (a) The amount of any claim otherwise payable under this act may be applied by the director of taxation against any liability outstanding on the books of the department of revenue against the claimant in the year that the claim relates.

(b) If there are delinquent property taxes for tax year 2020 or 2021 on a retail storefront owned by the claimant, the refund shall be paid to the county treasurer of the county in which such retail storefront is located and applied to such delinquent property taxes.

New Sec. 10. If there are delinquent property taxes for a tax year commencing prior to January 1, 2020, on a retail storefront owned by the claimant, the claimant shall not be eligible for the refund pursuant to this act for such retail storefront.

New Sec. 11. In any case in which it is determined that a claim is or was excessive and was filed with fraudulent intent, the claim shall be disallowed in full, and, if the claim has been paid, the amount paid may be recovered by assessment as income taxes are assessed, and such assessment shall bear interest from the date of payment or credit of the claim, until recovered, at the rate of 1% per month. The claimant in such case and any person who assisted in the preparation or filing of such excessive claim or supplied information upon which such excessive claim was prepared, with fraudulent intent, shall be guilty of a class B misdemeanor. In any case in which it is determined that a claim is or was excessive and was negligently prepared, 10% of the corrected claim shall be disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed, and such assessment shall bear interest at the rate of 1% per month from the date of payment until recovered. In any case in which it is determined that a claim is or was excessive due to the fact that the claimant neglected to include certain income received during the year, the claim shall be corrected and the excess disallowed, and, if the claim has been paid, the proper portion of any amount paid shall be similarly recovered by assessment as income taxes are assessed.

New Sec. 12. A claim shall be disallowed if the director of taxation finds that the claimant received title to such claimant's retail storefront primarily for the purpose of receiving benefits under this act.

New Sec. 13. To the extent applicable, the provisions of K.S.A. 79-3226, and amendments thereto, shall apply to claims for refunds allowable pursuant to this act that may become in dispute.

Sec. 14. K.S.A. 2021 Supp. 12-187, as amended by section 28 of 2021 House Bill No. 2239, is hereby amended to read as follows: 12-187. (iii) \( \frac{1}{2} \) shall be retained by the county for its sole use and benefit.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers’ sales tax for the preceding calendar year.

Adopted by the House April 1, 2022.
Adopted by the Senate April 1, 2022.
A PROPOSITION to amend sections 2 and 5 of article 9 of the constitution of the state of Kansas to require that a sheriff be elected in each county for a term of four years.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Sections 2 and 5 of article 9 of the constitution of the state of Kansas are hereby amended to read as follows:

“§ 2. County and township officers. (a) Except as provided in subsection (b), each county shall elect a sheriff for a term of four years by a majority of the qualified electors of the county voting thereon at the time of voting designated for such office pursuant to law in effect on January 11, 2022, and every four years thereafter.

(b) The provisions of subsection (a) shall not apply to a county that abolished the office of sheriff prior to January 11, 2022. Such county may restore the office of sheriff as provided by law and such restoration shall be irrevocable. A county that restores the office of sheriff shall elect a sheriff by a majority of the qualified electors of the county voting thereon for a term of four years. Such sheriff shall have such qualifications and duties as provided by law. The time of voting for the office of sheriff may be provided for by the legislature pursuant to section 18 of article 2 of this constitution.

(c) The filling of vacancies and the qualifications and duties of the office of sheriff shall be as provided by law.

(d) The legislature shall provide for such other county and township officers as may be necessary.”

“§ 5. Removal of officers. (a) Except as provided in subsection (b), all county and township officers may be removed from office, in such manner and for such cause, as shall be prescribed by law.

(b) A county sheriff only may be involuntarily removed from office by recall election pursuant to section 3 of article 4 of this constitution or a writ of quo warranto initiated by the attorney general.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. This amendment would preserve the right of citizens of each county that elected a county sheriff as of January 11, 2022, to continue electing the county sheriff. The amendment
would also provide that a county sheriff only may be involuntarily removed from office pursuant to either a recall election or a writ of quo warranto initiated by the attorney general. “A vote for this proposition would preserve the right of citizens of each county that elected a county sheriff as of January 11, 2022, to continue electing the county sheriff via popular vote. The amendment would also direct that a county sheriff only may be involuntarily removed from office pursuant to either a recall election or a writ of quo warranto initiated by the attorney general.” “A vote against this proposition would not make any changes to the constitution and would retain current law concerning the election of a sheriff and the procedures for involuntary removal of a sheriff from office.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Adopted by the House April 26, 2022.
Adopted by the Senate April 1, 2022.
A CONCURRENT RESOLUTION relating to the adjournment of the senate and house of representatives for a period of time during the 2022 regular session of the legislature.

Schwab regarding the constitutionality of the reapportioned United States Congressional districts enacted in 2022 Substitute for Senate Bill No. 355; and

Be it further resolved: That the chief clerk of the house of representatives and the secretary of the senate and employees specified by the director of legislative administrative services for such purpose shall attend to their duties each day during periods of adjournment, Sundays excepted, for the purpose of receiving messages from the governor and conducting such other business as may be required; and

Be it further resolved: That members of the legislature shall not receive the per diem compensation and subsistence allowances provided for in K.S.A. 46-137a(a) and (b), and amendments thereto, for any day within a period in which both houses of the legislature are adjourned for more than two days, Sundays excepted; and

Be it further resolved: That members of the legislature attending a legislative meeting of whatever nature when authorized pursuant to law, or by the legislative coordinating council, the president of the senate or the speaker of the house of representatives, and members of a conference committee attending a meeting of the conference committee authorized by the president of the senate and the speaker of the house of representatives during any period of adjournment for which members are not authorized compensation and allowances pursuant to K.S.A. 46-137a, and amendments thereto, shall receive compensation, subsistence allowances, mileage and other expenses in amounts prescribed under K.S.A. 75-3212, and amendments thereto.

MESSAGES FROM THE GOVERNOR

Substitute for SENATE BILL No. 355

AN ACT concerning reapportionment; relating to congressional districts; providing for the reapportionment thereof; repealing K.S.A. 2021 Supp. 4-137 and 4-143.

Message to the Legislature of the State of Kansas

The process of drawing districts each decade is the core to ensuring that all Kansans have the opportunity to participate in their government and have their voices heard. The courts and the Legislature have established case law and criteria on how to draw Kansas districts fairly and constitutionally.

Those guidelines call for ensuring that districts are nearly equal to 734,470 in population as practicable while ensuring that plans have neither the purpose nor effect of diluting minority communities’ voting strength. The guidelines call for protecting communities of interest, preserving the core of existing congressional districts, and ensuring that whole counties are in the same congressional district if possible. The Legislature’s guidelines further state that “to a considerable degree most counties in Kansas are economic, social, and cultural units, or parts of a larger socioeconomic unit. These communities of interest should be considered during the creation of congressional districts.”

SB 355, known as Ad Astra 2, does not follow these guidelines and provides no justification for deviation from those guidelines. Wyandotte County is carved into two separate congressional districts. Without explanation, this map shifts 46% of the Black population and 33% of the Hispanic population out of the third congressional district by dividing the Hispanic neighborhoods of Quindaro Bluffs, Bethel-Welborn, Strawberry Hill, Armourdale and others from Argentine, Turner and the rest of Kansas City, Kansas south of I-70. To replace lost population in the third district, this map adds in counties that are more rural to the south and west of the core of the Kansas City metropolitan area.

Ad Astra 2 also separates the city of Lawrence from Douglas County and inserts urban precincts of Lawrence into the largely rural Big First Congressional District, reducing the strength of communities of interest in Western Kansas and unnecessarily dividing communities of interest in Eastern Kansas.

Several alternatives would allow for the same deviation as Ad Astra 2 while protecting the core of the existing congressional districts and without diluting minority communities’ voting strength. I am ready to work with the Legislature in a bipartisan fashion to pass a new congressional map that addresses the constitutional issues in Senate Bill 355. Together,
we can come to a consensus and pass a compromise that empowers all people of Kansas.

For those reasons, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 355.

Laura Kelly, Governor

Dated February 3, 2022.
AN ACT concerning personal package delivery devices; definitions; operating requirements and restrictions; exemption from motor vehicle requirements; limitation of local regulation; requiring entities to submit annual fees and certification forms to the division of vehicles; amending K.S.A. 2021 Supp. 8-126 and repealing the existing section.

Message to the Legislature of the State of Kansas

I support advancements in technology to enhance our transportation network and delivery services. However, Senate Bill 161 allows delivery service businesses to operate large robotic delivery devices on sidewalks with few safety precautions. These precautions are particularly important in residential areas.

This bill does not clarify who is responsible for enforcing rules and regulations related to personal delivery devices other than requiring an annual fee and a certification form with minimal information. The provisions around minimum liability are also ambiguous and unclear in their application.

The Legislature must address these safety concerns before this bill becomes law. I’m ready to work with lawmakers on legislation that allows us to take advantage of technological advances while ensuring the safety of all Kansans.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 161.

Laura Kelly, Governor

Dated April 11, 2022.
SENATE BILL No. 199

AN ACT concerning insurance; relating to health insurance; providing for short-term, limited-duration health plans; amending K.S.A. 40-2,193 and repealing the existing section.

Message to the Legislature of the State of Kansas

After reviewing this bill, I still have concerns about how it will hurt Kansas families. The plans provided under this bill do not cover pre-existing conditions and do not provide consumer protections. As a result, one medical emergency could cause a Kansas family to spiral into bankruptcy.

We already know that the solution to provide health care access for all Kansans, to bring thousands of jobs to our state, to save small businesses money, to protect our rural hospitals, and inject millions into our economy... is expanding Medicaid.

I encourage the Legislature to work with me to improve Kansans’ access to affordable healthcare and join the 38 other states in expanding Medicaid.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 199.

Laura Kelly, Governor

Dated April 11, 2022.
AN ACT concerning cities and counties; prohibiting the regulation of plastic and other containers designed for the consumption, transportation or protection of merchandise, food or beverages.

Message to the Legislature of the State of Kansas

The disposal and regulation of solid waste is traditionally a public policy issue that Kansans decide at the local level with input from local businesses, waste management providers, and private citizens. As this bill advanced through the process, no evidence was provided demonstrating why the Legislature had a compelling public interest to repeal city and county local control and home rule over these matters.

This issue is a local decision, and it should be left to local governments based on what’s best for their constituents, stakeholders, and businesses in their community.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 493.

Laura Kelly, Governor

Dated April 11, 2022.
SENATE BILL No. 58

AN ACT concerning education; relating to schools and school districts; establishing the parents’ bill of rights.

Message to the Legislature of the State of Kansas

Throughout the pandemic, parents had to step up and do the impossible. Go to work. Take care of their children. Teach, tutor and facilitate their children’s learning. When it comes to their children’s education, parents can and should play a vital role. We know that parental engagement in their child’s education greatly impacts the outcome.

This bill, however, is about politics, not parents. Over one hundred Kansas parents testified against this bill. It would create more division in our schools and would be costly. Money that should be spent in the classroom would end up being spent in the courtroom.

That’s unacceptable, especially after our efforts to bring Democrats and Republicans together to fully fund our schools for the last four years.

I look forward to working with the Legislature in a bipartisan fashion on a bill that gives parents a seat at the table without harming school funding or exacerbating the issues facing our teachers.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 58.

Laura Kelly, Governor

Dated April 15, 2022.
AN ACT concerning education; relating to student athletes; enacting the fairness in women’s sports act; restricting participation on women’s teams to female students; providing a cause of action for violations.

Message to the Legislature of the State of Kansas

Both Republican and Democratic Governors have joined me in vetoing similar divisive bills for the same reasons: it’s harmful to students and their families and it’s bad for business.

We all want a fair and safe place for our kids to play and compete. However, this bill didn’t come from the experts at our schools, our athletes, or the Kansas State High School Activities Association. It came from politicians trying to score political points.

This bill would also undoubtedly harm our ability to attract and retain businesses. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation than strategic, pro-growth lawmaking.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 160.

Laura Kelly, Governor

Dated April 15, 2022.
AN ACT concerning public health; relating to the governmental response to the COVID-19 pandemic in Kansas; crimes, punishment and criminal procedure; crimes against the public peace; creating the crime of interference with the conduct of a hospital; increasing the criminal penalty for battery of a healthcare provider; extending the expanded use of telemedicine and expiring such provisions; extending the suspension of certain requirements related to medical care facilities and expiring such provisions; modifying the COVID-19 response and reopening for business liability protection act; extending immunity from civil liability for certain healthcare providers, certain persons conducting business in this state and covered facilities for COVID-19 claims until January 20, 2023; amending K.S.A. 2021 Supp. 21-5413, 48-963, 48-964, 60-5503, 60-5504, 60-5508 and 65-468 and repealing the existing sections.

Message to the Legislature of the State of Kansas

This bill includes valuable provisions that I support, such as expanding telemedicine and criminal penalties for violence against health care workers in hospital settings.

During the pandemic, I worked with hospitals, frontline care workers, and stakeholders on a narrowly tailored compromise to protect our doctors and nurses responding to COVID-19 while ensuring Kansas patients still had appropriate protections. This was important for those working around the clock, caring for our loved ones during the height of the pandemic.

However, a last-minute provision was inserted into this bill which gutted our original carefully crafted compromise and indiscriminately broadened protections for health care providers, substantially reducing protections for Kansas patients.

I will work with the Legislature in a bipartisan fashion on a bill that returns the liability provisions to the original compromise language and include the provisions for telemedicine and enhanced criminal penalties for violence against health care workers in hospital settings so that both Kansas patients and our hard-working healthcare providers are protected.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto H Sub for Sub Senate Bill 286.

Laura Kelly, Governor

Dated April 15, 2022.
AN ACT concerning public assistance; requiring able-bodied adults without dependents to complete an employment and training program in order to receive food assistance; amending K.S.A. 39-709 and repealing the existing section.

Message to the Legislature of the State of Kansas

Every Kansan feels the price of the pandemic-induced inflation at the pumps and at the grocery store. The cost of food alone is one of the most significant contributors to inflation overall.

With the rising costs of these necessities, we should be helping people afford the basics. This bill would unnecessarily burden nearly 30,000 hard-working Kansans, including people caring for their families and impacting those with children.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto S Sub for House Bill 2448.

Laura Kelly, Governor

Dated April 15, 2022.
AN ACT making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, June 30, 2024, June 30, 2025, June 30, 2026, and June 30, 2027, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; authorizing and directing payment of certain claims against the state; amending K.S.A. 2021 Supp. 2-223, 12-1775a, 12-5256, 65-180, 74-50,107, 74-99b34, 75-2263, 75-6707, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171 and 79-4804 and repealing the existing sections.

Message to the Legislature of the State of Kansas

I want to thank the Legislature for their work and bi-partisan collaboration to pass House Substitute for Substitute for Senate Bill 267 – a budget that allows us to continue to improve core services while investing in our future and setting the stage for additional economic growth.

This budget completes a promise I made to close the Bank of KDOT, it restores and renews the state’s commitment to higher education, it fully funds the state water plan, it provides historic funding for the most vulnerable and those who care for them, and it invests in our law enforcement and public safety officers.

Enhancements for workforce and economic development will allow Kansas to continue our record-breaking success in attracting and retaining businesses. The historic investment in moderate income housing will ensure that we have quality housing to recruit and retain families throughout the state.

Funding for state employee pay increases, updated equipment and resources, and facility upgrades will benefit the public and make a down payment toward appropriately rewarding Kansans who dedicate their lives to public service.

Finally, this budget preserves the funding necessary to eliminate the state food sales tax on groceries, benefiting all Kansans, while making a $500 million deposit in the state’s Budget Stabilization Fund—by far the largest Rainy Day Fund investment in state history.

With all that this budget does accomplish, it could do more to ensure that all communities in the state have the access to healthcare that Kansans deserve and that prospective new residents expect. Given how new business growth requires a healthy workforce, I will continue to urge the Legislature to make the commonsense decision to expand Medicaid and return Kansas’ federal tax dollars to our communities.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Substitute for Substitute for Senate Bill 267 with my signature approving the bill, except for the items enumerated below.
Kansas Public Employees Retirement System—Exclusive Opportunity for Legislators

- Section 43(d) has been vetoed in its entirety.

Legislators must make an irrevocable decision when they begin public service to either join or decline enrollment in the Kansas Public Employees Retirement System (KPERS). The policy in Section 43(d) would create an exclusive opportunity for legislators to reverse the irrevocable decision that they consciously made when they elected not to join (KPERS). Other public employees including teachers, public safety officers, and nurses are not allowed this special election under law. Further, this provision likely would not be approved by the Internal Revenue Service if reviewed.

State Board of Regents—Special Line Item for Single Program

- The portion of Section 109(a) that reads as follows has been line-item vetoed:

  Benedictine college engineering program............................$200,000

Under the State Board of Regents budget, $200,000 is appropriated for a college engineering program at Benedictine College. This budget includes many enhancements for higher education, including significant increases in funding for grant programs for public and private postsecondary institutions. One of these appropriations is a $10,000,000 grant program in Section 29(f) that is reserved exclusively for the state’s private and independent colleges. Benedictine College should apply for public funding for the college engineering program through this specifically designated appropriation for similar programs.

AN ACT concerning public health; prohibiting a governmental entity or public official from ordering or otherwise requiring any individual to wear a face mask as a response to a contagious or infectious disease; prohibiting a governmental entity or public official from issuing or requiring use of a COVID-19 vaccination passport or discriminating against any individual based upon COVID-19 vaccination status; limiting powers of the governor and other governmental entities under the Kansas emergency management act related to face masks; modifying judicial review provisions related to certain executive orders issued during a state of disaster emergency and certain actions taken by a local unit of government during a state of local disaster emergency; requiring court petitions challenging orders and similar actions by public officials relating to gathering limitations, business restrictions and religious gathering limitations to be ruled on without unreasonable delay; restricting the power of the secretary of health and environment and local health officers to order law enforcement to assist in execution or enforcement of orders related to isolation or quarantine; prohibiting the secretary of health and environment from requiring a test or inoculation for admission to and attendance at a school that has not received full approval by the federal food and drug administration for the student to whom the requirement applies; amending K.S.A. 65-129b and 72-6262 and K.S.A. 2021 Supp. 48-925, 48-932 and 65-201 and repealing the existing sections.

Message to the Legislature of the State of Kansas

I have consistently opposed vaccine passports and mandating any COVID-19 vaccination. However, this bill goes beyond COVID-19 and implements a one-size-fits-all approach for all infectious diseases. It significantly limits any government entity’s response to any infectious disease outbreak.

As a result, this legislation creates significant safety concerns for workers, for employers, for the economy, and for all Kansans. Schools could not adequately respond to an outbreak of measles in a classroom, and manufacturing facilities could not respond to a tuberculosis outbreak.

Beyond that, our agricultural sector could not continue to fight the Highly Pathogenic Avian Influenza (HPAI). We have a responsibility to protect our critically important agricultural industry and the farmers and ranchers who feed the nation.

We need to be prepared for what’s down the road to best protect Kansans. This bill puts the safety of all Kansans and our economy at risk.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Substitute for Senate Bill 34.

Messages from the Governor

Senate Substitute for HOUSE BILL No. 2252

AN ACT concerning elections; prohibiting the modification of election laws by agreement except as approved by the legislature; amending K.S.A. 25-125 and repealing the existing section.

Message to the Legislature of the State of Kansas

Elected officials must be able to perform their job duties effectively and efficiently. By prohibiting executive branch officers, including the Governor, Secretary of State, and Attorney General, from entering into agreements regarding the enforcement of election law, this bill prevents the executive branch from fulfilling its constitutional duties. House Bill 2252 represents an overreach by the legislative branch that defies the separation of powers – a principle fundamental to a working democracy. If passed, it would also lead to costly litigation at the expense of Kansas taxpayers.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Bill 2252.

Laura Kelly, Governor

Dated May 13, 2022.
AN ACT concerning the executive branch; relating to actions by state agencies and the governor; prohibiting the issuance of a request for proposal or entering into a new contract for the administration and provision of benefits under the medical assistance program; relating to the Kansas emergency management act; removing the authority of the governor to prohibit attending or conducting certain religious services and worship services; amending K.S.A. 2021 Supp. 48-925 and repealing the existing section.

Message to the Legislature of the State of Kansas

Having a transparent, competitive bidding process is key to ensuring that our state contracts provide the most value to Kansas taxpayers while using the latest technology and best practices. This is not only good for the State of Kansas, but also for our current MCOs and the people they serve.

The language included in HB 2387 regarding the current MCO contracts is a product of closed-door dealings to push legislation that did not have a single proponent. There is little question that this effort is fraught with legal issues and jeopardizes our Medicaid program. HB 2387 prohibits the state Medicaid agency from pursuing the state’s independent procurement process and, by doing so, functionally provides the current MCOs with a no-bid, multi-billion-dollar contract.

We must favor transparency and fair competition over attempts to re-insert corruption into the state contracting process.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto HB 2387.

Laura Kelly, Governor

Dated May 13, 2022.
AN ACT making and concerning appropriations for the fiscal years ending June 30, 2022, June 30, 2023, and June 30, 2024, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2021 Supp. 76-1959 and repealing the existing section.

Message to the Legislature of the State of Kansas

House Bill 2510 represents additional progress toward fulfilling many of the priorities that I set forth in January and that have been made possible only through our bipartisan work together over the past four years. Building on House Substitute for Substitute for Senate Bill 267, this bill provides additional investments in higher education, economic development, mental health, senior services, and veterans while leaving sufficient funding to provide over $1 billion in tax relief to Kansans through the legislation that I have signed to cut property taxes and axe the state’s sales tax on groceries.

Some of the key investments in this legislation include improved access to mental healthcare, increased funding for senior nutrition, expanded training opportunities to prevent child abuse, and measures that build on our successful work to reduce the number of children who enter the foster care system. This bill includes additional investments in our regional universities and community and technical colleges, which are critical to our efforts to expand our workforce in the state of Kansas. And this budget ensures that all state employees will receive a pay increase of at least 5% this year in recognition of their service to the state.

Finally, due to our strong economic growth and unprecedented ending balances, this budget will allow us to pay off over $1 billion in debt over the next year.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Bill 2510 with my signature, except for the item enumerated below.

State Board of Regents—Proviso Allowing Universities to Raise Tuition

- Section 36(b) has been vetoed in its entirety.

In my initial budget, I recommended $45.7 million in operating grant funding to higher education with the understanding that universities would freeze tuition. In addition to that, I allocated $23.9 million in funding for salaries. While the original operating grant funding has been reduced to an increase of $37.5 million in the final passed budget, overall, higher education in the state of Kansas is set to receive $1 billion this fiscal year. This is a historic investment that I am proud to support by approving the additional higher education funding included in HB 2510.
As a result of this significant infusion of new funding, I believe that the Regents institutions will be able to continue to hold tuition flat, making college more affordable for Kansans of all backgrounds. This is especially important if we, as a state, are going to provide the workforce needed to fully actualize the benefits and opportunities of our recent economic growth.
